106 Enforcement of maintenance duty.

- (1) If, on an application by any person under this section to the High Court or, in Scotland, the Court of Session, the court determines that there has been, in respect of any waterway, a serious and persistent failure by the Waterways Board to discharge the duty imposed on them by—
- (a) subsection (1) of section 105 of this Act; or
 - (b) any order made under subsection (3) of that section,
- the court may, subject to the provisions of this section, require the Board to remedy that failure; but, save as aforesaid, neither the said subsection (1) nor any order under the said subsection (3) shall be construed as imposing any duty or liability enforceable by proceedings before any court to which the Board would not otherwise be subject.
- (2) The fact that proceedings on an application under subsection (1) of this section (hereafter in this section referred to as “enforcement proceedings”) are in progress in respect of any waterway or any part of a waterway, or that the court has in any such proceedings imposed any requirement on the Board, shall not prevent the Minister from making an order in respect of that waterway or part under section 104(3) or 105(3) of this Act; but—
- (a) except as provided in subsection (3) of this section, where such an order is made while enforcement proceedings are in progress, the court shall nevertheless determine those proceedings on the basis of the duty of the Board as it stood when the proceedings were instituted; and
 - (b) the making of such an order shall in no case absolve the Board from complying with any requirement which is imposed by the court in any enforcement proceedings.
- (3) If a relevant order is pending at the time when enforcement proceedings are instituted, or if, at any time after enforcement proceedings have been instituted and before the court has imposed any requirement on the Board in the proceedings, the Minister

notifies the Board that he is considering the making of a relevant order and gives the court such a certificate as is mentioned in subsection (4) of this section—

- (a) the court shall not, so long as the order is pending, impose any requirement on the Board in those proceedings; and
 - (b) if the order is made, the court shall, in determining in those proceedings whether there has been a failure by the Board to discharge their duty, have regard only to the duty (if any) to which the Board are subject in consequence of the making of the order.
- (4) The said certificate is a certificate in writing to the effect that it appears to the Minister that the imposition of any requirement on the Board on the basis of their existing duty would result in their incurring substantial expense and that, having regard to their financial position and their duty under section 18 of the Act of 1962 and section 41 of this Act, it would be unreasonable for them to bear that expense without a grant or further grant under section 43 of this Act.
- (5) In subsection (3) of this section “relevant order” means, in relation to any enforcement proceedings, an order under section 104(3) or 105(3) of this Act in relation to the waterway or part of a waterway which is the subject of the proceedings; and for the purposes of that subsection an order is pending during the period of three months beginning with the day on which the Minister notifies the Board that he is considering the making of the order and, if before the expiration of that period notice of the proposed order is published under Schedule 13 to this Act, during any further period until the order is made or the Minister notifies the Board that it will not be made.
- (6) As soon as may be after giving the Board any such notification as is mentioned in the last foregoing subsection, the Minister shall give notice thereof in the London Gazette or, if the waterway or the part of the waterway in question is situated in Scotland, the Edinburgh Gazette.

 - (b) to maintain and, if necessary, to improve or strengthen any bridge which belongs to the Board and to which this section applies so that it has the required load-bearing capacity, and, if at any time it is not reasonably practicable to secure that it has that capacity by means of maintenance, improvement or strengthening, to reconstruct the bridge or to replace it by a new bridge.
- (3) For the purposes of subsection (2) of this section a bridge has the required load-bearing capacity—
 - (a) in the case of a bridge in relation to which load-bearing standards are prescribed by an order made by the appropriate Minister, if it complies with those standards; and
 - (b) in the case of any other bridge, if it is such as to be capable of bearing the weight of the traffic which ordinarily uses, or may reasonably be expected to use, the highway carried by the bridge on or about the day on which this section comes into force in relation to bridges of the Board concerned or, if the bridge is constructed subsequently, when it is opened for traffic.
- (4) An order made for the purposes of subsection (3)(a) of this section—
 - (a) may prescribe standards for a particular bridge or for any class or description of bridges;

 - (c) may prescribe standards by reference to any document published by the British Standards Institution, any government department or any other body or authority, and provide that where standards are prescribed as aforesaid any question as to the requirements to be fulfilled by a particular bridge in order to comply with those standards shall be determined, in case of dispute, by a certificate of the appropriate Minister;
 - (d) shall not, so long as a bridge is not reconstructed or replaced, be such as to require the bridge to comply with standards higher than those prescribed in relation thereto by a previous order under this section.
- (5) For the purposes of subsection (3)(b) of this section, no account shall be taken of any traffic which cannot use the highway carried by the bridge in question without infringing a prohibition for the time being in force under section 1, 6, [^{F441}or 14 of the Road Traffic Regulation Act 1984].

