

SCHEDULE 4

Communication requirement

Interpretation

1. In this Schedule—

“scheme communication” means a notification, notice, document, statement or other communication relating to the scheme which is provided, or made available, to a relevant person by or on behalf of the scheme;

“relevant functions” are—

- (a) the development, production, provision or review of scheme communications;
- (b) record-keeping in respect of scheme communications;
- (c) quality assurance activities in respect of scheme communications; and
- (d) any other functions, in respect of scheme communications, set out in a Code.
