- (b) the Act of 1954, and
- (c) Part IV of the Act of 1956,

so far as in force immediately before the commencement of this section, shall continue in force, subject to the provisions of this Act.

2 Condition for, and amount of, Exchequer Equalisation Grants

(1) As respects the year 1963-64 and subsequent years the condition for the payment to a county council or the town council of a burgh of an Exchequer Equalisation Grant under the Act of 1954 for any year shall be that the product of a rate of one penny in the pound for the area of the council for that year is less than the standard penny rate product for the area for that year; and, subject to the next following section, the amount of the grant shall be the amount which bears to the relevant local expenditure for the area for that year the same proportion as the difference between the said products bears to the standard penny rate product.

(2) For the purposes of this section—

- (a) the area of a county council is the landward area of the county and the area of a town council of a burgh is the burgh ; and

Status: This is the original version (as it was originally enacted).

- (b) the expression "relevant local expenditure" in relation to any area for any year means so much of the total expenditure for the year as would fall to be met out of moneys raised by rates levied in the area if no exchequer grants applicable towards meeting such expenditure were payable under the Act of 1954.
- (3) Accordingly the Act of 1954 shall have effect as respects the year 1963-64 and subsequent years as if for section 3 thereof there were substituted the following section:—

Where for the year 1963-64 or any subsequent year the product of a rate of one penny in the pound as defined for the purposes of the Local Government (Financial Provisions) (Scotland) Act 1963 for the landward area of a county, for a large burgh or for a small burgh is less than the standard penny rate product, as so defined, for the landward area or burgh there shall be paid to the county council or, as the case may be, the town council an Exchequer Equalisation Grant of such amount as is provided by sections 2 and 3 of the said Act of 1963”.

3 Reduction of Exchequer Equalisation Grants in respect of low rent income

- (1) Where for the year 1963-64 or any subsequent year the actual rent income of a county council or town council is less than the council's notional rent income there shall (notwithstanding anything in section 1 of the Act of 1954 or section 26 of the Act of 1956) be deducted from any Exchequer Equalisation Grant which would, apart from this section, be payable to the council for that year under section 3 of the Act of 1954 an amount equal to the difference between—
- (a) the amount of the grant as calculated for the year in question under the said section 3, and
 - (b) the amount which would result from that calculation if for the council's actual rent income for that year there were substituted their notional rent income for that year.
- (2) Notwithstanding any reductions made in the Equalisation Grant payable to councils consequent on subsection (1) above the total Equalisation Grant disbursed to Scottish local authorities shall not fall below an amount ascertained in accordance with section 1(1)(b) of the Act of 1954.
- (3) In this section—
- (a) references to a council's actual rent income for any year are references to the income receivable for the year by the council and credited to their housing revenue account for the year under paragraph (a) of section 138(1) of the Housing (Scotland) Act 1950 in respect of the relevant subjects, together with any sums so credited under subsection (2) or (3) of the said section 138, but excluding any such income as aforesaid which by reason of the granting of any rent rebates is not actually received ; and
 - (b) references to a council's notional rent income for any year are references to such percentage of the aggregate of the gross annual values of the relevant subjects, as shown in the valuation roll for the year in question, as is specified in the second column of the following Table in relation to that year:

Provided that, if he is requested by any council to do so, the Secretary of State shall direct that, in relation to that council and in relation to such year as may be specified in the direction, this section shall have effect as if references therein to the council's notional rent income for that year were references to such percentage of the aggregate

- (6) An order under the last foregoing subsection shall not have effect unless approved by a resolution of the Commons House of Parliament.
