Regulation 31

### Prescribed form of ballot paper refusal list at parliamentary elections

#### **Ballot Paper Refusal List**

##### **Guidance**

You should only record a refusal to issue a ballot paper on this List when an elector or proxy presents one of the required forms of identification, but **either**:

1. You are not satisfied the identification is of who they claim to be (e.g. the photo was not a good likeness); **or**
2. You believe the document is a forgery; **or**
3. The elector or proxy was asked the Voter Identification statutory questions and did not answer as required.

Please enter 1, 2 or 3 based on the reasons outlined above in the 'reason for refusal' column.

If an elector or proxy is initially refused for one of the above reasons, but then produces an accepted document before leaving the desk and is issued a ballot paper – you do not need to record their details on this form.

If you refuse to issue a ballot paper to an elector **for any other reason** (e.g. they did not bring any identification or do not have one of the required forms of identification) - **DO NOT record this on this form.**

An elector or proxy can only be refused for one reason at a time but can be refused more than once if they return and attempt to vote again. **If you refuse an elector or proxy more than once, mark each reason for refusal in order on the same row for that elector.**
