

Children and Young Persons Act 1969

1969 CHAPTER 54

PART III

MISCELLANEOUS AND GENERAL

Financial provisions

64 Expenses of Secretary of State in providing homes offering specialised facilities

There shall be defrayed out of moneys provided by Parliament any expenses incurred by the Secretary of State in providing, equipping and maintaining homes for the accommodation of children who are in the care of local authorities and are in need of particular facilities and services which are provided in those homes and are, in the opinion of the Secretary of State, unlikely to be readily available in community homes.

65 Grants to voluntary organisations etc.

- (1) The Secretary of State may make out of moneys provided by Parliament grants to voluntary organisations of such amounts and subject to such conditions as he may with the consent of the Treasury determine towards expenditure incurred by them in connection with the establishment, maintenance or improvement of voluntary homes which at the time the expenditure was incurred were assisted community homes or were designated as such in a regional plan which was then in operation, including expenses incurred by them in respect of the borrowing of money to defray any such expenditure.
- (2) The power of the Secretary of State to make grants to voluntary organisations under section 46 of the Children Act 1948 (which relates to grants in respect of certain expenses incurred in connection with voluntary homes) shall not apply to expenditure incurred in connection with a voluntary home which, at the time the expenditure was incurred, was a controlled or assisted community home or was designated as such in a regional plan which was then in operation.

Status: This is the original version (as it was originally enacted).

- (3) Where an order has been made under section 46 of this Act in relation to an approved institution within the meaning of that section and no such provision as is referred to in paragraph 9(1) of Schedule 3 to this Act is made by a regional plan in relation to any part of the premises of the institution, the Secretary of State may with the consent of the Treasury make out of moneys provided by Parliament grants towards the discharge by any person of any liability, other than an obligation to which paragraph 11 of that Schedule applies, which was incurred by that person in connection with the establishment, maintenance or improvement of the institution.
- (4) No grant shall be made under subsection (3) of this section in respect of a liability relating to an institution unless it appears to the Secretary of State that, on or within a reasonable time after the date specified in the order referred to in that subsection, the premises of the institution are to be used for a purpose which is of benefit to children; and any grant made under that subsection shall be subject to such conditions as the Secretary of State may with the approval of the Treasury determine, including conditions with respect to the repayment in whole or in part of the grant, either by the person to whom the grant was made or by some other person who, before the grant was made, consented to accept the liability.
- (5) Any sums received by the Secretary of State by virtue of any such condition as is referred to in subsection (4) of this section shall be paid into the Consolidated Fund.

66 Increase of rate support grants

- (1) The power to make an order under section 3(1) of the Local Government Act 1966 increasing the amounts fixed by a rate support grant order for a particular year shall be exercisable, in accordance with subsection (2) of this section, in relation to any rate support grant order made before the date of the coming into operation of any provision of this Act (in this section referred to as " the relevant provision ") for a grant period ending after that date.
- (2) Without prejudice to subsection (4) of the said section 3 (which empowers an order under subsection (1) of that section to vary the matters prescribed by a rate support grant order), an order under subsection (1) of that section made by virtue of this section may be made for such year or years comprised in the grant period concerned as may be specified in the order and in respect of the year or each of the years so specified shall increase the amounts fixed by the relevant rate support grant order as the aggregate amounts of the rate support grants and any elements of the grants for that year to such extent and in such a manner as may appear to the Minister of Housing and Local Government to be appropriate, having regard to any additional expenditure incurred or likely to be incurred by local authorities in consequence of the coming into operation of the relevant provision.
- (3) In this section "grant period" means the period for which a rate support grant order is made.
- (4) There shall be defrayed out of moneys provided by Parliament any increase in rate support grants attributable to this Act.

67 Administrative expenses

Any administrative expenses of the Secretary of State under this Act shall be defrayed out of moneys provided by Parliament.
