

Plant Health Act 1967

1967 CHAPTER 8

6 Publication of orders

- (1) Orders under this Act shall be made by statutory instrument and shall be laid before Parliament after being made.
- (2) When an order under this Act has been made, notice of it shall be published, if it relates to England or Wales, in the London Gazette and, if it relates to Scotland, in the Edinburgh Gazette.
- (3) If, having made an order under this Act, a competent authority sends the order to a local authority for publication, the local authority shall publish it in such manner as the competent authority directs and, subject to or in the absence of any such direction, in such manner as the local authority think sufficient and proper to ensure publicity.
