

CHAPTER lxxvii.

An Act to confirm certain Provisional Orders made by the Board of Trade under the General Pier and Harbour Act, 1861, relating to Canna, Fleetwood, Mevagissey, and Newlyn. A.D. 1892.

[20th June 1892.]

WHEREAS a Provisional Order made by the Board of Trade under the General Pier and Harbour Act, 1861, is not of any validity or force whatever until the confirmation thereof by Act of Parliament: 24 & 25 Vict.
c. 45.

And whereas it is expedient that the several Provisional Orders made by the Board of Trade under the said Act, and set out in the schedule to this Act, be confirmed by Act of Parliament:

Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

1. The several Orders as amended and set out in the schedule to this Act shall be and the same are hereby confirmed, and all the provisions thereof in manner and form as they are set out in the said schedule shall, from and after the passing of this Act, have full validity and force. Confirmation of Orders in schedule.

2. The undertakers mentioned in the said Orders shall not, under the powers of this Act or of the said Orders, purchase or acquire in any city, borough, or other urban sanitary district, or in any parish or part of a parish not being within an urban sanitary district in England, or in Scotland in any district within the meaning of the Public Health (Scotland) Act, 1867, as the case may be, ten or more houses which after the passing of this Act have been or on the fifteenth day of December last were occupied either wholly or partially by persons belonging to the labouring class as tenants or lodgers. Special provisions as to houses of labouring class.

A.D. 1892. — For the purposes of this section the expression “labouring class” includes mechanics, artizans, labourers, and others working for wages, hawkers, costermongers, persons not working for wages but working at some trade or handicraft without employing others except members of their own family, and persons other than domestic servants whose income does not exceed an average of thirty shillings a week, and the families of any of such persons who may be residing with them.

Short title. **3.** This Act may be cited as the Pier and Harbour Orders Confirmation (No. 2) Act, 1892.

THE SCHEDULE OF ORDERS.

1. CANNA.—Construction of pier.
2. FLEETWOOD.—Construction of pier.
3. MEVAGISSEY.—Amendment of former Orders.
4. NEWLYN.—Amendment of former Orders.

CANNA.

Order for the Construction, Maintenance, and Regulation of a Pier at Rudha Carr-Innis, in Canna Harbour, in the Parish of Small Isles and County of Inverness. A.D. 1892.
Canna.

1. Robert Thom, Esquire, of Canna, in the county of Inverness, and his heirs, assignees, and successors or others the persons for the time being entitled to the receipt of the rents, rates, and profits of the pier and works authorised by this Order, shall be the Undertakers for carrying this Order into execution, and shall have, and may exercise, the powers, privileges, and authorities conferred by this Order. Undertakers.
2. The Lands Clauses Acts, except so much thereof as relates to the taking of land otherwise than by agreement, and to the entry upon lands by the promoters of the undertaking, are hereby incorporated with this Order. Incorporation of Lands Clauses Acts.
3. The limits within which the Undertakers shall have authority, and which shall be deemed the limits to which this Order and the powers to levy rates extend, shall comprise the existing pier and works at Rudha Carr-Innis, in Canna Harbour, in the parish of Small Isles and county of Inverness, and the reconstruction and enlargement thereof by this Order authorised, and the lands, works, roads, accesses, buildings, accommodation, and conveniences connected therewith or appertaining thereto respectively, and all additions to, and improvements on, the pier and works from time to time lawfully made by the Undertakers, and the whole area below the line of high-water mark within a distance of one hundred and fifty yards from any part of the said pier and works, which limits are in this Order termed the limits of this Order. Limits of harbour.
4. For the purposes of the works authorised by this Order, the Undertakers may from time to time, by agreement, enter on, take, and use all or such parts of the lands and premises shown on the plan deposited with reference to this Order as they may think requisite for the purposes of this Order. Power to take lands by agreement.
5. Subject to the provisions of this Order, and subject also to such alterations, if any, in the plans and sections deposited with reference to this Order as the Board of Trade require from time to time before the completion of the works, in order to prevent injury to navigation, the Undertakers may, on the lands belonging to them or acquired under this Order, and in the lines and situation, and according to the levels shown on the deposited plan and section, so far as the same are shown thereon, and within the limits of deviation shown on the plan, make and maintain the pier and works authorised by this Order. Power to make works.
6. The works authorised by this Order include—
A pier or quay, being a reconstruction and enlargement of the said existing pier upon Rudha Carr-Innis, commencing at a point in the road leading to the said existing pier sixty-six yards or thereabouts south-south-east of the south-south-west corner of the fish-curing house near the said existing pier, and terminating at a point one hundred and seventeen yards or thereabouts Description of works.

A.D. 1892.

Canna.

south-south-east from the before-mentioned south-south-west corner of the fish-curing house ;

The existing pier is solid, and the reconstruction and enlargement will be built open throughout its whole extent ;

which pier and the works connected therewith will be situate in the parish of Small Isles, and county of Inverness, or on the foreshore or bed of the sea adjacent to the said parish and county.

Power to deviate.

7. Subject to the provisions of this Order, the Undertakers, with the consent of the Board of Trade in writing first obtained, may deviate laterally from the lines of the works authorised by this Order to the extent marked on the deposited plan, and may deviate vertically from the levels defined on the deposited section to any extent not exceeding ten feet.

Improvements and maintenance of harbour and works.

8. Subject to the provisions of this Order, the Undertakers may from time to time construct, maintain, alter, and improve the pier and works authorised by this Order, and in connexion therewith may construct, maintain, alter, and improve jetties, wharves, sewers, drains, watercourses, roads and approaches, and may lay down and construct rails, tramways and sidings on or along the said pier and other works, and may dredge, scour, deepen, widen, enlarge, improve, and maintain the sea approaches to the pier, and the channels of Canna Harbour or leading thereto, and may make and maintain buoys, moorings, lights, beacons, landing places, and other works and conveniences.

Provided that no line of tramway constructed under the powers of this Order shall be used for the public conveyance of passengers unless and until the same shall have been inspected and certified by the Board of Trade to be fit for such traffic.

Consent of Board of Trade to certain works.

9. Any works authorised by this Order below high-water mark shall not be commenced without the assent of the Board of Trade having been first obtained in writing, and shall be executed only in manner approved by that Board.

Power to construct warehouses, &c.

10. The Undertakers may also construct and maintain, or take on feu or lease, all warehouses, offices, sheds, weighing machines, cranes, and other works, buildings, and conveniences which may be found necessary in connexion with the pier and works for the accommodation of vessels and traffic trading to, landed at, or embarked from the same.

Penalty for obstructing works.

11. Every person who wilfully obstructs any person acting under the authority of the Undertakers in setting out the lines of the works by this Order authorised, or who pulls up or removes any poles or stakes driven into the ground for the purpose of setting out the lines of the said works, or any part thereof, or defaces or destroys the said works or any part thereof shall be guilty of an offence, and shall for every such offence be liable to a penalty not exceeding five pounds.

Power to levy rates.

12. When a certificate has been obtained from the Board of Trade that all consents and approvals on the part of the Board of Trade required under this Order, or otherwise necessary to the due construction of the works authorised by this Order, have been given, the Undertakers may, subject to the provisions of this Order, for the use of the pier, lights, works, and conveniences connected therewith, demand, recover, and receive in respect of vessels or boats, passengers,

animals, fish, goods, matters, and things, and also in respect of services rendered, described in the schedule to this Order, any sums not exceeding the several rates specified in the same schedule. Provided that before levying any of the rates for beaching boats mentioned in Part II. of the said schedule, the Undertakers shall provide, to the satisfaction of the Board of Trade, suitable accommodation for such beaching within the limits of this Order.

A.D. 1892.

Canna.

13. The Undertakers may demand and receive such rates or other consideration as they think reasonable, for the use of any warehouses, offices, sheds, buildings, weighing machines, cranes, works, and conveniences belonging to the Undertakers, for the use of which rates are not specifically fixed in the schedule to this Order.

Rates for use
of warehouses,
&c.

