

CHAPTER cxlii.

An Act to confirm a Provisional Order made by the Board of Trade under the Electric Lighting Acts, 1882 and 1888, relating to Islington. A.D. 1893.
[27th July 1893.]

WHEREAS, under the authority of the Electric Lighting Acts, 1882 and 1888, the Board of Trade have made the Provisional Order set out in the schedule to this Act: 45 & 46 Vict.
c. 56.
51 & 52 Vict.
c. 12.

And whereas a Provisional Order made by the Board of Trade under the authority of the said Acts is not of any validity or force whatever until the confirmation thereof by Act of Parliament:

And whereas it is expedient that the Provisional Order made by the Board of Trade under the authority of the said Acts, as set out in the schedule to this Act, be confirmed by Act of Parliament:

Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

1. This Act may be cited as the Electric Lighting Order Confirmation (No. 6) Act, 1893. Short title.

2. The Order as amended and set out in the schedule to this Act shall be and the same is hereby confirmed, and all the provisions thereof, in manner and form as they are set out in the said schedule, shall, from and after the passing of this Act, have full validity and effect. Confirmation
of Order in
schedule.

3.—(1.) The Undertakers for the purposes of the Order shall not under the powers of this Act purchase or acquire in the area of supply twenty or more houses which after the passing of this Act have been or on the fifteenth day of December last were occupied Saving with
respect to

either wholly or partially by persons belonging to the labouring class as tenants or lodgers, unless and until—

(a.) They shall have obtained the approval of the Secretary of State for the Home Department to a scheme for providing new dwellings for such number of persons as were residing in such houses on the fifteenth day of December last, or for such number of persons as the Secretary of State shall after inquiry deem necessary, having regard to the number of persons on or after that date residing in such houses and working within one mile therefrom, and to the amount of vacant suitable accommodation in the immediate neighbourhood of such houses, or to the place of employment of such persons, and to all the circumstances of the case; and

(b.) They shall have given security to the satisfaction of the Secretary of State for the carrying out of the scheme.

(2.) The approval of the Secretary of State to any scheme under this section may be given, either absolutely or conditionally, and after the Secretary of State has approved of any such scheme he may from time to time approve either absolutely or conditionally of any modifications in the scheme.

(3.) Every scheme under this section shall contain provisions prescribing the time within which it shall be carried out, and shall require the new dwellings proposed to be provided under the scheme to be completed, fit for occupation, before the persons residing in the houses in respect of which the scheme is made are displaced: Provided that the Secretary of State may dispense with the last-mentioned requirement, subject to such conditions (if any) as he may see fit.

(4.) Any provisions of any scheme under this section, and any conditions subject to which the Secretary of State may have approved of any scheme, or of any modifications of any scheme under this section, or subject to which he may have dispensed with the above-mentioned requirement, shall be enforceable by a writ of mandamus to be obtained by him out of the Queen's Bench Division of the High Court of Justice.

(5.) If the Undertakers acquire or appropriate any house or houses for the purposes of this Act in contravention of the foregoing provisions, or displace or cause to be displaced the persons residing in any house or houses in contravention of the requirements of the scheme they shall be liable to a penalty of five

hundred pounds in respect of any such house, which penalty shall be recoverable by the Secretary of State by action in the High Court of Justice, and shall be carried to and form part of the consolidated fund of the United Kingdom: Provided that the Court may, if it think fit, reduce such penalty.

A.D. 1893.

(6.) For the purpose of carrying out any scheme under this section the Undertakers may, subject to the approval of the Local Government Board, appropriate any lands for the time being belonging to them, or which they have power to acquire, and may purchase such further lands as they may require.

(7.) The Undertakers may, subject to such approval as aforesaid, on any lands belonging to them, or purchased or acquired under this section, erect such dwellings for persons of the labouring class as may be necessary for the purpose of any scheme under this section, and may sell, demise, or let or otherwise dispose of such dwellings and any lands purchased or acquired as aforesaid.

(8.) All lands on which any buildings have been erected or provided by the Undertakers in pursuance of any scheme under this section shall, for a period of twenty-five years from the passing of this Act, be appropriated for the purpose of dwellings, and every conveyance, demise, or lease of such lands and buildings shall be endorsed with notice of this enactment: Provided that the Secretary of State may at any time dispense with all or any of the requirements of this sub-section, subject to such conditions (if any) as he may see fit.

(9.) All buildings erected or provided by the Undertakers for the purpose of any scheme under this section shall be subject to the provisions of the Metropolitan Building Act, 1885, and the Metropolis Management Act, 1855, and any Acts amending those respective Acts.

18 & 19 Vict.
c. 122.
18 & 19 Vict.
c. 120.

(10.) The Secretary of State may direct any inquiries to be held which he may deem necessary in relation to any scheme under this section, and for giving effect to any of the provisions of this section, and may appoint inspectors for the purposes of any such inquiry, and every such inspector shall, for the purposes of any such inquiry, have all such powers as inspectors of the Local Government Board have for the purposes of inquiries directed by that Board under the Public Health Act, 1875.

38 & 39 Vict.
c. 55.

(11.) The Undertakers shall pay to the Secretary of State a sum to be fixed by him in respect of any expenses incurred by him in relation to any inquiries under this section, including the expenses

by the local authority and such railways and tramways (if any) as are specified in the Third Schedule so far as such streets railways and tramways may for the time being be included in the area of supply and be or be upon land dedicated to public use. Provided however as respects any such railway that the powers hereby granted shall extend only to such parts thereof as pass across or along any highway on the level.

Nothing in this Order shall authorise or empower the Undertakers to break up or interfere with any street or part of a street not repairable by the local authority or any railway or tramway except such streets railways or tramways (if any) or such parts thereof as are specified in the said schedule without the consent of the authority company or person by whom such street railway or tramway is repairable or of the Board of Trade under section 13 of the Electric Lighting Act 1882 and where the Board of Trade give such consent the provisions of this Order shall apply to the street railway or tramway to which the consent relates as if it had been specified in the said schedule.

Street boxes.

11. Subject to the provisions of this Order and the principal Act and any regulations made under this Order the Undertakers may construct in any street such boxes as may be necessary for purposes in connexion with the supply of energy including apparatus for the proper ventilation of such boxes.

Every such box shall be for the exclusive use of the Undertakers and under their sole control except so far as the Board of Trade may otherwise order and shall be used by the Undertakers only for the purpose of leading off service lines and other distributing conductors or for examining or testing regulating measuring directing or controlling the supply of energy or for examining or testing the condition of the mains or other portions of the works or for other like purposes connected with the undertaking and the Undertakers may place therein meters switches and any other suitable and proper apparatus for any of the above purposes.

Every such box including the upper surface or covering thereof shall be constructed of such materials and shall be constructed and maintained by the Undertakers in such manner as not to be a source of danger whether by reason of inequality of surface or otherwise.

Notice of works with plan to be served on the Postmaster-General.

12. Where the exercise of any of the powers of the Undertakers in relation to the execution of any works (including the construction of boxes) will involve the placing of any works in under along or across any street or public bridge the following provisions shall have effect:—

(A) One month before commencing the execution of such works (not being the repairs renewals or amendments of existing works of which the character and position are not altered) the Undertakers shall serve a notice upon the Postmaster-General describing the proposed works together with a plan of the works showing the mode and position in which such works are intended to be executed and the manner in which it is intended that such street or bridge is to be interfered with and shall upon being required to do so by the Postmaster-General give him any such further information in relation thereto as he may desire.

