

# City of London Corporation (Open Spaces) Act 2018

## 2018 CHAPTER i

### *General powers*

#### **8 Grant of rights for utilities**

- (1) The Corporation may grant easements or licences in relation to land forming part of an open space in connection with the provision of services relating to water, electricity, gas, oil, electronic communications, drainage or sewerage.
- (2) A grant under subsection (1) is to be made on such terms and conditions as appear to the Corporation to be necessary in order to avoid material injury to the amenity of the open space.
