- (5) *Where a person disposes of shares in a company (“the said company”) in a case falling within subsection (1)(a) above and at the material time (that is to say, immediately before the disposal) the said company had control of a land-owning company which, because it was not resident in the United Kingdom, was not a close company, then this Chapter shall apply in relation to the disposal as if that land-owning company had been resident in the United Kingdom at that time.*

42 Disposals of interests in settled property. **U.K.**

- (1) *Where after 17th December 1973 a person disposes of an interest under a settlement which immediately before the disposal is a land settlement, the disposal shall be deemed to be a disposal of an interest in land to which section 38 of this Act applies.*
- (2) *Where a chargeable gain accrues to a person on a disposal of an interest under a settlement to which the preceding subsection applies, then, subject to the provisions of section 39 of this Act and this section, the development gain accruing to him in respect of the disposal shall be equal to that chargeable gain.*
- (3) *Where, apart from this subsection, a development gain would by virtue of the preceding provisions of this section accrue to a person in respect of a disposal of an interest under a settlement then—*
 - (a) *a development gain shall not accrue to him in respect of the disposal unless an excess of development gains over development losses would have accrued to the trustees of the settlement on their disposing of the relevant land comprised in the settled property at market value at the time of his disposal; and*
 - (b) *the development gain accruing to him in respect of the disposal shall not exceed the amount (if any) by which the market value of the interest at that time exceeds what its market value would then have been if the value of the relevant land then comprised in the settled property had been equal to the actual value of that relevant land at that time reduced by one-half of the excess of development gains over development losses that would have accrued as mentioned in paragraph (a) above.*

If a claim under section 40(2) of this Act could have been made in respect of any disposal which is to be assumed for the purposes of this subsection, that claim shall for those purposes be assumed to have been made.

- (4) *Where a gain accrues to a person on a disposal of an interest under a settlement which immediately before the disposal is a land settlement and—*
 - (a) *[^{F36}section 58(1) of the Capital Gains Tax Act 1979 ^{F36}] (exemption for gains accruing on disposals of interests under settlements) would, apart from this subsection, apply to that gain; and*
 - (b) *immediately before the disposal it was the case that under the terms of the settlement the person making the disposal would or might become absolutely entitled to all or any part of the settled property as against the trustee,*
then the development gain accruing to him in respect of that disposal shall first be computed as if the [said section 58(1) ^{F37}] did not so apply, and the [^{F37}said section

58(1)^{F37} shall then apply to so much, if any, of the gain as is not by virtue of this Chapter a development gain.

- (5) Where by virtue of ^{F37}section 58(2) of the Capital Gains Tax Act 1979^{F37} a person who has acquired an interest in settled property is treated as disposing of the interest on the occasion of his becoming, as the holder of that interest, absolutely entitled to any settled property as against the trustee, then—
- (a) subsection (4) above shall not apply in the case of that disposal if the trustee is chargeable to tax on that occasion by virtue of ^{F37}section 54(1) of the Capital Gains Tax Act 1979^{F37} (settled property); and
 - (b) where the preceding paragraph would apply if the trustee were resident and ordinarily resident in the United Kingdom, then, if any beneficiary under the settlement is by virtue of ^{F37}section 17 of the Capital Gains Tax Act 1979^{F37} (non-resident trusts) treated as if the whole or part of the relevant amount had been development gains accruing to that beneficiary, the development gain accruing to the first-mentioned person in respect of the said disposal shall not exceed the difference between what that development gain would be apart from this paragraph and the relevant fraction of what that development gain would be apart from this paragraph.
- (6) For the purposes of this and the preceding subsection—
- (a) “the relevant amount” means the amount on which the trustee of the settlement mentioned in that subsection would have been chargeable to income tax in respect of development gains by virtue of section 38(2) of this Act as mentioned in subsection (2) of the said ^{F37}section 17^{F37};
 - (b) “the relevant fraction” means the fraction of which the numerator is equal to so much of the relevant amount as is by virtue of subsection (2) of the said ^{F37}section 17^{F37} treated as development gains accruing to beneficiaries under the said settlement, and the denominator is the relevant amount; and
 - (c) references to the said ^{F37}section 17^{F38} are references to that section as it has effect in relation to development gains by virtue of paragraph 3 of Schedule 8 to this Act.
- (7) Where, in a case to which subsection (4) above applies, a person having an interest in settled property is charged to tax in respect of a development gain accruing to him by virtue of this section, then, for the purposes of the computation under ^{F38}Chapter II of Part II of the Capital Gains Tax Act 1979^{F38} of the gain accruing to the trustees of the settlement on a disposal of all or any part of the relevant land which was comprised in the settled property immediately before the disposal in respect of which that development gain accrued to him, ^{F38}section 32(1)(a) of the Capital Gains Tax Act 1979^{F38} (computation of chargeable gains: allowable expenditure) shall apply—
- (a) as if a sum equal to the amount of that development gain formed part of the consideration given by the trustees for the acquisition of the relevant land which was so comprised in the settled property; and
 - (b) if the relevant land which was so comprised in the settled property consisted of more than one interest in land, as if such proportion of that sum as is just and reasonable formed part of the consideration given by the trustees for the acquisition of each of those interests.
- (8) For the purposes of this section—
- (a) a settlement is a “land settlement” if the settled property comprises relevant land to a value exceeding three-quarters of the net value of all the settled