14. When and so soon as it shall be at any time, or from time to time, certified in writing under the hand of an officer to be appointed for the purpose by the Board of Trade and paid by the Undertakers, that the works authorised by this Order have been so far completed as to afford increased accommodation for traffic by means of such works, the Undertakers may, notwithstanding the twenty-fifth section of the Harbours, Docks, and Piers Clauses Act, 1847, and although the whole of the works authorised by this Order shall not then have been completed, demand, receive, and recover such of the rates, or such proportion of all or any of the rates specified in the schedule to this Order as shall, in the opinion of the Board of Trade, be commensurate to the increased accommodation afforded.

Rates may be
levied though
works not
completed.

15. The master or owner shall, within twelve hours after the arrival in the harbour of any vessel or boat liable to rates, report the same to the collector of rates, and in the case of every fishing boat shall furnish to the collector a true and accurate statement of his take of fish, and the names of the persons obtaining delivery of the same, and if he fail to do so, he shall be liable to a penalty not exceeding ten pounds.

Arrival of
vessels to be
reported.

16. The pier master may prevent the removal or sailing out of the harbour of any vessel or boat in respect of which any rates, charges, or dues shall have been payable, until evidence shall have been produced to him of the payment of such rates, charges, or dues to the collector of rates, and, in the case of a vessel with a take or cargo of fish, until the master or owner thereof shall have given in a statement of his take or cargo of fish, as required by the last preceding section hereof.

Pier master
may prevent
sailing of
vessels.

17. The Undertakers may from time to time confer, vary, or extinguish exemptions from and compound with any person or persons with respect to the payment of rates authorised by this Order, but so that no preference shall in any case be given to any person, and that anything done under this section shall not prejudice the other provisions of this Order.

Power to vary
exemptions
from and com-
pound for
rates.

18. The Undertakers may supply and remove ballast for the accommodation of vessels, or permit the master or owner of any vessel to lift or convey ballast from or to any place where it may be lawfully obtained or deposited for the purpose of supplying or removing the ballast of such vessel, on payment to the Undertakers of such rates as they shall deem proper, not exceeding the rates specified in the schedule to this Order.

Ballast for
vessels.

A.D. 1892.

*Canna,*Board of Trade
may reduce
rates.

19. If at any time, and from time to time, the clear annual income derived from the pier, works, and conveniences authorised by this Order, on the average of the then three last preceding years, after payment of all expenses and outgoings, other than payments of interest or principal in respect of money borrowed, shall exceed interest at the rate of ten per centum per annum on the entire sum from time to time appearing to the Board of Trade to have been expended by the Undertakers in executing the works authorised by this Order, the Board of Trade may, if in their discretion they think fit, on application in writing from six or more of the owners of vessels or boats resorting to the pier and works, and after hearing the Undertakers, reduce the rates leviable under this Order, or any of them, to such amounts as will be sufficient to provide the aforesaid interest at the rate of ten per centum per annum, with power to the Board of Trade at any time, and from time to time, to raise the rates again to any sums not exceeding the amounts specified in the schedule to this Order.

Annual ac-
count to be
sent to Board
of Trade.

20. The Undertakers within one month after sending to the sheriff clerk the copy of their annual account in abstract (which account shall be made up to the end of the day on the twenty-fifth day of March in each year) shall send a copy of the same to the Board of Trade, and section sixteen of the General Pier and Harbour Act (1861) Amendment Act, shall apply to and include any and every such account. If the Undertakers refuse or neglect to comply with this provision, they shall for every such refusal or neglect be liable to a penalty not exceeding twenty pounds.

Certain fishing
vessels under
stress of
weather ex-
empt from
rates.

21. Fishing vessels belonging to countries with which for the time being treaties exist exempting from dues and port charges such vessels when forced by stress of weather to seek shelter in the ports or on the coasts of the United Kingdom, shall, when forced by stress of weather to make use of the pier or works, and not breaking bulk while making use thereof, be exempt from rates leviable under this Order.

Exemption of
certain officers
from rates.

22. The Secretary for Scotland, and any person or persons deputed by him, and officers of the Board of Trade and of the Fishery Board for Scotland, being in the execution of their duty, shall at all times have free ingress, passage, and egress into, along, through, and out of the pier, harbour, and works by land, and with their vessels and otherwise, without payment.

Lifeboat crew
to be exempt
from tolls.

23. All persons going to or returning from any lifeboat, or using any apparatus for saving life, and being persons either belonging to the crew of the lifeboat or to the coastguard, or being persons for the time being actually employed in saving life, and also all persons brought ashore from any vessel in distress, shall at all times have free ingress, passage, and egress to or along and on and from the pier and works without payment.

Life saving
apparatus may
be attached to
pier.

24. The officers of the coastguard, and all other persons for the time being actually employed in connexion with the lifeboat or the apparatus for saving life, may, either permanently or temporarily, and from time to time, without payment, attach or cause to be attached to any part of the pier or works, spars and other apparatus for saving life, and may also, either in course of using or of exercising the apparatus for saving life, fire rockets over the pier.

Power to lease
rates.

25. The Undertakers may, with the consent of the Board of Trade first obtained in writing, sell their undertaking and the pier and works, or any part

or parts thereof, or the rates, charges, and dues authorised by this Order, or may from time to time lease the same for any period not exceeding seven years, and for such consideration or rent, and on such terms and conditions as they think fit, and the purchaser or lessee shall have and may exercise the same powers of levying and receiving and recovering rates, charges, and dues as the Undertakers have or might exercise under the Harbours, Docks, and Piers Clauses Act, 1847, and this Order, and shall be subject to all and the same provisions as to accounts and otherwise to which the Undertakers are made subject by this Order.

A.D. 1892.

26. The Undertakers may make byelaws for the regulation and control of vessels and boats within the limits of this Order, and for the regulation and control of the fishermen and others resorting to, and goods, ballast, and traffic loaded, unloaded, or placed on the pier and works and ground and property belonging to the Undertakers, but such byelaws shall not come into operation until the same have received the allowance and confirmation of the Board of Trade, which shall be sufficient for all purposes.

Byelaws.

27. The rates, dues, and charges received under this Order shall be applied for the purposes and in the order following and not otherwise, that is to say:—

Application of moneys.

- (1.) In paying the costs of or incidental to the preparation, obtaining, and making of this Order, or otherwise in relation thereto.
- (2.) In defraying the expenses of the maintenance, repair, improvement, management, and regulation of the pier and works authorised by this Order.
- (3.) In paying year by year the interest and any instalments of principal due in respect of money borrowed under this Order.
- (4.) In paying the expense of the execution, maintenance, repair, and purchase of such other works, buildings, sheds, warehouses, wharves, jetties, tugs, dredgers, hydraulic machinery, cranes, engines, and conveniences as may from time to time be necessary for the purposes of the pier and works, or the accommodation of shipping or traffic resorting thereto.
- (5.) The surplus revenue (if any) of the pier, works, and conveniences, after providing for the purposes aforesaid, shall belong to the Undertakers for their own use.

28. The Undertakers may from time to time borrow and reborrow at interest such sums as may be required for the purposes of this Order, not exceeding in the whole the sum of two thousand pounds, on security of the rates, dues, and charges authorised by this Order, or they may accept and take from any bank or banking company credit for any amount not exceeding the said sum of two thousand pounds on a cash account to be opened and kept in the name of the Undertakers, according to the usage of bankers in Scotland, but so that the whole sum owing by the Undertakers on such cash account, and for other money borrowed, and for the time being unpaid, shall not exceed in the whole the sum of two thousand pounds, exclusive of interest; and the Undertakers may assign the said rates, dues, and charges in security of the repayment of the money so borrowed, or of the amount of such credit, or of the sums advanced from time to time on such cash accounts, with interest thereon respectively.

Powers to borrow.

29. Every part of the money borrowed under this Order shall be applied only for the purposes authorised by this Order to which capital is properly applicable.

30. If within thirty days after the interest of any sum borrowed by the Undertakers has become due, or after the period prescribed for the payment of the principal sum has expired, such interest or principal, as the case may be, shall not be paid, the party or parties entitled to such interest or principal respectively may, without prejudice to any rights, remedies, or securities otherwise competent to or held by them, apply for the appointment of a judicial factor, as herein-after provided.

