[^{F46}(1A) If the Secretary of State is of opinion that, with a view to securing the efficient and economical development of any such group of harbours as is mentioned in subsection (1) of this section, a harbour reorganisation scheme ought to be made providing for all or any of the matters for which provision may be made by such a scheme, he may by order make a harbour reorganisation scheme providing for those matters.]

- (2) The said matters are the following, that is to say,—

 - (d) transferring interests of any of the relevant authorities or of a local lighthouse authority in fixed or movable property used by them for the purposes of, or in connection with, the exercise or performance of any powers or duties transferred by a provision of the scheme having effect by virtue of paragraph (c) above to the person to whom the powers or duties are transferred, and transferring to that person rights or liabilities enjoyed or incurred by the authority from whom the powers or duties are transferred in, or in connection with, the exercise or performance of the transferred powers or duties;
 - (e) transferring to any of the relevant authorities or to a body constituted by the scheme interests of a person in fixed or movable property used by him for carrying out harbour operations at a harbour that is comprised in the group or is adjacent to any of the harbours so comprised, not being a person engaged in improving, maintaining or managing that harbour in the exercise and performance of statutory powers and duties;
 - (f) transferring to the service of a person or body to whom any powers, duties, interests, rights or liabilities are transferred by a provision of the scheme having effect by virtue of any of the foregoing paragraphs officers or servants employed by the person from whom the powers, duties, interests, rights or liabilities are transferred;

 - (ii) property, rights or liabilities vested for the purposes of the dissolved body in the authority by whom it was maintained to an authority by whom is or is to be maintained a body of constables to which any of the members of the dissolved body are transferred;
 - (h) preserving (with or without adjustment) [^{F47}or otherwise securing] the rights, as respects pensions, gratuities or other like benefits, of persons transferred by the scheme and their spouses and dependents and of persons who are determined in accordance with the scheme to be such as would have been transferred thereby had they been serving when it comes into operation and their spouses and dependents;
 - (i) making such provision as appears to the Minister necessary of expedient for rendering of full effect any provision of the scheme having effect by virtue of any of the foregoing paragraphs and such other [^{F48}supplementary, consequential or incidental] provision as appears to him necessary or expedient for any of the purposes of the scheme, including, but without prejudice to the generality of the foregoing words, provision for repealing or amending any statutory provision of local application affecting the group or any of the harbours comprised therein.
- (3) Where a harbour reorganisation scheme provides for transferring interests in land, there must, in the case of each parcel of land interests in which are proposed to be transferred, be annexed to the scheme a [^{F49}map of a scale not less than 1:2500] on which the boundaries of that parcel are plainly delineated.

 - (a) Part I of that Schedule shall have effect with respect to the procedure for confirming schemes submitted to the Secretary of State;
 - (b) Part 1 of that Schedule shall, subject to the modifications specified in Part II thereof, have effect with respect to the procedure for the making of schemes by the Secretary of State of his own motion;and a harbour reorganisation scheme as confirmed or made by the Secretary of State shall be subject to special parliamentary procedure.]

- (6) The Minister shall not confirm [^{F51}or make] a harbour reorganisation scheme if any harbour comprised in the group to which the scheme relates is a fishery harbour or marine work.
- (7) If at any time it appears to the Minister that any such provision of a harbour reorganisation scheme having effect by virtue of subsection (2)(h) above as adjusts the rights of a person operates or is likely to operate so as to put that person in a worse position than he would have been in had the provision not been included in the scheme, he may by order amend the scheme in such manner as appears to him to secure that that person is or will be in no such worse position.

- (3) [F72The Secretary of State] shall, forthwith after the objection is lodged, send a copy thereof to the authority and shall give notice to the objector that, as a condition precedent to the taking by [F72the Secretary of State] of further steps in the matter of the objection, he must publish in specified newspapers a notice (which, if a form therefor is specified, must be in that form)—

- 2 Where a harbour reorganisation scheme is submitted to the Minister he shall take it into consideration and, if he decides that it should proceed,—
- (a) he shall publish by Gazette and local advertisement and by such (if any) other means as he thinks fit a notice stating that the scheme has been submitted to him, containing a concise summary of it and, if it provides for transferring interests in land, a general description of the land interests in which are to be transferred, naming a place where a copy of the scheme and (if copies of a map or maps were deposited with it) a copy of that map or, as the case may be, copies of those maps may be seen at all reasonable hours and stating that any person who desires to make to him objection to the scheme should do so in writing (stating the grounds of his objection) before the expiration of the period of forty-two days from the date (specifying it) of the first local advertisement; and
 - (b) if provision is included in the scheme for transferring interests in land, he shall, in the case of each parcel of land interests in which are to be transferred, serve on the owner of each interest to be transferred a notice stating that the scheme has been submitted to the Minister and includes provision transferring the interest in that parcel (describing it) of the person served, naming a place where a copy of the scheme and a copy (on the like scale) of the map deposited therewith on which the boundaries of that parcel are delineated may be seen at all reasonable hours, and stating that, if the person served desires to make to the Minister objection to the scheme so far as regards the inclusion therein of provision transferring his interest in that parcel, he should do so in writing (stating the grounds of his objection) before the expiration of the period of forty-two days from the date on which the notice is served on him; and
 - (c) ^{F189}
 - (d) ^{F190}, he shall on each (if any there be) of the harbour authorities who between them are engaged in improving, maintaining or managing the several harbours comprised in the group and are not parties to the submission of the scheme, and, if [^{F191}a local lighthouse authority who are not a harbour authority] are affected by the scheme, on them, contemporaneously serve [^{F191}a copy of the scheme, together (if copies of a map or maps were deposited with it) with a copy of that map, or copies of those maps, and, in any event, with a notice stating that the scheme has been submitted to the Secretary of State and that, if the authority served desire to make to the Secretary of State objection to the scheme, they should do so in writing (stating the grounds of their objection) before the expiration of the period of forty-two days from the date on which the notice is served on them].