(b) *“value”, in relation to any settled property, means market value.*

(9) *For the purposes of this and the preceding subsection—*

- (a) *“relevant land” (subject to subsection (10) below) means any interest in land situated in the United Kingdom, other than an interest held as trading stock;*
- (b) *the value of the relevant land comprised in settled property shall be taken to be its value free of any liability charged or secured thereon;*
- (c) *the net value of the assets of any business comprised in settled property shall be taken to be the net value they would have on a sale in the open market of the business as a going concern;*
- (d) *the settled property comprised in a settlement shall be treated as including any interest in land which the trustees in their capacity as such have unconditionally contracted to acquire, but not as including any interest in land which the trustees in that capacity have unconditionally contracted to dispose of; and*
- (e) *shares in a company shall be treated as an interest in land situated in the United Kingdom if a disposal thereof would fall within section 41(1) of this Act.*

(10) *Subsections (8) to (10) of section 41 of this Act, except paragraph (b) of subsection (8) and so much of subsection (9) as refers to, or relates to the case mentioned in, that paragraph, shall apply for the purposes of subsections (8) and (9) above as they apply for the purposes of subsections (6) and (7) of that section, subject to the modification that for references to a company there shall be substituted references to the trustees of settled property in their capacity as such.*

46 Interpretation, etc. **U.K.**

“chargeable building” has the meaning given by subsections (3) to (5) below^{F48};
“interest in land” and “land” have the same meaning as in Chapter I of this Part of this Act;

“lease” includes an underlease, sublease or tenancy, and “lessor”, “lessee”, “let” and “rent” shall be construed accordingly;

“material development” has the meaning given by paragraph 6 of Schedule 3 to this Act;

“the material date”, in relation to a chargeable building which after 17th December 1973 is first let or occupied to a material extent after the commencement of the relevant development, means the later of the following dates, namely the date after 17th December 1973 on which the chargeable building was first let or occupied as aforesaid and the date on which the relevant development is substantially completed;

Status: Point in time view as at 22/07/2004.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1974. (See end of Document for details)

“the relevant development”, in relation to a chargeable building, means the material development from which the building has resulted or of which it has been the subject, so far as that development directly concerns that building^{F48};
“the relevant land”, in relation to a chargeable building, means the chargeable building and its site (including in the site, subject to subsection (6) below, any land occupied for purposes ancillary to the use of the chargeable building).

