- 11 (1) For the purposes of the tax the wholesale value of any vehicle shall be taken, subject to paragraph 13(2) of this Schedule, to be the price which, in the opinion of the Commissioners, the vehicle would fetch on a sale made at the time the tax becomes due by a person selling by wholesale in the open market in the United Kingdom to a retail trader carrying on business in the United Kingdom only, on the assumption that—
- (a) the price was the sole consideration for the sale; and

*Converted and adapted vehicles*

- 14 Where it appears to the Commissioners that a person adapts or converts unused chargeable vehicles and that the vehicles as so adapted or converted remain chargeable vehicles they may direct—

- (3) A person for the time being registered under this paragraph who ceases to make or import chargeable vehicles shall notify the Commissioners of that fact and the Commissioners shall cancel the registration of any such person when all tax due from him has been accounted for; and they may, if they think fit, cancel the registration of any other person.
- (4) The Treasury may from time to time by order made by statutory instrument substitute another number for that specified in sub-paragraph (1) of this paragraph.
- A statutory instrument made by virtue of this sub-paragraph shall be subject to annulment in pursuance of a resolution of the Commons House of Parliament.

*Recovery of tax*

- 16 (1) The tax due from any person shall be recoverable as a debt due to the Crown.

- but may, where further such evidence comes to their knowledge after the making of such an assessment, be made in addition to that assessment; but no such assessment shall be made more than six years after the time when the tax became payable, except for the purpose of recovering tax lost to the Crown through the fraud or wilful default or neglect of any person.

**PART I**

- 1 Subject to the following provisions of this Part of this Schedule, interest is protected interest if it is paid by a person for the time being owning an estate or interest in land in the United Kingdom or the Republic of Ireland on a loan to defray money applied—
- (a) in purchasing the estate or interest, or one absorbed into, or given up to obtain, the estate or interest, or
  - (b) in improving or developing the land, or buildings on the land, or

---

*Status: This is the original version (as it was originally enacted).*

---

- (c) in paying off another loan, if interest on that other loan would have been protected interest had the loan not been paid off (on the assumption, if the loan was free of interest, that it carried interest).

2 Paragraph 1 above does not apply to a loan unless made in connection with the application of money, and either on the occasion of its application or within what is in the circumstances a reasonable time from the application of the money; and that paragraph does not apply to a loan the proceeds of which are applied for some other purpose before being applied as mentioned in that paragraph.

3 References in this Part of this Schedule to money applied in improving or developing land or buildings include references to payments in respect of maintenance or repairs incurred by reason of dilapidation attributable to a period before the estate or interest was acquired, but otherwise do not include references to payments in respect of maintenance or repairs, or any of the other payments mentioned in section 72(1) of the Taxes Act (payments deductible from rent).

4 References in this Part of this Schedule to money applied in improving or developing land include references to expenditure incurred or defrayed directly or indirectly in respect of street works, other than works of maintenance or repair, for any highway or road, or in Scotland any right of way, adjoining or serving the land.

5 References in this Part of this Schedule to an estate or interest in land include references to the property in any caravan, but interest is protected interest by virtue of this paragraph only if—

- (a) the caravan is a large caravan, or
- (b) the caravan, taken with the land on which it stands, is for the time being a rateable hereditament for the purposes of the General Rate Act 1967 or any corresponding enactment in force in Scotland, Northern Ireland or the Republic of Ireland and the owner, or the wife or husband of the owner, has, as occupier of the caravan, duly paid rates under the Act or any such enactment for the period in which the interest was paid.

In this paragraph " hereditament", in relation to Scotland, means lands and heritages.

6 References in this Part of this Schedule to an estate or interest do not include references—

- (a) to a rentcharge or, in Scotland, a superiority or the interest of a creditor in a contract of ground annual; or
- (b) to the interest of a chargee or mortgagee or, in Scotland, the interest of a creditor in a charge or security of any kind over land.

7 Where interest is payable by the tenant occupier of any property to the landlord in pursuance of arrangements whereby money advanced at interest by the landlord is applied by the tenant in purchasing the landlord's estate or interest, but that estate or interest is not to pass to the tenant until some time after the interest begins to be payable, this Part of this Schedule shall have effect in relation to the tenant as if he were the owner of the landlord's estate or interest.

## PART II

### CONDITIONS APPLICABLE TO SHARE OPTION AND SHARE INCENTIVE SCHEMES

#### *Adoption of scheme*

- 1 The scheme must have been adopted by a resolution of the holders of the ordinary share capital of the company shares in which (or an interest in, or right to acquire, shares in which) are to be acquired under the scheme, and the shares, interest or right must not be capable of being acquired under the scheme more than ten years after its adoption.

#### *Type of shares*

- 2 The shares must be shares in the company of which the persons participating in the scheme are directors or employees or in a company controlling that company or in a company which, being a member of a consortium owning either that company or a company controlling it, beneficially owns not less than three-twentieths of the ordinary share capital of the company so owned.

For the purposes of this paragraph a company is a member of a consortium owning another company if it is one of not more than five companies which between them beneficially own not less than three-quarters of the other company's ordinary share capital and each of which beneficially owns not less than one-twentieth of that capital.

- 3 The shares must be either—
- (a) shares of a class quoted on a recognised stock exchange, or
  - (b) shares in a company which is not under the control of another company.
- 4 The majority of shares of the same class must be shares acquired otherwise than as mentioned in section 79(1) of this Act and otherwise than by the exercise of a right obtained as mentioned in section 78(1) of this Act.

#### *Limitation on issue of shares*

- 5 In the period of ten years beginning with the adoption of the scheme the issue of shares under the scheme, or in pursuance of rights conferred under the scheme, must be so limited that the nominal value of those shares, when added to that of any shares issued under any other scheme approved under this Schedule and relating to the same body's shares, or in pursuance of rights conferred under any such scheme, does not exceed the following, that is to say—
- (a) if the ordinary share capital of that body does not exceed £2 million, 10 per cent. of that ordinary share capital; and
  - (b) if that ordinary share capital exceeds £2 million, 5 per cent. of that ordinary share capital or £200,000, whichever is the greater.

#### *Participants*

- 6 No person must be eligible to participate in the scheme unless he is a full-time director or full-time employee of the company concerned.

### PART III

#### FURTHER CONDITIONS APPLICABLE TO SHARE OPTION SCHEMES

##### *Limitation of rights*

- 1 The rights obtainable under the scheme by any person in any year of assessment must be so limited that the amount for which shares may be acquired in pursuance of the rights does not, when added to the amount for which shares remain to be acquired under such rights obtained by him earlier, exceed four times the amount of the relevant emoluments for that or the preceding year of assessment (whichever is the greater); and for this purpose the relevant emoluments are such of the emoluments of the office or employment by virtue of which he is eligible to participate in the scheme as are liable to be paid under deduction of tax pursuant to section 204 of the Taxes Act (pay-as-you-earn), after deducting therefrom amounts included by virtue of Chapter II of Part VIII of that Act.
- 2 If rights are obtainable by any person under the scheme and rights have also been obtained or are obtainable by him under share option schemes previously approved under this Schedule, the limit specified in paragraph 1 above applies to the aggregate of the rights obtainable or obtained under all the schemes.
- 3 If rights are obtainable by any person under the scheme and shares or interests in shares may be or have been acquired by him under a share incentive scheme approved under this Schedule, the limit under this Part of this Schedule applies to the aggregate of the amount mentioned therein and the amount or value limited under Part IV of this Schedule.

##### *Exercise of rights*

- 4 A right obtained by a person under the scheme must not be capable of being exercised later than seven years after it is obtained nor later than six months after he ceases to hold the office or employment by virtue of which he is eligible to participate in the scheme except that it may be capable of being exercised within twelve months of his death if he dies at a time when it was still capable of being exercised by him.

##### *Restriction on transfer*

- 5 A right obtained by a person under the scheme must not be capable of being transferred by him.

##### *Minimum price of shares*

- 6 The price at which shares may be acquired by the exercise of a right obtained under the scheme must be stated at the time the right is obtained and must not be manifestly less than the market value at that time of shares of the same class, but the scheme may provide for such variation of the price so stated as may be necessary to take account of any variation in the share capital of the body issuing the shares.

##### *Freedom from special restrictions*

- 7 The shares must not be subject to any restrictions other than restrictions attaching to all shares of the same class.

---

*Status: This is the original version (as it was originally enacted).*

---

## PART IV

### FURTHER CONDITIONS APPLICABLE TO SHARE INCENTIVE SCHEMES

#### *Limitation of rights*

- 1 The acquisition by any person of shares or interests in shares under the scheme must be so limited that the amount or value of the consideration for the shares and interests so acquired in any year of assessment does not, when added to the amount or value of the consideration for the shares and interests so acquired by him earlier (and remaining subject to restrictions not attaching to all shares of the same class), exceed four times the amount of the relevant emoluments for that or the preceding year of assessment (whichever is the greater) ; and for this purpose the relevant emoluments are such of the emoluments of the office or employment by virtue of which he is eligible to participate in the scheme as are liable to be paid under deduction of tax pursuant to section 204 of the Taxes Act, after deducting therefrom amounts included by virtue of Chapter II of Part VIII of that Act.
- 2 If shares or interests in shares may be acquired by a person under the scheme and shares or interests in shares may also be or have been acquired by him under share incentive schemes previously approved under this Schedule, the limit specified in paragraph 1 above applies to the aggregate of the shares or interests that may be or have been acquired under all the schemes.
- 3 Where shares or interests in shares may be acquired by a person under the scheme and rights are obtainable or have been obtained by him under a share option scheme approved under this Schedule the limit under this Part of this Schedule applies to the aggregate of the amount or value mentioned therein and the amount limited under Part III of this Schedule.

#### *Restriction on transfer*

- 4 Shares or interests in shares acquired by a person under the scheme must not be capable of being transferred by him while any restrictions attach to the shares which do not attach to all shares of the same class.

#### *Minimum price of shares*

- 5 (1) The price at which shares may be acquired under the scheme must not be—
- (a) manifestly less than the market value of the shares at the time of their acquisition; nor
  - (b) less than 80 per cent. of the market value at that time of shares of the same class to which no other restrictions attach than restrictions attaching to all shares of that class;

and similarly with respect to the acquisition of interests in shares; and where part of the price is payable after the acquisition the price shall be treated for the purposes of this paragraph as reduced to such extent as may be necessary to take account of the period for which the payment of that part is or may be deferred.

- (2) This paragraph shall not prevent the scheme from providing for a reduction in the price at which shares are acquired under the scheme in a case where the person acquiring them is called upon to pay any outstanding part of that price or to repay a loan made to him to acquire the shares, and—

---

*Status: This is the original version (as it was originally enacted).*

---

- (a) at the time he is so called upon the market value of shares of the same class to which no other restrictions attach than restrictions attaching to all shares of that class is less than the price at which the shares were acquired ; and
- (b) the reduction provided for is not greater than the amount by which the market value mentioned in paragraph (a) above falls short of the price mentioned therein, after adjusting that value and that price to such extent (if any) as may be necessary to take account both of any deferment of the payment of any part thereof and of any variation in the share capital of the body issuing the shares.

*Time limit for special restrictions*

- 6 Any restriction attaching to the shares and not attaching to all shares of the same class must cease not later than seven years after the shares or an interest in them is acquired under the scheme (or if acquired in substitution for shares or interests previously acquired not later than seven years after the earliest such acquisition).

*Conditions governing bonus and rights issues*

- 7 The scheme must provide that where shares are issued otherwise than under the scheme and otherwise than for a consideration to persons who have acquired shares or interests in shares under the scheme the same restrictions must attach to the shares so issued as are for the time being attaching to the shares which, or interests in which, those persons have acquired under the scheme.
- 8 The scheme must provide that where an offer to acquire shares is made otherwise than under the scheme to persons who have acquired shares or an interest in shares in pursuance of the scheme, the offer must be on the same terms as offers to acquire shares of the same class which are made to shareholders generally.

## **PART V**

### **CONDITIONS TO BE SATISFIED BY DIRECTOR OR EMPLOYEE**

- 1 He must retain the beneficial ownership of or his interest in the shares until whichever is the earliest—
- (a) the end of the period of three years beginning with his acquisition of his right under the share option scheme or, as the case may be, his acquisition of the shares or interest under the share incentive scheme ; and
  - (b) his ceasing to be a director or employee by reason of injury, disability or dismissal for redundancy (within the meaning of the Redundancy Payments Act 1965 or of the Contracts of Employment and Redundancy Payments Act (Northern Ireland) 1965); and
  - (c) his death ;
- but he shall not be deemed to fail to satisfy this condition by reason only that the shares are acquired by a company which is entitled and bound to do so under section 209 of the Companies Act 1948 or section 200 of the Companies Act (Northern Ireland) 1960 (acquisition of shares from dissenting shareholders).
- 2 If the shares are shares in a close company he must not have a material interest in that company or in a company controlling that company at the time he obtains the right or is given the opportunity to acquire the shares or his interest therein or

---

*Status: This is the original version (as it was originally enacted).*

---

## PART VI

- (a) a person has before 6th April 1972 obtained a right as mentioned in section 78 of this Act in pursuance of a share option scheme which is not approved under this Schedule ; and
  - (b) the right is exercised by him before 6th April 1973 or, if he dies before that date, is exercised within twelve months of his death ;
- section 186 of the Taxes Act shall not apply to any gain realised by the exercise, if or to the extent that the right is within the limit imposed by paragraph 1 of Part III of this Schedule.
- 2 If that person obtained the right within the first twelve months during which he held the office or employment by virtue of which he was eligible to participate in the scheme paragraph 1 above shall have effect as if for the limit referred to therein there were substituted the greater of the following, that is to say, that limit and what would be that limit if the relevant emoluments for those twelve months were specified in paragraph 1 of Part III of this Schedule instead of those mentioned therein.
- 3 In relation to a right which cannot be exercised before 6th April 1973 paragraph 1 above shall have effect as if for the references to that date there were substituted references to six months after the earliest date at which it can be exercised.

