- (3.) The Local Board shall at all times at their own expense keep the road over the said widening in substantial repair and good order to the reasonable satisfaction in all respects of the engineer for the time being of the Company, and if and whenever the Local Board fail so to do the Company may make or do such repairs, and the sum from time to time certified by such engineer, being the reasonable amount of such expenditure, shall be repaid to the Company by the Local Board, and, in default of payment, may be recovered by them from the Local Board with full costs in any court of competent jurisdiction:
- (4.) The Local Board and their contractors, agents, servants, or workmen shall not, in constructing or repairing the said

(5.) The Local Board shall not in any case take, use, enter upon, or interfere with the railway, works, lands, or property at any time belonging to or in the possession or under the power of the Company, except only such part or parts thereof respectively as it shall be considered necessary for the Local Board to use, enter upon, or interfere with for making and maintaining the said widening :

(6.) Nothing in the Order relating to the Local Board hereby confirmed shall extend to prejudice, alter, or take away any of the rights, privileges, or powers of the Company otherwise than is in the said Order and in this Act expressly provided.