- (a) carries a highway over one or more of the following, that is to say, a railway of the Railways Board, a railway of [^{F442}London Regional Transport] or an inland waterway of the Waterways Board; and
 - (b) belongs to the Minister, the Secretary of State, a local highway authority or some other person not being the Board or Boards whose railway or waterway is crossed by the bridge.
- (2) Subject to subsections (4) and (5) of this section, it shall be the duty of the person to whom a bridge to which this section applies belongs (in this section referred to as “the owner”) to maintain it in such a condition that it is not a source of danger to, and does not interfere with, or require any restriction to be placed on, the traffic from time to time using the railway or inland waterway crossed by the bridge.
- (3) Any of the said Boards whose railway or inland waterway is crossed by a bridge to which this section applies (in this section referred to as “the relevant Board”) shall be entitled at all reasonable times to inspect and survey that bridge and for that purpose to place on or against it such apparatus as may be reasonably required; and subject to subsection (5) of this section, the Board may—
- (a) at any time serve on the owner a notice requiring him to carry out, within such reasonable time as may be specified in the notice, any works so specified which are required to maintain the bridge in, or to restore it to, the condition mentioned in subsection (2) of this section; and
 - (b) if all or any of those works are not satisfactorily carried out by the owner in accordance with the notice, themselves carry out all or any of those works and recover the reasonable expenses of so doing from the owner;
- and, if, in the opinion of the Board, it is necessary so to do by reason of the urgency of the matter, the Board may, without giving any such notice, themselves carry out any works which are required as aforesaid and, subject to subsection (5) of this section, recover the reasonable expenses of so doing from the owner.
- (4) The relevant Board shall afford to the owner of a bridge to which this section applies such access to land occupied by them as he may reasonably require for maintaining the bridge in, or restoring it to, the condition mentioned in subsection (2) of this section, except that the Board shall not be obliged to afford access for any works the carrying out of which would, in the opinion of the Board, involve danger to or interference with, or require any restriction to be placed on, traffic using the railway or inland waterway crossed by the bridge, and where the Board refuse access as aforesaid—
- (a) the owner of the bridge shall not by virtue of subsection (2) of this section be under any duty to carry out those works; but
 - (b) the Board may themselves carry out those works and, subject to subsection (5) of this section, recover the reasonable expenses of so doing from the owner.
- (5) The owner of a bridge shall not by virtue of the foregoing provisions of this section be under any duty to carry out or pay for works for making good any defect—
- (a) caused by the withdrawal of support from land in connection with the working or getting of minerals or with brine pumping; or
 - (b) for which the relevant Board are themselves responsible;
- but nothing in this subsection shall affect any agreement between the owner of the bridge and the relevant Board and, subject to any such agreement, the relevant Board shall be entitled to carry out any works which are required to make good any such defect as aforesaid.

- (6) The owner of any bridge to which this section applies shall afford to the relevant Board such access to land occupied by him as they may reasonably require for exercising their powers under this section; but the Board shall not claim such access as of right unless they have given the owner not less than seven days previous notice in writing stating the purpose of the proposed entry, except that they shall not be obliged to give such a notice if, in their opinion, it is impracticable to do so by reason of the urgency of the matter, in which case they shall take such steps as are reasonably practicable (before or after they enter the land) for informing the owner of the purpose of the entry.
- (7) Where, in exercising their powers under this section in relation to any bridge, a Board cause damage to the bridge or to any land occupied by the owner of the bridge, they shall pay to the owner such compensation as may be just.
- (8) The duty imposed by subsection (2) of this section on the owner of a bridge shall be in addition to any duty of the owner to maintain the bridge which arises under any other enactment or any order or agreement passed or made before the day on which this section comes into force or the date on which the bridge became a bridge to which this section applies, as the case may be; and, if under any such enactment, order or agreement there are subsisting as between the owner and the relevant Board any rights or liabilities as respects the making of payments in connection with the maintenance of the bridge, those rights and liabilities may be abrogated or modified by agreement between them or, in default of agreement, on the application of either of them, by arbitration.

 - (b) if the apparatus belongs to some other person, the provisions of subsections (2) to (10) of this section shall have effect in relation to the apparatus and to that person as they have effect in relation to a bridge to which this section applies and to the owner of such a bridge;but none of the said Boards shall by virtue of this subsection interfere with the use of any such apparatus for providing any supply or service if the apparatus is so used by its owner under statutory powers and he has not consented to that interference.
- (12) Nothing in this section shall be taken as authorising any person to interfere with traffic lawfully using any bridge^{F443} . . .