- (1) A company shall for each of its accounting periods make, in accordance with this Schedule, returns to the collector of the franked payments made and franked investment income received by it in that period and of the advance corporation tax (if any) payable by it in respect of those payments.
  - (2) A return shall be made for—
    - (a) each complete quarter falling within the accounting period, that is to say, each of the periods of three months ending with 31st March, 30th June, 30th September or 31st December which falls within that period ;
    - (b) each part of the accounting period which is not a complete quarter and ends on the first (or only), or begins immediately after the last (or only), of those dates which falls within the accounting period ;
    - (c) if none of those dates falls within the accounting period, the whole accounting period.
  - (3) A return for any period for which a return is required to be made under this paragraph (hereinafter referred to as " a return period ") shall be made within fourteen days from the end of that period.
  - (4) Subject to paragraphs 4(2) and 7(3) below, no return need be made under this Schedule by a company for any period in which it has made no franked payments.

#### *Contents of return*

- 2
- (1) Subject to paragraph 7(2) below, the return made by a company for any return period shall show—
    - (a) the amount of the franked payments made by it in that period;
    - (b) the amount of franked investment income, if any, received by it in that period ; and
    - (c) if any advance corporation tax is payable in respect of those payments, the amount thereof.
  - (2) The return shall specify whether any amount of franked payments is included under paragraph (a) of the foregoing sub-paragraph in consequence of the giving of a notice under the proviso to section 256(1) of the Taxes Act and, if so, the amount so included.
  - (3) For the purposes of paragraph (b) of sub-paragraph (1) above the amount of franked investment income received by a company in a return period shall be treated as including the excess, if any, of—
    - (a) any surplus of franked investment income carried forward to the accounting period for which the return is made ; and
    - (b) any amount of franked investment income received by the company in that accounting period but before the beginning of the return period,over the amount of any franked payments made by the company in that accounting period but before the beginning of the return period.

---

*Status: This is the original version (as it was originally enacted).*

---

- (4) For the purposes of paragraph (c) of sub-paragraph (1) above advance corporation tax shall be payable in respect of franked payments made in a return period if the amount shown under paragraph (a) of that sub-paragraph exceeds the amount shown under paragraph (b) of that sub-paragraph or no amount is shown under the said paragraph (b); and the amount of that tax shall be calculated at the rate of advance corporation tax in force for the financial year in which the return period ends on an amount which, when that tax is added to it, is equal to that excess or, if no amount is shown under the said paragraph (b), to the amount shown under the said paragraph (a).

*Payment of tax*

- 3 (1) Subject to paragraph 7(2) below, advance corporation tax in respect of franked payments required to be included in a return under this Schedule shall be due at the time by which the return for that period is to be made, and advance corporation tax so due shall be payable without the making of any assessment.
- (2) Advance corporation tax which has become due as aforesaid may be assessed on the company (whether or not it has been paid when the assessment is made) if that tax, or any part of it, is not paid on or before the due date.
- (3) If it appears to the inspector that there is a franked payment which ought to have been and has not been included in a return, or if the inspector is dissatisfied with any return, he may make an assessment on the company to the best of his judgment; and any advance corporation tax due under an assessment made by virtue of this sub-paragraph shall be treated for the purposes of interest on unpaid tax as having been payable at the time when it would have been payable if a correct return had been made.

*Receipt of franked investment income after payment of advance corporation tax*

- 4 (1) This paragraph shall have effect where—
- (a) a return has been made of franked payments made in any return period falling within an accounting period and advance corporation tax has been paid in respect of those payments ; and
  - (b) the company receives franked investment income after the end of the return period but before the end of the accounting period.
- (2) The company shall make a return under paragraph 1 above for the return period in which the franked investment income is received whether or not it has made any franked payments in that period, and, subject to sub-paragraph (3) below, shall be entitled to repayment of any advance corporation tax paid (and not repaid) in respect of franked payments made in the accounting period in question.
- (3) If no franked payments were made by the company in the return period for which a return is made by virtue of sub-paragraph (2) above the amount of the repayment shall not exceed the amount of the tax credit comprised in the franked investment income received ; and in any other case the repayment shall not exceed the amount of the tax credit comprised in so much of that franked investment income, if any, as exceeds the amount of the franked payments made in that return period.

*Claims for set-off in respect of franked investment income received by a company*

- 5 Where under paragraph 2 or 4 above franked investment income received by a company falls to be taken into account in determining—
- (a) whether advance corporation tax is payable or repayable ; or
  - (b) the amount of such tax which is payable or repayable,
- the inclusion of that franked investment income in the appropriate return shall be treated as a claim by the company to have it taken into account as aforesaid, and any such claim shall be supported by such evidence as the inspector may reasonably require.
- 6 (1) Where a claim has been made under paragraph 5 above no proceedings for collecting tax which would fall to be discharged if the claim were allowed shall be instituted pending the final determination of the claim, but this sub-paragraph shall not affect the date when the tax is due.
- (2) When the claim is finally determined any tax underpaid in consequence of sub-paragraph (1) above shall be paid.
- (3) Where proceedings are instituted for collecting tax assessed, or interest on tax assessed, under any provision of this Schedule, effect shall not be given to any claim made after the institution of the proceedings so as to affect or delay the collection or recovery of the tax charged by the assessment or of interest thereon, until the claim has been finally determined.
- (4) When the claim is finally determined any tax overpaid in consequence of sub-paragraph (3) above shall be repaid.
- (5) References in this paragraph to proceedings for the collection of tax include references to proceedings by way of distraint or pouding for tax.

*Qualifying distributions which are not payments and payments of uncertain nature*

- 7 (1) This paragraph applies to—
- (a) any qualifying distribution which is not a payment; and
  - (b) any payment in respect of which the company making it would be liable to pay advance corporation tax if, but only if, it amounted to or involved a qualifying distribution and it is not in the circumstances clear whether or how far it does so.
- (2) No amount shall be shown in respect of the qualifying distribution or payment under paragraph 2(1)(a) or (c) above and paragraph 3(1) above shall not apply to the payment of advance corporation tax in respect thereof.
- (3) Particulars of the qualifying distribution or payment shall be given separately in the return for the return period in which it is made and if, apart from that distribution or payment, no franked payment is made in that period, a return containing those particulars shall be made for that period under paragraph 1 above.
- (4) Any advance corporation tax payable in respect of the qualifying distribution or payment shall be assessed on the company and shall be so assessed without regard to any franked investment income received by the company but—
- (a) relief shall be given from the tax assessed (by discharge thereof) to the extent, if any, to which that tax exceeds the tax that would have been payable if the amount of the franked payment comprising the qualifying distribution or

---

*Status: This is the original version (as it was originally enacted).*

---

payment, calculated on the amount or value thereof shown in the assessment, had been included in the return under sub-paragraph (1) (a) of paragraph 2 above and the tax had been calculated in accordance with sub-paragraph (4) of that paragraph ; and

- (b) for the purposes of the application of sub-paragraph (3) of that paragraph to any subsequent return period, the amount of that franked payment shall be taken to be the amount calculated as aforesaid.

*Items included in error*

- 8 Where any item has been included in a return under this Schedule as a franked payment made or as franked investment income received by a company but that item should have been included in a return or claim under Schedule 20 to this Act, the inspector may make any such assessments, adjustments or set-offs as may be required for securing that the resulting liabilities to tax (including interest on unpaid tax) whether of the company or of any other person are the same as they would have been if the item had been included in the right return or claim.

*Qualifying distribution made otherwise than in an accounting period*

- 9 Where a company makes a qualifying distribution on a date which does not fall within an accounting period the company shall make a return of that distribution within fourteen days from that date, and the advance corporation tax in respect thereof shall be due at the time by which the return is to be made, except where the distribution is not a payment in which case the advance corporation tax shall be assessed on the company.

*Assessments and due date of tax*

- 10 (1) All the provisions of the Corporation Tax Acts as to the time within which an assessment may be made, so far as they refer or relate to the accounting period for which an assessment is made, or the accounting period to which an assessment relates, shall apply in relation to an assessment under this Schedule notwithstanding that, under this Schedule, the assessment may be said to relate to a quarter or other period which is not an accounting period, and the provisions of sections 36 and 39 of the Management Act as to the circumstances in which an assessment may be made out of time shall apply accordingly on the footing that any such assessment relates to the accounting period in which the quarter or other period ends or, in the case of an assessment under paragraph 9 above, to an accounting period ending on the date on which the distribution is made.
- (2) Advance corporation tax assessed on a company under this Schedule shall be due within fourteen days after the issue of the notice of assessment (unless due earlier under paragraph 3(1) or 9 above).
- (3) Sub-paragraph (2) above has effect subject to any appeal against the assessment, but no such appeal shall affect the date when tax is due under paragraph 3(1) or 9 above.
- (4) On the determination of an appeal against an assessment under this Schedule any tax overpaid shall be repaid.
- (5) Any tax assessable under any one or more of the provisions of this Schedule may be included in one assessment if the tax so included is all due on the same date.

SCHEDULE 15

Sections 90 and 91.

LOSS RELIEF ETC., AND GROUP INCOME: PROVISIONS OF INCOME  
AND CORPORATION TAXES ACT 1970 AS SUBSTITUTED BY THIS ACT

PART I

SECTIONS 254 AND 255

**“254 Set-off of losses etc. against surplus of franked investment income.**

- (1) Where a company has a surplus of franked investment income for any accounting period, the company may on making a claim for the purpose require that the amount of the surplus shall for all or any of the purposes mentioned in subsection (2) below be treated as if it were a like amount of profits chargeable to corporation tax, and subject to subsection (4) below the provisions mentioned in subsection (2) below shall apply in accordance with this section to reduce the amount of the surplus for purposes of section 89(3) of the Finance Act 1972 and the company shall be entitled to have paid to it the amount of the tax credit comprised in the amount of franked investment income by which the surplus is so reduced.
- (2) The purposes for which a claim may be made under subsection (1) above are those of—
  - (a) the setting of trading losses against total profits under section 177(2) of this Act;
  - (b) the deduction of charges on income under section 248 of this Act;
  - (c) the deduction of expenses of management under section 304 or 305 of this Act;
  - (d) the setting of certain capital allowances against total profits under section 74(3) of the Capital Allowances Act 1968.
- (3) Where a company makes a claim under this section for any accounting period, the reduction falling to be made in profits of that accounting period shall be made as far as may be in profits chargeable to corporation tax rather than in the amount treated as profits so chargeable under this section.
- (4) Where a claim under this section relates to section 177(2) of this Act or to section 74(3) of the Capital Allowances Act 1968 and an accounting period of the company falls partly before and partly within the time mentioned in that subsection, then—
  - (a) the restriction imposed by section 177(3) of this Act or by section 74(4) of the Capital Allowances Act 1968 on the amount of the relief shall be applied only to any relief to be given apart from this section, and shall be applied without regard to any amount treated as profits of the accounting period under this section ; but
  - (b) relief under this section shall be given only against a part of the amount so treated proportionate to the part of the accounting period falling within the said time.
- (5) Where—
  - (a) on a claim made under this section for any accounting period relief is given in respect of the whole or part of any loss incurred in a trade, or of any amount which could be treated as a loss under section 177(8) of this Act; and
  - (b) in a later accounting period the franked payments made by the company exceed its franked investment income ;

then (unless the company has ceased to carry on the trade or to be within the charge to corporation tax in respect of it) the company shall, for purposes of section 177(1) of

---

*Status: This is the original version (as it was originally enacted).*

---

this Act, be treated as having, in the accounting period ending immediately before the beginning of the later accounting period mentioned in paragraph (b) above, incurred a loss equal to whichever is the lesser of—

- (i) the excess referred to in paragraph (b) above ; and
- (ii) the amount in respect of which relief was given as aforesaid, or so much of that amount as remains after deduction of any part of it dealt with under this subsection in relation to an earlier accounting period.

(6) Subsection (5) above shall apply, with the necessary adaptations,—

- (a) in relation to relief given in respect of management expenses ; and
- (b) in relation to relief given in respect of capital allowances ;

as it applies in relation to relief given in respect of a loss (the reference to the company ceasing to be within the charge to corporation tax in respect of the trade being construed as a reference to its ceasing to be within that charge at all):

Provided that any amount which may be dealt with under subsection (5) as a loss shall be so dealt with rather than under this subsection, except in so far as the company concerned otherwise elects.