31. Every application for the appointment of a judicial factor under the provisions of this Order shall be made to the sheriff of the county of Inverness, and on any such application the said sheriff may, by order in writing after hearing the parties, appoint some person as judicial factor to receive the whole or a competent part of the rates, dues, and charges authorised by this Order, until the arrears of interest or of principal, or of principal and interest, as the case may be, then due, together with all costs, including the charges of receiving the said rates, dues, and charges, be fully paid; and upon such appointment being made, the said rates, dues, and charges shall be paid to and received by the judicial factor so appointed, and the money so received shall be so much money received by or for the use of the party or parties represented by such judicial factor; and so soon as the full amount of interest or of principal, or of principal and interest, as the case may be, in arrear, and costs, has been so received, the power of the judicial factor shall cease; and after payment of such costs, the judicial factor shall distribute among all the parties represented by him, if more than one, the rates and other moneys which shall have been received by him, having regard in such distribution to the priorities, if any, existing in respect of the interest or principal thus received.

32. The amount of arrears necessary to authorise the application for the appointment of a judicial factor shall be not less than three hundred pounds.

33. Sections 16, 17, 18, and 19 of the Harbours, Docks, and Piers Clauses Act, 1847, shall not be incorporated with this Order; but the Undertakers shall, whenever required by the Board of Trade, provide at their own expense, and to the satisfaction of the Board of Trade, a site near the pier, and build on such site a house and other proper accommodation for a lifeboat, rocket apparatus, and other life-saving apparatus, and shall be liable to a penalty not exceeding ten pounds for every calendar month during which they omit to provide such accommodation, after having been required so to do by the Board of Trade.

34. Part V. of the Harbours and Passing Tolls, &c. Act, 1861, shall be incorporated with this Order.

35. The Undertakers may, for the purposes of the works existing or authorised by this Order, or any of them, from time to time provide, purchase, lease, or hire such steam or other dredgers, engines, tugs, lighters, or other vessels, diving bells, ballast lighters, rubbish lighters, tools, plant, or other materials and machinery as they think fit, and may from time to time demand and receive such sums for the use of the same as they may think fit, and sell or dispose of the same

and the money thereby realised shall be applied towards carrying into effect the purposes of this Order, or some of them.

A.D. 1892.

Canna.

36. Within the limits of this Order the Undertakers shall be a local authority within the meaning of the Merchant Shipping Act, 1854, and the Acts amending the same, and shall have all the powers conferred on local authorities.

Undertakers
to be local
authority.

37. The Undertakers shall have the appointment of meters and weighers within the limits of this Order.

Meters and
weighers.

38. Before commencing the works authorised by this Order, the Undertakers shall apply to the Board of Trade for directions as to the lights (if any) to be exhibited, and shall in all respects obey any directions given upon such application, or afterwards from time to time given as to lights by the Board of Trade during the construction of the works; and compliance with the directions so given shall satisfy and be in place of every other statutory requirement as to lights during the construction of the works, and the Undertakers shall be liable to a penalty not exceeding ten pounds for every calendar month during which they omit so to apply, or refuse or neglect to observe any direction so given.

Temporary
lights on
works.

39. After completion or permanent discontinuance or abandonment of the works authorised by this Order, the Undertakers shall, at the outer extremity of the pier and works, or the completed portion thereof exhibit for all or any part of the time, from sunset to sunrise, and according to the requirements of the traffic and the seasons of the year, such light or lights (if any) as shall from time to time be directed by the Commissioners of Northern Lighthouses, and shall apply to those Commissioners for directions as to lighting, and the Undertakers shall be liable to a penalty not exceeding ten pounds for every calendar month during which they omit so to supply, or refuse or neglect to observe any such direction.

As to lights
after comple-
tion of works.

40. In case of injury to or destruction or decay of the pier or works of the Undertakers, or any parts thereof, the Undertakers shall lay down such buoys, exhibit such lights, or take such other means for preventing, as far as may be, danger to navigation, as shall from time to time be directed by the Commissioners of Northern Lighthouses, and shall apply to those Commissioners for directions as to the means to be taken, and the Undertakers shall be liable to a penalty not exceeding ten pounds for every calendar month during which they omit so to apply, or refuse or neglect to observe any such direction.

Provision
against danger
to navigation.

41.—(1.) If within two years from the date of the passing of the Act confirming this Order, the works authorised by this Order should not be substantially commenced, the powers by this Order given for executing such works or otherwise in relation thereto shall cease, unless the time for commencement be extended by the special direction of the Board of Trade.

Power to cease
in certain
events.

(2.) If the works authorised by this Order, after having been substantially commenced, should be virtually suspended for twelve consecutive calendar months, the powers by this Order given for executing such works, or otherwise in relation thereto, shall cease, except as to so much of such works as shall be then completed, unless such powers shall, by the special direction of the Board of Trade, be continued and directed to remain in force for any period not exceeding five years from the date of the Act confirming this Order.

A.D. 1892.

Canna.

(3.) In either of the above cases a certificate from the Board of Trade to the effect that the works have not been substantially commenced, or that they have been virtually suspended for twelve consecutive calendar months, shall, for the purposes of this Order, be conclusive evidence of the facts stated in such certificate.

Saving rights
under Crown
Lands Act,
1866.

42. This Order shall not be taken as a consent to the surrender of any rights, interests, powers, authorities, or privileges transferred to the management of the Board of Trade by the Crown Lands Act, 1866, nor shall any works under this Order be commenced within limits affected by any such rights, interests, powers, authorities, or privileges without the consent of the Board of Trade having been first obtained.

Costs of Order.

43. All costs, charges, and expenses of and incident to the preparation and obtaining of this Order, or otherwise incurred in reference thereto, shall be paid by the Undertakers.

Fleetwood.*Order for the Construction, Maintenance, and Regulation of a
Pier at Fleetwood in the County of Lancaster.*

1. Richard Edmondson of No. 2, Elm Court, Temple, in the city of London, his heirs, assigns, and successors in title, shall be the Undertakers of the works authorised by this Order, and shall have and may exercise the powers, privileges, and authorities conferred by this Order and may carry this Order in all respects into effect. Undertakers.
2. The Lands Clauses Acts (except the provisions thereof relating to the purchase and taking of lands otherwise than by agreement and with respect to the entry upon lands by the Promoters of the Undertaking), shall be incorporated with this Order. Incorporation
of Lands
Clauses Acts.
3. In this Order the expression the Two Companies means the Lancashire and Yorkshire Railway Company and the London and North-western Railway Company, as Joint Proprietors of the Preston and Wyre Railway and Harbour, and Conservators of the Harbour of Fleetwood. Interpretation.
4. For the purposes of the works authorised by this Order, the Undertakers may from time to time, by agreement, enter on, take, and use all such parts of the land shown on the plan deposited for the purposes of this Order as may be requisite for the purposes of this Order. Power to take
lands by
agreement.
5. The Undertakers may purchase and hold for extraordinary purposes any land not exceeding in extent in the whole three acres, but nothing in this section shall exempt the Undertakers from any proceedings for nuisance caused by them on land taken by them under the power conferred by this section. Provided always that the Undertakers shall not under the powers of this section acquire any part of the foreshore, or lands below high water mark of ordinary spring tides, without the consent in writing of the Two Companies. Lands for
extraordinary
purposes.
6. Subject to the provisions of this Order, and subject also to such alterations (if any) in the deposited plan and section as the Board of Trade or the Two Companies may require from time to time before the completion of the works in order to prevent injury to navigation, the Undertakers may, on the lands and in the lines and according to the levels shown on the deposited plan and section (so far as the same are shown thereon) and within the limits of deviation shown on the plan make and maintain the pier and works authorised by this Order. Power to
make works.
7. The works authorised by this Order comprise the following :—
A pier, pavilions, and approaches thereto from the promenade commonly known by the name of the East Esplanade, or Fielden Esplanade, commencing at a point on the northern side of the said promenade opposite the end of North Church Street or Road, and extending seaward in a northerly direction for a distance of three hundred and seven yards, or thereabouts, from the said promenade, and there terminating.
The pier and approaches will be constructed as an open work for the whole of its length. Description of
works.

A.D. 1892.