- (2) *For the purposes of this Chapter a person shall be treated as occupying land if, but only if, his occupation of it is or, but for any exemption from rates which he enjoys, would be such as to render him or some other person liable to be assessed to rates in respect thereof under the law relating to rating in the part of the United Kingdom in which the land is situated, and references to occupation shall be construed accordingly.*
- (3) *Subject to subsections (4) and (5) below, every separate building in the United Kingdom that has resulted from or been the subject of material development (whenever carried out) shall be a chargeable building for the purposes of this Chapter, except that for those purposes—*
- (a) *a separate building constructed or adapted for use wholly as one or more private dwellings shall not be a chargeable building; and*
 - (b) *a separate building constructed or adapted for use only partly as one or more private dwellings shall be a chargeable building but shall be deemed not to include any part constructed or adapted for use as a private dwelling.*
- (4) *For the purposes of the preceding subsection a building which is physically connected with another building—*
- (a) *shall, although so connected, be treated as a separate building if it is so constructed as to be capable of remaining in position and being used independently of the other building or as to require only minor modification to render it so capable; and*
 - (b) *shall not be treated as other than a separate building merely because it is so connected with the other building at or below ground level or by means of a bridge or similar structure (whether affording access or accommodation or both).*
- (5) *Where—*
- (a) *subsection (1) of section 45 of this Act has operated in the case of a chargeable building or would have so operated if that section had been enacted and come into force before the commencement of the relevant development, and had been so enacted with the omission of subsection (3) and of the words “after 17th December 1973” in subsection (1); and*

 - (c) *one or more parts, but not the whole, of the resulting chargeable building has or have directly resulted from or been directly the subject of the further material development,*
- then, without prejudice to subsection (3)(a) and (b) above, the resulting chargeable building shall for the purposes of this Chapter be deemed not to include any part*

which has not directly resulted from or been directly the subject of the further material development.

- (6) *Where land is occupied for purposes ancillary to the use of two or more chargeable buildings, it shall for the purposes of this Chapter be apportioned between those buildings in a fair and reasonable manner; and so much of the land as is apportioned to any one chargeable building shall for those purposes be taken to form part of the site of that, and of no other, chargeable building.*

Current use value—part disposals

- 2 (1) Subject to sub-paragraphs (5) to (7) below, this paragraph shall apply as regards the current use value of an interest in land which has been disposed of by way of a part disposal of an asset (in this paragraph referred to as “the relevant asset”) consisting of an interest in land.
- (2) The current use value at the relevant time of the interest disposed of shall be the relevant fraction of the current use value of the relevant asset at that time, calculated on the same assumptions as to the lawfulness or otherwise of any material development as fall to be made under this Schedule in calculating the current use value at that time of the interest disposed of.
- (3) For the purposes of the preceding sub-paragraph “the relevant fraction” means that fraction of the sums mentioned in the following sub-paragraph which under [subsection (2) of section 35 of the Capital Gains Tax Act 1979^{F68}] is, or would but for [subsection (4) of that section^{F68}] be, allowable as a deduction in computing under [Chapter II of Part II of that Act^{F68}] the amount of the gain accruing on the part disposal.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1974. (See end of Document for details)

- (4) *The sums referred to in the preceding sub-paragraph are the sums which, if the entire relevant asset had been disposed of at the time of the part disposal, would be allowable by virtue of [section 32 (1)(a) and (b) of the Capital Gains Tax Act 1979 ^{F68}] as a deduction in computing under [Chapter II of Part II of that Act ^{F68}] the gain accruing on that disposal of the relevant asset.*
- (5) *Sub-paragraphs (2) to (4) above shall not apply—*
- (a) *in the case of a disposal of an interest in land by way of a part disposal if, on making the disposal, the person doing so no longer has any interest in the land which is subject to that interest; or*
- (b) *in a case to which the following provisions of this paragraph apply.*
- (6) *In computing under this Chapter any gain accruing to a person on a part disposal of a lease which is a wasting asset by way of the grant of a sub-lease for a premium, the current use value of the lease at the time of its acquisition by the person making the disposal shall be the relevant fraction of what its current use value at that time would be apart from sub-paragraphs (2) to (4) above.*
- (7) *For the purposes of the preceding sub-paragraphs “the relevant fraction” means that fraction of the expenditure attributable to the lease under [section 32(1)(a) and (b) of the Capital Gains Tax Act 1979 ^{F68}] which under paragraph 4 of [Schedule 3 ^{F68} to that Act (sub-leases out of short leases) falls to be apportioned to what is disposed of.*

- (a) *a freehold interest which is subject to a lease or an agreement for a lease; or*
- (b) *an interest under a lease or agreement for a lease,*
- shall be ascertained without regard to any premium required under the lease or agreement for a lease or any sublease, or otherwise under the terms subject to which the lease or sublease was or is to be granted, but with regard to all other rights under the lease or prospective lease (and, for the current use value of an interest under a lease subject to a sublease, under the sublease).*