- (B) The Postmaster-General may in his discretion approve of any such works or plan subject to such amendments or conditions as may seem fit or may disapprove the same and may give notice of such approval or disapproval to the Undertakers ;
- (C) Where the Postmaster-General approves any such works or plan subject to any amendments or conditions with which the Undertakers are dissatisfied or disapprove of any such works or plan the Undertakers may appeal to the Board of Trade and the Board of Trade may inquire into the matter and allow or disallow such appeal and approve any such works or plan subject to such amendments or conditions as may seem fit or may disapprove the same ;
- (D) If the Postmaster-General fail to give any such notice of approval or disapproval to the Undertakers within one month after the service of the notice upon him he shall be deemed to have approved such works and plan ;
- (E) Notwithstanding anything in this Order or the principal Act the Undertakers shall not be entitled to execute any such works as above specified except so far as the same may be of a description and in accordance with a plan which has been approved or is to be deemed to have been approved by the Postmaster-General or by the Board of Trade as above mentioned but where any such works description and plan are so approved or to be deemed to be approved the Undertakers may cause such works to be executed in accordance with such description and plan subject in all respects to the provisions of this Order and the principal Act ;
- (F) If the Undertakers make default in complying with any of the requirements or restrictions of this section they shall (in addition to any other compensation which they may be liable to make under the provisions of this Order or the principal Act) make full compensation to the Postmaster-General for any loss or damage which he may incur by reason thereof and in addition thereto they shall be liable to a penalty not exceeding ten pounds for every such default and to a daily penalty not exceeding five pounds Provided that the Undertakers shall not be subject to any such penalties as aforesaid if the court having cognizance of the case shall be of opinion that the case was one of emergency and that the Undertakers complied with the requirements of this section so far as was reasonable under the circumstances.

The Undertakers shall in all cases serve a like notice and plan upon the county council in addition to those served upon the Postmaster-General and where any street or public bridge is repairable by the county council the other provisions of this section shall with the necessary modifications apply to the county council in like manner as to the Postmaster-General.

Nothing in this section shall exempt the Undertakers from any penalty or obligation to which they may be liable under this Order or otherwise by law in the event of any telegraphic line of the Postmaster-General being at any time injuriously affected by the Undertakers' works or their supply of energy.

to comply with such requisition as hereinafter provided or in cases of emergency ;

- (B) In addition to any other notices which they may be required to give under the provisions of this Order or the principal Act the Undertakers shall not more than four days and not less than two days before the exercise or discharge of any such powers or duties so specified as aforesaid is required to be commenced serve a requisition upon the givers of the notice stating the time when such exercise or discharge is required to be commenced and the manner in which any such powers or duties are required to be exercised or discharged ;
- (C) Upon receipt of any such requisition as last aforesaid the givers of the notice may proceed to exercise or discharge any such powers or duties as required by the Undertakers subject to the like restrictions and conditions as the Undertakers would themselves be subject to in such exercise or discharge so far as the same may be applicable ;
- (D) If the givers of the notice decline or for twenty-four hours after the time when any such exercise or discharge of any powers or duties is by any requisition required to be commenced neglect to comply with such requisition the Undertakers may themselves proceed to exercise or discharge the powers or duties therein specified in like manner as they might have done if such notice as aforesaid had not been given to them by the givers of the notice ;
- (E) In any case of emergency the Undertakers may themselves proceed to at once exercise or discharge so much of any such specified powers or duties as aforesaid as may be necessary for the actual remedying of any defect from which the emergency arises without serving any requisition on the givers of the notice but in such case the Undertakers shall within twelve hours after they begin to exercise or discharge such powers or duties as aforesaid give information thereof in writing to the givers of the notice ;
- (F) If the Undertakers exercise or discharge any such specified powers or duties as aforesaid otherwise than in accordance with the provisions of this section they shall be liable to a penalty not exceeding ten pounds for every such offence and to a daily penalty not exceeding five pounds Provided that the Undertakers shall not be subject to any such penalties as aforesaid if the court having cognizance of the case shall be of opinion that the case was one of emergency and that the Undertakers complied with the requirements of this section so far as was reasonable under the circumstances ;
- (G) All expenses properly incurred by the givers of the notice in complying with any requisition of the Undertakers under this section shall be repaid to them by the Undertakers and may be recovered summarily.

Provided that nothing in this section shall in any way affect the rights of the Undertakers to exercise or discharge any powers or duties conferred or imposed upon them by this Order or the principal Act in relation to the

15. The Undertakers may alter the position of any pipes (not forming part of any sewer of the county council) or any wires being under any street or place authorised to be broken up by them which may interfere with the exercise of their powers under the principal Act or this Order and any body or person may in like manner alter the position of any electric lines or works of the Undertakers being under any such street or place as aforesaid which may interfere with the lawful exercise of any powers vested in such body or person in relation to such street or place subject to the following provisions unless otherwise agreed between the parties interested:—

As to alteration of pipes wires &c. under streets.

(A) One month before commencing any such alterations the Undertakers or such body or person (as the case may be) in this section referred to as "the operators" shall serve a notice upon the body or person for the time being entitled to such pipes wires electric lines or works (as the case may be) in this section referred to as "the owners" describing the proposed alterations together with a plan showing the manner in which it is intended that such alterations shall be made and shall upon being required to do so by any such owners give them any such further information in relation thereto as they may desire;

(B) Within three weeks after the service of any such notice and plan upon any owners such owners may if they think fit serve a requisition upon the operators requiring that any question in relation to such works or to compensation in respect thereof or any other question arising upon such notice or plan as aforesaid shall be settled by arbitration and thereupon such question unless settled by agreement shall be settled by arbitration accordingly;

(C) In settling any question under this section an arbitrator shall have regard to any duties or obligations which the owners may be under in respect of such pipes wires electric lines or works and may if he thinks fit require the operators to execute any temporary or other works so as to avoid interference with any purpose for which such pipes wires electric lines or works are used so far as may be possible;

(D) Where no such requisition as in this section mentioned is served upon the operators the owners shall be held to have agreed to the notice or plan served on them as aforesaid and in such case or where after any such requisition has been served upon them any question required to be settled by arbitration has been so settled the operators upon paying or securing any compensation which they may be required to pay or secure may cause the alterations specified in such notice and plan as aforesaid to be made but subject in all respects to the provisions of this Order and the principal Act and only in accordance with the notice and plan so served by them as aforesaid or such modifications thereof

respectively as may have been settled by arbitration as hereinbefore mentioned or as may be agreed upon between the parties ;

- (E) At any time before any operators are entitled to commence any such alterations as aforesaid the owners may serve a statement upon the operators stating that they desire to execute such alterations themselves and where any such statement has been served upon the operators they shall not be entitled to proceed themselves to execute such alterations except where they have notified to such owners that they require them to execute such alterations and such owners have refused or neglected to comply with such notification as hereinafter provided ;
- (F) Where any such statement as last aforesaid has been served upon the operators they shall not more than forty-eight hours and not less than twenty-four hours before the execution of such alterations is required to be commenced serve a notification upon the owners stating the time when such alterations are required to be commenced and the manner in which such alterations are required to be made ;
- (G) Upon receipt of any such notification as last aforesaid the owners may proceed to execute such alterations as required by the operators subject to the like restrictions and conditions as the operators would themselves be subject to in executing such alterations so far as the same may be applicable ;
- (H) If the owners decline or for twenty-four hours after the time when any such alterations are required to be commenced neglect to comply with such notification the operators may themselves proceed to execute such alterations in like manner as they might have done if no such statement as aforesaid had been served upon them ;
- (I) All expenses properly incurred by any owners in complying with any notification of any operators under this section shall be repaid to them by such operators and may be recovered summarily ;
- (J) Any owners may if they think fit by any statement served by them under this section upon any operators not being the county council or a local authority require the said operators to give them such security for the repayment to them of any expenses to be incurred by them in executing any alterations as above mentioned as may be determined in manner provided by this Order and where any operators have been so required to give security they shall not be entitled to serve a notification upon the owners requiring them to execute such alterations until such security has been duly given.
- (K) If the operators make default in complying with any of the requirements or restrictions of this section they shall (in addition to any other compensation which they may be liable to make under the provisions of this Order or the principal Act) make full compensation to the owners affected thereby for any loss damage or penalty which they may incur by reason thereof and in addition thereto they shall be liable to a penalty not exceeding ten pounds for every such default and to a daily penalty not

exceeding five pounds Provided that the operators shall not be subject to any such penalties as aforesaid if the court having cognizance of the case shall be of opinion that the case was one of emergency and that the operators complied with the requirements of this section so far as was reasonable under the circumstances.

