- (5) The proposed regeneration scheme includes the construction of a coastal link road and other works which would convert the land around the Llanelli coast into a new centre incorporating housing, a business park and leisure facilities:
- (6) To enable the proposed regeneration scheme to take place it is expedient that all public rights of navigation over part of the river Lledi should be extinguished and that, in consequence, part of the Carmarthenshire Dock should be closed:
- (7) It is expedient that the other provisions in this Act should be enacted:
- (8) The purposes of this Act cannot be effected without the authority of Parliament:
