

Veterinary Surgeons Act 1966

1966 CHAPTER 36

Registration and qualification for registration

3 Right of holders of university degrees to be registered.

(1) Where—

- (a) a university in the United Kingdom provides courses of study and examinations leading to a veterinary degree, and
- (b) it appears to the Privy Council, after consultation with the Council of the College, that the courses of study and examinations are such as sufficiently to guarantee that holders of the [^{F1}degree—
 - (i) will have acquired the knowledge and skill needed for the efficient practice of veterinary surgery; ^{F2}...
 - ^{F2}(ii)]

the Privy Council may by order (in this Act referred to as “a recognition order”) direct that any person on whom, during the continuance in force of the order, the degree is conferred after attending those courses at that university shall be entitled to be registered in the register and shall on being so registered become a member of the College.

- (2) If, while a recognition order is in force, it appears to the Council that the courses of study and examinations leading to the degree to which the order relates are no longer such as to justify the continuance in force of the order, the Council may make representations to that effect to the Privy Council.
- (3) Where any representations are made under the last foregoing subsection, the Privy Council shall give notice to the university in question that the representations have been made, together with such particulars thereof as may be requisite to enable the university to formulate their observations on or objections to the representations.
- (4) The Privy Council shall consider any such representations and any such observations or objections made within such time not less than two months from the giving of the notice under the last foregoing subsection as the Privy Council may determine, and may if they think fit by order revoke or suspend the recognition order.

Status: Point in time view as at 31/12/2020.

Changes to legislation: There are currently no known outstanding effects for the Veterinary Surgeons Act 1966, Section 3. (See end of Document for details)

- (5) An order under the last foregoing subsection suspending a recognition order may be revoked by a subsequent order of the Privy Council if it appears to them expedient in consequence of representations made by the Council of the College or by the university in question that the recognition order should be revived.