A.D. 1893.
Islington.

16. Where the Undertakers require to dig or sink any trench for laying down or constructing any new electric lines (other than service lines) or other works near to which any sewer drain watercourse defence or work under the jurisdiction or control of the county council or any main pipe syphon electric line or other work belonging to any gas electric supply or water company has been lawfully placed or where any gas or water company require to dig or sink any trench for laying down or constructing any new mains or pipes (other than service pipes) or other works near to which any lines or works of the Undertakers have been lawfully placed the Undertakers or such gas or water company (as the case may be) in this section referred to as "the operators" shall unless otherwise agreed between the parties interested or in case of sudden emergency give to the county council or to such gas electric supply or water company or to the Undertakers (as the case may be) in this section referred to as "the owners" not less than fourteen days' notice before commencing to dig or sink such trench as aforesaid and such owners shall be entitled by their officer to superintend the work and the operators shall conform with such reasonable requirements as may be made by the owners or such officer for protecting from injury every such sewer drain watercourse defence pipe syphon electric line or work and for securing access thereto and they shall also if required to do so by the owner thereof repair any damage that may be done thereto.

Laying of
electric lines
&c. near
gas or water
pipes or other
electric lines.

Where the operators find it necessary to undermine but not alter the position of any pipe electric line or work they shall temporarily support the same in position during the execution of their works and before completion provide a suitable and proper foundation for the same where so undermined.

The owners upon giving notice to the Undertakers during the fourteen days hereinbefore referred to of their desire to execute any work to which the provisions of this section apply may themselves execute the same and in case they give such notice they shall execute such work with due care and diligence and shall be subject to the like restrictions and conditions as the operators would themselves be subject to in respect of the same and the reasonable costs of executing such works shall be repaid by the operators to the owners Provided always that the provisions of this paragraph shall not apply where the Undertakers are themselves lawfully entitled to exercise the powers of any owners with respect to the breaking up and reinstating of any street nor so long as any like notice from the county council the local authority or other body or person under the provisions of the section of this Order whereof the marginal note is "street authority &c. may give notice of desire to break up streets &c. on behalf of Undertakers" remains in force Provided always that when the Undertakers or any gas company desire to lay a service pipe

or line to a house or premises already connected by a service pipe or line with the works of the gas company or the Undertakers as the case may be forty-eight hours' notice shall be given by the Undertakers or the gas company as the case may be to the other of them and in that case the provisions of this section so far as applicable shall then apply to such service pipes or lines accordingly.

Where the operators (being the Undertakers) lay any electric line crossing or liable to touch any mains pipes lines or services belonging to any gas electric supply or water company the conducting portion of such electric line shall be effectively insulated in a manner approved by the Board of Trade and the Undertakers shall not except with the consent of the gas electric supply or water company as the case may be and of the Board of Trade lay their electric lines so as to come into contact with any such mains pipes lines or services or except with the like consent employ any such mains pipes lines or services as conductors for the purposes of their supply of energy.

Any question or difference which may arise under this section shall be determined by arbitration.

If the operators make default in complying with any of the requirements or restrictions of this section they shall make full compensation to all owners affected thereby for any loss damage penalty or costs which they may incur by reason thereof and in addition thereto they shall be liable to a penalty not exceeding ten pounds for every such default and to a daily penalty not exceeding five pounds Provided that the operators shall not be subject to any such penalty if the court having cognizance of the case shall be of opinion that the case was one of emergency and that the operators complied with the requirements and restrictions of this section so far as was reasonable under the circumstances or that the default in question was due to the fact that the operators were ignorant of the position of the sewer drain watercourse defence pipe syphon electric line or work affected thereby and that such ignorance was not owing to any negligence on the part of the operators.

For the purposes of this section the expression "gas company" shall mean any body or person lawfully supplying gas the expression "water company" shall mean any body or person lawfully supplying water or water power and the expression "electric supply company" shall mean any body or person supplying energy under the principal Act but not under this Order.

For protection
of railway
and canal
companies.

17. In the exercise of any of the powers of this Order relating to the execution of works the Undertakers shall not in any way injure the railways tunnels arches works or conveniences belonging to any railway or canal company nor obstruct or interfere with the working of the traffic passing along any railway or canal.

For protection
of telegraphic
and telephonic
wires.

18.—(1.) The Undertakers shall take all reasonable precautions in constructing laying down and placing their electric lines and other works of all descriptions and in working their undertaking so as not injuriously to affect whether by induction or otherwise the working of any wire or line from time to time used for the purpose of telegraphic telephonic or electric signalling

communication or the currents in such wire or line whether such wire or line be or be not in existence at the time of the laying down or placing of such electric lines or other works. If any question arises between the Undertakers and the owner of any such wire or line as to whether the Undertakers have constructed laid down or placed their electric lines or other works or worked their undertaking in contravention of this sub-section and as to whether the working of such wire or line or the current therein is or is not injuriously affected thereby such question shall be determined by arbitration and the arbitrator (unless he is of opinion that such wire or line not having been so in existence at such time as aforesaid has been placed in unreasonable proximity to the electric lines or works of the Undertakers) may direct the Undertakers to make any alterations in or additions to their system so as to comply with the provisions of this section and the Undertakers shall make such alterations or additions accordingly.

A.D. 1893.

Islington.

(2.) Seven days before commencing to lay down or place any electric line or to use any electric line in any manner whereby the work of telegraphic or telephonic or electric signalling communication through any wire or line lawfully laid down or placed in any position may be injuriously affected the Undertakers shall unless otherwise agreed between the parties interested give to the owner of such wire or line notice in writing specifying the course nature and gauge of such electric line and the manner in which such electric line is intended to be used and the amount and nature of the currents intended to be transmitted thereby and the extent to and manner in which (if at all) earth returns are proposed to be used and any owner entitled to receive such notice may from time to time serve a requisition on the Undertakers requiring them to adopt such precautions as may be therein specified in regard to the laying placing or user of such electric line for the purpose of preventing such injurious affection and the Undertakers shall conform with such reasonable requirements as may be made by such owner for the purpose of preventing the communication through such wire or line from being injuriously affected as aforesaid.

If any difference arises between any such owner and the Undertakers with respect to the reasonableness of any requirements so made such difference shall be determined by arbitration.

Provided that nothing in this sub-section shall apply to repairs or renewals of any electric line so long as the course nature and gauge of such electric line and the amount and nature of the current transmitted thereby are not altered.

