- (a) searching for oil anywhere within the area of the field as subsequently determined under Schedule 1 to this Act or not more than 5,000 metres beyond the boundary of that area;
  - (b) making to the [<sup>F35</sup>OGA] any payment under or for the purpose of obtaining a relevant licence, not being a payment by way of royalty or other periodic payment;
  - (c) ascertaining (whether before or after the determination of the field under Schedule 1 to this Act) the extent or characteristics of any oil-bearing area wholly or partly included in the field, or what the reserves of oil of any such oil-bearing area are;
  - (d) winning oil from the field;
  - (e) measuring the quantity of oil won or to be won from the field;

- (g) the initial treatment or initial storage of oil won from the field;
- (h) disposing of any oil won from the field which is disposed of crude in sales at arm's length;

[<sup>F39</sup>(hh) obtaining an abandonment guarantee, as defined in section 104 of the Finance Act 1991]

[<sup>F40</sup>(i) closing down, decommissioning, abandoning or wholly or partially dismantling or removing any qualifying asset;

- (j) carrying out qualifying restoration work consequential upon the closing down of the field or any part of it.]

[<sup>F41</sup>(1A) In this section “qualifying asset” has the same meaning as in the Oil Taxation Act 1983; and, in the case of a qualifying asset which was leased or hired, the reference in subsection (1)(i) above to decommissioning includes a reference to carrying out any restoration or similar work which is required to be carried out to comply with the terms of the contract of lease or hire.

(1B) In subsection (1)(j) above “qualifying restoration work”, in relation to a participator in an oil field, means—

- (a) restoring (including landscaping) land on which a qualifying asset is or was situated; or
- (b) restoring the seabed (including the subsoil thereof) on which a qualifying asset is or was situated.]

[<sup>F42</sup>(1C) In any case where—

- (a) any expenditure incurred by a participator in a taxable field would, apart from this subsection, be allowable for the field under subsection (1)(i) or (j) above, and
- (b) the qualifying asset that is relevant to the incurring of that expenditure has at some time been used otherwise than [<sup>F43</sup>for a qualifying purpose],

only the relevant portion of the expenditure is allowable for the field under subsection (1)(i) or (j) above.

(1D) In subsection (1C) above “the relevant portion” of the expenditure is the portion of the expenditure that it is just and reasonable to apportion to use of the asset that is use [<sup>F44</sup>for a qualifying purpose].

[ In subsections (1C) and (1D) a reference to use for a qualifying purpose is a reference <sup>F45</sup>(1DA) to—

- (a) use in connection with the taxable field mentioned in subsection (1C), and
- (b) other use in—
  - (i) the United Kingdom,
  - (ii) the territorial sea of the United Kingdom, or
  - (iii) a designated area,

except use wholly or partly for an ineligible oil purpose.

(1DB) In subsection (1DA)(b) the reference to use for an ineligible oil purpose is a reference to—

- (a) use in connection with an oil field other than the taxable field mentioned in subsection (1C), and