(7) The time limits for claims under this section shall be as follows—

- (a) if and so far as the purpose for which the claim is made is the setting of trading losses against total profits under section 177(2) of this Act, two years from the end of the accounting period in which the trading loss is incurred;
- (b) if and so far as the purpose for which the claim is made is the deduction of charges on income under section 248 of this Act or of expenses of management under section 304 or 305 of this Act, six years from the end of the accounting period in which the charges were paid or the expenses of management were incurred ;
- (c) if and so far as the purpose for which the claim is made is the setting of capital allowances against total profits under section 74(3) of the Capital Allowances Act 1968, two years from the end of the accounting period for which the capital allowances fall to be made.

(8) For the purposes of a claim under this section for any accounting period the surplus of franked investment income for that accounting period shall be calculated without regard to the part, if any, carried forward from an earlier accounting period ; and for the purposes of subsection (5) above franked investment income which by virtue of section 89(5) of the Finance Act 1972 cannot be used to frank distributions of a company shall be left out of account.

### **255 Set-off of loss brought forward, or terminal loss.**

(1) Where a company has a surplus of franked investment income for any accounting period, the company, instead of or in addition to making a claim under section 254 above, may on making a claim for the purpose require that the surplus shall be taken into account for relief under section 177(1) or under section 178 of this Act, up to the amount of franked investment income for the accounting period which, if chargeable to corporation tax, would have been so taken into account by virtue of section 177(7) of this Act; and (subject to the restriction to the said amount of franked investment income) the following subsections shall have effect where the company makes a claim under this section for any accounting period.

---

*Status: This is the original version (as it was originally enacted).*

---

- (2) The amount to which the claim relates shall for the purposes of the claim be treated as trading income of the accounting period.
- (3) The reduction falling to be made in trading income of an accounting period shall be made as far as may be in trading income chargeable to corporation tax rather than in the amount treated as trading income so chargeable under this section.
- (4) If the claim relates to section 177(1) of this Act, section 254(5) above shall apply in relation to it.
- (5) If the claim relates to section 178 of this Act and an accounting period of the company falls partly outside the three years mentioned in subsection (1) of that section, then—
  - (a) the restriction imposed by subsection (2) of that section on the amount of the reduction that may be made in the trading income of that period shall be applied only to any relief to be given apart from this section, and shall be applied without regard to any amount treated as trading income of the accounting period by virtue of this section, but
  - (b) relief under this section shall be given only against a part of the amount so treated proportionate to the part of the accounting period falling within the three years in question.
- (6) The time limits for claims under this section shall be as follows—
  - (a) if and so far as the purpose for which the claim is made is the allowance of relief under section 177(1) of this Act, six years from the end of the accounting period for which the claim is made,
  - (b) if and so far as the purpose for which the claim is made is the allowance of relief under section 178 of this Act, six years from the time when the company ceases to carry on the trade.
- (7) For the purpose of a claim under this section for any accounting period the surplus of franked investment income for that period shall be calculated without regard to the part, if any, carried forward from an earlier accounting period.”

## PART II

### SECTION 256(1), (4) AND (4A)

#### “256 Group income, etc.

- (1) Where a company receives dividends from another company (both being bodies corporate resident in the United Kingdom), and the company paying the dividends is—
  - (a) a 51 per cent. subsidiary of the other or of a company so resident of which the other is a 51 per cent. subsidiary; or
  - (b) a trading or holding company owned by a consortium the members of which include the company receiving the dividends,

then, subject to the following provisions of this section, the company receiving the dividends and the company paying them may jointly elect that this subsection shall apply to the dividends received from the latter by the former, and so long as the election is in force any such dividends shall be excluded from sections 84(1) and 86 of the Finance Act 1972 and are accordingly not included in references to franked payments made by the company paying the dividends or the franked investment income of the

company receiving them (but are in the Corporation Tax Acts referred to as " group income " of the latter company):

Provided that where an election under this subsection is in force the company paying the dividends may by notice in writing to the collector state that it does not wish the election to have effect in relation to any amount of dividends specified in the notice, and the Finance Act 1972 and the other provisions of the Corporation Tax Acts shall then have effect in relation to that amount as if there had been no such election.

- (4) Where a company purports—
- (a) by virtue of an election under subsection (1) of this section to pay any dividends without paying advance corporation tax; or
  - (b) by virtue of an election under subsection (2) of this section to make any payment without deduction of income tax,

and advance corporation tax ought to have been paid or income tax ought to have been deducted, as the case may be, the inspector may make such assessments, adjustments or set-offs as may be required for securing that the resulting liabilities to tax (including interest on unpaid tax) of the company paying and the company receiving the dividends or payment are, so far as possible, the same as they would have been if the advance corporation tax had been duly paid or the income tax had been duly deducted.

- (4A) Where tax assessed under subsection (4) above on the company which paid the dividends or made the payment is not paid by that company before the expiry of three months from the date on which that tax is payable, that tax shall, without prejudice to the right to recover it from that company, be recoverable from the company which received the dividends or payment.”

## SCHEDULE 16

Section 94.

### APPORTIONMENT OF INCOME ETC. OF CLOSE COMPANIES

#### PART I

##### POWERS OF APPORTIONMENT AND CONSEQUENCES OF APPORTIONMENT

###### *Power to apportion excess of company's relevant income over its distributions*

- 1 (1) Subject to sub-paragraphs (2) and (3) below, the income of a close company for any accounting period may, for the purposes of this Schedule, be apportioned by the inspector among the participators.
- (2) Subject to paragraphs 2 and 3 below—
- (a) an apportionment shall not be made under this paragraph unless the relevant income of the company for the accounting period exceeds its distributions for that period ; and
  - (b) the amount apportioned shall be the amount of that excess,
- and Part II of this Schedule shall have effect for determining the relevant income and distributions of a company for an accounting period and whether or not there is any such excess.

---

*Status: This is the original version (as it was originally enacted).*

---

- (3) Subject to paragraphs 2 and 3 below, an apportionment shall not be made under this paragraph of the income of—
- (a) a trading company ; or
  - (b) a company which is a member of a trading group by virtue of paragraph 11(2)(a) below,
- unless the excess mentioned in sub-paragraph (2) above is more than £1,000.
- (4) Any amount apportioned to a close company under sub-paragraph (1) above, or by one or more sub-apportionments under this sub-paragraph, may be further apportioned among the participators in that company.
- (5) Subject to paragraph 13 below, this paragraph shall, notwithstanding the winding up of a company, or the passing of any resolution or the making of any order or anything else done for the purpose of winding up a company, continue to apply as if the company were not being wound up.

*Power to apportion whole of relevant income of non-trading company*

- 2 Subject to paragraphs 13(4) and 14(2) below, there may be apportioned under paragraph 1 above, if the inspector sees reason for it, the whole of the relevant income for an accounting period of a close company which is not a trading company, whether or not there is any such excess as is mentioned in sub-paragraph (2) of that paragraph ; and sub-paragraphs (2) and (3) of that paragraph shall accordingly not apply to any apportionment made by virtue of this paragraph.

*Power to apportion amounts deducted in respect of certain annual payments*

- 3 (1) Subject to sub-paragraph (2) below, there may be apportioned under paragraph 1 above as if it were income of a close company for an accounting period any amount which was deducted in respect of annual payments made by the close company in arriving at its distributable income for that period and which in the case of an individual would not have been deductible or would have been treated as his income in computing his total income.
- (2) Sub-paragraph (1) above does not apply to annual payments which consist of interest or are made wholly and exclusively for the purposes of the company's trade.
- (3) Any amount apportionable by virtue of this paragraph shall be in addition to the amount (if any) apportionable under paragraph 1 above without this paragraph, and nothing in sub-paragraphs (2) and (3) of that paragraph shall apply to any apportionment made by virtue of this paragraph.

*Manner of apportionment*

- 4 (1) Subject to the provisions of this paragraph, any apportionment under paragraph 1 above, including any sub-apportionment of an amount directly or indirectly apportioned to a company, shall be made according to the respective interests in the company in question of the participators.
- (2) In determining for the purposes of this paragraph the respective interests of the participators, the inspector may if it seems proper to him to do so attribute to each participator an interest corresponding to his interest in the assets of the company

---

*Status: This is the original version (as it was originally enacted).*

---

available for distribution among the participators in the event of a winding up or in any other circumstances.

- (3) Where income of a company which is not a trading company is apportioned under paragraph 1 above, the inspector may if it seems proper to him to do so treat a loan creditor as having an interest for the purposes of this paragraph to the extent to which the income to be apportioned, or assets representing it, has or have been expended or applied, or is or are available to be expended or applied, in redemption, repayment or discharge of the loan capital or debt (including any premium thereon) in respect of which he is a loan creditor.

*Consequences of apportionment: income tax*

- 5 (1) Where a sum has been apportioned under paragraph 1 above to an individual (whether by an original apportionment or a sub-apportionment), income tax shall be assessed and charged in respect of that sum in accordance with the following provisions of this paragraph.
- (2) Where a sum is so apportioned to an individual—
- (a) it shall be treated for the purpose of computing his total income as income received by him at the end of the accounting period to which the apportionment relates and, subject to section 529 of the Taxes Act, shall be deemed to be the highest part of his total income;
  - (b) no assessment shall be made on the individual in respect of income tax at the basic rate on that sum (nor, in the case mentioned in sub-paragraph (4) below, in respect of income tax at any other rate) but he shall be treated as having paid income tax at the basic rate on that sum or, if his total income is reduced by any deductions, on so much of that sum as is part of his total income as so reduced ;
  - (c) no repayment shall be made of the income tax treated by virtue of paragraph (b) above as having been paid; and
  - (d) the sum so apportioned shall be treated for the purposes of sections 52 and 53 of the Taxes Act as not brought into charge to income tax.
- (3) Where a sum is so apportioned to the personal representatives of a deceased person it shall be treated, in ascertaining the aggregate income of the estate for the purposes of Part XV of the Taxes Act, as having been received as mentioned in paragraph (a) of sub-paragraph (2) above, and paragraphs (b) to (d) of that sub-paragraph shall apply accordingly with the necessary modifications.
- (4) No individual shall be assessed to income tax by virtue of any apportionment unless the sum or, where there is a sub-apportionment, the aggregate sum on which he is so assessable amounts at least to—
- (a) £200 ; or
  - (b) 5 per cent. of the amount apportioned,
- whichever is the less.
- (5) Where an apportionment is made by virtue of paragraph 2 above, an individual shall not be charged to tax on a sum treated in consequence of the apportionment or any sub-apportionment as being his income except in so far as it exceeds the amount which, apart from the apportionment, falls in respect of distributions made by the company for the accounting period to be included in his total income.

*Status: This is the original version (as it was originally enacted).*

- (6) Where the income of a company for any accounting period has been apportioned under paragraph 1 above or section 296 of the Taxes Act and the distributions of the company for a later accounting period for which it is a close company—
- (a) consist of or include a distribution of all or any of the apportioned income; and
  - (b) exceed the company's relevant income for that later period,
- then, if any individual who was charged to tax under this paragraph or section 297 of the Taxes Act in respect of any of the apportioned income is entitled to any of that income on its subsequent distribution as aforesaid, there shall be deemed not to form part of his total income an amount of the income subsequently distributed (or of the excess mentioned in paragraph (b) above if it is less) equal to such fraction as corresponds to—
- (i) the fraction of the apportioned income in respect of which he was charged to tax ; or
  - (ii) the fraction to which he is entitled of the subsequent distribution of that income,
- whichever is the smaller.
- (7) For the purposes of this paragraph—
- (a) the sum apportioned to any person ;
  - (b) the amount mentioned in sub-paragraph (4)(b) above; and
  - (c) the amount to be excluded from a person's total income in accordance with sub-paragraph (6) above,
- shall respectively be taken to consist of the aggregate of that sum or amount and such proportion of it as corresponds to the appropriate rate of advance corporation tax; but paragraphs (a) and (b) above shall not apply in the case of any apportionment so far as made by virtue of paragraph 3 above.
- (8) For the purposes of paragraphs (a) and (b) of sub-paragraph (7) above, the appropriate rate of advance corporation tax is the rate applicable to a distribution made at the end of the accounting period to which the apportionment relates, and for the purposes of paragraph (c) of that sub-paragraph the appropriate rate of advance corporation tax is the rate applicable to the distribution mentioned in sub-paragraph (6)(a) above.

*Payment and collection of income tax*

- 6 (1) Any income tax chargeable under paragraph 5 above in respect of a sum apportioned to a participator shall be assessed on the participator and, subject to the provisions of this paragraph, all the provisions of the Income Tax Acts relating to assessment and the collection and recovery of tax shall with any necessary modifications apply to tax chargeable under that paragraph.
- (2) If the whole or any part of the tax assessed on the participator is not paid within thirty days from the date on which the assessment became final and conclusive or by 6th July in the year next following the year of assessment, whichever is the later, a notice of liability to tax under this paragraph shall be served on the company and the tax or the part thereof remaining unpaid, as the case may be, shall thereupon be payable by the company.
- (3) Where a notice of liability is served under sub-paragraph (2) above, any interest due on the tax assessed on the participator and not paid by him, and any interest accruing due on that tax after the date of service, shall be payable by the company.

