Registered clubs

40 Registration of clubs. E+W

- (1) A club is registered, within the meaning of this Act, in respect of any premises if and so long as it holds for those premises a certificate under this Part of this Act of a magistrates' court (in this Act referred to as a registration certificate).
- (2) Subject to the provisions of this section and of section 50(4) of this Act, a registration certificate shall have effect for twelve months, but may be from time to time renewed, and may at any time be surrendered by the club.
- (3) Any renewal of a registration certificate shall be for one year from the expiry of the period for which the certificate was issued or last renewed, except that on the second or any subsequent renewal the certificate may, if the court thinks fit, be renewed for such number of years, not exceeding ten, from the expiry of that period as may be requested in the application for renewal or for any less number of years.
- (4) An application by a club for the issue or renewal of a registration certificate shall be made to a magistrates' court and shall comply with the requirements of Schedule 5 to this Act; and the provisions of Schedule 6 to this Act shall have effect as regards the procedure for registration and related matters.
- (5) Where an application for the renewal of a registration certificate is made not less than twenty-eight days before the certificate is due to expire, the certificate shall continue in force until the application is disposed of by the magistrates' court or the court otherwise orders under paragraph 10 of Schedule 6 to this Act.
- (6) Where an application is duly made in accordance with this Part of this Act for the issue or renewal of a registration certificate, the magistrates' court shall not, in the absence of an objection duly made in accordance with this Part of this Act, refuse the application except as provided by the following provisions of this Part of this Act; and a magistrates' court shall state in writing the grounds of any refusal to issue or renew a registration certificate.

 - (b) persons becoming members without prior nomination or application may not be admitted to the privileges of membership without an interval of at least two days between their becoming members and their admission.

- (2) A club shall be qualified to receive a registration certificate for any premises (whether in the first instance or by way of renewal), only if—
- (a) it is established and conducted in good faith as a club and has not less than twenty-five members; and
 - (b) intoxicating liquor is not supplied, or intended to be supplied, to members on the premises otherwise than by or on behalf of the club; and
 - (c) the purchase for the club, and the supply by the club of intoxicating liquor (so far as not managed by the club in general meeting or otherwise by the general body of members) is managed by an elective committee, as defined in Schedule 7 to this Act; and
 - (d) no arrangements are or are intended to be made—
 - (i) for any person to receive at the expense of the club any commission, percentage or similar payment on or with reference to purchases of intoxicating liquor by the club; or
 - (ii) for any person directly or indirectly to derive any pecuniary benefit from the supply of intoxicating liquor by or on behalf of the club to members or guests, apart from any benefit accruing to the club as a whole and apart also from any benefit which a person derives indirectly by reason of the supply giving rise or contributing to a general gain from the carrying on of the club.
- (3) Subject to subsection (4) of this section, in determining whether a club is established and conducted in good faith as a club a magistrates' court may have regard—
- (a) to any arrangement restricting the club's freedom of purchase of intoxicating liquor; and
 - (b) to any provision in the rules, or arrangement, under which money or property of the club, or any gain arising from the carrying on of the club, is or may be applied otherwise than for the benefit of the club as a whole or for charitable, benevolent or political purposes; and
 - (c) to the arrangements for giving members proper information as to the finances of the club, and to the books of account and other records kept to ensure the accuracy of that information; and
 - (d) to the nature of the premises occupied by the club.
- (4) Subject to section 49(2) of this Act, where the rules of a club applying for the issue or renewal of a registration certificate conform with Schedule 7 to this Act, the court shall assume, as regards any matters not raised by an objection duly made in accordance with this Part of this Act, that the club satisfies the conditions of paragraphs (a) to (c) of subsection (2) of this section and, in the case of a renewal, also the conditions of paragraph (d) of that subsection, except that the court may, if it sees fit, inquire whether there is any such arrangement or provision in the rules as is referred to in paragraph (a) or (b) of subsection (3) of this section, and, if so, whether it is such that the club ought not to be treated as established and conducted in good faith as a club.

42 **Modification of registration qualifications for certain clubs.** E+W

- so long as the matter is under the control of the members or of a committee appointed by the members (and references in this Act to that subsection shall be taken as referring to it as modified by this paragraph); and
- (b) the rules of the club shall be treated as conforming with Schedule 7 to this Act so long as they conform with that Schedule as regards voting at general meetings and as regards election or admission to membership.
- (2) Where the rules of a club make provision for a class of members to have limited rights or no rights of voting in relation to the affairs of the club, any question whether the requirements of the said paragraph (c) are satisfied in relation to the club, or whether the rules of the club conform with Schedule 7 to this Act shall, if the court determining the question so directs, be determined as if the exclusion of that class from voting to the extent provided for by the rules were authorised by the provisions of that Schedule as to voting at general meetings or elections; but the court shall not so direct unless satisfied that the provision so made by the rules is part of a bona fide arrangement made in the interests of the club as a whole and of that class of members for facilitating the membership of persons who are precluded by distance or other circumstances from making full use of the privileges of membership, and is not designed to secure for a minority of the members an unfair measure of control over the affairs of the club.

112 **Restriction on grant or variation of justices' licence for premises in new towns.** E+W

- (2) As from the date of a certificate under this section, the justices' licence for the premises shall be in suspense by virtue of this section until it is again in force for all purposes by virtue of this Part of this Act or until it is extinguished either by virtue of this Part of this Act or of section 107 or section 124(2) of this Act.

- (1) Where at a general annual licensing meeting objection to the continuance of a licence that is for the time being in suspense is made on grounds relating to the conduct of the holder of the licence or his fitness to hold it, then if, had the licence been in force for all purposes, the licensing justices would have had jurisdiction to refuse its renewal on those grounds and would have done so had the licence holder applied for its renewal at that meeting, they may order the licence to be extinguished.
- (2) Notwithstanding the making of such an order, licensing justices may grant a transfer of the licence to which the order relates on an application made at the same general annual licensing meeting or at the first transfer sessions thereafter; and if a transfer of the licence is so granted the order for extinguishment shall not have effect.

- (2) The rules must not make any such provision for the admission of persons to membership otherwise than as ordinary members (or in accordance with the rules required for ordinary members by sub-paragraph (1) of this paragraph) as is likely to result in the number of members so admitted being significant in proportion to the total membership.