Fleetwood.

Power to provide landing-stages, &c.

8. The Undertakers may construct and provide all proper landing-places for passengers, lamps, lamp-posts, tramways, roads, footpaths, sheds, toll-houses, toll-gates, or bars, sewers, drains, and other works and conveniences connected with the pier and works. Provided that no lamps fronting to or visible from the sea shall at any time be used upon the pier or upon any pavilion or other building except such as shall be from time to time permitted or prescribed by the Corporation of Trinity House, Deptford Strond, and by the Two Companies. Provided also that no line of tramway constructed under the powers of this Order shall be used for the public conveyance of passengers unless and until the same shall have been inspected, and certified by the Board of Trade to be fit for such traffic.

Power to erect pavilions, &c.

9. The Undertakers may erect and construct upon the said pier and works, pavilions, or assembly rooms, concert rooms, aquaria, shops, saloons, and bazaars, and reading, refreshment, and other rooms, and swimming and other baths, lavatories, and other conveniences, and may make such reasonable charges for the use thereof, or for admission thereto, as they may from time to time think fit, and they may furnish, stock, and equip such pavilions, rooms, and buildings.

Powers of deviation.

10. The Undertakers, in constructing the works authorised by this Order, may deviate laterally from the lines of such works delineated on the deposited plan to any extent not exceeding the limits of deviation marked on that plan, and may deviate vertically to any extent with the consent in writing of the Board of Trade and of the Two Companies.

Penalty for obstructing works.

11. Every person who wilfully obstructs any person acting under the authority of the Undertakers in setting out the lines of the works authorised by this Order, or who pulls up or removes any poles or stakes driven into the ground for the purpose of setting out the lines of the works, or defaces or destroys the works or any part thereof, shall for every such offence be liable to a penalty not exceeding five pounds.

Limits of Order.

12. The limits within which the Undertakers shall have authority, and which shall be deemed the limits to which the provisions of this Order extend, shall comprise the pier and approaches thereto, and the rest of the area below high-water mark within the distance of one hundred feet from any part of the pier in any direction.

Plans to be submitted to the Fleetwood Commissioners and the two Companies.

13.—(1.) One month at least (or such shorter period as the Two Companies or the Fleetwood Improvement Commissioners hereinafter referred to as the Commissioners shall permit at their discretion) before depositing at the Harbour Department of the Board of Trade the working drawings of the works authorised by this Order, the Undertakers shall deposit the plans, sections, elevations, and working drawings of the same at the office of the Two Companies, and of the clerk to the Commissioners, for approval by the Two Companies and the Commissioners, but the power of the Board of Trade to deal as they think fit with the working drawings is not to be thereby altered or abridged, and any alteration or extension of such plans, sections, elevations, and working drawings, not made with the approval or by the direction of the Board of Trade, shall also be submitted for the approval of the Two Companies and the Commissioners in like manner.

(2.) If any work be commenced, constructed, altered, or extended, otherwise than in accordance with the plans, sections, elevations, or working drawings, or any alteration or extension of the same approved by the Board of Trade, the Two

Companies or the Commissioners may, with the consent of the Board of Trade, at the expense of the Undertakers, abate and remove such work or any part thereof and restore the site thereof to its former condition.

A.D. 1892.

Fleetwood.

(3.) Provided that the plans, sections, and elevations of any buildings or erections to be erected on the pier or works, and on any property belonging to and acquired from the Commissioners, shall be first submitted to and approved by the Two Companies and the Commissioners, and if approved the approval shall be signified in writing under the hand of the secretaries to the Two Companies and of the town clerk or other officer duly appointed by the Commissioners; and buildings or erections shall not be erected otherwise than in accordance with the plans, sections, and elevations so approved.

14. When a certificate has been obtained from the Board of Trade, that all consents and approvals on the part of the Board of Trade required under this Order, or otherwise necessary to the due construction of the works authorised by this Order, have been given, the Undertakers may, subject and according to the provisions of this Order, demand and receive for the use of the pier and other works, in respect of the persons and things in the Schedule to this Order specified, any sums not exceeding the rates in that Schedule mentioned.

Power to levy rates.

15. The Undertakers may lease for any term not exceeding seven years, or may, with the consent in writing of the Board of Trade, sell their Undertaking or the tolls, rates, duties and other charges authorised to be taken by this Order, or may let for hire, or lease for any term not exceeding seven years, any pavilions, rooms, shops, bazaars, baths, or buildings thereon, separately from any other part of the pier and works, to any company, body, or person upon such terms (pecuniary or otherwise) and under such restrictions and conditions as they think fit, and the lessee, during the continuance of his lease and to the extent provided in such lease, or the purchaser as the case may be, shall have and may exercise all or any of the powers conferred upon the Undertakers by this Order (including powers of levying and recovering tolls, rates, and dues) as the Undertakers have or might exercise under the Harbours, Docks, and Piers Clauses Act, 1847, or this Order, and shall be subject to the same provisions as to accounts and otherwise as the Undertakers are made subject to by this Order.

Power to sell or lease Undertaking.

16. The Undertakers may grant to promenaders, or others, pass tickets or family tickets for the use of the pier, on such terms and for such periods not exceeding one year as may be agreed on, or may issue books containing any number of tickets at a reduced rate, but so that no preference be given to any person. A pass ticket shall not be transferable, and shall not be used by any person except the person to whom it is granted, and a family ticket shall not be used to admit to the Pier any person not being one of the family in respect of which it is granted, and any such pass ticket or family ticket shall not be used by any person after the period limited for its use. If any person act in any way in contravention of the foregoing provisions of this section, or use or attempt to use any false or counterfeit ticket, he shall for every such offence be liable to a penalty not exceeding twenty shillings, to be recovered and applied as penalties are recoverable and applicable under the Harbours, Docks, and Piers Clauses Act, 1847.

Undertakers may grant pass tickets.

17. The Undertakers may, on any special occasions, but not exceeding twelve days in any one year, close the pier against the public, and may if they think fit

Power to close pier on special occasions.

A.D. 1892. on such occasions, admit any persons to the pier on payment of such special rates of admission, not exceeding one shilling for each person, as the Undertakers may from time to time think fit.

Fleetwood.

Board of Trade may reduce rates.

18. If at any time and from time to time the clear annual income derived from the pier and works, on the average of the then three last preceding years, after payment of all expenses and outgoings other than payments for interest or principal in respect of money borrowed, shall exceed interest at the rate of ten per centum per annum on the entire sum from time to time appearing to the Board of Trade to have been expended by the Undertakers in executing the works authorised by this Order, the Board of Trade may, if in their discretion they think fit, reduce the rates leviable under this Order, or any of them, to such amounts as will be sufficient to provide the aforesaid interest at the rate of ten per centum per annum, and the rates shall thereupon be reduced accordingly, but with power to the Board of Trade at any time and from time to time to raise them again to not exceeding the amounts specified in the schedule to this Order.

Annual account to be sent to the Board of Trade.

19. The Undertakers within one month after sending to the clerk of the peace a copy of their annual account in abstract (which account shall be made up at the end of the day on the twenty-fifth day of March in each year) shall send a copy of the same to the Board of Trade, and the 16th section of the General Pier and Harbour Act, 1861, Amendment Act shall apply to and include any and every such account. If the Undertakers refuse or neglect to comply with this provision they shall, for every such refusal or neglect, be liable to a penalty not exceeding twenty pounds.

Board of Trade and other officers exempt from rates.

20. Officers of the Board of Trade and of the Two Companies and of the Commissioners, being in the execution of their duty, shall at all times have free ingress passage and egress to or along and from the pier and works by land and with their vessels and otherwise without payment.

Lifeboat crew exempt from tolls.

21. All persons going to, or returning from, any lifeboat, or using any apparatus for saving life, and being persons either belonging to the crew of the lifeboat or to the coastguard, or being persons for the time being actually employed in saving life, or in exercising or using the lifeboat or the apparatus for saving life, and also all persons brought ashore from any vessel in distress, shall at all times have free ingress passage and egress to or along and from the pier and works without payment.

Life-saving apparatus may be attached to the pier.

