## Cap. 1.

An Act for enlarging the Powers of an Act of His present Majesty for re-building the Parish Church of *East Grinstead*, in the County of *Suffex*.

[8th March, 1811.]

**W**HEREAS an Act was passed in the Thirtieth Year of the Reign 30 Geor 3.  
c. 7. of His present Majesty, intituled, *An Act for re-building the Parish Church of East Grinstead, in the County of Suffex*: And whereas the Trustees, acting in the Execution of the said Act, have made great Progress in re-building the said Church, and have borrowed the Sum of Four Thousand Pounds upon the Credit of the Rates or Assessments, by the said Act authorised to be made and assessed upon the Person or Persons inhabiting, holding, or occupying any Land, House, Shop, Warehouse, Vault, Mill, or other Tenement within the said Parish of *East Grinstead*; which said Sum of Four Thousand Pounds, (being the whole Sum the Trustees were by the said Act enabled to raise,) has been expended towards re-building the said Church, but on account of the advanced Price of Labour and Materials, the Trustees have not been enabled to complete the re-building of the said Church and the Tower thereof; and by an Estimate made by several experienced Surveyors, the Trustees find that it will require the further Sum of Four Thousand Pounds and upwards, to finish, complete, and re-build the same, which Sum the Trustees are satisfied they can raise upon the Credit of the said Rates or Assessments, by the said recited Act authorised to be made and assessed as aforesaid, if they were empowered so to do, and the Powers of the said recited Act were enlarged, altered, and amended for that Purpose; May it therefore please