118 Duty of highway authorities, etc., as respects bridges over Boards' railways or inland waterways. **S**

- (1) This section applies to any bridge, including a bridge constructed after the day on which this section comes into force, which—
 - (a) carries a [^{F712}road] over one or more of the following, that is to say, a railway of the Railways Board, a railway of [^{F713}London Regional Transport] or an inland waterway of the Waterways Board; and
 - (b) belongs to the Minister, the Secretary of State, a local [^{F714}roads] authority or some other person not being the Board or Boards whose railway or waterway is crossed by the bridge.
- (2) Subject to subsections (4) and (5) of this section, it shall be the duty of the person to whom a bridge to which this section applies belongs (in this section referred to as “the owner”) to maintain it in such a condition that it is not a source of danger to, and does not interfere with, or require any restriction to be placed on, the traffic from time to time using the railway or inland waterway crossed by the bridge.
- (3) Any of the said Boards whose railway or inland waterway is crossed by a bridge to which this section applies (in this section referred to as “the relevant Board”) shall be entitled at all reasonable times to inspect and survey that bridge and for that purpose to place on or against it such apparatus as may be reasonably required; and subject to subsection (5) of this section, the Board may—
 - (a) at any time serve on the owner a notice requiring him to carry out, within such reasonable time as may be specified in the notice, any works so specified which are required to maintain the bridge in, or to restore it to, the condition mentioned in subsection (2) of this section; and
 - (b) if all or any of those works are not satisfactorily carried out by the owner in accordance with the notice, themselves carry out all or any of those works and recover the reasonable expenses of so doing from the owner;

Status: Point in time view as at 31/12/1995. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: Transport Act 1968 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. and, if, in the opinion of the Board, it is necessary so to do by reason of the urgency of the matter, the Board may, without giving any such notice, themselves carry out any works which are required as aforesaid and, subject to subsection (5) of this section, recover the reasonable expenses of so doing from the owner.

- (4) The relevant Board shall afford to the owner of a bridge to which this section applies such access to land occupied by them as he may reasonably require for maintaining the bridge in, or restoring it to, the condition mentioned in subsection (2) of this section, except that the Board shall not be obliged to afford access for any works the carrying out of which would, in the opinion of the Board, involve danger to or interference with, or require any restriction to be placed on, traffic using the railway or inland waterway crossed by the bridge, and where the Board refuse access as aforesaid—
 - (a) the owner of the bridge shall not by virtue of subsection (2) of this section be under any duty to carry out those works; but
 - (b) the Board may themselves carry out those works and, subject to subsection (5) of this section, recover the reasonable expenses of so doing from the owner.
- (5) The owner of a bridge shall not by virtue of the foregoing provisions of this section be under any duty to carry out or pay for works for making good any defect—
 - (a) caused by the withdrawal of support from land in connection with the working or getting of minerals or with brine pumping; or
 - (b) for which the relevant Board are themselves responsible;but nothing in this subsection shall affect any agreement between the owner of the bridge and the relevant Board and, subject to any such agreement, the relevant Board shall be entitled to carry out any works which are required to make good any such defect as aforesaid.
- (6) The owner of any bridge to which this section applies shall afford to the relevant Board such access to land occupied by him as they may reasonably require for exercising their powers under this section; but the Board shall not claim such access as of right unless they have given the owner not less than seven days previous notice in writing stating the purpose of the proposed entry, except that they shall not be obliged to give such a notice if, in their opinion, it is impracticable to do so by reason of the urgency of the matter, in which case they shall take such steps as are reasonably practicable (before or after they enter the land) for informing the owner of the purpose of the entry.
- (7) Where, in exercising their powers under this section in relation to any bridge, a Board cause damage to the bridge or to any land occupied by the owner of the bridge, they shall pay to the owner such compensation as may be just.
- (8) The duty imposed by subsection (2) of this section on the owner of a bridge shall be in addition to any duty of the owner to maintain the bridge which arises under any other enactment or any order or agreement passed or made before the day on which this section comes into force or the date on which the bridge became a bridge to which this section applies, as the case may be; and, if under any such enactment, order or agreement there are subsisting as between the owner and the relevant Board any rights or liabilities as respects the making of payments in connection with the maintenance of the bridge, those rights and liabilities may be abrogated or modified by agreement between them or, in default of agreement, on the application of either of them, by arbitration.
- (9) Any dispute arising out of this section between the owner of a bridge and a Board shall be referred to arbitration, but this subsection—