22. The officers of the coastguard and all other persons for the time being actually employed in connection with the lifeboat, or the apparatus for saving life, may either permanently or temporarily, and from time to time without payment, attach or cause to be attached to any part of the pier, spars and other apparatus for saving life, and may also, either in course of using or of exercising the apparatus for saving life, fire rockets over the pier and works.

Part V. of 25 Vict. c. 47 to apply.

23. Part V. of the Harbours and Passing Tolls, &c. Act, 1861, shall apply to the works authorised by this Order.

Portions of Harbours Clauses Act excepted.

24. Sections 16 to 19 inclusive and 21 to 23 inclusive of the Harbours, Docks, and Piers Clauses Act, 1847, shall not be incorporated in this Order, but the Undertakers shall, whenever required by the Board of Trade, provide at their own expense, and to the satisfaction of the Board of Trade, a site near the pier, and build on such site a house and other proper accommodation for a lifeboat rocket

apparatus and other life-saving apparatus, and shall be liable to a penalty not exceeding ten pounds for every calendar month during which they omit to provide such accommodation, after being required to do so by the Board of Trade.

A.D. 1892.

Fleetwood.

25. The pier and works authorised by this Order shall be used only for the purposes following, (1) recreation, (2) the embarking or landing of passengers or their luggage or personal effects on, to, or from, any yacht, vessel, boat or wherry, used for pleasure only, and not with a view to profit, or to or from steamers of light draught plying only between the said pier and the River Wyre and Morecambe Bay respectively.

Restriction on
use of pier.

26. (1.) No trade, business, or manufacture shall be carried on upon the pier, or in or upon any erection thereon (other than the sale of refreshments), nor shall any public dancing, or out-door dancing of any description, be permitted upon the pier, or in or upon any erection thereon, within a distance of one hundred yards from the promenade, except with the consent in writing of the Commissioners, under the hand of the town clerk or other officer for the time being duly appointed by the said Commissioners.

Restrictive
user of pier.

(2.) The pavilion or any music, concert, refreshment or other room (save and except a floral covered passage or winter garden, from the entrance of the pier to the pavilion, music, concert, refreshment, or other room) shall not be erected within a distance of one hundred yards from the promenade, except with the like consent in writing.

Pavilion not to
be within 100
yards of pro-
menade
without
consent.

(3.) The Undertakers shall not, without the like consent in writing, place on, or affix to, or permit to be placed on or affixed to the pier or any works or erections in connection therewith, any advertising boards or advertisements more than eighteen inches above or more than eighteen inches below the deck of the pier, and no boards or advertisements whatsoever shall, without the like consent, be placed against or affixed to any railings or fences at or near the approach to the southerly end of the pier and works, except advertisements on the entrance gates or toll-houses, or on any railings or fence between such toll-houses, which boards or advertisements are not to exceed six feet in height above the deck of the pier.

Restriction on
advertisement
notices.

(4.) The Undertakers shall be liable to a penalty not exceeding twenty pounds for every breach of the foregoing provisions of this section, and to a penalty of ten pounds for every day during which such breach continues after conviction.

Penalty on
breach.

27. All land and foreshore granted by the Commissioners to the Undertakers, in accordance with the plans and sections deposited with the Board of Trade, and which may not actually be required and used as a site for the purposes of the pier, erections, and works by this Order authorised, shall, after the completion of the pier, erections, and works, become re-vested in the Commissioners, and the land and foreshore actually required and used by the Undertakers as a site for the purposes of such pier, erections, and works, shall become their absolute property, subject to the performance of the conditions, terms, and stipulations and the payment of the rentcharge reserved by and contained in a resolution duly sealed by the Commissioners, and dated the eighth day of April, one thousand eight hundred and ninety-one, which resolution was duly confirmed by a duly convened meeting of the ratepayers of the Improvement District of Fleetwood.

Surplus lands

sioners.
Saving rights of
Commissioners
and confirma-
tion of grant to
Undertakers.

28. The Undertakers may make bye-laws for the regulation and control of persons using the pier, and of the goods and traffic on and at the pier, but such

Power to make
byelaws.

A.D. 1892. *Fleetwood.* bye-laws shall not come into operation until the same have received the allowance and confirmation of the Board of Trade, which shall be sufficient for all purposes.

Temporary lights on works.

29. Before commencing the works authorised by this Order, the Undertakers shall apply to the Board of Trade for directions as to the lights (if any) to be exhibited, and shall in all respects obey any direction given upon such application, or afterwards from time to time given as to lights by the Board of Trade during the construction of the works, and compliance with the directions so given shall satisfy and be in lieu of every other statutory requirement as to lights during the construction of the works, and the Undertakers shall be liable to a penalty not exceeding ten pounds for every calendar month during which they omit so to apply or refuse or neglect to observe any direction so given.

As to lights after completion of works.

30. After completion, or permanent discontinuance, or abandonment of the works authorised by this Order, the Undertakers shall, at the outer extremity of the pier and works, or the completed portions thereof, or in such other place or places as may be required, exhibit for all or any part of the time from sunset to sunrise, and according to the requirements of the traffic and the season of the year, such light or lights (if any) as shall from time to time be directed by the Corporation of Trinity House, Deptford Strond, and shall apply to that Corporation for directions as to lighting, and the Undertakers shall be liable to a penalty not exceeding ten pounds for every calendar month during which they omit so to apply or to observe any such direction.

Provision against danger to navigation.

31. In case of injury to or destruction or decay of the pier or works of the Undertakers, or any part thereof, the Undertakers shall lay down such buoys, exhibit such lights, or take such other means for preventing, as far as may be, danger to navigation, as shall from time to time be directed by the Corporation of Trinity House, Deptford Strond, and approved by the Two Companies, and shall apply to that corporation for directions as to the means to be taken, and the Undertakers shall be liable to a penalty not exceeding ten pounds for every calendar month during which they omit so to apply, or refuse or neglect to obey any such direction.

Abatement of work abandoned or decayed.

32. In addition to the provisions herein-before and in section 8 of the General Pier and Harbour Act, 1861, Amendment Act, as amended by section 14 of the Harbours Transfer Act, 1862, contained, the following provisions shall have effect, that is to say: If any work constructed by the Undertakers under the powers of this Order, on, in, or over tidal lands or tidal water, is abandoned or suffered to fall into decay, the Two Companies may abate and remove such work or any part thereof and restore the site thereof to its former condition at the expense of the Undertakers; and the amount of such expense shall be a debt due from the Undertakers to the Two Companies and be recoverable against the Undertakers accordingly with costs.

Recovery of penalties.

33. All penalties for breach of any of the provisions of this Order shall be recovered and applied as penalties are recoverable and applicable under The Harbours, Docks, and Piers Clauses Act, 1847, and for all the purposes of that Act this Order shall be deemed a special Act.

For the protection of the Fleetwood Estate Company.

34. Nothing in this Order contained shall extend to, derogate from, diminish, alter, prejudice, or otherwise affect any rights, powers, privileges, or authorities which are by the Fleetwood Improvement Act, 1842, and by Sir Hesketh

Fleetwood's Lancashire Estate Act, 1850, reserved to Sir Peter Hesketh Fleetwood, his heirs and assigns, and which are now vested in the Fleetwood Estate Company, Limited, as such assigns, but all such rights, powers, liberties, and authorities shall be saved and reserved to the Fleetwood Estate Company, Limited, in as full, ample, and beneficial a manner as if this Order had not been made.

A.D. 1892.

Fleetwood.

35. The pier and works shall in respect of all matters, crimes, and offences arising or committed thereon, or within the limits of this Order requiring the cognizance of any justice of the Peace be deemed and taken to be within or as forming part of the township of Thornton, in the parish of Poulton-le-Fylde, in the county of Lancaster and within the jurisdiction of any justice acting within and for the petty sessional division of which that parish forms part.

Pier and works to be deemed within the parish of Poulton-le-Fylde.

36. (1.) If within two years from the date of the passing of the Act confirming this Order, the works authorised by this Order should not be substantially commenced, the powers by this Order given for executing such works, or otherwise in relation thereto, shall cease, unless the time for commencement be extended by the special direction of the Board of Trade.

Power to cease in certain events.