(3.) If in any case the Undertakers make default in complying with the requirements of this section they shall make full compensation to every such owner as aforesaid for any loss or damage which he may incur by reason thereof and in addition thereto they shall be liable to a penalty not exceeding five pounds for every such default and to a daily penalty not exceeding forty shillings. Provided that the Undertakers shall not be subject to any such penalties as aforesaid if the court having cognizance of the case shall be of opinion that the case was one of emergency and that the Undertakers complied with the requirements of this section so far as was reasonable under the circumstances or that the

default in question was due to the fact that the Undertakers were ignorant of the position of the wire or line affected thereby and that such ignorance was not owing to any negligence on the part of the Undertakers.

(4.) Nothing in this section contained shall be held to deprive any such owner of any existing rights to proceed against the Undertakers by indictment action or otherwise in relation to any of the matters aforesaid.

Provided always that if the Undertakers or any such owner at any future time apply to Parliament to repeal or amend the foregoing provisions in accordance with the report of a Joint Committee of both Houses of Parliament (whether such report shall or shall not be retrospective in its recommendations) the said owner or the Undertakers as the case may be shall not be entitled to oppose such application except on details.

Provision as
to subways.

19. Where the Undertakers desire to lay or may be required to lay any electric line in any street under the surface of which there is a subway vested in the county council and the county council serve a notice upon them requiring them to lay the same in the subway then notwithstanding anything in any special or general Act of Parliament contained the powers conferred by this Order and the principal Act with respect to the breaking up and interfering with streets shall not be exercised by the Undertakers as to such streets in so far as the subway extends under the surface thereof and any electric line to which this section applies shall be laid in the subway in such manner and position as the county council shall direct or approve.

Where any electric line of the Undertakers shall be so laid under the provisions of this section they shall pay to the county council such reasonable rent for the use thereof as may be settled by agreement or in the case of difference by arbitration. Provided that the Undertakers shall have access to such subway at all such reasonable times and subject to such conditions as may be settled in like manner.

Compulsory Works.

Mains &c.
to be laid down
in streets
specified in
Second
Schedule and
in remainder of
area of supply.

20.—(1.) The Undertakers shall within a period of two years after the commencement of this Order lay down suitable and sufficient distributing mains for the purposes of general supply throughout every street or part of a street specified in that behalf in the Second Schedule and shall thereafter maintain the same.

(2.) In addition to the mains hereinbefore specified the Undertakers shall at any time after the expiration of eighteen months after the commencement of this Order lay down suitable and sufficient distributing mains for the purposes of general supply throughout every other street or part of a street within the area of supply upon being required to do so in manner by this Order provided.

All such mains as last above mentioned (unless already laid down) shall be laid down by the Undertakers within six months after any requisition in that behalf served upon them in accordance with the provisions of this Order has become binding upon them or such further time as may in any case be approved of by the Board of Trade.

[56 & 57 VICT.] *Electric Lighting Order Confirmation* [Ch. cxlii.]
(No. 6) Act, 1893.

(3.) When any such requisition is made in respect of any street not repairable by the local authority which is not mentioned in the Third Schedule the Undertakers shall (unless the authority or person by whom such street is repairable consent to the breaking up thereof) forthwith apply to the Board of Trade under section thirteen of the Electric Lighting Act 1882 for the written consent of the Board authorising and empowering the Undertakers to break up such street and the requisition shall not be binding upon them if the Board of Trade refuse their consent in that behalf.

A.D. 1893.

Islington.

21. If the Undertakers make default in laying down any distributing mains in accordance with the provisions of this Order within the periods prescribed in that behalf respectively the Board of Trade may after considering any representations of the Undertakers and the county council either revoke this Order as to the whole or (with the consent of the Undertakers) any part of the area of supply or if the Undertakers so desire suffer the same to remain in force as to such area or part thereof subject to such conditions as they may think fit to impose and any conditions so imposed shall be binding on and observed by the Undertakers and shall be of the like force and effect in every respect as though they were contained in this Order Provided that the Board of Trade shall not revoke this Order as to part of the area of supply where the Undertakers make a representation that they desire to be relieved of their liabilities as respects the rest of the area of supply and in such case the Board of Trade shall not under this section revoke this Order otherwise than as to the whole of the area of supply.

If Undertakers fail to lay down mains &c. Order may be revoked.

22. Any requisition requiring the Undertakers to lay down distributing mains for the purposes of general supply throughout any street or part of a street may be made by two or more owners or occupiers of premises along such street or part of a street.

Manner in which requisition is to be made.

Every such requisition shall be signed by the persons making the same and shall be served upon the Undertakers.

Forms of requisitions shall be kept by the Undertakers at their office and a copy shall be supplied free of charge to any owner or occupier of premises within the area of supply on application for the same and any requisition so supplied shall be deemed valid in point of form.

23. Where any such requisition is made by any such owners or occupiers as aforesaid the Undertakers (if they think fit) may within fourteen days after the service of the requisition upon them serve a notice on all the persons by whom the requisition is signed stating that they decline to be bound by such requisition unless such persons or some of them will bind themselves to take or will guarantee that there shall be taken a supply of energy for two years of such amount in the aggregate (to be specified by the Undertakers in such notice) as will at the rates of charge for the time being charged by the Undertakers for a supply of energy from distributing mains to ordinary consumers within the area of supply produce annually such reasonable sum as shall be specified by the Undertakers in such notice Provided that in such notice the Undertakers shall not without the authority of the Board of Trade

specify any sum exceeding twenty per centum upon the expense of providing and laying down the required distributing mains and any other mains or additions to existing mains which may be necessary for the purpose of connecting such distributing mains with the nearest available source of supply.

Where such notice is served the requisition shall not be binding on the Undertakers unless within fourteen days after the service of such notice on all the persons signing the requisition has been effected or in case of difference the delivery of the arbitrator's award there be tendered to the Undertakers an agreement severally executed by such persons or some of them binding them to take or guaranteeing that there shall be taken for a period of two years at the least such specified amounts of energy respectively as will in the aggregate at the rates of charge above specified produce an annual sum amounting to the sum specified in the notice or determined by arbitration under this section nor unless sufficient security for the payment to the Undertakers of all moneys which may become due to them from such persons under such agreement is offered to the Undertakers (if required by them by such notice as aforesaid) within the period limited for the tender of the agreement as aforesaid.

If the Undertakers consider that the requisition is unreasonable or that under the circumstances of the case the provisions of this section ought to be varied they may within fourteen days after the service of the requisition upon them appeal to the Board of Trade who after such inquiry if any as they shall think fit may by order either determine that the requisition is unreasonable and shall not be binding upon the Undertakers or may authorise the Undertakers by their notice to require a supply of energy to be taken for such longer period than two years and to specify such sum or percentage whether calculated as hereinbefore provided or otherwise as shall be fixed or directed by the order and the terms of the above-mentioned agreement shall be varied accordingly.

In case of any such appeal to the Board of Trade any notice by the Undertakers under this section may be served by them within fourteen days after the decision of the Board of Trade.

If any difference arises between the Undertakers and any persons signing any such requisition as to any such notice or agreement such difference shall subject to the provisions of this section and to the decision of the Board of Trade upon any such appeal as aforesaid be determined by arbitration.

Supply.

Undertakers to furnish sufficient supply of energy to owners and occupiers within the area of supply.