 - (b) *there shall be calculated for each of those occasions other than the first the amount (if any) by which the current use value of the interest immediately before the date on which the material development carried out on that occasion was begun exceeds the aggregate of the amounts mentioned in sub-paragraph (5) above (the references there to the material development mentioned in sub-paragraph (1) above being for this purpose read as references to the material development carried out on the occasion preceding the one for which the calculation is being made); and*
 - (c) *there shall be calculated the amount (if any) by which the current use value of the interest at the time of the disposal exceeds the aggregate of the amounts mentioned in sub-paragraph (5) above (the references there to the material development mentioned in sub-paragraph (1) above being for this purpose*

Section 45.

SUPPLEMENTARY PROVISIONS ABOUT DEEMED DISPOSALS UNDER SECTION 45

Textual Amendments

F117 Sch. 9 repealed by Finance Act 1985 (c. 54, SIF 63:1), s. 98(6) and Sch. 27 Part X in relation to disposals of interests in land taking place on or after 19 March Finance Act 1985 (c. 54, SIF 63:1), but without affecting the construction of 1979 (C) Sch. 5 para. 9(5).

Interpretation

- 1 (1) In this Schedule—

"the five-year period", in relation to a relevant chargeable building, means the period of five years beginning with the material date;

"the interest of a relevant person", in relation to a relevant chargeable building, means that interest of a relevant person in the relevant land by virtue of which he is a relevant person (and references to a relevant person's interest shall be construed accordingly);

"the principal section" means section 45 of this Act;

"relevant chargeable building" means a chargeable building which after 17th December 1973 is first let or occupied to a material extent after the commencement of the relevant development, other than a chargeable building in the case of which, by virtue of subsection (3) of the principal section, subsection (1) of that section does not apply;

Status: Point in time view as at 22/07/2004.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1974. (See end of Document for details)

“relevant person”, in relation to a chargeable building which after 17th December 1973 is first let or occupied to a material extent after the commencement of the relevant development, means any person who after that date, either by granting one or more leases or by his occupation of the whole or any part or parts of the chargeable building, caused or helped to cause the building to be let or occupied as aforesaid.

- (2) *In the application of the principal section and this Schedule to Scotland,—*
“freehold” means the estate or interest of the proprietor of the dominium utile, or, in the case of property other than feudal property, of the owner;
“reversion” means the interest of the landlord in property subject to a lease.

The interest of a relevant person

- 2 (1) *In the case of a relevant chargeable building, this paragraph shall apply in relation to the interest of a relevant person in the relevant land.*
- (2) *Subsection (1) of the principal section shall not apply to a relevant person’s interest in the relevant land on the material date unless on that date—*
- (a) *the relevant land is wholly or partly let under one or more leases granted by him; and*
 - (b) *the rent or aggregate of the rents to which he is entitled under the lease or leases is £5,000 or more per annum,*

and shall in any case not apply to his interest in so much, if any, of the relevant land as is occupied by him on that date.

For the purposes of this and the following sub-paragraph a relevant person who on any date occupies not less than 90 per cent. of the floor area of the relevant chargeable building shall be deemed to occupy on that date the whole of so much of the relevant land as is then subject to his interest (and references to occupation in this and the following sub-paragraph shall be construed accordingly).

- (3) *Where by virtue of sub-paragraph (2) above subsection (1) of the principal section does not apply—*
- (a) *to a relevant person’s interest in the relevant land on the material date by reason of his occupation of so much of that land as is subject to that interest; or*
 - (b) *to a relevant person’s interest in that land on that date so far as it is not occupied by him,*

then, if within the five-year period the rent or aggregate of the rents to which he is entitled under any lease or leases by which he has let the whole or any part or parts of the relevant land becomes £5,000 or more per annum, he shall be deemed for the purposes of [the Capital Gains Tax Act 1979 ^{F118}] and Chapter I of this Part of this Act to have on the subsequent date disposed of and immediately re-acquired for a consideration equal to its market value his interest in so much of the relevant land as is not on the subsequent date occupied by him ^{F119}.