(2.) If the works authorised by this Order, after having been substantially commenced, should be virtually suspended for twelve consecutive calendar months, the powers by this Order given for executing such works, or otherwise in relation thereto, shall cease, except as to so much of such works as shall be then completed, unless such powers shall, by the special direction of the Board of Trade, be continued and directed to remain in force for any period not exceeding five years from the date of the Act confirming this Order.

(3.) In either of the above cases a certificate from the Board of Trade to the effect that the works have not been substantially commenced, or that they have been virtually suspended for twelve consecutive calendar months, shall, for the purposes of this Order, be conclusive evidence of the facts stated in such certificate.

37. This Order shall not be taken as a consent to the surrender of any rights, interests, powers, authorities, or privileges transferred to the management of the Board of Trade by the Crown Lands Act, 1866, nor shall any works under this Order be commenced within limits affected by any such rights, interests, powers, authorities, or privileges, without the assent of the Board of Trade having been first obtained.

Saving rights under the Crown Lands Act, 1866.

38. This Order shall not be taken as a consent to the surrender of, nor shall anything in this Order prejudice or affect any property, interest, rights, powers, authorities, or privileges of Her Majesty in right of Her Duchy of Lancaster.

Saving for Crown rights.

39. All the costs, charges, and expenses of or incidental to preparing and obtaining this Order, or otherwise incurred in relation thereto, shall be paid by the Undertakers.

Costs of Order.

40. This Order may be cited as The Fleetwood Pier Order, 1892.

From and after the passing of the Act confirming this Order, section two of the Order of 1886 shall be, and the same is hereby, repealed, and thenceforth all persons for the time being seized of the freehold of any lands or hereditaments within the town or parish of Mevagissey of the clear annual value of ten pounds, and all persons inhabitants of the town of Mevagissey possessed of or entitled to real or personal estate to the value of five hundred pounds, and all persons inhabitants of the town of Mevagissey rated to the poor rate in the gross annual sum of five pounds shall be qualified to be elected Trustees.

Qualification of trustees.

3. For the purposes of the works authorised by this Order, the Trustees may from time to time, by agreement, enter on, take, and use all or any part of the lands shown on the deposited plan as intended to be taken for the purposes of the proposed works.

Power to take lands.

4. The Lands Clauses Acts, except so much thereof as relates to the purchase or taking of lands otherwise than by agreement, and to the entry upon lands by the promoters of the undertaking, are hereby incorporated with this Order.

Incorporation of Lands Clauses Acts.

5. Subject to the provisions of this Order, and subject also to such alterations (if any) vertical or lateral in the plan and section deposited with reference to this Order, as the Board of Trade require from time to time before the completion of the works, in order to prevent injury to navigation, the Trustees may in the lines and situation, and according to the levels shown on the deposited plan and section so far as shown thereon, make and maintain the works authorised by this Order.

Power to construct works.

6. The works authorised by this Order comprise the following :—

Description of works.

- (1.) A solid south pier commencing by a junction with the existing outermost south pier at a point thereon one hundred feet or thereabouts eastwards from the commencement of the parapet thereof, and extending for a distance of three hundred and twenty feet or thereabouts contiguous to the western side of the outermost south pier for the entire distance ;
- (2.) A solid north pier commencing by a junction with the existing outermost north pier at a point thereon one hundred and eighty-five feet or thereabouts in a westerly direction from the seaward termination thereof, and extending for a distance of one hundred and ten feet or thereabouts in a south-easterly direction, and terminating on the rock known as the Black Rock ;

A.D. 1892.

Mevagissey.

- (3.) An excavation to the level of low water ordinary spring tides of the eastern portion of the rock known as the Black Rock, for a length of seventy feet from the easternmost point thereof.
- (4.) All proper walls, wharves, jetties, roads, steps, approaches, landing places, and other works and conveniences connected with the aforesaid works for the reception and accommodation of vessels and their cargoes, and for the embarking and landing thereat of passengers, animals, goods, and minerals; the whole of which proposed works will be situate in the town and parish of Mevagissey, in the County of Cornwall, and in the sea or English Channel adjoining the same.
- (5.) The removal of the following portions of the works authorised by the Mevagissey Harbour Order, 1886, as herein-after described; that is to say,—
- (a.) So much of the existing outermost south pier as lies between the point above described as the commencement of the proposed south pier and the seaward termination of the existing outermost south pier in the following manner, that is to say, to the level of low water ordinary spring tides, for a length of three hundred and twenty feet, or thereabouts, and for the residue thereof, to sand level;
- (b.) So much of the existing outermost north pier as lies between the point above described as the commencement of the proposed north pier and the seaward termination of the existing outermost north pier.

Power for
further works.

7. The Trustees may also from time to time construct and maintain, upon or in connexion with their existing works or the works authorised by this Order, or may take or lease, or otherwise acquire, all docks, wharves, jetties, tramways, warehouses, offices, sheds, waiting, refreshment, and other rooms, weighing machines, cranes, toll houses, and any other works, buildings, and conveniences which may be considered necessary or convenient in connexion with the said harbour and works, and may blast, dig, cut, dredge, scour, cleanse, and remove any rocks, sand, mud, and other substances within or adjoining the said harbour and works or the approaches thereto. Provided that no line of tramway constructed under the powers of this Order shall be used for the public conveyance of passengers, unless and until the same shall have been inspected and certified by the Board of Trade to be fit for such traffic.

Consent to
works below
high-water
line.

8. Any works below the line of high-water mark shall not be commenced without the consent thereto in writing of the Board of Trade having been first obtained, and shall be executed only in manner approved by the Board of Trade.

Power to take
rates according
to schedules
in Order.

9. When and so soon as it is certified in writing, under the hand of an officer to be appointed for the purpose by the Board of Trade and paid by the Trustees, that the sum of five thousand pounds has been properly expended by the Trustees in the execution of the works firstly or secondly herein-before described, the Trustees may demand, receive, and recover for the use of the harbour and works on all vessels, goods, persons, and things landed or shipped, or loaded or unloaded at, or resorting to, or using or brought or deposited on, or carried over the same or any part thereof, any sums not exceeding the rates specified in the schedules to this Order.

A.D. 1892.

—
*Mevagissey.*Existing rates

10. When and so soon as the Trustees become entitled to demand and receive the rates specified in the schedules to this Order, then and thenceforth sections 11 and 12 of the Order of 1886, and also Schedules B., C., D., and E. to that Order, shall be and the same are hereby cancelled and repealed, and the rates leviable thereunder shall cease to be demanded or received, but without prejudice to the right to demand, receive, and recover rates actually due.

11. The Trustees may lease the rates authorised to be taken by this Order upon such terms and conditions, and for such period not exceeding seven years, as they may think fit, and the lessee shall have and may exercise during the continuance and subject to the provisions of his lease, the same powers of levying and recovering rates as the Trustees for the time being have or might exercise, and shall be subject to all the same provisions as to accounts and otherwise to which the Trustees are made subject under this Order.

Power to lease
works and
rates.

12. The Trustees may from time to time confer, vary, or extinguish exemptions from and enter into composition with any person with respect to the payment of the rates authorised by this Order, but so that no preference be in any case given, and that anything done under this section shall not prejudice the other provisions of this Order.

Power to
compound
for rates.

13. The Trustees shall from time to time revise the rates received by them under this Order, so that the income of the Trustees under this Order may always be, so far as practicable, sufficient, and not more than sufficient, for the purposes of the Orders of 1865, 1886, and this Order, and if at any time and from time to time the clear annual income derived from the harbour and works on the average of the then three last preceding years, after payment of all expenses and outgoings, shall exceed the amount sufficient to answer the purposes of the Orders of 1865, 1886, and this Order, the Board of Trade may, if in their discretion they think fit, reduce the rates leviable under this Order to such extent as will be sufficient to provide the amount aforesaid, and the rates shall thereupon be reduced accordingly, but with power to the Board of Trade at any time and from time to time to raise them again to sums not exceeding those authorised by this Order.

Rates to be
revised.