24. The Undertakers shall upon being required to do so by the owner or occupier of any premises situate within fifty yards from any distributing main of the Undertakers in which they are for the time being required to maintain or are maintaining a supply of energy for the purposes of general supply to private consumers under this Order or any regulations and conditions subject to which they are authorised to supply energy under this Order give and continue to give a supply of energy for such premises in accordance with the provisions of this Order and of all such regulations and conditions as

[56 & 57 VICT.] *Electric Lighting Order Confirmation* [Ch. cxlii.]
(No. 6) Act, 1893.

aforesaid and they shall furnish and lay any electric lines that may be necessary for the purpose of supplying the maximum power with which any such owner or occupier may be entitled to be supplied under this Order subject to the conditions following (that is to say):—

A.D. 1893:
Islington.

The cost of so much of any electric line for the supply of energy to any owner or occupier as may be laid upon the property of such owner or in the possession of such occupier and of so much of any such electric line as it may be necessary to lay for a greater distance than sixty feet from any distributing main of the Undertakers although not on such property shall if the Undertakers so require be defrayed by such owner or occupier.

Every owner or occupier of premises requiring a supply of energy shall—

Serve a notice upon the Undertakers specifying the premises in respect of which such supply is required and the maximum power required to be supplied and the day (not being an earlier day than a reasonable time after the date of the service of such notice) upon which such supply is required to commence; and

Enter into a written contract with the Undertakers (if required by them so to do) to continue to receive and pay for a supply of energy for a period of at least two years of such an amount that the payment to be made for the same at the rate of charge for the time being charged by the Undertakers for a supply of energy to ordinary consumers within the area of supply shall not be less than twenty pounds per centum per annum on the outlay incurred by the Undertakers in providing any electric lines required under this section to be provided by them for the purpose of such supply and give to the Undertakers (if required by them so to do) security for the payment to them of all moneys which may become due to them by such owner or occupier in respect of any electric lines to be furnished by the Undertakers and in respect of energy to be supplied by them.

Provided always that the Undertakers may (after they have given a supply of energy for any premises) by notice in writing require the owner or occupier of such premises within seven days after the date of the service of such notice to give to them security for the payment of all moneys which may become due to them in respect of such supply in case such owner or occupier has not already given such security or in case any security given has become invalid or is insufficient and in case any such owner or occupier fail to comply with the terms of such notice the Undertakers may if they think fit discontinue to supply energy for such premises so long as such failure continues.

Provided also that if the owner or occupier of any such premises as aforesaid uses any form of lamp or burner or uses the energy supplied to him by the Undertakers for any purposes or deals with it in any manner so as to unduly or improperly interfere with the efficient supply of energy to any other body or person by the Undertakers the Undertakers may if they

Islington. continues.

Provided also that the Undertakers shall not be compelled to give a supply of energy to any premises unless they are reasonably satisfied that the electric lines fittings and apparatus therein are in good order and condition and not calculated to affect injuriously the use of energy by the Undertakers or by other persons.

If any difference arises under this section as to any improper use of energy or as to any alleged defect in any electric lines fittings or apparatus such difference shall be determined by arbitration.

Maximum
power.

25. The maximum power with which any such consumer shall be entitled to be supplied shall be of such amount as he may require to be supplied with not exceeding what may be reasonably anticipated as the maximum consumption on his premises Provided that where any consumer has required the Undertakers to supply him with a maximum power of any specified amount he shall not be entitled to alter that maximum except upon one month's notice to the Undertakers and any expenses reasonably incurred by the Undertakers in respect of the service lines by which energy is supplied to the premises of such consumer or any fittings or apparatus of the Undertakers upon such premises consequent upon such alteration shall be paid by him to the Undertakers and may be recovered summarily as a civil debt.

If any difference arises between any such owner or occupier and the Undertakers as to what may be reasonably anticipated as the consumption on his premises or as to the reasonableness of any expenses under this section such difference shall be determined by arbitration.

Penalty for
failure to
supply.

26. Whenever the Undertakers make default in supplying energy to any owner or occupier of premises to whom they may be and are required to supply energy under this Order they shall be liable to a penalty not exceeding forty shillings in respect of every such default for each day on which any such default occurs.

Whenever the Undertakers make default in supplying energy in accordance with the terms of any regulations and conditions subject to which they are authorised to supply energy under this Order they shall be liable to such penalties as may by such regulations and conditions be prescribed in that behalf.

Provided that the penalties to be inflicted on the Undertakers under this section shall in no case exceed in the aggregate the sum of fifty pounds in respect of any defaults not being wilful defaults on the part of the Undertakers for any one day and provided also that in no case shall any penalty be inflicted in respect of any default if the court having cognizance of the case shall be of opinion that such default was caused by inevitable accident or force majeure or was of so slight or unimportant a character as not materially to affect the value of the supply.

Price.

A.D. 1893.

27. The Undertakers may charge for energy supplied by them to any ordinary consumer (otherwise than by agreement)—

Islington.
Methods of
charging.

- (1.) By the actual amount of energy so supplied ; or
- (2.) By the electrical quantity contained in such supply ; or
- (3.) By such other method as may for the time being be approved by the Board of Trade.

Provided that where the Undertakers charge by any method so approved by the Board of Trade any consumer who objects to that method may by one month's notice in writing require the Undertakers to charge him at their option by the actual amount of energy supplied to him or by the electrical quantity contained in such supply and thereafter the Undertakers shall not except with the consumer's consent charge him by any other method.

Provided also that before commencing to supply energy through any distributing main for the purposes of general supply the Undertakers shall by public advertisement give notice by what method they propose to charge for energy supplied through such main and shall serve a copy of such notice upon the county council and where the Undertakers have given any such notice they shall not be entitled to change such method of charging except after one month's notice of such change has been given by them to the county council and to every consumer who is supplied by them from such main.

28. The prices to be charged by the Undertakers for energy supplied by them shall not exceed those stated in that behalf in the Fourth Schedule in the first and second sections thereof respectively or in the case of a method of charge approved by the Board of Trade such price as the Board shall on approving such method determine.

Maximum
prices.

29. Subject to the provisions of this Order and of the principal Act and to the right of the consumer to require that he shall be charged according to some one or other of the methods above mentioned the Undertakers may make any agreement with a consumer as to the price to be charged for energy and the mode in which such charges are to be ascertained and may charge accordingly.

Other charges
by agreement.

Electric Inspectors.

30. The county council may appoint and keep appointed one or more competent and impartial person or persons to be electric inspectors under this Order.

Appointment
of electric
inspectors.

If no electric inspector is appointed by the county council the Board of Trade on the application of any consumer or of the Undertakers may appoint and keep appointed one or more competent and impartial person or persons to be electric inspectors under this Order.

[Ch. cxlii.] *Electric Lighting Order Confirmation* [56 & 57 VICT.]
(No. 6) Act, 1893.

A.D. 1893.

Islington.

The duties of an electric inspector under this Order shall be as follows :—

- (a.) The inspection and testing periodically and in special cases of the Undertakers' electric lines and works and the supply of energy given by them ;
- (b.) The certifying and examination of meters ; and
- (c.) Such other duties in relation to the undertaking as may be required of him under the provisions of this Order or of any regulations under this Order.

The county council with the approval of the Board of Trade or the Board of Trade if the inspector is appointed by them may prescribe the manner in which and the times at which any such duties are to be performed by an electric inspector and also the fees to be taken by him and such fees shall be accounted for and applied as may be directed by the county council or the Board of Trade as the case may be.

Remunera-
tion of
electric
inspector.

31. The county council may pay to any electric inspector appointed by them under this Order such reasonable remuneration (if any) as they may determine and such remuneration may be in addition to or in substitution for any fees directed to be paid to electric inspectors in respect of their duties under this Order or any regulations of the Board of Trade made in pursuance of this Order or the principal Act according as the county council shall determine.

Inquiry by
Board of
Trade.