- (a) shall be without prejudice to any provision of this section whereby any matter is to be determined by the opinion of a Board; and
 - (b) shall not preclude the carrying out by a Board of any works pending the determination of any arbitration proceedings.
- (10) The provisions of this section shall have effect in relation to any bridge subject to any agreement made between the owner of the bridge and the relevant Board after the date on which those provisions became applicable to the bridge.
- (11) Where any cable, pipe or other apparatus is incorporated in or attached to a bridge to which this section applies, then—
- (a) if the apparatus belongs to the owner of the bridge, it shall be treated for the purposes of this section as forming part of the bridge; and
 - (b) if the apparatus belongs to some other person, the provisions of subsections (2) to (10) of this section shall have effect in relation to the apparatus and to that person as they have effect in relation to a bridge to which this section applies and to the owner of such a bridge;
- but none of the said Boards shall by virtue of this subsection interfere with the use of any such apparatus for providing any supply or service if the apparatus is so used by its owner under statutory powers and he has not consented to that interference.

- 13 (1) Without prejudice to the provisions of paragraphs 7 to 12 of this Schedule, any transaction effected between a transferor and a transferee in pursuance of paragraph 1(5) or of a direction under paragraph 1(7) of this Schedule shall be binding on all other persons, and notwithstanding that it would, apart from this sub-paragraph, have required the consent or concurrence of any other person.
- (2) It shall be the duty of the transferor and transferee, if they effect any transaction in pursuance of the said paragraph 1(5) or a direction under the said paragraph 1(7), to notify any person who has rights or liabilities which thereby become enforceable as to part by or against the transferor and as to part by or against the transferee, and if such a person applies to the Minister and satisfies him that the transaction operated unfairly against him the Minister may give such directions to the transferor and the transferee as appear to him appropriate for varying the transaction.
- (3) If in consequence of a transfer to which this Schedule applies or of anything done in pursuance of the provisions of this Schedule the rights or liabilities of any person other than one of the Boards or new authorities or a wholly-owned subsidiary thereof which were enforceable against or by the transferor become enforceable as to part against or by the transferor and as to part against or by the transferee, and the value of any property or interest of that person is thereby diminished, such compensation as may be just shall be paid to that person by the transferor, the transferee or both, and any dispute as to whether and if so how much compensation is so payable, or as to the person to whom it shall be paid, shall be referred to and determined by an arbitrator appointed by the Lord Chancellor or, where the proceedings are to be held in Scotland, by an arbiter appointed by the Lord President of the Court of Session.

Status: Point in time view as at 31/12/1995. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: Transport Act 1968 is up to date with all changes known to be in force on or before 24 June 2024. There are changes that may be brought into force at a future date. - (4) Where the transferor or the transferee under a transfer to which this Schedule applies purports by any conveyance or transfer to transfer to some person other than one of the Boards or new authorities or a wholly-owned subsidiary thereof for consideration any land or any other property which before the transfer date belonged to the transferor, or which is an interest in property which before that date belonged to the transferor, the conveyance or transfer shall be as effective as if both the transferor and the transferee had been parties thereto and had thereby conveyed or transferred all their interest in the property conveyed or transferred.
- (5) If at any stage of any court proceedings to which the transferor or transferee under a transfer to which this Schedule applies and a person other than one of the Boards or new authorities or a wholly-owned subsidiary thereof are parties, it appears to the court that the issues in the proceedings depend on the identification or definition of any of the property, rights or liabilities transferred which the transferor and the transferee have not yet effected, or to raise a question of construction on the relevant provisions of this Act which would not arise if the transferor and the transferee constituted a single person, the court may, if it thinks fit on the application of a party to the proceedings other than such a body as aforesaid, hear and determine the proceedings on the footing that such one of the transferor and the transferee as is a party to the proceedings represents and is answerable for the other of them, and that the transferor and the transferee constitute a single person, and any judgment or order given by the courts, shall bind both the transferor and the transferee accordingly.
- (6) It shall be the duty of the transferor and the transferee under any transfer to which this Schedule applies to keep one another informed of any case where either of them may be prejudiced by sub-paragraph (4) or (5) of this paragraph, and if either the transferor or the transferee claims that he has been so prejudiced and that the other of them ought to indemnify or make a payment to him on that account and has unreasonably failed to meet that claim, he may refer the matter to the Minister for determination by the Minister.