---

*Status: This is the original version (as it was originally enacted).*

---

- (4) Where a notice of liability is served on the company and the relevant tax and any interest payable by the company under sub-paragraph (3) above is not paid by the company before the expiry of three months from the date of service, that tax and interest may, without prejudice to the right of recovery from the company, be recovered from the participator.
- (5) Where, in consequence of a sub-apportionment, the foregoing provisions of this paragraph apply in relation to a participator in a company other than the company in relation to which the original apportionment was made, references in those provisions to the company shall be taken as references to the company in relation to which the original apportionment was made.

*Consequences of apportionment: advance corporation tax*

- 7 (1) This paragraph has effect where the income of a company is apportioned under paragraph 1 above; and in this paragraph "apportioned amount" means the aggregate of the amount of that income which is so apportioned and such proportion of that amount as corresponds to the rate of advance corporation tax applicable to a distribution made at the end of the accounting period to which the apportionment relates (" the relevant period ").
- (2) If in the relevant period the company has a surplus of franked investment income, the surplus (so far as not already reduced in consequence of a claim under section 254 or 255 of the Taxes Act or of being used to frank distributions made by the company in a subsequent accounting period) shall be treated for all purposes as reduced by a sum equal to the apportioned amount or, if that is greater, as extinguished.
- (3) If in the relevant period the company has no such surplus (so far as not already reduced as aforesaid), or the apportioned amount exceeds that surplus (so far as not already reduced as aforesaid), sub-paragraphs (4) to (6) below shall have effect in relation to a sum equal to the advance corporation tax comprised in a franked payment made at the end of the relevant period of an amount equal to the apportioned amount or to that excess, as the case may be.
- (4) If, apart from this paragraph, surplus advance corporation tax of a later accounting period could by virtue of subsection (3) of section 85 of this Act be set against the company's liability to corporation tax for the relevant period, that advance corporation tax shall not be so set except to such extent, if any, as would be possible if the sum mentioned in sub-paragraph (3) above had been advance corporation tax available to be so set against that liability for the relevant period and had, so far as permitted by that section, already been set against that liability.
- (5) If the sum mentioned in sub-paragraph (3) above exceeds the amount that could, if it were advance corporation tax available for the purpose, be set as aforesaid against the company's liability for the relevant period—
  - (a) there shall be deducted from the excess an amount equal to the advance corporation tax, if any, that could by virtue of subsection (3) of the said section 85 be set against the company's liability to corporation tax for earlier accounting periods after taking into account advance corporation tax so set in consequence of a claim already made under that subsection; and
  - (b) if no such claim has already been made, advance corporation tax shall not by virtue of any such claim be set against the company's liability to corporation tax for any such earlier accounting periods except to such extent, if any, as

would be possible if an amount equal to any deduction under paragraph (a) above had been advance corporation tax available to be so set and had, so far as permitted by the said section 85, already been set against that liability.

- (6) Any excess of the said sum remaining after the deduction mentioned in sub-paragraph (5)(a) above—
- (a) shall be assessed on and recoverable from the company as if it were advance corporation tax payable by the company in respect of a distribution made by it at the end of the relevant period ; and
  - (b) shall be treated as surplus advance corporation tax of the relevant period falling to be dealt with in accordance with subsection (4) of the said section 85.
- (7) Without prejudice to the application of sub-paragraphs (4) and (5) above to advance corporation tax which a company is treated by virtue of section 92 of this Act as having paid, sub-paragraph (4) above shall apply also to advance corporation tax which a company is so treated as having paid in respect of distributions made in the relevant period and which, apart from this paragraph, could by virtue of section 85(1) of this Act be set against the company's liability to corporation tax for that period.
- (8) Tax assessed by virtue of sub-paragraph (6)(a) above shall, subject to any appeal against the assessment, be due within fourteen days after the issue of the notice of assessment.
- (9) Sub-paragraph (6)(b) above shall not be construed as authorising any sum to be carried forward to a later accounting period in any case in which section 101 of this Act would prevent the carry forward of advance corporation tax.

## PART II

### PROVISIONS FOR DETERMINING RELEVANT INCOME AND DISTRIBUTIONS, ETC

#### *Determination of "relevant income "*

- 8 (1) Subject to the provisions of this paragraph and of paragraphs 9 and 13 below, the relevant income of a company for an accounting period is—
- (a) in the case of a company which is a trading company or a member of a trading group, so much of its distributable income for that period as can be distributed without prejudice to the requirements of the company's business;
  - (b) in the case of a company not within paragraph (a) above whose distributable income for that period consists of or includes estate or trading income—
    - (i) so much of the estate or trading income as can be distributed without prejudice to the requirements of the company's business so far as concerned with the activities or assets giving rise to estate or trading income; and
    - (ii) its distributable income, if any, other than estate or trading income;
  - (c) in the case of any other company, its distributable income for that period.
- (2) In arriving at the relevant income for any accounting period—

---

---

necessary or advisable for the maintenance and development of that business but, for this purpose, the provisions of paragraph 12 below shall apply ;

- (b) the amount of the estate or trading income shall be taken as the amount included in respect of it in the distributable income.

*Maximum amount to be taken as " relevant income "*

- 9 (1) Subject to paragraph 13 below, the relevant income of a company shall in no case be taken to exceed the company's distributable investment income for the accounting period plus 50 per cent. of the estate or trading income for the period.
- (2) In the application of sub-paragraph (1) above to a trading company, the estate or trading income for an accounting period, if it is less than the relevant maximum amount shall be treated as reduced by one half of the amount required to make it up to that relevant maximum amount or, if it is less than the relevant minimum amount, shall be disregarded.
- (3) The relevant maximum and minimum amounts referred to above shall be determined as follows—
- (a) where the company has no associated company in the accounting period, those amounts are £15,000 and £5,000 respectively ;
- (b) where the company has one or more associated companies in the accounting period, the relevant maximum amount is £15,000 divided by one plus the number of those associated companies and the relevant minimum amount is £5,000 divided by one plus the number of those associated companies.
- (4) In applying sub-paragraphs (2) and (3) above to any accounting period of a trading company, an associated company which has not carried on any trade or business at any time in that accounting period (or, if an associated company during part only of that accounting period, at any time in that part of that accounting period) shall be disregarded; and for the purposes of this paragraph a company is to be treated as an " associated company " of another at a given time if at that time one Of the two has control of the other or both are under the control of the same person or persons.
- (5) In determining how many associated companies a trading company has in an accounting period or whether a trading company has an associated company in an accounting period, an associated company shall be counted even if it was an associated company for part only of the accounting period, and two or more associated companies shall be counted even if they were associated companies for different parts of the accounting period.
- (6) For an accounting period of less than twelve months the relevant maximum and minimum amounts determined in accordance with the foregoing provisions of this paragraph shall be proportionately reduced.

*Distributions to be taken into account, and meaning of " distributable income ", etc.*

- 10 (1) For the purposes of this Schedule the distributions of a company for an accounting period shall be taken to consist of—
- (a) any dividends which are declared in respect of the period and are paid during the period or within a reasonable time thereafter, and
- (b) all distributions made in the period except dividends which, in relation to any previous period, would fall under paragraph (a) above or section 291(1) (a) of the Taxes Act:

---

*Status: This is the original version (as it was originally enacted).*

---

Provided that, where a period of account is not an accounting period, dividends which, if it were an accounting period, would be treated under paragraph (a) above as distributions for that accounting period shall be apportioned to any accounting period or part of an accounting period falling within the period of account in proportion to the distributable income of each such period or part.

- (2) For the purposes of this Schedule, the " distributable income " of a company for an accounting period shall be the amount of its distributable profits for the period exclusive of the part attributable to chargeable gains, and, for the purposes of this sub-paragraph—
- (a) the " distributable profits " of a company for an accounting period shall be the aggregate of the following amounts, that is to say—
    - (i) the amount of any profits on which corporation tax falls finally to be borne, less the amount of that tax,
    - (ii) an amount equal to the qualifying distributions comprised in any franked investment income, other than franked investment income against which relief is given under section 254 or 255 of the Taxes Act, and
    - (iii) an amount equal to any group income,
  - (b) the part of a company's distributable profits attributable to chargeable gains shall be taken to be the amount of the chargeable gains on which corporation tax is finally borne less the amount of that tax, and
  - (c) the amount on which corporation tax falls finally to be borne (but not the amount of that tax) shall be computed as if section 254 of the Taxes Act did not include subsection (5) or subsection (6) of that section (and as if section 255 of that Act did not apply the said subsection (5)).
- (3) For the purposes of this Schedule the " distributable investment income " of a company for an accounting period shall be the amount of the distributable income, exclusive of the part attributable to estate or trading income, and less whichever is the smaller of—
- (a) 10 per cent. of the estate or trading income, and
  - (b) £500 or, if the accounting period is of less than twelve months, a proportionately reduced amount.
- (4) Subject to sub-paragraph (5) below, for the purposes of this Schedule, the " estate or trading income " of a company means—
- (a) income which is not investment income for the purposes of paragraph 11(1) below, and
  - (b) income which is chargeable to tax under Schedule A or Schedule B, and income (other than yearly or other interest) which is chargeable to tax under Schedule D, and which arises from the ownership or occupation of land (including any interest in or right over land) or from the letting furnished of any building or part of a building.
- (5) Where the following conditions are satisfied with respect to a close company, that is to say—
- (a) that its activities consist wholly or mainly of the carrying on of a trade ; and
  - (b) that that trade consists wholly or mainly of one or more of the following, that is to say, life assurance business (within the meaning of section 323(2) of the

Taxes Act), insurance business of any other class, banking, money lending, financing of hire-purchase or similar transactions, or dealing in securities, its income incidental to that trade shall (so far as not otherwise falling within the definition of estate or trading income in sub-paragraph (4) above) be treated as estate or trading income in arriving, under paragraph 8 above, at the relevant income for the purposes of paragraph 1 above.

- (6) For the purposes of sub-paragraph (5) above income of a company is incidental to its trade if, and only if—
- (a) it is derived from investments (other than investments in a 51 per cent. subsidiary) or is interest on a debt; and
  - (b) any profit on the sale of the investments would be a trading receipt, and the debt, if proved to be a bad debt, would be allowed as a deduction, in computing the company's trading income for the purposes of corporation tax.
- (7) The amount for part of an accounting period of any description of income referred to in sub-paragraphs (2) to (5) above shall be a proportionate part of the amount for the whole period.
- (8) In determining the amount for any period of any description of income referred to in sub-paragraphs (2) to (5) above, any deduction from the company's profits for charges on income, expenses of management or other amounts which can be deducted from or set against or treated as reducing profits of more than one description shall be treated as made—
- (a) first from the company's income charged to corporation tax other than estate or trading income ;
  - (b) secondly, so far as it cannot be made under (a) above, from the company's estate or trading income so charged; and
  - (c) thirdly, so far as it cannot be made under (a) or (b) above, from the amount included in the company's profits in respect of chargeable gains.

*Meaning of " trading company " and " member of a trading group "*

- 11 (1) For the purposes of this Schedule, a "trading company" is any company which exists wholly or mainly for the purpose of carrying on a trade, and any other company whose income does not consist wholly or mainly of investment income, that is to say, income, which, if the company were an individual, would not be earned income ; but for this purpose any amount which is apportioned to a company under paragraph 1 above shall be deemed to be income of the company and to be investment income.
- (2) For the purposes of this Schedule, a company is to be treated as a " member of a trading group " if, but only if—
- (a) it exists wholly or mainly for the purpose of co-ordinating the administration of a group of two or more companies each of which is under its control and exists wholly or mainly for the purpose of carrying on a trade, or
  - (b) it is under the control of another company resident in the United Kingdom and not itself under the control of a third company, and it exists wholly or mainly for the purpose of a trade or trades carried on by that other company or by a group which, consisting of that other company and a company or companies also under its control and resident in the United Kingdom, exists wholly or mainly for the purpose of carrying on the said trade or trades:

*Status: This is the original version (as it was originally enacted).*

---

Provided that a company shall not be treated as a member of a trading group by reason of any company having the control of another if that control is exercised through a company which is not resident in the United Kingdom or through a company whose control depends on a holding a profit on the sale of which would be treated as a trading receipt of the company.

*Requirements of the company's business*

- 12 (1) For the purposes of paragraph 8(2) above there shall be regarded as income available for distribution and not as having been applied, or as being applicable, to the current requirements of a company's business, or to such other requirements as may be necessary or advisable for the maintenance and development of that business—
- (a) any sum expended or applied, or intended to be expended or applied, out of the income of the company, otherwise than in pursuance of an obligation entered into by the company before 4th August 1914—

    - (ii) in redemption or repayment of any share or loan capital or debt (including any premium thereon) issued or incurred in or towards payment for any such business, undertaking or property, or issued or incurred for the purpose of raising money applied or to be applied in or towards payment therefor, or
    - (iii) in meeting any obligations of the company in respect of the acquisition of any such business, undertaking or property, or
    - (iv) in redemption or repayment of any share or loan capital or debt (including any premium thereon) issued or incurred otherwise than for adequate consideration, and
  - (b) any sum expended or applied, or intended to be expended or applied, in pursuance or in consequence of any fictitious or artificial transaction, and
  - (c) in the case of a company which is neither a trading company nor a member of a trading group, any sum expended or applied, or available to be expended or applied, out of the income of the company in or towards the redemption, repayment or discharge of any loan capital or debt (including any premium thereon) in respect of which any person is a loan creditor of the company.
- (2) For the purposes of sub-paragraph (1)(a)(iv) above, share or loan capital or debt shall be deemed to be issued or incurred otherwise than for adequate consideration if—
- (a) it is issued or incurred for consideration the value of which to the company is substantially less than the amount of the capital or debt (including any premium thereon), or
  - (b) it is issued or incurred in or towards, or for the purpose of raising money applied or to be applied in or towards, the redemption or repayment of any share or loan capital or debt which itself was issued or incurred for such consideration as is mentioned in paragraph (a) of this sub-paragraph or which represents, directly or indirectly, any share or loan capital or debt which itself was issued or incurred for such consideration.