32. The Board of Trade may if they deem it necessary appoint any electric inspector or other fit person or persons to inquire and report as to the cause of any accident affecting the safety of the public which may have been occasioned by or in connection with the Undertakers' works or as to the manner and extent in and to which the provisions of this Order and the principal Act and of any regulations under this Order so far as such provisions affect the safety of the public have been complied with by the Undertakers and any person appointed under this section not being an electric inspector shall for the purposes of his appointment have all the powers of an electric inspector under this Order.

Testing and Inspection.

Testing of
mains.

33. On the occasion of the testing of any main of the Undertakers reasonable notice thereof shall be given to the Undertakers by the electric inspector and such testing shall be carried out at such suitable hours as in the opinion of the inspector will least interfere with the supply of energy by the Undertakers and in such manner as the inspector may think expedient but except under the provisions of a special order in that behalf made by the Board of Trade he shall not be entitled to have access to or interfere with the mains of the Undertakers at any points other than those at which the Undertakers have reserved for themselves access to the said mains Provided that the Undertakers shall not be held responsible for any interruption in the supply of energy which may be occasioned by or required by such inspector for the

[56 & 57 VICT.] *Electric Lighting Order Confirmation* [Ch. cxlii.]

purpose of any such testing as aforesaid Provided also that such testings shall not be made in regard to any particular portion of a main oftener than once in any three months unless in pursuance of a special order in that behalf made by the Board of Trade.

A.D. 1893.

Islington.

34. An electric inspector if and when required to do so by any consumer shall on payment by such consumer of the prescribed fee test the variation of electric pressure at the consumer's terminals or make such other inspection and testing of the service lines apparatus and works of the Undertakers upon the consumer's premises as may be necessary for the purpose of determining whether the Undertakers have complied with the provisions of this Order and the regulations and conditions subject to which they are for the time being authorised to supply energy.

Testing of works and supply on consumer's premises.

35. The Undertakers shall at such places within a reasonable distance from a distributing main establish at their own cost and keep in proper condition such reasonable number of testing stations as the county council shall deem proper and sufficient for testing the supply of energy by the Undertakers through such main and shall place thereat proper and suitable instruments of a pattern to be approved by the Board of Trade and shall connect such stations by means of proper and sufficient electric lines with such mains and supply energy thereto for the purpose of such testing.

Undertakers to establish testing stations.

If any dispute arises between the county council and the Undertakers as to whether the number of such testing stations and the distance from the main at which they are established is reasonable or excessive or as to any excessive or improper use of energy for such testing or as to the performance by the Undertakers of their duties under this section such dispute shall be determined by arbitration.

36. The Undertakers shall set up and keep upon all premises from which they supply energy by any distributing mains such suitable and proper instruments of such pattern and construction as may be approved of or prescribed by the Board of Trade and shall take and record and keep recorded such observations as the Board of Trade may prescribe and any observations so recorded shall be receivable in evidence.

Undertakers to keep instruments on their premises.

37. The Undertakers shall keep in efficient working order all instruments which they are required by or under this Order to place set up or keep at any testing station or on their own premises and any electric inspector appointed under this Order may examine and record the readings of such instruments and any readings so recorded shall be receivable in evidence.

Readings of instruments to be taken.

38. Any electric inspector appointed under this Order shall have the right to have access at all reasonable hours to the testing stations and premises of the Undertakers for the purpose of testing the electric lines and instruments of the Undertakers and ascertaining if the same are in order and in case the same are not in order he may require the Undertakers forthwith to have the same put in order.

Electric inspector may test Undertakers instruments.

39. The Undertakers may if they think fit on each occasion of the testing of any main or service line or the testing or inspection of any instruments of the Undertakers by any electric inspector be represented by some officer or other agent but such officer or agent shall not interfere with the testing or inspection.

40. The Undertakers shall afford all facilities for the proper execution of this Order with respect to inspection and testing and the readings and inspections of instruments and shall comply with all the requirements of or under this Order in that behalf and in case the Undertakers make default in complying with any of the provisions of this section they shall be liable in respect of each default to a penalty not exceeding five pounds and to a daily penalty not exceeding twenty shillings.

41. Every electric inspector shall on the day immediately following that on which any testing has been completed by him under this Order make and deliver a report of the results of his testing to the authority or person by whom he was required to make such testing and also to the Undertakers and such report shall be receivable in evidence.

If the Undertakers or any such authority or person are or is dissatisfied with any report of any electric inspector they or he may appeal to the Board of Trade against such report and thereupon the Board of Trade shall inquire into and decide upon the matter of any such appeal and their decision shall be final and binding on all parties.

42. Save as otherwise provided by this Order or by any regulations under this Order all fees and reasonable expenses of an electric inspector shall unless agreed be ascertained by a court of summary jurisdiction or (where the inspector is appointed by them) by the Board of Trade and shall be paid by the Undertakers.

Provided that where the report of an electric inspector or the decision of the Board of Trade shows that any consumer was guilty of any default or negligence such fees and expenses shall on being ascertained as above mentioned be paid by such consumer or consumers as the court or Board of Trade having regard to such report or decision shall direct and may be recovered summarily as a civil debt.

Provided also that in any proceedings for penalties under this Order any such fees and expenses incurred in connection with such proceedings shall be payable by the complainant or defendant as the court may direct.

Meters.

43. The amount of energy supplied by the Undertakers to any ordinary consumer under this Order or the electrical quantity contained in such supply (according to the method by which the Undertakers elect to charge) in this Order referred to as "the value of the supply" shall except as otherwise agreed between such consumer and the Undertakers be ascertained by means of an appropriate meter duly certified under the provisions of this Order.

[56 & 57 VICT.] *Electric Lighting Order Confirmation* [Ch. cxlii.]
(No. 6) Act, 1893.

44. A meter shall be considered to be duly certified under the provisions of this Order if it be certified by an electric inspector appointed under this Order to be a correct meter and to be of some construction and pattern and to have been fixed and to have been connected with the service lines in some manner approved of by the Board of Trade and every such meter is in this Order referred to as "a certified meter" Provided that where any alteration is made in any certified meter or where any such meter is unfixed or disconnected from the service lines such meter shall cease to be a certified meter unless and until it be again certified as a certified meter under the provisions of this Order.

Meter to be certified.

45. Every electric inspector on being required to do so by the Undertakers or by any consumer and on payment of the prescribed fee by the party so requiring him shall examine any meter intended for ascertaining the value of the supply and shall certify the same as a certified meter if he considers it entitled to be so certified.

Inspector to certify meters.

46. Where the value of the supply is under this Order required to be ascertained by means of an appropriate meter the Undertakers shall if required so to do by any consumer supply him with an appropriate meter and shall if required so to do fix the same upon the premises of the consumer and connect the service lines therewith and procure such meter to be duly certified under the provisions of this Order and for such purposes may authorise and empower any officer or person to enter upon such premises at all reasonable times and execute all necessary works and do all necessary acts Provided that previously to supplying any such meter the Undertakers may require such consumer to pay to them a reasonable sum in respect of the price of such meter or to give security therefor or (if he desires to hire such meter) may require him to enter into an agreement for the hire of such meter as hereinafter provided.

Undertakers to supply meters if required to do so.

47. No consumer shall connect any meter used or to be used under this Order for ascertaining the value of the supply with any electric line through which energy is supplied by the Undertakers or disconnect any such meter from any such electric line unless he has given to the Undertakers not less than forty-eight hours' notice in writing of his intention so to do and if any person acts in contravention of this section he shall be liable for each offence to a penalty not exceeding forty shillings.

