
DRAFT STATUTORY INSTRUMENTS

2021 No.

The Spaceflight Activities (Investigation of
Spaceflight Accidents) Regulations 2021

PART 4

The safety investigation and inspectors' powers

CHAPTER 5

Investigator-in-charge

Investigator-in-charge

21.—(1) The conduct of a safety investigation is within the sole discretion of the investigator-in-charge of that investigation.

(2) The investigator-in-charge may take the measures necessary to carry out an effective safety investigation, and for this purpose may exercise any of the powers referred to in regulations [23](#) to [26](#).
