CITY AND ROYAL BURGH OF EDINBURGH.

*Provisional Order for confirming an Improvement Scheme under
Part I. of the Housing of the Working Classes Act, 1890.*

WHEREAS the Lord Provost, Magistrates, and Town Council of the City and Royal Burgh of Edinburgh, being the local authority under the Housing of the Working Classes Act, 1890, presented to me, the Right Honourable Sir George Otto Trevelyan, Baronet, Secretary for Scotland, a petition praying that an order might be made confirming a scheme prepared by the said local authority under Part I. of the said Act, for the improvement of certain areas within the said city and royal burgh :

And whereas a copy of the said Scheme, and of the estimates by which it was accompanied, is annexed to this Order :

And whereas the maps referred to in the said Scheme have been deposited at the office of the Secretary for Scotland :

And whereas on consideration of the said petition, and on proof of the publication of the proper advertisements and of the service of the proper notices, I thought fit to proceed with the case, and directed a local inquiry to be made by Lieutenant-Colonel Frederick Bailey, late Royal Engineers, in accordance with the provisions of the said Act, for the purpose of ascertaining the correctness of the official representations made to the said local authority as to the areas, and the sufficiency of the Scheme provided for the improvement of such areas, and any local objections to be made to such Scheme :

And whereas before commencing such inquiry, the said Frederick Bailey made public, by advertisement, his intention to make such inquiry, and stated the time and place at which he would be prepared to hear all the persons desirous of being heard on the subject thereof, in accordance with the provisions of section eighteen of the said Act :

And whereas the said Frederick Bailey has reported to me in favour of the said Scheme, subject to certain qualifications mentioned in his report :

And whereas the population occupying the areas comprised in the said Scheme, as modified as after mentioned, is estimated at two thousand seven hundred and twelve persons, and it is proved to my satisfaction that sufficient and suitable accommodation for such population will be provided within the areas or in the neighbourhood thereof :

Now therefore, I, in pursuance of the powers vested in me by the said Act, do hereby confirm the said scheme, and authorise the same to be carried into execution, subject to the following modifications and conditions :—

- (1.) The areas comprised in the Scheme are the lands, houses, and buildings delineated and coloured respectively pink, blue, and green on the maps, except the area marked thereon D¹.