14. The Trustees, within one month after sending to the clerk of the peace the copy of their annual account in abstract (which account shall be made up at the end of the day on the twenty-fifth day of March in each year), shall send a copy of the same to the Board of Trade, and the sixteenth section of the General Pier and Harbour Act, 1861, Amendment Act shall apply to and include any and every such account. If the Trustees refuse or neglect to comply with this provision they shall for every such refusal or neglect be liable to a penalty not exceeding twenty pounds.

Lifeboat crew exempt from tolls.

17. All persons going to or returning from any lifeboat or using any apparatus for saving life, and being persons either belonging to the crew of the lifeboat or to the coastguard, or being persons for the time being actually employed in saving life, or in exercising or using the lifeboat or the apparatus for saving life, and also all persons brought ashore from any vessel in distress, shall at all times have free ingress passage and egress to, or along and on, and from the harbour and works without payment.

Life-saving apparatus may be attached to works.

18. The officers of the coastguard and all other persons for the time being actually employed in connexion with the lifeboat or the apparatus for saving life may either permanently or temporarily, and from time to time, without payment, attach or cause to be attached to any part of the harbour, spars and other apparatus for saving life, and may also, either in course of using or of exercising the apparatus for saving life, fire rockets over the pier.

Power to borrow money.

19. The Trustees may from time to time borrow at interest such money as may be required for carrying into effect the purposes of the Order of 1886 and this Order, not exceeding in the whole the sum of thirty-five thousand pounds, such borrowing to be on the security of the rates authorised by this Order and the Order of 1886, and any money borrowed under the provisions of this Order which shall become charged on the rates so authorised, and shall be discharged otherwise than by means of the sinking fund in this Order mentioned, or by instalments of principal or of principal and interest spread over a period not exceeding fifty years, may be reborrowed from time to time if required for the purposes of this Order and of the Order of 1886, and the provisions of the Commissioners Clauses Act, 1847, with respect to the mortgages to be executed by the Commissioners, shall be incorporated with this Order, and shall apply to the borrowing by the Trustees of the money which they are by this Order authorised to borrow, and for the purposes of section eighty-four of that Act the prescribed part shall be one-fiftieth part of the sums borrowed.

Receiver.

20. The mortgagees of the Trustees under this Order may enforce the payment of the arrears of interest, or of arrears of principal and interest, due to them on their respective mortgages by the appointment of a receiver. The amount to authorise a requisition for a receiver shall be one thousand pounds.

Application of borrowed money.

21. Every part of the money borrowed under this Order shall be applied only for the purposes of this Order to which capital money is properly applicable, and in the order following (that is to say) :—

- (1.) In payment of all costs, charges, and expenses of, or incident to, the preparing, applying for, obtaining, and confirming of, this Order.
- (2.) In construction of the works by this Order authorised, and the general improvement of the harbour and works.

Application of rates and income.

22. The Trustees shall apply all the rates received under this Order for the purposes and in the order following, and not otherwise (that is to say) :—

- (1.) In payment to the person or persons the possessor or possessors of Nanswhydden and manors of Mevagissey in the county of Cornwall of the yearly rent charge of ten pounds which is now payable to him or them under the Local Act referred to in the Order of 1865 such rent charge to be

paid by two equal half-yearly payments on the twenty-fourth day of June and the twenty-fifth day of December in every year. A.D. 1892.

(2.) In paying the costs, charges, and expenses of, and incident to, the preparing, applying for, obtaining, and confirming this Order, so far as the same may not be paid out of money borrowed under this Order. *Mevagissey.*

(3.) In paying the expenses of the maintenance, repair, management, and regulation of the harbour and works.

(4.) In paying year by year sums payable for interest and in discharge of principal under any securities upon the rates and other revenue of the harbour existing at the time of the passing of the Act confirming this Order and according to the priority of such securities.

(5.) In paying year by year the interest accruing on money which after the passing of the Act confirming this Order may be borrowed under this Order or may otherwise become a charge on the rates authorised under this Order.

(6.) In payment of principal money borrowed after the passing of the Act confirming this Order or in creating a sinking fund for the purpose of discharging all money borrowed in the manner and so far as the nature and circumstances of the case will admit in the proportion directed by this Order.

(7.) In paying the costs of the works authorised by this Order.

(8.) In the general improvement of the harbour.

23. Notwithstanding anything in the Order of 1886 or herein-before contained, the Trustees may enter into an agreement with the holders of securities for moneys borrowed under the powers of the Order of 1886, that such securities shall be suspended or postponed, both as to principal and interest, or either of them, upon such terms as may be arranged, and the Trustees may apply the rates authorised by this Order to the other purposes of this Order according to the priorities, and in the manner directed by this Order, but in priority to claims under securities agreed to be suspended or postponed, and to the extent to which such securities may be suspended or postponed, but not further. Power to agree to suspend or postpone securities.

24. The Trustees may make and from time to time alter byelaws with reference to the levying the rates payable under this Order, and for the regulation and control of the persons, vessels, boats, goods, and traffic in connexion with the harbour and works, but such byelaws shall not come into operation until the same have received the allowance and confirmation of the Board of Trade, which shall be sufficient for all purposes. Power to make and alter byelaws.

25. Sections sixteen to nineteen inclusive, and twenty-three, twenty-five, and twenty-six of the Harbours, Docks, and Piers Clauses Act, 1847, shall not be incorporated with this Order, and shall be deemed to be not incorporated with the Orders of 1865 and 1886. Part of Harbours, &c. Act, 1847, excepted.

26. The limits of the harbour for the purposes of the Orders of 1865, 1886, and this Order, and within which the Trustees shall be the harbour authority, and to which the provisions of the Orders of 1865, 1886, and this Order, and the power to levy rates extend (in this Order called "the harbour"), shall comprise the works and lands vested in the Trustees, and the space below high-water mark lying within the distance of two hundred and fifty yards from any part of the works. 27. No vessel shall, without the consent of the Trustees or their harbour master, anchor within the limits of the harbour.

28. The Trustees shall have the appointment of meters and weighers within the limits of the harbour.

29. Before commencing the works authorised by this Order the Trustees shall apply to the Board of Trade for directions as to the lights to be exhibited, and shall in all respects obey any directions given upon such application or afterwards from time to time given as to lights by the Board of Trade during the construction of the works, and compliance with the directions so given shall satisfy and be in place of every other statutory requirements as to lights during the construction of the works, and the Trustees shall be liable to a penalty not exceeding ten pounds for every calendar month during which they omit so to apply, or refuse, or neglect to observe any direction so given.

30. After completion, or permanent discontinuance, or abandonment of the works authorised by the Order of 1886 and this Order, the Trustees shall at the outer extremity of the harbour or works, or the completed portions thereof, or in such other place or places as may be required, exhibit for all or any part of the time from sunset to sunrise, and according to the requirements of the traffic and the season of the year, such light or lights (if any) as shall from time to time be directed by The Corporation of Trinity House, Deptford Strond, and shall apply to that Corporation for directions as to lighting, and the Trustees shall be liable to a penalty not exceeding ten pounds for every calendar month during which they omit so to apply or to observe any such directions.

31. In case of injury to, or destruction or decay of, the harbour or works, or any part thereof, the Trustees shall lay down such buoys, exhibit such lights, or take such other means for preventing (as far as may be) danger to navigation as shall from time to time be directed by The Corporation of Trinity House, Deptford Strond, and shall apply to that Corporation for directions as to the means to be taken, and the Trustees shall be liable to a penalty not exceeding ten pounds for every calendar month during which they omit so to apply, or refuse, or neglect to obey any such direction.

32.—(1.) If within two years from the date of the passing of the Act confirming this Order the works authorised by this Order should not be substantially commenced, the powers by this Order given for executing such works or otherwise in relation thereto shall cease, unless the time for commencement be extended by the special direction of the Board of Trade.

(2.) If the works authorised by this Order, after having been substantially commenced, should be virtually suspended for twelve consecutive calendar months, the powers by this Order given for executing such works or otherwise in relation thereto shall cease, except as to so much of such works as shall be then completed, unless such powers shall by the special direction of the Board of Trade be continued and directed to remain in force for any period not exceeding five years from the date of the Act confirming this Order.

