Apportionments of syndicate profit or loss

- 7 (1) Where a determination of a syndicate profit or loss for a year of assessment is made, varied or modified (whether under the foregoing provisions of this Schedule or on appeal), the inspector may, by notice in writing to the agent, require him to make to the inspector, within the specified period, a return apportioning, between the members of the syndicate, the syndicate profit or loss as stated in the determination as so made, varied or modified.
- (2) If the agent, having been required by a notice under sub-paragraph (1) above to deliver a return within the specified period, fails to deliver the return within that period, he shall be liable to a penalty equal to the prescribed amount multiplied by the number of days on which the failure continues; and in this sub-paragraph “the prescribed amount” means £5 for each fifty members of the syndicate (counting any number of members left over as fifty).
- (3) In this paragraph “the specified period” means such period, not being less than thirty days and beginning with the day following the date of the notice under sub-paragraph (1) above, as may be specified in that notice.

Individual members: effect of determinations

- 8 (1) A determination of a syndicate profit or loss for a year of assessment (whether as originally made or as varied or modified) shall, for the purpose of determining the liability to tax of each member of the syndicate, be conclusive against that member that the syndicate profit or loss for that year is as there stated.
- (2) Where a determination of a syndicate profit or loss for a year of assessment is varied or modified at any time after the issue of a notice of assessment assessing any member of the syndicate to tax—
- (a) section 31 of the ^{M8}Taxes Management Act 1970 (right of appeal) and section 55 of that Act (postponement of tax) shall have effect, in relation to that member, as if any reference to the date of the notice of assessment, or the date of the issue of the notice of assessment, were a reference to the date of the variation or modification; and
- (b) in the case of a variation, an assessment which gives effect to the determination as varied shall not be out of time if it is made within one year of the date of the variation.
- (3) Sub-paragraph (2)(b) above shall not apply in the case of a variation under paragraph 4(3) above which is made later than six years after the end of the closing year.
