- (1) The Commissioners must establish a body, to be known as the Navigation Advisory Committee (in this section referred to as “the Committee”), to advise the Commissioners on the exercise of their functions in respect of navigation under the navigation Acts.
- (2) Subject to subsection (3), the Committee is to consist of persons appointed by the Commissioners who appear to the Commissioners to be (taken together) representative of—

 - (c) other navigation interests in the waterways;
 - (d) other recreational users of the waterways and their banks;
 - (e) riparian owners in the Middle Level; and
 - (f) other local interests in the Middle Level.
- (3) When appointing a person to the Committee, the Commissioners must make a statement of their reasons for appointing that person.
- (4) No person appointed to the Committee may take part in the proceedings of the Committee unless that person has disclosed to the clerk of the Commissioners details of every financial or other direct or indirect interest in any matter with which the Commissioners are concerned.
- (5) A person who fails to make that disclosure within three months of being appointed ceases to be a member of the Committee.

- (9) If the Committee’s report relates to proposals under subsection (6)(a), (b) or (d) and the Committee reasonably considers that the Commissioners’ reasons do not justify their refusal to amend the proposals, the Committee may refer the matter—

 - (b) with the agreement of the Commissioners, to determination by a person acting as an expert.
- (10) If the matter is referred to mediation—
- (a) the mediator is to be appointed by the agreement of the Commissioners and the Committee or, failing agreement, by the President of the Institute of Civil Engineers;
 - (b) the mediator is to decide the procedure for the mediation; and
 - (c) within seven days of the conclusion of the mediation, the mediator is to provide to the Commissioners and the Committee a report describing the outcome of the mediation.
- (11) If the matter is referred to determination by a person acting as an expert—

 - (b) the person is to determine the matter acting as an expert, having regard to the Commissioners’ duties under the navigation Acts and such other matters as may be agreed by the Commissioners and the Committee;
 - (c) the person is to decide the procedure for determining the matter;
 - (d) the person is to determine the matter and notify the Commissioners and Committee of the determination as soon as reasonably practicable after hearing the representations of the Commissioners and the Committee on the matter; and
