An Act to alter the Constitution of the Llanelly Harbour and Burry Navigation Commissioners ; to enable them, with the consent of the Local Board for the District of the Borough of Llanelly, to raise Moneys ; to amend the Law relating to the said Local Board ; and for other purposes.

A.D. 1878.

[17th June 1878.]

WHEREAS by the Burry Navigation and Llanelly Harbour Act, 1858, the Llanelly Harbour Act, 1864, and the Llanelly Harbour Improvement Act, 1868 (in this Act referred to collectively as "the antecedent Acts"), the Llanelly Harbour and Burry Navigation Commissioners were incorporated and were invested with powers for the improvement of the navigation of the rivers Burry, Loughor, and Lliedi, in the counties of Carmarthen and Glamorgan, and of the harbour of Llanelly in the said county of Carmarthen, and were for such purpose empowered to borrow moneys in the manner and subject to the conditions by the said Acts prescribed :

21 & 22 Vict.  
c. lxxii.  
27 & 28 Vict.  
c. cciii.  
31 & 32 Vict.  
c. cxxxii.

And whereas by an Act (local and personal) passed in the session of Parliament held in the forty-seventh year of the reign of His Majesty King George the Third (in this Act referred to as "the Act of 1807"), Commissioners were appointed for inclosing commonable lands and waste grounds within the parish of Llanelly in the county of Carmarthen, and provision was made that the said Commissioners should by an award set out and allot certain parts of the said lands and grounds to trustees for the burgesses of Llanelly, who were directed, after payment of certain annual charges, to apply the residue and remainder of the rents and profits of the said lands and grounds for the improvement of the town and port of Llanelly, or either of them, and to divide the remainder amongst the burgesses of the said town of Llanelly in manner by section fifty-one of the said Act prescribed :

(*Loc. & Per.*)

A.D. 1878.

11 & 12 Vict.  
c. 63.13 & 14 Vict.  
c. 108.

And whereas by a Provisional Order made in pursuance of the Public Health Act, 1848, on the thirty-first day of July one thousand eight hundred and fifty, and duly confirmed by the Public Health Supplemental Act, 1850 (No. 3), (in this Act referred to as "the Provisional Order of 1850,") the borough of Llanelly as therein fixed, and as in Part I. of Schedule A. to this Act annexed specifically described, was constituted a district for the purposes of the said Act, and the management of the said lands and grounds awarded to trustees under the Act of 1807 was transferred to and vested in the Local Board of Health for the said district acting in execution of the said Provisional Order, and sections 1 to 42, both inclusive, and so much of section 51 of the said Act as provided for the division of the remainder of the rents and profits of the said lands and grounds amongst the burgesses of the said town of Llanelly, were repealed :

21 & 22 Vict.  
c. 98.31 & 32 Vict.  
c. x.

And whereas by a Provisional Order made in pursuance of the Local Government Act, 1858, on the seventeenth day of January one thousand eight hundred and sixty-eight, and duly confirmed by the Local Government Supplemental Act, 1868 (in this Act referred to as "the Provisional Order of 1868"), the district of the Local Board of Health for the district of the borough of Llanelly was extended so as to include the lands and hereditaments contained within the limits therein mentioned, and to contain the lands and hereditaments comprised within the limits set forth in Part II. of Schedule A. to this Act annexed :

And whereas the said Commissioners were, under the authority of the antecedent Acts and for the purposes of the same, empowered to borrow moneys, not exceeding in the whole the sum of ninety-seven thousand two hundred pounds, and they have accordingly from time to time borrowed sums amounting in the whole to the sum of twenty-six thousand one hundred and seventy-five pounds, and the said sum, together with interest, is secured by mortgages and bonds of the said Commissioners comprising different securities and conferring upon the mortgagees and obligees different priorities :

And whereas the said Commissioners have purchased lands, executed works, and entered into agreements in pursuance of the powers of the antecedent Acts :

And whereas some of the works contemplated by the antecedent Acts have not been executed, and the powers given in those Acts for the execution of such works have lapsed, and in consequence of such lapse the borrowing powers of the said Commissioners to a large extent have not been exercised and cannot now be exercised, and it is expedient that the said Commissioners in lieu of such of

their former borrowing powers as can still be exercised should borrow moneys in the manner and subject to the conditions prescribed by this Act :

And whereas the said Commissioners have incurred further liabilities to the amount of eighteen hundred and eighty-seven pounds or thereabouts, that is to say, four hundred and eighty-seven pounds in respect of a pilot superannuation fund and one thousand four hundred pounds or thereabouts in respect of advances from their banker :

And whereas it would be for the benefit of the harbour and town of Llanelly if the said Commissioners were enabled to pay off the money so borrowed by them upon such different securities as aforesaid and their other liabilities, and to obtain the moneys required for such purpose, and such other moneys as they may from time to time require for the exercise of such of the powers of the antecedent Acts as are still in force, and for the purposes of this Act, by raising moneys not exceeding the amount herein-after specified, subject to the conditions by this Act prescribed, and by securing the repayment of all moneys so borrowed as aforesaid, not only upon the dues, tolls, rates, and charges authorised by the antecedent Acts, but also upon the residue of the rents and profits of the said lands and grounds applicable to the improvement of the said town and port of Llanelly, or either of them, subject to all charges affecting the said lands, and that for such purposes provisions should be made such as are in this Act contained :

And whereas, having regard to the provisions of this Act, it is expedient that the constitution of the Llanelly Harbour and Burry Navigation Commissioners as provided by the antecedent Acts should be altered by reducing the number of Commissioners holding office under the said Acts, and by the admission of the members of the Local Board of Health for the district of the borough of Llanelly, and otherwise as by this Act provided :

And whereas it is expedient to amend the law with respect to certain disabilities to which certain persons are subject by reason of the said lands and grounds awarded to trustees under the Act of 1807 being vested in the Local Board of Health for the district of the borough of Llanelly, and to enable such persons in certain events to act as members of the said local board :

And whereas it is expedient that for more convenient reference the limits of the district of the Local Board of Health for the district of the borough of Llanelly should be more clearly and fully described, and that for such purpose provision should be made such as is in this Act contained :

And whereas the purposes of this Act cannot be effected without the authority of Parliament :

A.D. 1878.

If it appears to the Board of Trade, by such return or otherwise, that the Commissioners have failed to set apart the sum required by this Act as an instalment or for the sinking fund, or have applied any portion of the moneys so set apart to any purposes other than those authorised by this Act, the Board of Trade may by order direct that a sum not exceeding double the amount in respect of which such default shall have been made shall be set apart and applied or invested as part of the instalments or sinking fund, and such order shall be enforceable by writ of Mandamus to be obtained by the Board of Trade out of the High Court of Justice.

Annual return to Board of Trade with respect to instalments and sinking fund.

**16.** Nothing in this Act shall operate to empower the Commissioners to borrow any loan from the Public Works Loan Commissioners; provided that if the Public Works Loan Commissioners advance any loan to the Commissioners under the Harbours and Passing Tolls, &c. of moneys  
borrowed.

18. All moneys borrowed by the Commissioners under the powers of this Act shall be applied to defray the expenses of the Commissioners in the exercise of such of the powers of the antecedent Acts as are for the time being in force and for the purposes of this Act, but only for purposes to which capital is properly applicable.

of revenue.

19. From and after the passing of this Act, the harbour revenues shall, subject to the provisions of this Act, be applied in the manner and order following :