In this and the following sub-paragraph “the subsequent date” means the date within the five-year period on which the said rent or the aggregate of the said rents first becomes £5,000 or more per annum or, if this sub-paragraph would to any extent apply to a relevant person’s interest on the last-mentioned date but for his occupation on that date of not less than 90 per cent. of the floor area of the relevant chargeable

building, the date (if any) within the five-year period on which he first occupies less than 90 per cent. of that floor area.

- (4) *If before the end of the five-year period a relevant person—*
- (a) *in a case where subsection (1) of the principal section applies to his interest on the material date in so much of the relevant land as was not occupied by him on that date, ceases to occupy any part of the relevant land which was occupied by him on that date; or*
 - (b) *in a case where sub-paragraph (3) above applies to his interest on the subsequent date in so much of the relevant land as was not occupied by him on that date, ceases to occupy any part of the relevant land which was occupied by him on that date,*

then the said subsection (1) or sub-paragraph (3) shall apply to his interest in that part as if he had not been in occupation of it on the material date or the subsequent date, as the case may be (but without prejudice to the operation of this sub-paragraph in relation to his interest in any other such part of the relevant land which he may cease to occupy within the five-year period).

- (5) *For the purposes of this paragraph the rent per annum to which a relevant person is entitled at any particular date under a lease of the whole or part of the relevant land shall be treated as being whichever of the following is the greater, that is to say—*
- (a) *the rent which at the time when the lease was granted was the rack-rent for so much of the relevant land as is let under the lease; and*
 - (b) *the actual rent per annum to which he is entitled under the lease at that date.*

Interests other than that of a relevant person

- 3 (1) *Subject to the following paragraphs of this Schedule, this paragraph (so far as applicable) shall in the case of a relevant chargeable building have effect with respect to any interest (other than the interest of a relevant person) which a person has in the relevant land on the material date, being a freehold interest or an interest under a lease or agreement for a lease.*
- (2) *Subsection (1) of the principal section shall not apply to a person's freehold interest in the whole or part of the relevant land or to the interest of a lessee under a lease of the whole or part of the relevant land if at the material date—*
- (a) *that interest is not subject to any lease or agreement for a lease, and the rack-rent for so much of the relevant land as is subject to that interest is less than £5,000 per annum and cannot reasonably be expected to be increased to or above £5,000 per annum within the five-year period; or*
 - (b) *that interest is subject to one or more leases or agreements for a lease extending, or together extending, to the whole of so much of the relevant land as is subject to that interest, and the rent or aggregate of the rents to which he is or is to be entitled under or by virtue of the said one or more leases or agreements is less than £5,000 per annum and cannot reasonably*

Status: Point in time view as at 22/07/2004.

be expected to be increased to or above £5,000 per annum within the five-year period; or

- (c) *that interest is subject to one or more leases or agreements for a lease extending, or together extending, to part only of so much of the relevant land as is subject to that interest, and the aggregate of—*

(i) the rent or aggregate of the rents to which he is or is to be entitled under or by virtue of the said one or more leases or agreements; and

(ii) the rack-rent for the remainder of so much of the relevant land as is subject to that interest,

is less than £5,000 per annum and cannot reasonably be expected to be increased to or above £5,000 per annum within the five-year period.

- (3) *Sub-paragraph (2) above shall apply in relation to the interest of a person under an agreement to grant him a lease of the whole or part of the relevant land as it applies in relation to the interest of a lessee under a lease of the whole or part of the relevant land, subject to the modification that in paragraphs (a) to (c) the references to his interest under that agreement being subject to one or more leases shall be omitted.*

- (4) *Where a person's interest in the relevant land falls within sub-paragraph (1) above and is not excluded from the operation of subsection (1) of the principal section by any of the preceding provisions of this paragraph, the said subsection (1) shall not apply to that interest if the rent or aggregate of the rents to which he is or is to be entitled under or by virtue of any one or more leases or agreements for a lease to which at the material date that interest is subject does not, and cannot be made to, reflect the value or any part of the value of the relevant development.*

- (5) *Where—*

(a) the preceding sub-paragraph would apply to a person's interest in the relevant land but for the fact that the rent or aggregate of the rents there mentioned can be made to reflect the value or part of the value of the relevant development; but

(b) that rent or the aggregate of those rents cannot be made to reflect that value (or part of it) until a date as from which the rent or one or more of the rents in question could be increased under provisions for the review of the rent contained in any relevant lease or agreement,

then, if that person makes a claim under this sub-paragraph, subsection (1) of the principal section shall in the case of that interest or, if the rent or rents which can be increased as mentioned in paragraph (b) above extend to part only of a person's interest, that part of his interest apply as if the last reference therein to the material date were a reference to the date mentioned in paragraph (b) of this sub-paragraph and, where the rent or rents which can be increased at that date extend to part only of a person's interest, as if his interest in the relevant land were limited to that part.