- (3) References in the foregoing provisions of this paragraph to money applied or to be applied for any purpose shall be deemed to include references to money applied or to be applied in or towards the replacement of that money.

*Cessations and liquidations*

- 13 (1) Where a close company ceases to carry on the trade, or the business of holding investments, in which its activities wholly or mainly consisted, the relevant income of the company for any accounting period in which that event occurs, or which ends in or within the twelve months ending with that event, shall be calculated as if—
- (a) paragraph 8(1)(a) and (b)(i) above referred respectively to the whole of the company's distributable income and to the whole of the estate or trading income and not to so much thereof as can be distributed without prejudice to the requirements there mentioned, and paragraphs 8(2)(a) and 12 above were omitted ;
  - (b) in paragraph 9(1) above the words " 50 per cent. of " were omitted.
- (2) Where sub-paragraph (1) above applies for an accounting period and the company could not make distributions without prejudice to the claims of creditors (excluding those mentioned in sub-paragraph (3) below), the excess mentioned in paragraph 1(2) above shall be disregarded to the extent to which the company could not make distributions up to the amount of its relevant income without prejudice to those claims.
- (3) The creditors to be excluded for the purposes of sub-paragraph (2) above are all participators and associates of participators, and all creditors in respect of debts originally created in favour of or due to a person who was then a participator or associate of a participator:
- Provided that a creditor is not to be excluded in respect of any debt which either—
- (a) arose in the ordinary course of the company's trade or the company's business of holding investments and also in the ordinary course of a trade or profession of the creditor or, as the case may be, of the participator or associate who was the original creditor, or
  - (b) is a debt for remuneration chargeable to income tax under Schedule E, or
  - (c) is a debt for any rent or other payment due for the use of tangible property or of copyright in a literary, dramatic, musical or artistic work within the meaning of the Copyright Act 1956 (or any corresponding right under the law of a country to which that Act does not extend), and not representing more than a reasonable commercial consideration for that use.
- (4) Where sub-paragraph (1) above applies for any accounting period, there shall be disregarded for the purposes of any apportionment made by virtue of paragraph 2 above so much of the relevant income of the company for that period as is equal to the amount which would be disregarded under sub-paragraph (2) above.
- (5) Where a resolution is passed, or an order is made, for the winding up of a close company, or where any other act is done for a like purpose in the case of a winding up otherwise than under the Companies Act 1948, sub-paragraphs (1) to (4) above shall apply for any accounting period ending in or with the twelve months ending with the passing of the resolution or other event, or for any later accounting period, as they apply, in a case falling within sub-paragraph (1) above, for an accounting period in which a close company ceases to carry on a trade.

---

*Legal restrictions on distributions*

- 14 (1) Where a company is subject to any restriction imposed by law as regards the making of distributions, the excess mentioned in paragraph 1(2) above shall be disregarded to the extent to which the company could not make distributions up to the amount of its relevant income without contravening that restriction.
- (2) Except where paragraph 13(1) above applies, there shall be disregarded for the purposes of any apportionment made by virtue of paragraph 2 above so much of the relevant income of the company as is equal to any amount which would be disregarded under sub-paragraph (1) above.

**PART III**

PROCEDURE

*Notice of amount to be apportioned*

- 15 (1) Where in the case of any company the inspector proposes to apportion an amount under paragraph 1 above he shall serve on the company a notice showing the amount to be apportioned and, subject to any appeal under this paragraph and to paragraph 17 below, that notice shall be treated as conclusively establishing, both in relation to the company and for the purposes of any assessment under paragraph 5 above, that an apportionment can be made in respect of that amount.
- (2) After a notice under sub-paragraph (1) above has been served on the company it shall not be altered except on appeal or in accordance with paragraph 17 below.
- (3) The company may by giving notice of appeal in writing to the inspector within thirty days of the date of any notice under sub-paragraph (1) above appeal against that notice; and any notice under that sub-paragraph shall state the time within which notice of appeal may be given under this sub-paragraph.
- (4) Subject to paragraph 20(2) below, any appeal under this paragraph shall be to the General Commissioners except that the company may elect (in accordance with section 46(1) of the Management Act) to bring the appeal before the Special Commissioners instead of the General Commissioners.
- (5) The notice of appeal shall specify the grounds of appeal, but on the hearing of the appeal the Commissioners may allow the appellant to put forward any ground not specified in the notice, and take it into consideration if satisfied that the omission was not wilful or unreasonable.
- (6) If a company fails or refuses, on being required to do so under paragraph 19 below, to furnish a statement of any amount which in the case of that company could be apportioned under this Schedule, or renders a statement with which the inspector is not satisfied, the inspector may make an estimate of that amount to the best of his judgment, and any relevant decision taken by the inspector under this sub-paragraph may be reviewed on an appeal under this paragraph.
- (7) Sections 113 (1B) and (3) and 114(2) of the Management Act (supplementary provisions as to assessments and notices of assessment) shall apply to any notice under sub-paragraph (1) above as if the determination of the amount to be shown therein were the making of an assessment and the notice were a notice of assessment.

---

*Status: This is the original version (as it was originally enacted).*

---

*Notice of manner of apportionment*

- 16 (1) Where a notice has been served on a company under paragraph 15 above showing an amount to be apportioned, the inspector shall serve on the company a notice showing the manner in which that amount is apportioned (that is to say, the sum apportioned or sub-apportioned to each participator or, if the inspector thinks fit, to each class of share) and, subject to any appeal under this paragraph and to paragraph 17 below, that notice shall be treated, in relation to the company, as conclusively establishing the manner of apportionment.
- (2) Paragraph 15(2), (3), (4), (5) and (7) above shall apply also to a notice under this paragraph, but any appeal against such a notice by virtue of this sub-paragraph shall be to the Special Commissioners.
- (3) The manner of apportionment shown in a notice under this paragraph may also be questioned on an appeal against any assessment made under paragraph 5 above ; and any relevant decision taken by the inspector under paragraph 4(2) or (3) above may be reviewed on an appeal under this paragraph or on an appeal against any such assessment.

*Revision of apportionment*

- 17 (1) If the inspector discovers that the amount apportioned in the case of any company is or has become insufficient, he may serve on the company a further notice under paragraph 15(1) above showing the further amount which ought in his opinion to be apportioned, and a further notice relating to that amount shall then be served under paragraph 16 above.
- (2) Where the amount shown in a notice under sub-paragraph (1) of paragraph 15 above is excessive because the company's distributable income is smaller than it was taken to be for the purposes of that notice or because the company's distributions were greater than they were taken to be for those purposes, the inspector may serve on the company a further notice under that sub-paragraph showing a reduced amount; and where such a notice is served—
- (a) a further notice shall also be served under paragraph 16 above making such amendments in any previous notice under that paragraph as may be required to take account of the reduction in the amount apportioned ; and
- (b) there shall be made such adjustments by repayment or discharge of tax as may be required to secure that liabilities to tax under paragraphs 5 to 7 above are what they would have been if the notices originally served under paragraphs 15 and 16 above had been as amended by further notices served by virtue of this paragraph.

*Protection by transmission of accounts*

- 18 (1) A close company may, at any time after the general meeting at which the accounts for any period of account are adopted, forward to the inspector a copy of those accounts, together with a copy of the report (if any) of the directors for that period and such further information (if any) as it may think fit, and may request the inspector to proceed under this paragraph in relation to any accounting period comprised in that period of account:

Provided that this sub-paragraph shall not apply if the company is neither a trading company nor a member of a trading group and has no estate or trading income.

---

- (2) Where the inspector receives a request made in accordance with sub-paragraph (1) above in relation to any accounting period, then, subject to sub-paragraph (3) below, he shall, within three months after receipt of the request, intimate to the company whether or not he proposes to make an apportionment in respect of the company for the accounting period under paragraph 1 above.
- (3) On receiving a request made in accordance with sub-paragraph (1) above, the inspector may, not later than three months after the receipt of the request, call on the company to furnish him with such further particulars as he may reasonably require ; and, if the inspector does so, the time for giving the intimation required by sub-paragraph (2) above shall not expire before three months after he has been furnished with those particulars.
- (4) Where the inspector receives a request made in accordance with sub-paragraph (1) above in relation to any accounting period, and does not within the time limited by sub-paragraphs (2) and (3) above intimate his intention to make an apportionment in respect of the period, no such apportionment shall be made unless either—
  - (a) the information accompanying the request, and any further particulars furnished to the inspector in connection therewith, are not such as to make full and accurate disclosure of all facts and considerations which are material to be known to him, or
  - (b) within twelve months of the end of the period any of the provisions of paragraph 13 above have effect in relation to the company.

#### *Information*

- 19
- (1) The inspector may, by notice in writing, require any company which is, or appears to him to be, a close company to furnish him within such time (not being less than thirty days) as may be specified in the notice with such particulars as he thinks necessary for the purposes of this Schedule.
  - (2) If for the purposes of this Schedule any person in whose name any shares are registered is so required by notice in writing by the inspector, he shall state whether or not he is the beneficial owner of the shares and, if not the beneficial owner of the shares or any of them, shall furnish the name and address of the person or persons on whose behalf the shares are registered in his name.

INSURANCE COMPANIES

*Expenses of management*

- 1 (1) In subsection (2) of section 305 of the Taxes Act (restriction on relief for expenses of management) the reference to income tax shall be omitted, but for the purposes of that subsection—
- (a) any tax credit to which the company is entitled in respect of a distribution received by it shall be treated as an equivalent amount of corporation tax borne or paid in respect of that distribution ; and
  - (b) any payment in respect of that credit under section 254 of that Act shall be treated as reducing the tax so treated as borne or paid.
- (2) The other reliefs mentioned in the said subsection (2) shall not include any set-off under section 85 of this Act.
- (3) In applying the said subsection (2) to an accounting period in which a company carries on any business in addition to life assurance business, or carries on both ordinary life assurance business and industrial life assurance business, the tax that would have been paid if the company had been charged under Case I of Schedule D in respect of its life assurance business, or its life assurance business of either of those classes, shall be calculated as if any advance corporation tax set against the company's liability to corporation tax for that accounting period were apportioned to the corporation tax attributable to each business in proportion to the profits of that business charged to corporation tax for that accounting period.

*Rate relief: investment income reserved for policy holders*

- 2 (1) For the purposes of subsection (2) of section 310 of the Taxes Act (rate relief from corporation tax) the reliefs to be taken into account shall not include any set-off under section 85 of this Act, and "any relief" in subsection (4)(b) of the said section 310 shall be construed accordingly.

by an amount equal to the part specified in subsection (6) of the said section 310 of any unrelieved income (as defined in subsection (4) of that section) in respect of which a claim may be made under that section.

- (5) Where sub-paragraph (3) or (4) above would deny to a company any relief to which it would have been entitled if it had been charged to tax in respect of its life assurance business under Case I of Schedule D, corresponding relief shall be afforded to the company by repayment of, or set-off against, corporation tax or by payment of tax credit comprised in franked investment income from investments held in connection with that business.

*General annuity business*

- 3 In section 313 of the Taxes Act for subsection (4) there shall be substituted—

*Pension business*

- 4 (1) In subsection (1) of section 314 of the Taxes Act the reference to income tax shall be omitted, but if in the case of an insurance company the income mentioned in that subsection includes a distribution in respect of which the company is entitled to a tax credit, the company may, subject to sub-paragraph (2) below, claim to have the amount of that credit paid to it.
- (2) If the company mentioned in sub-paragraph (1) above is resident in the United Kingdom (so that the distribution and the tax credit there mentioned constitute franked investment income of that company) no franked investment income comprising any tax credit which is paid under that sub-paragraph shall be used under Part V of the Finance Act 1972 to frank the company's distributions; but where the company makes an election under subsection (4) of the said section 314 neither sub-paragraph (1) above nor the foregoing provisions of this sub-paragraph shall apply to the franked investment income to which the election relates.
- (3) Subsection (3)(b) and (c) of the said section 314 shall cease to have effect and in subsection (4) of that section the words from " If an accounting period " to " periods, and " and the words " or part of an accounting period " shall be omitted.

- 1        In this Schedule "relevant payment" means any payment to which section 104 of this Act applies.