Meters not to be connected or disconnected without notice.

48. Every consumer shall at all times at his own expense keep all meters belonging to him whereby the value of the supply is to be ascertained in proper order for correctly registering such value and in default of his so doing the Undertakers may cease to supply energy through such meter.

Consumer to keep his meter in proper order.

The Undertakers shall have access to and be at liberty to take off remove test inspect and replace any such meter at all reasonable times provided that all reasonable expenses of and incident to any such taking off removing testing inspecting and replacing and the procuring such meter to be again duly certified where such re-certifying is thereby rendered necessary shall if the meter be found to be not in proper order be paid by the consumer but if the

Islington.

Power to the Undertakers to let meters.

49. The Undertakers may let for hire any meter for ascertaining the value of the supply and any fittings thereto for such remuneration in money and on such terms with respect to the repair of such meter and fittings and for securing the safety and return to the Undertakers of such meter and fittings as may be agreed upon between the hirer and the Undertakers or in case of difference decided by the Board of Trade and such remuneration shall be recoverable by the Undertakers summarily as a civil debt.

Undertakers to keep meters let for hire in repair.

50. The Undertakers shall unless the agreement for hire otherwise provides at all times at their own expense keep all meters let for hire by them to any consumer whereby the value of the supply is ascertained in proper order for correctly registering such value and in default of their so doing the consumer shall not be liable to pay rent for the same during such time as such default continues. The Undertakers shall for the purposes aforesaid have access to and be at liberty to remove test inspect and replace any such meter at all reasonable times. Provided that the expenses of procuring any such meter to be again duly certified where such re-certifying is thereby rendered necessary shall be paid by the Undertakers.

Differences as to correctness of meters to be settled by inspector.

51. If any difference arises between any consumer and the Undertakers as to whether any meter whereby the value of the supply is ascertained (whether belonging to such consumer or the Undertakers) is or is not in proper order for correctly registering such value or as to whether such value has been correctly registered in any case by any meter such difference shall be determined upon the application of either party by an electric inspector or where the county council are the consumers by an inspector to be appointed by the Board of Trade who shall also order by which of the parties the costs of and incidental to the proceedings before him shall be paid and the decision of such inspector shall be final and binding on all parties. Subject as aforesaid the register of the meter shall be conclusive evidence in the absence of fraud of the value of the supply.

Undertakers to pay expenses of providing new meters where method of charge altered.

52. Where any consumer who is supplied with energy by the Undertakers from any distributing main is provided with a certified meter for the purpose of ascertaining the value of the supply and the Undertakers change the method of charging for energy supplied by them from such main the Undertakers shall pay to such consumer the reasonable expenses to which he may be put in providing a new meter for the purpose of ascertaining the value of the supply according to such new method of charging and such expenses may be recovered by the consumer from the Undertakers summarily as a civil debt.

Undertakers may place meters to measure supply or to check measurement thereof.

53. In addition to any meter which may be placed upon the premises of any consumer to ascertain the value of the supply the Undertakers may place upon his premises such meter or other apparatus as they may desire for the purpose of ascertaining or regulating either the amount of energy supplied to such

Maps.

54. The Undertakers shall forthwith after commencing to supply energy under this Order cause a map to be made of the area of supply and shall cause to be marked thereon the line and the depth below the surface of all their then existing mains service lines and other underground works and street boxes and shall once in every year cause such map to be duly corrected so as to show the then existing lines The Undertakers shall also if so required by the Board of Trade or the Postmaster-General or the county council cause to be made sections showing the level of all their existing mains and underground works other than service lines The said map and sections shall be on such scale or scales as the Board of Trade shall prescribe.

Map of area of supply to be made and deposited.

Every map and section so made or corrected or a copy thereof marked with the date when it was so made or last corrected shall be kept by the Undertakers at their principal office within the area of supply and shall at all reasonable times be open to the inspection of all applicants and such applicants may take copies of the same or any part thereof The Undertakers may demand and take from every such applicant as aforesaid such fee not exceeding one shilling for each inspection of such map section or copy and such further fee not exceeding five shillings for each copy of the same or any part thereof taken by such applicant as they may prescribe.

The Undertakers shall if so required by the Board of Trade or the Postmaster-General or the county council supply to them or him a copy of any such map or section and cause such copy to be duly corrected so as to agree with the original or originals thereof as kept for the time being at the office of the Undertakers.

If the Undertakers fail to comply with any of the requirements of this section they shall for every such offence be liable to a penalty not exceeding ten pounds and to a daily penalty not exceeding two pounds.

Application of Moneys Received.

55. All moneys received by the Undertakers in respect of the undertaking except (a) borrowed money (b) money arising from the disposal of lands acquired for the purposes of this Order and (c) money not of the nature of rent

received by them in respect of any transfer under the provisions of this Order shall be applied by them as follows:—

(1.) In payment of the working and establishment expenses and cost of maintenance of the undertaking including all costs expenses penalties and damages incurred or payable by the Undertakers consequent upon any proceedings by or against the Undertakers their officers or servants in relation to the undertaking.

(2.) In payment of the interest or dividend on any mortgages stock or other securities granted and issued by the Undertakers in respect of money borrowed for electricity purposes.

(3.) In providing any instalments or sinking fund required to be provided in respect of moneys borrowed for electricity purposes.

(4.) In payment of all other their expenses of executing this Order not being expenses properly chargeable to capital.

(5.) In providing a reserve fund if they think fit by setting aside such money as they may from time to time think reasonable and investing the same and the resulting income thereof in Government securities, or in any other securities in which trustees are by law for the time being authorised to invest other than stock or securities of the Undertakers and accumulating the same at compound interest until the fund so formed amounts to one-tenth of the aggregate capital expenditure on the undertaking which fund shall be applicable to answer any deficiency at any time happening in the income of the Undertakers from the undertaking or to meet any extraordinary claim or demand at any time arising against the Undertakers in respect of the undertaking and so that if that fund is at any time reduced it may thereafter be again restored to the prescribed limit and so from time to time as often as such reduction happens.

The Undertakers shall carry the net surplus remaining in any year and the annual proceeds of the reserve fund when amounting to the prescribed limit to the credit of the local rate as defined by the principal Act or at their option shall apply such surplus or any part thereof to the improvement of the district for which they are the local authority or in reduction of the capital moneys borrowed for electricity purposes.

Provided always that if the surplus in any year exceed five pounds per centum per annum upon the aggregate capital expenditure on the undertaking the Undertakers shall make such a rateable reduction in the charge for the supply of energy as in their judgment will reduce the surplus to the said maximum rate of profit but this proviso shall only apply to so much of the undertaking as shall for the time being remain in the hands of the Undertakers.

Any deficiency of income in any year when not answered out of the reserve fund shall be charged upon and payable out of the local rate.

56. All moneys arising from the disposal of lands acquired by the Undertakers for the purposes of this Order and all moneys not of the nature of rent received by them in respect of any transfer of the undertaking under the

Revocation of Order.

Islington.
Revocation
where works
not executed.

59. If at any time after the commencement of this Order the Board of Trade have reason to believe that the Undertakers have made default in executing works or supplying energy in accordance with the provisions of this Order the Board of Trade may after such inquiry as they may think necessary revoke this Order as to the whole or with the consent of the Undertakers any part of the area of supply upon such terms as to the Board of Trade may seem just.

Revocation of
Order with
consent.

60. In addition to any powers which the Board of Trade may have in that behalf they may revoke this Order at any time with the consent and concurrence of the Undertakers upon such terms as the Board of Trade may think fit.