- 4 (1) *In the case of a relevant chargeable building, paragraph 3 of this Schedule shall not have effect with respect to an interest which a person has in the relevant land on the material date, being either—*

(a) a freehold or leasehold interest which on the material date is subject to a lease or an agreement to grant a lease, being (in either case) a lease of which the term will expire within the period of twenty-five years from the commencement of the relevant development; or

(b) an interest under an agreement for a lease which on the material date is subject to an agreement to grant a lease of which the term will expire within the said period.

Status: Point in time view as at 22/07/2004.

Changes to legislation: There are currently no known outstanding effects for the Finance Act 1974. (See end of Document for details)

- (2) *The provisions of subsections (1)(b), (c) and (d) and (2) to (3A) of section 84 of the Taxes Act shall have effect in ascertaining for the purposes of this paragraph when the term of a lease or prospective lease will expire as they have effect in ascertaining the duration of a lease for the purposes of sections 80 to 82 of that Act, but as if—*
- (a) *in the said subsection (1)(b), after the word “premium” there were inserted the words “(if any)”;*
 - (b) *in the said subsection (2), for the words from “the time of the grant of the lease” to “entered into” there were substituted the words “the material date referred to in paragraph 4(1) of Schedule 9 to the Finance Act 1974”;*
 - (c) *in the said subsection (3A), the reference to the provisions of subsections (1) to (3) of the said section 84 were a reference to those provisions as applied by this paragraph;*
 - (d) *in the case of a prospective lease, references to what its terms do were references to what, in accordance with the agreement under which the lease is to be granted, its terms are to do.*
- 5 *In the case of a relevant chargeable building, subsection (1) of the principal section shall not apply to an interest in the relevant land which does not fall within paragraph 2, 3 or 4 of this Schedule if the market value of that interest on the material date is less than £10,000.*

Provisions supplementary to paragraph 3

- 6 (1) *The following provisions of this paragraph shall have effect for the purposes of paragraph 3 of this Schedule.*
- (2) *Without prejudice to sub-paragraphs (3) and (4) below, if at the time when a lease or agreement for a lease was granted or entered into the parties thereto were not at arm’s length, the rent to which the lessor or party agreeing to grant a lease is or is to be entitled shall be deemed to be what it would be if, the other terms of the lease or agreement remaining as they are, the amount of the rent had been negotiated by the parties at arm’s length.*
- (3) *Where the payment of any premium, fine or other capital sum (whether in lieu of or in addition to rent)—*
- (a) *is required under a lease or otherwise under the terms subject to which a lease is granted, or on the granting of a lease; or*
 - (b) *will be so required by virtue of an agreement for a lease; or*
 - (c) *is on the making of an agreement for a lease required from the party to whom the lease is to be granted,*
- the amount per annum of the rent to which the lessor or party by whom the lease is to be granted is or is to be entitled under or by virtue of the lease or agreement shall be deemed to be (if there is or is to be no actual rent) or to include (in addition to the actual rent, where there is or is to be any) the annual equivalent of that sum or, if there are two or more such sums, the aggregate of their respective annual equivalents.*
- (4) *Where the terms subject to which a lease is or is to be granted impose or are to impose on the lessee an obligation to carry out any work on the premises, the lease shall for the purposes of sub-paragraph (3) above be deemed to have required, or to be one that will require the payment of a premium to the lessor (in addition to any other premium) of an amount equal to the amount by which the value of the interest of the lessor immediately after the commencement of the lease exceeds or will exceed*

Exemption for interest in land occupied on the material date in right of that interest