#### *Duty to make returns*

#### *Payment of tax*

- 4        (1) Subject to sub-paragraph (4) below, income tax in respect of any payment required to be included in a return under this Schedule shall be due at the time by which the return is to be made, and income tax so due shall be payable by the company without the making of any assessment.
- (2) Income tax which has become due as aforesaid may be assessed on the company (whether or not it has been paid when the assessment is made) if that tax, or any part of it, is not paid on or before the due date.
- (3) If it appears to the inspector that there is a relevant payment which ought to have been and has not been included in a return, or if the inspector is dissatisfied with any return, he may make an assessment on the company to the best of his judgment; and any income tax due under an assessment made by virtue of this sub-paragraph shall be treated for the purposes of interest on unpaid tax as having been payable at the time when it would have been payable if a correct return had been made.

---

*Status: This is the original version (as it was originally enacted).*

---

- (4) Where a payment has been included in a return under Schedule 14 to this Act by virtue of paragraph 7(1)(b) of that Schedule and it becomes apparent that the payment is not a qualifying distribution but a relevant payment—

  - (b) income tax shall be assessed in respect of it on the company.
- Set-off of income tax borne on company income against tax payable*

- (2) Any such claim shall be included in a return made under paragraph 2 above for the accounting period in question and (where necessary) income tax paid by the company under this Schedule for that accounting period and before the claim is allowed shall be repaid accordingly.
- 6 (1) Where a claim has been made under paragraph 5 above no proceedings for collecting tax which would fall to be discharged if the claim were allowed shall be instituted pending the final determination of the claim, but this sub-paragraph shall not affect the date when the tax is due.
- (2) When the claim is finally determined any tax underpaid in consequence of sub-paragraph (1) above shall be paid.
- (3) Where proceedings are instituted for collecting tax assessed, or interest on tax assessed, under any provision of paragraph 4 above, effect shall not be given to any claim made after the institution of the proceedings so as to affect or delay the collection or recovery of the tax charged by the assessment or of interest thereon, until the claim has been finally determined.
- (4) When the claim is finally determined any tax overpaid in consequence of sub-paragraph (3) above shall be repaid.
- (5) References in this paragraph to proceedings for the collection of tax include references to proceedings by way of distraint or pouding for tax.

*Items included in error*

- 8 Where any item has been included in a return or claim under this Schedule as a relevant payment but should have been included in a return under Schedule 14 to this Act, the inspector may make such assessments, adjustments or set-offs as may be required for securing that the resulting liabilities to tax (including interest on unpaid tax) whether of the company or of any other person are the same as they would have been if the item had been included in the right return.

*Status: This is the original version (as it was originally enacted).*

*Relevant payment made otherwise than in accounting period*

- 9 Where a company makes a relevant payment on a date which does not fall within an accounting period the company shall make a return of that payment within fourteen days from that date, and the income tax for which the company is accountable in respect of that payment shall be due at the time by which the return is to be made.

*Assessments and due date of tax*

- 10 (1) All the provisions of the Income Tax Acts as to the time within which an assessment may be made, so far as they refer or relate to the year of assessment for which an assessment is made, or the year to which an assessment relates, shall apply in relation to any assessment under this Schedule notwithstanding that, under this Schedule, the assessment may be said to relate to a quarter or other period which is not a year of assessment, and the provisions of sections 36 and 37 of the Management Act as to the circumstances in which an assessment may be made out of time shall apply accordingly on the footing that any such assessment relates to the year of assessment in which the quarter or other period ends.
- (2) Income tax assessed on a company under this Schedule shall be due within fourteen days after the issue of the notice of assessment (unless due earlier under paragraph 4(1) or 9 above).
- (3) Sub-paragraph (2) above has effect subject to any appeal against the assessment, but no such appeal shall affect the date when tax is due under paragraph 4(1) or 9 above.
- (4) On the determination of an appeal against an assessment under this Schedule any tax overpaid shall be repaid.
- (5) Any tax assessable under any one or more of the provisions of this Schedule may be included in one assessment if the tax so included is all due on the same date.

*Saving*

- 11 Nothing in the foregoing provisions of this Schedule shall be taken to prejudice any powers conferred by the Income Tax Acts for the recovery of income tax by means of an assessment or otherwise; and any assessment in respect of tax payable under paragraph 9 above shall be treated for the purposes of the provisions mentioned in paragraph 10(1) above as relating to the year of assessment in which the payment is made.

- 2 Where it is not in the circumstances apparent whether a transaction gives rise to a distribution in respect of which a return is required to be made under paragraph 1 above, the company shall—
- (a) within the time within which such a return would be required to be made if the transaction did give rise to such a distribution, make a return to the inspector containing particulars of the transaction in question ; and
  - (b) if required by a notice served on the company by the inspector, furnish him within the time specified in the notice with such further information in relation to the transaction as he may reasonably require.
- 3 If it appears to the inspector that particulars of any transaction ought to have been and have not been included in a return under this Schedule, he may by a notice served on the company require the company to furnish him within the time specified in the notice with such information relating thereto as he may reasonably require.
- 4 Any power which the inspector may exercise under paragraph 19 of Schedule 16 to this Act for the purposes of that Schedule may be exercised by him for the purposes of this Schedule.

*Issues of bonus redeemable share capital and bonus securities*

- 2 (1) Paragraph (c) of the said subsection (2) (redeemable share capital or security issued by company in respect of shares otherwise than for new consideration) shall apply also to any such capital or security issued after 5th April 1972 as is mentioned in that paragraph but in respect of securities and not shares, and accordingly for that paragraph there shall be substituted—
- “(c) any redeemable share capital or any security—
    - (i) issued by the company in respect of shares in the company;
    - or
    - (ii) issued by the company after 5th April 1972 in respect of securities of the company,

---

*Status: This is the original version (as it was originally enacted).*

---

and paragraph (d)(i) of that subsection (interest on securities mentioned in the said paragraph (c)) shall have effect accordingly.

- (2) For the purposes of the said paragraph (c)—
- (a) the value of any redeemable share capital shall be taken to be the amount of the share capital together with any premium payable on redemption, or in a winding up, or in any other circumstances; and
  - (b) the value of any security shall be taken to be the principal amount thereby secured (including any premium payable at maturity or in a winding up or in any other circumstances);

and in determining the amount of the distribution constituted by the issue of any redeemable share capital or any security, the capital or security shall be taken at that value.

*Interest etc. on certain kinds of securities*

- 3 (1) Sub-paragraph (ii) of paragraph (d) of the said subsection (2) (securities convertible directly or indirectly into shares, being securities which are not quoted or comparable to any which are quoted) shall apply also to securities issued after 5th April 1972 which are not quoted or comparable as aforesaid and carry any right to receive shares in or securities of the company, and accordingly for that sub-paragraph there shall be substituted—

“(ii) securities convertible directly or indirectly into shares in the company or securities issued after 5th April 1972 and carrying any right to receive shares in or securities of the company, not being (in either case) securities quoted on a recognised stock exchange nor issued on terms which are reasonably comparable with the terms of issue of securities so quoted; or”.

- (2) In the case of any interest or other distribution to which the said paragraph (d) applies by virtue of so much of sub-paragraph (iii) thereof as relates to securities under which the consideration represents more than a reasonable commercial return for the use of the principal secured, that paragraph shall not operate so as to treat as a distribution so much of the interest or other distribution as represents a reasonable commercial return for the use of that principal.
- (3) No amount shall be regarded for the purposes of the said paragraph (d) as representing the principal secured by a security issued after 5th April 1972 in so far as it exceeds any new consideration which has been received by the company for the issue of the security.

This sub-paragraph is without prejudice to section 237(6) of the Taxes Act (calculation of principal secured where securities are issued at a price less than the amount repayable on them).

*Transfer of assets and liabilities between resident companies*

- 4 (1) No transfer of assets (other than cash) or of liabilities between one company and another shall constitute, or be treated as giving rise to, a distribution by virtue of subsection (2)(b) or (3) of the said section 233 if they are companies—
- (a) both of which are resident in the United Kingdom and neither of which is a 51 per cent. subsidiary of a company not so resident; and

---

*Status: This is the original version (as it was originally enacted).*

---

- (b) which neither at the time of the transfer nor as a result of it are under common control.
- (2) For the purposes of this paragraph two companies are under common control if they are under the control of the same person or persons, and for this purpose "control" shall be construed in accordance with section 302 of the Taxes Act.
- (3) Any amount which would be a distribution by virtue of subsection (3) of the said section 233 apart from the proviso to that subsection (groups of companies resident in the United Kingdom), shall not constitute a distribution by virtue of subsection (2) (b) of that section.

*Bonus issue with or following repayment of share capital*

- 5 (1) Section 234 of the Taxes Act (which treats a bonus issue of share capital other than redeemable share capital as a distribution if it is made at the same time as or after a repayment of share capital) shall apply whether or not the bonus issue is of redeemable share capital, and accordingly in subsection (1)(b) of that section the words "not being redeemable share capital" shall be omitted.
- (2) Except in relation to a company within paragraph D of section 461 of the Taxes Act (closely controlled companies), the said section 234 shall not apply if the issue of share capital mentioned in paragraph (b) of subsection (1) of that section—
  - (a) is of share capital other than redeemable share capital; and
  - (b) takes place more than ten years after the repayment of share capital mentioned in paragraph (a) of that subsection.
- (3) This paragraph applies where the issue of share capital mentioned in section 234(1) (b) takes place on or after the 6th April 1973 ; and sub-paragraph (2) above applies whether the repayment of share capital there mentioned takes place before, on or after that date.

*Repayment of capital following bonus issue*

- 6 (1) Subsection (1) of section 235 of the Taxes Act (under which a distribution cannot be treated as a repayment of share capital if it follows a bonus issue which does not itself fall to be treated as a distribution) shall apply where the bonus issue falls to be treated as a distribution other than a qualifying distribution, and accordingly in that subsection for the words "treated as a distribution" and "treated as distributions" there shall be substituted the words "treated as a qualifying distribution" and "treated as qualifying distributions" respectively.
- (2) Except in relation to a company within paragraph D of section 461 of the Taxes Act, subsection (1) of the said section 235 shall not prevent a distribution being treated as a repayment of share capital if it is made—

  - (b) in respect of share capital other than redeemable share capital.
- (3) Sub-paragraph (1) above applies where the issue of share capital mentioned in section 235(1)(a) takes place on or after 6th April 1973 ; and sub-paragraph (2) above applies whether it takes place before, on or after that date.

- 8 (1) No consideration derived from the value of any share capital or security of a company, or from voting or other rights in a company, shall be regarded for the purposes of Part X of the Taxes Act or this Schedule as new consideration received by the company unless the consideration consists of—
- (a) money or value received from the company as a qualifying distribution;
  - (b) money received from the company as a payment which for those purposes constitutes a repayment of that share capital or of the principal secured by that security ; or
  - (c) the giving up of the right to that share capital or security on its cancellation, extinguishment or acquisition by the company.
- (2) No amount shall be regarded as new consideration by virtue of sub-paragraph (1)(b) or (c) above in so far as it exceeds any new consideration received by the company for the issue of the share capital or security in question or, in the case of share capital which constituted a qualifying distribution on issue, the nominal value of that share capital.

*Reciprocal arrangements*

- 9 (1) Where two or more companies enter into arrangements to make distributions to each other's members, all parties concerned may for the purposes of Part X of the Taxes Act and this Schedule be treated as if anything done by either of those companies had been done by the other.
- (2) This paragraph applies however many companies participate in the arrangements.

*Groups of companies*

- 10 (1) In Part X of the Taxes Act and this Schedule the expressions " in respect of shares in a company " and " in respect of securities of a company " in relation to a company which is a member of a 90 per cent. group, mean respectively in respect of shares in that company or any other company in the group and in respect of securities of that company or any other company in the group.

SCHEDULE 23

Section 109.

TAXATION OF COMPANIES AND COMPANY DISTRIBUTIONS: TRANSITIONAL PROVISIONS

**PART I**

ADVANCE CORPORATION TAX AVAILABLE FOR SET-OFF IN TRANSITIONAL PERIOD

*Determination of advance corporation tax for straddling accounting periods*

- 1 (1) Subject to paragraph 7 below, this paragraph applies where a company has an accounting period (in this Schedule referred to as " a straddling period ") which begins before 6th April 1973 and ends after 5th April 1973.
- (2) Section 85 of this Act shall have effect in relation to the straddling period as if the company, instead of having paid the advance corporation tax, if any, actually paid by it in respect of distributions made in the part of that period following 5th April 1973, had paid the advance corporation tax that would have been payable (apart from section 89 of this Act) in respect of a distribution made at the end of that part of an amount which, together with the advance corporation tax so payable in respect of it, is equal to such portion of the distributions made in the whole straddling period as would be attributed to that part on an apportionment of those distributions between that part of the straddling period and the remainder.
- (3) For the purposes of sub-paragraph (2) above the distributions made in a straddling period shall be taken to consist of—
- (a) the excess of the distributions made in that period before 6th April 1973 over the franked investment income received in that period before that date (or, if smaller than that excess, the excess of the distributions made in the year 1972-73 over the franked investment income received in that year); and
  - (b) the excess of the franked payments made in that period after 5th April 1973 over the franked investment income received in that period after that date.

