former Act
continued.

WHEREAS an Act was passed in the Thirty-first Year of the Reign of His late Majesty King George the Second, intituled, *An Act for widening and repairing several Roads leading from the Welsh Gate and Cotton Hill in the Town of Shrewsbury, in the County of Salop*; and another Act was passed in the Twelfth Year of the Reign of His present Majesty, intituled, *An Act to amend an Act of the Sixth Year of the Reign of His present Majesty, for repairing and widening the Stone Bridge in the Town of Shrewsbury, and for appropriating Part of the Tolls collected upon certain Roads leading to the said Bridge towards finishing the same, and for granting additional Terms to the several Acts for repairing the said Roads*, whereby the said first recited Act, except so much thereof as relates to Two Branches of Road therein mentioned, as lie between the Distance of Ten Miles from *Shrewsbury*, and the Towns of *Pool* and *Oswestry*, was further continued from the Expiration thereof for the Term of Twenty-one Years, and from thence to the End of the then next Session of Parliament: And whereas the Term granted by the said Act, made in the Thirty-first Year of the Reign of His late Majesty, and continued by the said Act made in the Twelfth Year of the Reign of His present Majesty, is near expiring, and a considerable Sum of Money hath been borrowed, and is now due and owing on the Credit of the Tolls granted by the said first recited Act; and the Money so borrowed cannot be repaid, nor the said Roads be effectually amended and kept in Repair, unless the Term of the said Act be further continued, and the Powers thereof extended, altered, and enlarged, and the Tolls increased: And whereas the Road leading from near the Tenth Mile Stone on the Turnpike Road from *Shrewsbury* to *Welsh Pool*, by *Plas-y-Court*, along the Foot of *Moel y Golfu Hill*, and again joining the same Turnpike Road at or near *Buttington Hall*, in the County of *Montgomery* is much out of Repair, narrow, and incommodious, and cannot be effectually amended, widened, altered, diverted, and kept in Repair by the ordinary Course of Law; and it would be a great Convenience to the Neighbourhood, and of publick Utility, if the same were made Turnpike, and included under the Powers and Provisions of the said recited Act and this Act; may it therefore please Your Majesty that it may be enacted; and be it enacted by the King's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That the said recited Act of the Thirty-first Year of His late Majesty's Reign, and the several Clauses and Powers therein contained (except so much of the same Act as relates to the said Two Branches of Road as lie between the Distance of Ten Miles from *Shrewsbury* and the Towns of *Pool* and *Oswestry*, and except such Clauses and Powers as relate to Exemptions from Stamp Duties, and such as are hereby varied, altered, or repealed) shall be and continue in full Force, and be executed for and during the Term hereinafter mentioned, for the Purpose from Time to Time of repairing, widening, turning, altering, and improving the several Roads now included in the said recited Act, and also for making, widening, turning, altering, improving, and keeping in Repair a new Branch of Road from or from near the said Tenth Mile Stone on the said Turnpike Road from *Shrewsbury* to *Welsh Pool*, again to join the same Road at or near *Buttington Hall* aforesaid, as fully and effectually, to all Intents and Purposes, as if the

faid Act, Clauses, and Powers were repeated and re-enacted in the Body of this Act, and if the faid additional Branch of Road had originally been Part of the Roads included in the faid recited Act, but subject nevertheless to the Provisions, Amendments, and Alterations herein contained, and which shall commence and take Effect from the passing of this Act; and this Act, and the additional Term, and the Tolls hereby granted, shall be subject and liable to the Payment of all the Money now due on the Credit or on Account of the faid first recited Act (except as to the faid Two first mentioned Branches of Road) or which shall be borrowed on the Credit of the faid Act and this Act, and the Interest due and to grow due thereon respectively.
