FRASERBURGH.

Order for enabling the Commissioners of the Police Burgh of Fraserburgh, in the County of Aberdeen, to guarantee payment of Money raised by the Fraserburgh Harbour Commissioners.

Short title and construction.

1. This Order may be cited as the Fraserburgh Harbour Order, 1894, and this Order and the Fraserburgh Harbour Act, 1878 (in this Order called "the Act of 1878"), and the Fraserburgh Harbour Order, 1884 (in this Order called "the Order of 1884"), and the Fraserburgh Harbour Order, 1891 (in this Order called "the Order of 1891"), shall be read and construed together as one Act or Order.

Interpretation of terms.

2. In this Order, unless the context otherwise requires, "the harbour" means the harbour of Fraserburgh; "the Harbour Commissioners" means the Fraserburgh Harbour Commissioners; "the Burgh Commissioners" means the Commissioners of the Police Burgh of Fraserburgh, acting under the Burgh Police (Scotland) Act, 1892.

Powers to Burgh Commissioners to give guarantee.

3. The Burgh Commissioners being a rating authority, as defined by section seven of the Public Works Loans Act, 1882, may (subject to the provisions of this Order), if they think it expedient for the inhabitants at large of their district, charge any fund or rate under their control for the purpose of aiding the Harbour Commissioners in raising a loan from the Public Works Loan Commissioners, and may give such aid by guaranteeing the principal and interest of the loan, or by borrowing the sum required and advancing it to the Harbour Commissioners, or partly in one way and partly in the other.

4. The Burgh Commissioners shall not give any charge, under the power conferred on them by this Order, except in pursuance of a special resolution for the purpose, passed at one meeting of the Burgh Commissioners, and published once at least in each of two successive weeks in a local newspaper circulating in Fraserburgh, and confirmed at a second meeting of the Burgh Commissioners, held not less than fourteen days after the first publication of notice of such resolution, and not less than three months after the meeting at which the resolution is passed.

A.D. 1894.

Fraserburgh.
But only under special resolution.

5. The Harbour Commissioners shall, in the month of October in every year, so long as any guarantee of the Burgh Commissioners under this Order is in force, ascertain whether their resources will enable them, after retaining in hand a proper balance for current expenditure and claims, and a reserve not exceeding two hundred pounds for contingencies, to meet the interest on, and any instalments due or falling due towards repayment of principal of any loan raised by them from the Public Works Loan Commissioners. Such amount, when paid to the Harbour Commissioners, shall be applied by them in meeting the actual deficiency, and for no other purpose; and if there is any surplus of such amount after paying the actual deficiency, such surplus shall be repaid to the Burgh Commissioners.