*Restriction on advance corporation tax available for set-off in transitional period*

- 2 (1) Subject to paragraph 6(1) below, this paragraph applies to any company which does not satisfy the following conditions, that is to say—
- (a) that it was resident in the United Kingdom and carried on a trade or business throughout the year 1971-72 and is so resident and carries on a trade or business throughout the year 1972-73 ;
  - (b) that the excess of the distributions made by the company in the year 1972-73 over the franked investment income received in that year is not less than the corresponding excess for the year 1971-72 ; and

- (c) that it was not at any time in its base period after 5th April 1972 a 51 per cent. subsidiary of a company resident in the United Kingdom.
- (2) Subject to sub-paragraph (8) below and to the subsequent provisions of this Schedule, section 85 of this Act shall have effect in relation to the relevant accounting period in a distribution period, or, if more than one, all the relevant accounting periods in a distribution period as if the company, instead of having paid the advance corporation tax, if any, actually paid by it in respect of distributions made in that relevant accounting period or those relevant accounting periods, had paid advance corporation tax in respect of distributions made in that relevant accounting period or those relevant accounting periods of an amount which, in the aggregate, is equal to whichever of the following is the less, that is to say—
- (a) the advance corporation tax, if any, which the company is treated under paragraph 1 above or 7 below as having paid for any accounting period to which that paragraph applies which, or part of which, is a relevant accounting period included in the distribution period, plus the advance corporation tax, if any, actually paid by the company (and not repaid) in respect of distributions made in any other relevant accounting period in the distribution period ; or
  - (b) the advance corporation tax that would have been payable (apart from section 89 of this Act) in respect of a distribution made at the end of the distribution period which, together with the advance corporation tax so payable in respect of it, is equal to—
    - (i) the profit standard for that distribution period; or
    - (ii) the distribution standard for that distribution period, whichever is the greater.
- (3) In this Schedule "the profit standard", in relation to any distribution period, means an amount equal to 50 per cent. of the income, if any, of the company charged to corporation tax for that period (as defined in section 85(6) of this Act).
- (4) In this Schedule " the distribution standard " means an amount equal to the distributions, if any, made by the company in the time beginning with its base date and ending with the last day of the distribution period reduced by multiplying by the fraction
- $$\frac{A}{B}$$
- where A is the number of months or parts of months in the distribution period and B is the number of months or parts of months in the base period up to the end of the distribution period.
- (5) For the purposes of sub-paragraph (4) above the distributions made by the company in the time mentioned in that sub-paragraph shall be taken to consist of the aggregate of—
- (a) the excess of the distributions made in that time before 6th April 1973 over the franked investment income received in that time before that date (or, if smaller than that excess, the aggregate of the excess of the distributions made in the year 1971-72 over the franked investment income received in that year and of the corresponding excess for the year 1972-73) ; and
  - (b) the excess of the franked payments made in each relevant accounting period falling within that time over the franked investment income received in that period.
- (6) Subject to sub-paragraph (7) and paragraphs 3 and 4 below, in this Schedule—

---

*Status: This is the original version (as it was originally enacted).*

---

" distribution period " means any of the following, that is to say, the period beginning with 6th April 1973 and ending with the first relevant accounting period in the base period, the period beginning with the said 6th April and ending with the second relevant accounting period in the base period and similarly for each period beginning with the said 6th April and ending with a later relevant accounting period in the base period;

" relevant accounting period " means any accounting period or part of an accounting period beginning after 5th April 1973 and ending on or before the expiration of the base period;

" base period " means the period beginning with the company's base date and ending on the last day of the latest accounting period beginning within four years from the base date ;

" base date " means the day following the end of the company's accounting period or latest accounting period ending in the year 1971-72.

- (7) If, in the case of any company, accounts for no period ending in the year 1971-72 have been adopted before 21st March 1972, then—
- (a) if a terminal date or dates for an accounting period or accounting periods ending in that year has or have been decided, or fixed by a decision, before the said 21st March and there is sufficient evidence of the decision in some document in existence before the said 21st March, the base date of the company shall be the day following that terminal date or the last of those terminal dates, as the case may be;
  - (b) where paragraph (a) above does not apply, the base date of the company shall be the day following the anniversary in the year 1971-72 of the end of the company's latest accounting period or, if there is no such accounting period, of the date on which the company commenced business or came within the charge to corporation tax.
- (8) Sub-paragraph (2) above does not apply to a company if in the case of that company the relevant amount for any distribution period does not exceed—
- (a) £1,000 multiplied by the number of years or parts of years in the distribution period ; or
  - (b) the income charged to corporation tax (as defined in section 85(6) of this Act) for that period, whichever is the less ;

and for the purposes of this sub-paragraph the relevant amount in relation to a company is—

- (i) in the case of a distribution period that includes all or any part of an accounting period to which paragraph 1 above or 7 below applies, an amount equal to the distribution on which the advance corporation tax mentioned in sub-paragraph (2)(a) above would be calculated (if that sub-paragraph were applied to the company) plus that advance corporation tax ;
- (ii) in the case of any other distribution period, the excess of the franked payments made in that period over the franked investment income received in that period.

#### *New businesses*

- 3 (1) Where the first accounting period of a company began in the year 1971-72 the base date of the company shall be the first day of that accounting period.

  - (c) the distribution standard shall not apply to the company.
- (3) Where the first accounting period of a company begins after 5th April 1973—
- (a) the base date of the company shall be the first day of that accounting period;
  - (b) the base period of the company shall be the period beginning with the base date and ending on—
    - (i) the last day of the latest accounting period beginning within two years from the base date; or
    - (ii) the last day of the latest accounting period beginning before 5th April 1976,
 whichever is the earlier ;

- (4) Where a company which has ceased to be a chargeable company (that is to say, a company within the charge to corporation tax or resident in the United Kingdom) at any time before 6th April 1973 again becomes such a company before that date, its first accounting period for the purposes of this paragraph shall be taken to be the accounting period beginning on the occasion (or last occasion) on which it became such a company before that date; and where a company which has ceased to be a chargeable company at any time does not again become such a company until after 5th April 1973 its first accounting period for the purposes of this paragraph shall be taken to be the accounting period beginning on the occasion (or the first occasion) on which it becomes such a company after that date.

#### *Cessation of business*

- 4 (1) Where after 5th April 1973 a company ceases to be, and does not again before the expiration of the period mentioned in sub-paragraph (2) below come, within the charge to corporation tax, its base period shall end on the day on which it ceases to be within the charge to corporation tax.

---

- “(b) the advance corporation tax that would have been payable if the company had made in each accounting period or part of an accounting period in the distribution period a distribution equal to the amount to be taken in accordance with paragraph 9 of Schedule 16 to this Act as the company's relevant income for that accounting period or part of an accounting period”.
- (2) For the purposes of the paragraph (b) mentioned above, the amount to be taken as a company's relevant income for a part of an accounting period shall be arrived at by apportioning the relevant income for the whole of that accounting period between that part and the remainder.
- (3) If a company makes a claim in that behalf and shows that the distributions made by it in an accounting period or part of an accounting period in the distribution period were made for the purpose—
- (a) of avoiding an apportionment under the said Schedule 16 in respect of relevant income (as defined in paragraph 8 of that Schedule) of an earlier accounting period to which that Schedule applies ; or
  - (b) of avoiding a shortfall (as defined in section 290 of the Taxes Act) for an accounting period to which that section applies,
- the paragraph (b) mentioned in sub-paragraph (1) above shall have effect in relation to the accounting period or part in which the distributions were made as if instead of referring to the amount to be taken as the company's relevant income it referred to the amount of those distributions.

*Authorised unit trusts and investment trusts*

- 6 (1) Paragraph 2 above shall not apply to any authorised unit trust.
- (2) Where a company is an investment trust for all the accounting periods in its base period, then, if the effect would be to increase the amount of advance corporation tax which the company is treated as having paid in respect of any distribution period and the company makes a claim in that behalf, paragraph 2(2) above shall apply to the company as if for paragraph (b) there were substituted—
- “(b) the advance corporation tax that would have been payable (having regard to section 89 of this Act) if the distributions made by the company in the relevant accounting period or, if more than one, each relevant accounting period in the distribution period had not exceeded the distributions that it was necessary for the company to make in that period in order to comply with subsection (1)(e) of section 359 of the Taxes Act (limit on income that may be retained by investment trust as condition for approval under that section)”.
- (3) In relation to a relevant accounting period which is a fraction of a straddling period, the advance corporation tax to be taken into account for the purposes of the paragraph (b) mentioned above shall be a corresponding fraction of the advance corporation tax that would have been payable (having regard to section 89 of this Act) if the distributions made by the company in the straddling period had all been made at the end of that period and had not exceeded the distributions that it was necessary for the company to make in the straddling period in order to comply with the said subsection (1)(e).

- (4) In this paragraph " authorised unit trust" has the meaning given in section 358 of the Taxes Act and, subject to section 93(6) of this Act, " investment trust" has the meaning given in section 359 of that Act.

*Modification of paragraph 1(2) and (3) in case of change of accounting date*

- 7 (1) This paragraph applies instead of paragraph 1(2) and (3) above where a company has a straddling period—
- (a) which does not begin on the anniversary of the company's base date (as defined in the foregoing provisions of this Schedule); or
  - (b) which does not run for twelve months from that anniversary or, in the case of a company within paragraph 3(2) above, from its base date.
- (2) In this paragraph—
- " notional straddling period " means the period beginning on the anniversary in the year 1972-73 of the company's base date, or in the case of a company within paragraph 3(2) above on its base date, and ending after twelve months or at the end of the base period (as defined in the foregoing provisions of this Schedule) whichever is the earlier;
  - " the second part of the notional straddling period " means the part of it beginning with 6th April 1973 ;
  - " the distributions made in the notional straddling period " shall, subject to sub-paragraph (5) below, be determined in accordance with paragraph 1(3) above as for an actual straddling period.
- (3) Section 85 of this Act shall have effect in relation to any accounting period of the company which includes the whole of the second part of the notional straddling period as if the company, instead of having paid the advance corporation tax, if any, actually paid by it in respect of distributions made in that accounting period, had paid—
- (a) the advance corporation tax that would have been payable (apart from section 89 of this Act) in respect of a distribution made at the end of the second part of the notional straddling period of an amount which, together with the advance corporation tax so payable in respect of it, is equal to such portion of the distributions made in the whole notional straddling period as would be attributed to the second part of that period on an apportionment of those distributions between that part and the remainder; and
  - (b) the advance corporation tax, if any, paid by the company (and not repaid) in respect of the excess of franked payments made over the franked investment income received in the accounting period less the advance corporation tax, if any, paid by the company (and not repaid) in respect of any such excess as is by virtue of paragraph 1(3) above included in the distributions made in the notional straddling period.
- (4) Sub-paragraph (3) above shall have effect in relation to any accounting period of the company which includes a fraction of the second part of the notional straddling period as it applies in relation to an accounting period which includes the whole of that part but as if the reference in paragraph (a) to a portion of the distributions made in the whole of the notional period were a reference to a corresponding fraction of that portion.

---

*Status: This is the original version (as it was originally enacted).*

---

- (5) The distributions to be included by virtue of paragraph 1(3)(b) above in the distributions made in a notional straddling period shall not exceed—
- (a) in relation to an accounting period which includes the whole of the second part of the notional straddling period, the excess of the franked payments made in that accounting period after 5th April 1973 over the franked investment income received in that period after that date;
  - (b) in relation to an accounting period which includes a fraction of the second part of the notional straddling period, the excess of the franked payments made in that accounting period after that date over the franked investment income received in that period after that date plus the excess of the franked payments made after that date in each other accounting period which includes a fraction of the second part of the notional straddling period over the franked investment income received after that date in that other accounting period.

*Change of ownership of company*

- 8 (1) Sub-paragraphs (2) and (3) below apply if—
- (a) within any period of three years there is both a change in the ownership of a company and (either earlier or later in that period, or at the same time) a major change in the nature or conduct of a trade or business carried on by the company; or
  - (b) at any time after the scale of the activities in a trade or business carried on by a company has become small or negligible, and before any considerable revival of the trade or business, there is a change in the ownership of the company.
- (2) Where the change of ownership occurs in a straddling period or in a notional straddling period as defined in paragraph 7 above, the advance corporation tax which the company is treated under paragraph 1(2) or 7(3)(a) above as having paid shall not exceed the advance corporation tax actually paid by the company (and not repaid) in respect of distributions made in the straddling period or notional straddling period.
- (3) Where the change of ownership occurs after 5th April 1972—
- (a) paragraph 2 above shall apply to the company even though it satisfies the conditions mentioned in sub-paragraph (1) of that paragraph; and
  - (b) the distribution standard shall not apply to the company.
- (4) Where after 5th April 1972 there is a change in the ownership of, or a major change in the nature or conduct of a trade or business carried on by, a company, paragraph 2 above shall apply to the company even though it satisfies the conditions mentioned in sub-paragraph (1) of that paragraph.
- (5) Subsections (4), (5) and (7) of section 101 of this Act shall, so far as applicable, have effect in relation to this paragraph as they have effect in relation to that section.

*Groups of companies*

- 9 Regard shall be had to the provisions of this Schedule in determining whether a company has surplus advance corporation tax of which it can surrender the benefit under section 92 of this Act and the amount of any such surplus advance corporation tax, but those provisions shall not affect any advance corporation tax which a

company is treated by virtue of that section as having paid in consequence of the surrender to it of any such surplus by another company.