(3.) In either of the above cases a certificate from the Board of Trade to the effect that the works have not been substantially commenced, or that they have been virtually suspended for twelve consecutive calendar months, shall, for the

purposes of this Order, be conclusive evidence of the facts stated in such certificate.

NEWLYN.

A.D. 1892.

Newlyn.

Order for extending the time for construction of the Works authorised by the Newlyn Pier and Harbour Order, 1886, and for conferring additional powers on the Newlyn Pier and Harbour Commissioners.

1. This Order may be cited as the Newlyn Pier and Harbour Order, 1892, and the Newlyn Pier and Harbour Orders, 1884 and 1886 (as each of such Orders is amended or altered by any subsequent Order) shall be construed together as one Order with this Order; and those Orders and this Order may be cited together as the Newlyn Pier and Harbour Orders, 1884 to 1892. Short title and construction.

2. The Newlyn Pier and Harbour Commissioners (in this Order called "the Commissioners") shall be the Undertakers for carrying this Order into execution. Undertakers.

3. The time limited by the General Pier and Harbour Act, 1861, Amendment Act, for the completion of the works authorised by the Newlyn Pier and Harbour Order, 1886 (in this Order called the Order of 1886), is hereby extended for a period of five years from the passing of the Act confirming this Order; and all the powers and provisions of the Order of 1886 shall be revived and available to, and may be exercised and put in force by, the Commissioners for the construction and completion of the said works, and otherwise in relation thereto. Extension of time for completion of works.

4. No line of tramway constructed under the powers of the Order of 1884 shall be used for the public conveyance of passengers unless and until the same shall have been inspected and certified by the Board of Trade to be fit for such traffic. Tramway to be inspected and certified.

5. The Commissioners may at any time, and from time to time, as and when they see fit,— Power to construct wharves, &c., and to execute dredging, &c.

(a) construct and maintain all such wharves, landing places, warehouses, and other works, approaches, and conveniences for the embarking and landing of passengers, fish, goods, and merchandise as are mentioned in section twelve of the Order of 1886;

(b) execute all such dredging, scouring, cleansing, and removing of any rocks, banks of sand, or mud as is or are mentioned in section twelve of the Order of 1886.

Provided that no works below high water mark shall be commenced without the assent of the Board of Trade having been first obtained in writing.

6. The Commissioners may from time to time borrow at interest, in addition to the sums which they are authorised to borrow under the Orders of 1884 and 1886, any further sums, not exceeding (except with the consent of the Board of Trade) thirty thousand pounds, on the security of all or any of the rates authorised by the Orders of 1884 and 1886, and for securing any money so borrowed the Commissioners may from time to time convey, assign, and charge, by means of mortgages or debentures, all or any of the said rates, and may execute and do all deeds, acts, and things necessary or proper for that purpose. Power to borrow.

7. All sums borrowed by the Commissioners under this Order shall be repaid within a period not exceeding fifty years after the same are respectively Period for repayment of money borrowed.

A.D. 1892. borrowed, either by annual instalments or by means of a sinking fund created and invested, and with the accumulations thereof from time to time applied by the Commissioners in such manner as to secure the discharge of the sums borrowed within such period as aforesaid. All sums paid into any such sinking fund shall be, as soon as may be, invested by the Commissioners on securities other than securities of the Commissioners in which trustees are for the time being authorised by law to invest trust money.

Newlyn.

Re-borrowing. 8. All money borrowed by the Commissioners under this Order, and repaid otherwise than by instalments or by means of a sinking fund in manner provided by this Order, may be from time to time re-borrowed by the Commissioners, but so that the same shall be repaid within the period limited by this Order.

Application of borrowed moneys.

9. All money borrowed by the Commissioners under this Order shall be applied in payment of the costs, charges, and expenses preliminary to and of and incidental to preparing and obtaining the confirmation of this Order, and for the purposes of the Orders of 1884 and 1886 and of this Order to which capital is properly applicable, and not otherwise.

Repeal and amendment of part of Order of 1886.

10. Sub-sections (5), (6), and (7) of section twenty-five of the Order of 1886 are hereby repealed, and that section shall be read and have effect as if the following paragraphs were substituted for them; that is to say,—

(5.) In payment of principal money borrowed at any time after the passing of the Act confirming the Order of 1886 and before the passing of the Act confirming this Order, or in creating a sinking fund or sinking funds for the purpose of discharging such principal money.

(6.) In paying year by year the interest on money which, after the passing of the Act confirming this Order, may be borrowed under this Order, or may otherwise become a charge on the rates leviable under the Orders of 1884 and 1886.

(7.) In payment of principal money borrowed at any time after the passing of the Act confirming this Order, or in creating a sinking fund or funds for the purpose of discharging all such principal money.

(8.) In paying the cost of the piers, harbour, and works authorised by the Orders of 1884 and 1886, as amended by this Order.

(9.) In the further general improvement of the piers, harbour, and works authorised by the Orders of 1884 and 1886, as amended by this Order.

From and after the passing of the Act confirming this Order, section sixteen of the Order of 1886 shall be and the same is hereby repealed without prejudice to the levying of the rates authorised to be levied by section seventeen of that Order.

As to lights during construction of works.

11. Before commencing the works authorised by the Order of 1886 or this Order, the Commissioners shall apply to the Board of Trade for directions as to the lights to be exhibited, and shall in all respects obey any direction given upon such application or afterwards from time to time given as to lights by the Board of Trade during the construction of the works; and compliance with the directions so given shall satisfy and be in place of every other statutory requirements as to lights during the construction of the works, and the Commissioners shall be liable to a penalty not exceeding ten pounds for every calendar month during which they omit so to apply or refuse or neglect to observe any direction so given.

As to lights after completion of works.

12. After completion or permanent discontinuance or abandonment of the works authorised by the Order of 1886 and this Order, the Commissioners shall;

at the outer extremity of the pier and works, or the completed portions thereof, or in such other place or places as may be required, exhibit for all or any part of the time from sunset to sunrise, and according to the requirements of the traffic and the season of the year, such light or lights (if any) as shall from time to time be directed by the Corporation of Trinity House, Deptford Strond, and shall apply to that Corporation for directions as to lighting, and the Commissioners shall be liable to a penalty not exceeding ten pounds for every calendar month during which they omit so to apply or to observe any such directions.

A.D. 1892.

Newlyn.

13. In case of injury to or destruction or decay of the pier, quays, or works, or any part thereof, the Commissioners shall lay down such buoys, exhibit such lights, or take such other means for preventing (as far as may be) danger to navigation, as shall from time to time be directed by the Corporation of Trinity House, Deptford Strond, and shall apply to that Corporation for directions as to the means to be taken, and the Commissioners shall be liable to a penalty not exceeding ten pounds for every calendar month during which they omit so to apply, or refuse, or neglect to obey any such direction.

Provision
against danger
to navigation.

14.—(1.) If within two years from the date of the passing of the Act confirming this Order the works authorised by the Order of 1886 and this Order should not be substantially commenced, the powers by this Order given for executing such works, or otherwise in relation thereto, shall cease, unless the time for commencement be extended by the special direction of the Board of Trade.

Power to cease
in certain
events.

(2.) If the works authorised by the Order of 1886 and this Order, after having been substantially commenced, should be virtually suspended for twelve consecutive calendar months, the powers by this Order given for executing such works, or otherwise in relation thereto, shall cease, except as to so much of such works as shall be then completed, unless such powers shall, by the special direction of the Board of Trade, be continued and directed to remain in force for any period not exceeding five years from the date of the Act confirming this Order.

(3.) In either of the above cases a certificate from the Board of Trade to the effect that the works have not been substantially commenced, or that they have been virtually suspended for twelve consecutive calendar months, shall, for the purposes of this Order, be conclusive evidence of the facts stated in such certificate.

15 This Order shall not be taken as a consent to the surrender of, nor shall anything in this Order prejudice or affect, any property, interests, rights, powers, authorities, or privileges of Her Majesty in right of Her Crown, which are under the management of the Commissioners of Woods, or either of them.

Saving rights
of Crown.

16. All the costs, charges, and expenses of or incidental to preparing and obtaining this Order, or otherwise incurred in relation thereto, shall be paid by the Commissioners.

Costs.