Provisions
where Order
revoked.

61. If the Board of Trade at any time revoke this Order as to the whole or any part of the area of supply any persons who may be liable to repair any street or part of a street within such area or part thereof in which any works of the Undertakers may have been placed may forthwith remove such work with all reasonable care and the Undertakers shall pay to such persons such reasonable costs of such removal as may be specified in a notice to be served on the Undertakers by such persons or if so required by the Undertakers within one week after the service of such notice upon them as may be settled by arbitration.

If the Undertakers fail to pay such reasonable costs as aforesaid within one month after the service upon them of such notice or the delivery of the award of the arbitrator (as the case may be) such persons as aforesaid may without any previous notice to the Undertakers (but without prejudice to any other remedy which they may have for the recovery of the amount) sell and dispose of any such works as aforesaid either by public auction or private sale and for such sum or sums and to such person or persons as they may think fit and may out of the proceeds of such sale pay and reimburse themselves the amount of the costs so specified or settled as aforesaid and of the costs of sale and the balance (if any) of the proceeds of the sale shall be paid over by them to the Undertakers.

Transfer of Powers &c.

Transfer of
powers &c.

62.—(1) At any time after the commencement of this Order the Undertakers may with the consent of the Board of Trade by deed to be approved by the Board of Trade transfer their powers duties liabilities and works to any company or person subject to such exceptions and modifications (if any) and for such period and upon such terms as may be specified therein and either as to the whole or any part or parts of the area of supply and during the said period but subject to the provisions of this Order such company or person shall to the extent of the powers duties and liabilities so transferred be the Undertakers for the purposes of this Order.

(2) One month at least before any draft deed is submitted to the Board of Trade for their approval under this section notice of the intention to make such transfer shall be published by the Undertakers by advertisement and a copy of the said draft deed shall be deposited for public inspection during office hours at the principal office of the Undertakers within the area of supply and printed copies thereof shall be supplied to every person demanding the same at a price not exceeding sixpence for each copy.

(3) Every such advertisement shall contain the following particulars:—

- (a) The area in respect of which the transfer is proposed to be made;
- (b) The period for which the transfer is proposed to be made;
- (c) The rent or other pecuniary consideration in respect of the transfer;
- (d) A general description of the powers duties or liabilities of the Undertakers proposed to be excepted or modified and of the terms upon which the transfer is proposed to be made; and
- (e) The address of the office at which the copy of the said draft deed is deposited for public inspection and at which printed copies of the same are on sale;

And such advertisement shall be inserted once at least in each of two successive weeks in one and the same newspaper circulating within the area of supply and once at least in the London Gazette.

(4) The Undertakers may with the consent of the Board of Trade by deed to be approved in like manner renew or continue any such transfer for such period and subject to such variations or modifications (if any) as may be specified therein and the above provisions as to advertisements and particulars shall apply to such matters as are hereby required to be specified in such last-mentioned deed.

(5) Where in relation to any powers duties or liabilities so transferred such company or person have in the opinion of the Board of Trade been guilty of any act or default in respect of which the Board of Trade are empowered to revoke this Order the Board of Trade if they think fit in lieu of revoking this Order may by order permit the Undertakers to resume the undertaking as from such day as may be fixed by the Order and from and after the said day the powers duties and liabilities of the said company or persons as Undertakers shall cease and determine but without prejudice to anything done or suffered during the period of transfer.

(6) Any questions arising between the Undertakers and the said company or persons respecting the resumption of the undertaking by the Undertakers shall be determined on the application of either party by the Board of Trade regard being had to the deed of transfer so far as applicable and the decision of the Board of Trade shall be final and conclusive.

(7) As soon as practicable after any such deed is approved by the Board of Trade printed copies thereof shall be kept by the Undertakers for public inspection at their principal office within the area of supply and supplied to any person demanding the same at a price not exceeding sixpence for each copy and in case of any default herein the Undertakers shall be liable to a

Remedying of
system and
works.

63. If at any time it is represented to the Board of Trade (a) that the Undertakers are supplying energy otherwise than by means of a system which has been approved by the Board of Trade or (without such consent or approval as is required by this Order) have permitted any part of their circuits to be connected with earth or placed any electric line above ground in contravention of this Order or (b) that any electric lines or works of the Undertakers are defective so as not to be in accordance with the provisions of this Order or the regulations and conditions subject to which the Undertakers are for the time being authorised to supply energy under this Order or (c) that any work of the Undertakers or their supply of energy is attended with danger to the public safety or injuriously affects any telegraphic line of the Postmaster-General the Board of Trade may by order specify the matter complained of and require the Undertakers to abate or discontinue the same within such period as may be therein limited in that behalf and if the Undertakers make default in complying with such order they shall be liable to a penalty not exceeding twenty pounds for every day during which such default continues.

The Board of Trade may also if they think fit by the same or any other order made upon any such representation as aforesaid forbid the use of any electric line or work as from such date as may be specified in that behalf until the order is complied with or for such time as may be so specified and if the Undertakers make use of any such electric line or work while the use thereof is so forbidden they shall be liable to a penalty not exceeding one hundred pounds for every day during which such user continues.

In any case of non-compliance with an order under this section whether a pecuniary penalty has been recovered or not the Board of Trade if in their opinion the public interest so requires may revoke this Order on such terms as they may think just.

Publication of
regulations.

64. All regulations and conditions made by the Board of Trade under this Order or the principal Act affecting the undertaking and for the time being in force shall within one month after the same as made or last altered have come into force be printed at the expense of the Undertakers and true copies thereof certified by or on behalf of the Undertakers shall be forthwith served upon the county council and like copies shall also be kept by them at their principal office within the area of supply and supplied to any person demanding the same at a price not exceeding sixpence for each copy.

If the Undertakers make default in complying with the provisions of this section they shall be liable to a penalty not exceeding five pounds and to a daily penalty not exceeding five pounds.

66. All things required or authorised under this Order to be done by to or before the Board of Trade may be done by to or before the President or a secretary or an assistant secretary of the Board.

Proceedings of Board of Trade.

All documents purporting to be orders made by the Board of Trade and to be sealed with the seal of the Board or to be signed by a secretary or assistant secretary of the Board or by any person authorised in that behalf by the President of the Board shall be received in evidence and shall be deemed to be such orders without further proof unless the contrary is shown.

A certificate signed by the President of the Board of Trade that any order made or act done is the order or act of the Board shall be conclusive evidence of the order or act so certified.

67. Where this Order provides for any consent or approval of the Board of Trade the Board may give such consent or approval subject to terms or conditions or may withhold their consent or approval as in their discretion they may think fit.

As to approval or consent of Board of Trade.

All costs and expenses of or incident to any application for any approval consent certificate or order of the Board of Trade or of any inspector appointed by the Board of Trade including the cost of any inquiry or tests which may be required to be made by the Board of Trade for the purpose of determining whether the same shall be given or made to such an amount as the Board of Trade shall certify to be due shall be borne and paid by the applicant or applicants therefor Provided always that where any approval is given by the Board of Trade to any plan pattern or specification they may require such copies of the same as they may think fit to be prepared and deposited at their office at the expense of the said applicant or applicants and may as they think fit revoke any approval so given or permit such approval to be continued subject to such modifications as they may think necessary.

68. Where the Board of Trade upon the application of the Undertakers give any approval or grant any extension of any time limited for the performance of any duties by the Undertakers or revoke this Order as to the whole or any part of the area of supply notice that such approval has been given or such extension of time granted or such revocation made shall if the Board of Trade so direct be published by public advertisement once at least