*Bonus issues*

- 10 (1) For the purposes of this Schedule there shall be disregarded any distribution if, by virtue of the following provisions of this paragraph, section 85 of this Act does not apply to the advance corporation tax payable in respect of it; and, subject to sub-paragraph (3) below, references in this Schedule to advance corporation tax paid by a company do not include references to advance corporation tax to which by virtue of those provisions the said section 85 does not apply.
- (2) Subject to sub-paragraph (4) below, section 85 of this Act shall not apply to advance corporation tax payable by a company in respect of any amount treated as a distribution—
- (a) by virtue of section 234 of the Taxes Act (bonus issues following repayment of share capital) where the repayment of share capital mentioned in subsection (1)(a) of that section has taken place before the passing of this Act or takes place thereafter but before 6th April 1973 ;
  - (b) by virtue of subsection (1) of section 235 of that Act (matters not to be treated as repayments of share capital) where the issue mentioned in paragraph (a) of that subsection has taken place before the passing of this Act or takes place thereafter but before 6th April 1973 ;
  - (c) by virtue of paragraph 3(3) of Schedule 22 to this Act where the security there mentioned was issued before the passing of this Act or is issued thereafter but before 6th April 1973.
- (3) Subject to sub-paragraph (4) below, the said section 85 shall not apply to advance corporation tax payable by a company in respect of any amount treated as a distribution—
- (a) by virtue of the said section 234 where the repayment of share capital mentioned in subsection (1)(a) of that section takes place in a distribution period ;
  - (b) by virtue of subsection (1) of the said section 235 where the issue mentioned in paragraph (a) of that subsection takes place in a distribution period ;
  - (c) by virtue of paragraph 3(3) of the said Schedule 22 where the security there mentioned was issued in a distribution period,
- except to the extent, if any, to which the said section 85 would have applied to that advance corporation tax if it had been included for that distribution period in the advance corporation tax mentioned in paragraph 2(2)(a) above.
- (4) Sub-paragraphs (2) and (3) above do not apply where the distribution on which the advance corporation tax is payable is made more than ten years after the repayment of share capital mentioned in the said section 234(1)(a), the issue mentioned in the said section 235(1)(a) or the issue mentioned in the said paragraph 3(3), as the case may be.
- (5) This paragraph shall be construed as if it were included in Part X of the Taxes Act.

- (2) Where a company has made a claim or claims under section 254 or 255 of the Taxes Act for an accounting period ending in the year 1972-73, or for an accounting period ending after 6th April 1973 but in a distribution period, the franked investment income to be taken into account under this Schedule shall be calculated as if that claim or those claims had not been made, and the advance corporation tax referred to in paragraph 2(2)(a) and 7(3)(b) above as having been paid by a company (and not repaid) shall be calculated accordingly.
- (3) Where in consequence of the application of this Schedule to any distribution period a company has been denied the benefit of any advance corporation tax and in consequence of the subsequent application of this Schedule to another distribution period it appears that the company ought not have been denied the benefit of that tax, relief shall be given by discharge or repayment of tax.
- (4) In this Schedule references to franked investment income received in any year or period include references to franked investment income treated as received in that year or period; and for the purposes of paragraph 1(3)(b) above in its application to a notional straddling period as defined in paragraph 7 above, franked investment income which is treated by virtue of section 89(3) of this Act as having been received in any accounting period shall be treated as received on the first day of that period.
- (5) In this Schedule references to franked investment income do not include references to franked investment income which by virtue of section 89(5) of this Act cannot be used to frank distributions of a company.

---

*Status: This is the original version (as it was originally enacted).*

---

- (2) Sub-paragraph (1) above shall apply with the necessary modifications to a dividend partly at a gross rate or of a gross amount and shall apply to any distribution other than a dividend as it applies to a dividend.

- (2) Subsections (3) and (4) of the said section 289 shall have effect in relation to the year 1973-74 as if references to a surplus of franked investment income were references only to so much, if any, of any such surplus as corresponds to franked investment income treated by virtue of paragraph 14 above as received by the company on 6th April 1973.
- (3) In subsection (5) of the said section 289 references to a later accounting period do not include references to any accounting period beginning with or after 6th April 1973 ; and—

Section 121.

### RELIEF FROM ESTATE DUTY SUPPLEMENTARY PROVISIONS

#### PART I

##### GIFTS EXCEPTED FROM SECTION 121

- 1 A gift is excepted from each of the paragraphs of subsection (1) of the principal section if it takes effect on the termination of any interest or on the termination of any period, other than an interest or period terminating on or before the death ; but this paragraph shall not be taken to except a gift from paragraph (c) of that subsection by reason only that the gift is dependent on the widow or widower surviving the deceased for a specified period.
- 2 A gift is excepted from each of the paragraphs of that subsection if it depends on a condition which is not satisfied within twelve months after the death.
- 3 (1) A gift is excepted from paragraphs (a) and (b) of that subsection if it is less than the donor's full interest in the property given or is for a limited period or is defeasible or if it or any part of it is or may become applicable for other than charitable purposes or the purposes of a body falling within Schedule 25 to this Act.  
(2) For the purposes of this paragraph—
  - (a) any question whether a gift is less than the donor's full interest in the property given shall be decided as at a time twelve months after the death ; and
  - (b) any gift which has not been defeated at that time and is not defeasible after that time shall be treated as not being defeasible, whether or not it was capable of being defeated before that time.

#### PART II

##### ALLOCATION OF RELIEF

- 4 Any question how the reduction in estate duty resulting from the principal section and this Schedule is to be attributed to the duty payable respectively on property to which different persons become entitled on the death shall be determined in accordance with the following provisions of this Part of this Schedule ; and nothing in Part III of this Schedule shall be taken to affect that question.
- 5 The reduction referred to in the following provisions of this Part of this Schedule is the reduction in estate duty after allowing for any reduction in the estate rate and for any reduction attributable to section 16(3) of the Finance Act 1894.
- 6 No part of the reduction shall reduce the duty on chargeable property except in so far as the duty would be attributable to property specifically given but would fall on residue ; and in particular, where property given as a share in residue or in a fund is exempt property the reduction resulting from that property being exempt property shall not reduce the duty on any share in the residue or fund which is chargeable property.
- 7 Where any of the exempt property is property falling within paragraph (c) of subsection (1) of the principal section, the reduction shall be so made as to be most

---

*Status: This is the original version (as it was originally enacted).*

---

favourable to the widow or widower ; and subject thereto and to paragraph 6 above, the reduction shall be treated as reducing duty on property bearing its own duty (whether or not specifically given) before duty on property not bearing its own duty.

### PART III

#### ASCERTAINMENT OF EXEMPT AND CHARGEABLE PROPERTY

##### *Exempt and chargeable property*

- 8 Any question whether or to what extent the value attributable to any property is to be disregarded under the principal section shall be determined in accordance with the following provisions of this Schedule ; and in this Schedule " exempt property " means so much of any property as corresponds to the value to be so disregarded and "chargeable property" means the remainder of the property forming part of the estate.

##### *General principle*

- 9 Where it is material for any purpose which of two or more possible assets are taken to constitute exempt property—
- (a) such assets shall be taken to fall within paragraph (c) of subsection (1) of the principal section as are most favourable to the widow or widower, and any agreement between the widow or the widower and the Commissioners as to what assets will be most favourable shall be conclusive ;
  - (b) subject to sub-paragraph (a) above, property bearing its own duty shall be taken to be exempt property before property not bearing its own duty ; and
  - (c) subject to sub-paragraphs (a) and (b) above, each of the assets shall be so taken to the extent proportionate to its value.

##### *Small estates and separable property*

- 10 Where, under section 16(3) of the Finance Act 1894 (and apart from the principal section and this Schedule), any property is treated as an estate by itself the principal section and this Schedule shall have effect as if that property were not included in the property passing on the death.
- 11 Any property which, under section 16(3) of the Finance Act 1894 would fall to be treated as an estate by itself if its net value did not exceed that mentioned therein is in this Schedule referred to as separable property.

##### *Annuities*

- 12 For the purposes of the principal section and of this Schedule the value of any annuity or other periodical payment of any amount shall be taken to be the value of property needed to produce income of that amount; and the value of the property out of which the annuity or other sum is paid shall be taken to be reduced accordingly.

##### *Abatement not attributable to duty*

- 13 Where any gift would fall to be abated owing to the insufficiency of the estate and apart from any estate duty payable on the estate, so much only of any property

---

*Status: This is the original version (as it was originally enacted).*

---

comprised in the gift shall be taken into account under the following provisions of this Schedule as remains after the abatement.

*Abatement for estate duty*

- 14 So much only of the property passing on the death shall be exempt property as remains after making any deductions required by the following paragraphs.
- 15 There shall first be calculated the aggregate of the following values of the property which is specifically given or to which the widow or widower is specifically entitled—
- (a) the principal value of any property falling within paragraph (a) of subsection (1) of the principal section ;
  - (b) the appropriate value of any property falling within paragraph (b) or (c) of that subsection ; and
  - (c) the appropriate value of any property not falling within any of those paragraphs;
- and for this purpose any debt incurred by the deceased for which no allowance is to be made under section 7(1) of the Finance Act 1894 shall be treated as property specifically given.

- 16 If the aggregate calculated under paragraph 15 above exceeds the principal value of the estate, the property specifically given (whether exempt or chargeable property) shall be taken to be reduced by such proportion thereof as would result in the aggregate being equal to that principal value; and in making the reduction due effect shall be given to any disposition under which any property is given.

*Residue*

- 17 If the aggregate calculated under paragraph 15 above is less than the principal value of the estate, so much of the remainder as is property falling within subsection (1) of the principal section shall be exempt property so far as—
- (a) it is property falling within paragraph (a) of that subsection; or
  - (b) it is property falling within paragraph (b) or (c) of that subsection and does not, when added to the amount taken into account under paragraph 15(b) above, exceed the limit specified in paragraph (b) or (c) of that subsection.

*Appropriate value*

- 18 The appropriate value of any property bearing its own duty is its principal value.
- 19 Where property does not bear its own duty then—
- (a) if the property is property falling within paragraph (b) or (c) of subsection (1) of the principal section, its appropriate value is the aggregate of—
    - (i) its principal value, so far as it does not exceed the limit mentioned in that paragraph as reduced under paragraph 20 below ; and
    - (ii) the grossed-up equivalent of the remainder ; and
  - (b) if it is property not falling within that subsection its appropriate value is the grossed-up equivalent of its principal value.
- 20 Where property specifically given and bearing its own duty falls within paragraph (b) or (c) of subsection (1) of the principal section the limit mentioned

---

*Status: This is the original version (as it was originally enacted).*

---

therein shall for the purposes of paragraph 19 above be reduced by the principal value of that property (and accordingly shall for those purposes be nil if it is equalled or exceeded by that principal value).

*Grossed-up equivalent*

- 21 For the purposes of paragraph 19 above the grossed-up equivalent of the principal value or part of the principal value of any property is such amount as would, after deduction of estate duty at the appropriate rate, be equal to the principal value or part; and for this purpose the appropriate rate—
- (a) in relation to any property other than separable property, is the rate which would be the estate rate apart from the principal section and this Schedule ; and
  - (b) in relation to separable property is the rate found by taking the amount of the estate duty that would be payable on that property (apart from the principal section and this Schedule) if no relief were given other than relief under section 16(3) of the Finance Act 1894 and dividing the amount so taken by the principal value of that property.

*Amounts payable out of different funds*

- 22 Where amounts are payable out of different funds the calculations required by the preceding provisions of this Part of this Schedule shall be made separately for each of those funds, with the necessary adjustments of the values and amounts referred to therein.

**PART IV**

EFFECT OF CERTAIN EVENTS AFTER DEATH

*Failure of charitable object*

- 23 Where property given to a charity or property representing such property ceases at any time to be applicable to charitable purposes (without being replaced by other property) there shall be calculated the amount by which the estate duty chargeable on the death would have been increased if so much of the property falling within paragraph (b) of subsection (1) of the principal section and treated as exempt property as corresponds to the principal value at that time of the property ceasing to be so applicable had been treated as chargeable property ; and that amount shall be an amount of estate duty and the persons entitled to the property immediately after that time shall be accountable for it.

*Works of national importance, etc., and timber*

- 24 Where objects to which section 40 of the Finance Act 1930 (objects of national, etc., interest) applies would, had they not been enjoyed in kind, have been property falling within subsection (1) of the principal section, then, to the extent that they would have been exempt property they shall remain exempt from estate duty notwithstanding that they are sold, or that an undertaking given under section 48(1) of the Finance Act 1950 has not been observed, but, in the case of objects which would have fallen within paragraph (c) of that subsection, only if they are sold,

---

*Status: This is the original version (as it was originally enacted).*

---

or the failure to observe the undertaking occurs, within the lifetime of the widow or widower ; and similarly with respect to timber, trees and wood exempted under section 61(5) of the Finance (1909-10) Act 1910.

*Deeds of family arrangement*

- 25 If not more than two years after the death any of the dispositions of the property of which the deceased was competent to dispose, whether effected by will or under the law relating to intestacies, or otherwise, are varied by a deed of family arrangement or similar instrument the principal section and this Schedule shall apply as if the variation made by the deed or other instrument had been effected by the deceased.