- 7 (1) *Where, in the case of a relevant chargeable building, subsection (1) of the principal section would, apart from this paragraph, apply to an interest (not being the interest of a relevant person) which a person has in the relevant land on the material date, the following provisions of this paragraph shall apply if on that date any part of the relevant land is occupied by him in right of that interest.*
- (2) *Subject to the following provisions of this paragraph, the said subsection (1) shall not apply to that interest of that person in so much of the relevant land as is on the material date occupied by him in right thereof.*
- (3) *If before the end of the five-year period that person ceases to occupy any part of the relevant land, being a part in which he had an interest on the material date and to which the said subsection (1) would apply but for sub-paragraph (2) above, the said sub-paragraph (2) shall cease to apply to the interest which he had on that date in that part, and the said subsection (1) shall apply thereto accordingly.*
- (4) *For the purposes of this paragraph a person who on any date occupies not less than 90 per cent. of the floor area of the relevant chargeable building shall be deemed to occupy on that date the whole, and not to have ceased on that date to occupy any part, of so much of the relevant land as is then subject to his interest (and references to occupation and ceasing to occupy shall be construed accordingly).*

Exemption for interest in land disposed of after the material date

- 8 (1) *Where, in the case of a relevant chargeable building, subsection (1) of the principal section or sub-paragraph (3) of paragraph 2 of this Schedule would, apart from this paragraph, apply to an interest which a person has in the relevant land on the material date, or, as the case may be, the subsequent date within the meaning of that sub-paragraph, then, subject to the following provisions of this paragraph, that subsection or sub-paragraph, as the case may be, shall not apply, and be deemed never to have applied, to that interest if the whole of that interest is disposed of by him within the period of three years beginning with that date or such longer period as the Board may by notice in writing allow.*
- (2) *The preceding sub-paragraph shall not be taken to affect the application of the said subsection (1) to interests in the relevant land which are not excluded therefrom by that sub-paragraph.*
- (3) *Sub-paragraph (1) above shall not apply if by virtue of any enactment the person disposing of his interest in the relevant land (“the disposer”) and the person to whom the disposal is made fall to be treated as if the latter’s acquisition of it were for a consideration of such amount as would secure that on the disposal by the disposer neither a gain nor a loss would accrue to the disposer.*

of the material date of land then intended to be occupied*

- 9 (1) *The following provisions of this paragraph shall have effect for the purposes of paragraphs 2 and 7 of this Schedule in the case of a relevant chargeable building.*

- (2) *If on the material date a person—*
- (a) *has an interest in a part of the relevant land which is not then occupied by him; and*
 - (b) *intends to occupy that part in right of that interest,*
- then, if within the period of three years beginning with that date he goes into occupation of that part in right of that interest, he shall be deemed to have been in occupation of that part in right of that interest throughout the period beginning with the material date and ending with the time when he so went into occupation of it (even if that part was wholly or partly occupied by others for some or all of that period).*
- (3) *If the interest in question is an agreement for a lease and the person goes into occupation of the part in question under a lease granted in pursuance of that agreement, sub-paragraph (2) above shall apply as if he had gone into occupation in right of the agreement.*

*Exemption for interests in land subject on 18th December

 - (b) *that person had before that date entered into an agreement, whether unconditional or conditional, to grant a lease of the whole or part of so much of the relevant land as is subject to that interest,*
- and, in either case, the rent reserved or to be reserved under the lease, and any premium payable under or in respect of the lease or agreement, does not depend wholly or mainly on the value of the chargeable building (or of any part of that building) on the completion of the relevant development.*
- (2) *Where, in the case of a relevant chargeable building, a person having an interest in the relevant land had before 18 th December 1973 arranged (without entering into a binding contract)—*
- (a) *to grant to another person a lease of the whole or part of so much of the relevant land as is subject to that interest; or*
 - (b) *to enter into with another person such an agreement as is mentioned in sub-paragraph (1)(b) above,*
- and—*
- (i) *the arrangement was made in writing, or is evidenced by a memorandum or note thereof so made before that date; and*
 - (ii) *he grants such a lease to or (as the case may be) enters into such an agreement with that other person before 18 th December 1974 on terms which do not differ materially from the terms of the arrangement or, if they so differ, are not more beneficial to the first-mentioned person,*
- then the lease or agreement shall be treated for the purposes of sub-paragraph (1) above as if granted or entered into before 18 th December 1973.*
