
DRAFT STATUTORY INSTRUMENTS

2022 No.

The Electricity and Gas (Energy
Company Obligation) Order 2022

PART 7

Applications relating to data light measures
and standard alternative methodology measures

Publication of information

41.—(1) If the Administrator approves an application under article 38, the Administrator must publish on its website the following information in respect of the measure—

- (a) the measure description;
- (b) whether the measure has been approved as—
 - (i) a data light measure; or
 - (ii) a standard alternative methodology measure; and
- (c) the date on which the application is approved by the Administrator.

(2) If the Administrator approves an application under article 40, the Administrator must publish on its website the following additional information in respect of the measure—

- (a) the approval of the measure as a standard alternative methodology measure; and
- (b) the date on which the application is approved by the Administrator.
