- (2) The said amount, subject to sub-paragraph (3) below, shall be the aggregate of the following amounts, that is to say—
- (a) the amount of any expenditure reasonably incurred in acquiring land, providing apparatus, erecting buildings or doing work for the purpose of any adjustment of the carrying on of the undertaking rendered necessary by the proceeding giving rise to compensation;
 - (b) whichever of the following is applicable, namely—
 - (i) where such an adjustment is made, the estimated amount of any decrease in net receipts from the carrying on of the undertaking pending the adjustment, in so far as the decrease is directly attributable to the proceeding giving rise to compensation, together with such amount as appears reasonable compensation for any estimated decrease in net receipts from the carrying on of the undertaking in the period after the adjustment has been completed, in so far as the decrease is directly attributable to the adjustment, or
 - (ii) where no such adjustment is made, such amount as appears reasonable compensation for any estimated decrease in net receipts from the carrying on of the undertaking which is directly attributable to the proceeding giving rise to compensation;
 - (c) where the compensation is under section 26(7) of this Act, and is in respect of the imposition of a requirement to remove apparatus, the amount of any expenditure reasonably incurred by the statutory undertakers in complying with the requirement, reduced by the value after removal of the apparatus removed.
- (3) Where any such adjustment as is mentioned in sub-paragraph (2)(a) above is made, the aggregate amount mentioned in that sub-paragraph shall be reduced by such amount (if any) as appears to the tribunal to be appropriate to offset—
- (a) the estimated value of any property (whether moveable or heritable) belonging to the statutory undertakers and used for the carrying on of their undertaking which, in consequence of the adjustment, ceases to be so used, in so far as the value of the property has not been taken into account under sub-paragraph (2)(c) above, and
 - (b) the estimated amount of any increase in net receipts from the carrying on of the undertaking in the period after the adjustment has been completed, in so far as that amount has not been taken into account under sub-paragraph (2)(b) above and is directly attributable to the adjustment.

and by any further amount which appears to the tribunal to be appropriate having regard to any increase in the capital value of heritable property belonging to the statutory undertakers which is directly attributable to the adjustment, allowance being made for any reduction made under head (b) of this sub-paragraph.

- (4) References in this paragraph to a decrease in net receipts shall be construed as references to the amount by which a balance of receipts over expenditure is decreased, or a balance of expenditure over receipts is increased, or, where a balance of receipts over expenditure is converted into a balance of expenditure over receipts, as references to the aggregate of the two balances; and references to an increase in net receipts shall be construed accordingly.
- (5) In this paragraph “proceeding giving rise to compensation” means the particular action (that is to say, the acquisition, the extinguishment of a right or the imposition of a requirement) in respect of which compensation falls to be assessed, as distinct from any development or project in connection with which that action may have been taken.

Exclusion of paragraph 1 at option of statutory undertakers

- 2 (1) Where statutory undertakers are entitled to compensation in respect of a compulsory acquisition, the statutory undertakers may by notice in writing under this paragraph elect that the compensation shall be ascertained in accordance with the enactments (other than rule (5) of the rules set out in section 12 of the ^{M5}Land Compensation (Scotland) Act 1963) which would be applicable apart from paragraph 1 above, and if the undertakers so elect the compensation shall be ascertained accordingly.
- (2) An election under this paragraph may be made either in respect of the whole of the land comprised in the compulsory acquisition in question or in respect of any part of that land.
- (3) Any notice under this section shall be given to the acquiring authority before the end of the period of two months from the date of service of notice to treat in respect of the interest of the statutory undertakers.

SCHEDULE 8

Sections 23, 28, 30.

PROCEDURE FOR DEALING WITH OBJECTIONS TO ORDERS UNDER SS 23, 28 AND 30

- 1 (1) In this Schedule “the relevant Minister” means—
 - (a) in relation to an order under section 23 of this Act, the Secretary of State;
 - (b) in relation to an order under section 28 of this Act, the Secretary of State and the appropriate Minister;
 - (c) in relation to an order under section 30 of this Act, the appropriate Minister.
- (2) In this Schedule any reference to making a final decision, in relation to an order, is a reference to deciding whether to make the order or what modification, if any, ought to be made.
- 2 Unless the relevant Minister decides apart from the objection not to make the order, or decides to make a modification which is agreed to by the objector as meeting the objection, the relevant Minister shall, before making a final decision, consider the grounds of the objection as set out in the statement comprised in or submitted with the objection, and may, if he thinks fit, require the objector to submit within a specified period a further statement in writing as to any of the matters to which the objection relates.
- 3 In so far as the relevant Minister, after considering the grounds of the objection as set out in the original statement and in any such further statement, is satisfied that the objection relates to a matter which can be dealt with by the official arbiter in assessing compensation, the relevant Minister may treat the objection as irrelevant for the purpose of making a final decision.
- 4 If, after considering the grounds of the objection as set out in the original statement and in any such further statement, the relevant Minister is satisfied that, for the purpose of making a final decision, he is sufficiently informed as to the matters to which the objection relates, or if, where a further statement has been required, it is not submitted within the specified period, the relevant Minister may make a final decision without further investigation as to those matters.
- 5 Subject to paragraphs 3 and 4 above, the relevant Minister, before making a final decision, shall afford to the objector an opportunity of appearing before, and being heard by, a person appointed for the purpose by the relevant Minister; and if the objector avails himself of that opportunity, the relevant Minister shall afford an opportunity of appearing and being heard on the same occasion to the statutory undertakers, development corporation or other person, if any, on whose representation the order is proposed to be made, and to any other persons to whom it appears to the relevant Minister to be expedient to afford such an opportunity.

Status: Point in time view as at 25/09/1991.

Changes to legislation: There are currently no known outstanding effects for the New Towns (Scotland) Act 1968. (See end of Document for details)

- 6 Notwithstanding anything in the foregoing provisions of this Schedule, if it appears to the relevant Minister that the matters to which the objection relates are such as to require investigation by public local inquiry before he makes a final decision, he shall cause such an inquiry to be held; and where he determines to cause such an inquiry to be held, any of the requirements of those provisions to which effect has not been given at the time of that determination shall be dispensed with.