- (b) use for any other purpose (apart from a purpose falling within section 3(1)(b)) of a separate trade consisting of activities falling within <sup>F46</sup>the definition of “oil-related activities” in section 274 of CTA 2010].
- (1DC) In subsections (1DA) and (1DB) a reference to use in connection with a taxable field or other oil field includes use giving rise to receipts which, for the purposes of the Oil Taxation Act 1983, are tariff receipts.]
- (1E) Subsections (1C) and (1D) above have effect subject to the transitional provisions in section 102(5) to (11) of the Finance Act 2001.]
- (2) Subject to the following provisions of this section and Schedules 4, 5 and 6 to this Act, where any amount is <sup>F47</sup>... <sup>F48</sup>under section 77 of the Income Tax (Trading and Other Income) Act 2005 (“ITTOIA 2005”)]<sup>F49</sup>or section 77 of the Corporation Tax Act 2009] (statutory redundancy payments) allowable as a deduction in computing for any accounting period the profits or losses of the relevant trade carried on by a person who was in that period a participator in an oil field, or would be so allowable under <sup>F50</sup>... <sup>F51</sup>that section] if it were not otherwise so allowable, then that amount <sup>F52</sup>... shall be expenditure allowable under this section for that field.
- In this subsection “the relevant trade”, in relation to a participator in an oil field, means the separate trade which by virtue of <sup>F53</sup>section 16 of ITTOIA 2005 or section 279 of CTA 2010 consists of activities carried on by the participator that fall within the definition of “oil-related activities” in section 16(2) of ITTOIA 2005 or section 274 of CTA 2010 or which would have so consisted if those sections] had additionally had effect as regards all past chargeable periods <sup>F54</sup>(as defined by section 1119 of CTA 2010)].
- (3) Expenditure is not allowable under this section for any oil field if, or to the extent that, it has been allowed under Schedule 5 or 6 to this Act for any other oil field or has been allowed under Schedule 7 to this Act in connection with any oil field <sup>F55</sup>but where expenditure allowable under section 5A <sup>F56</sup>or section 5B] of this Act has been allowed on a claim under Schedule 7 to this Act, nothing in this subsection shall prevent a claim being made for an allowance under this section in respect of the same expenditure unless the person making the claim is the participator who made the claim under that Schedule].
- (4) The expenditure allowable under this section for any oil field does not include—
- (a) expenditure in respect of interest or any other pecuniary obligation incurred in obtaining a loan or any other form of credit; or
  - (b) the cost of acquiring any land or interest in land, other than the cost of making to the <sup>F35</sup>OGA] any payment falling within subsection (1)(b) above; or
  - (c) the cost of acquiring or erecting any building or structure on land, except—
    - (i) a structure to be subsequently placed on the sea bed <sup>F57</sup>. . . ; or
    - (ii) a building or structure used or to be used wholly in the process of winning oil from strata in or under land or of measuring the quantity of oil won or to be won from such strata; or
    - (iii) a building or structure used or to be used for initial treatment or initial storage of oil; or
    - <sup>F58</sup>(iv) a building or structure used or to be used for transporting such oil as is mentioned in subsection (1)(f) above from the place where it is first landed <sup>F59</sup>to the place in the United Kingdom or, in the case of oil first landed in another country, to the place in that or any other

- (d) any expenditure wholly or partly depending on or determined by reference to the quantity, value or proceeds of, or the profits from, oil won from the field; . . . <sup>F60</sup>
- (e) any payment made for the purpose of obtaining a direct or indirect interest in oil won or to be won from the field, other than a payment made to the [<sup>F35</sup>OGA] ; [<sup>F61</sup>or
- (f) any payment made in pursuance of a notice under section 77C of the Taxes Management Act 1970 (notice requiring licence-holder to pay unpaid tax assessed on non-UK resident);]

but nothing in paragraph (e) above shall be taken to apply to a payment made by a participator in pursuance of a contract whereby expenditure incurred for any of the purposes mentioned in subsection (1) above is to be shared between that participator and any of the other participators in the field.

- (5) [<sup>F62</sup>Subject to subsection (5A) below] expenditure allowable under this section for an oil field qualifies for supplement under section 2(9)(b)(ii) or (c)(ii) of this Act if and to the extent that it is incurred for one or more of the following purposes, namely—
  - (a) bringing about the commencement of the winning of oil from the field or the commencement of the transporting of oil won from it to the United Kingdom [<sup>F63</sup>or another country];
  - (b) ascertaining (whether before or after the determination of the field under Schedule 1 to the Act) any of the matters mentioned in subsection (1)(c) above;
  - (c) carrying out works for, or acquiring an asset or an interest in an asset to be used for the purpose of, substantially improving the rate at which oil can be won or transported to the United Kingdom [<sup>F63</sup>or another country] from the field, or preventing or substantially reducing a decline in that rate; or
  - (d) providing any installation for the initial treatment or initial storage of oil won from the field;

but expenditure incurred in hiring an asset shall not so qualify unless the asset is used in carrying out works for a purpose mentioned in paragraph (a), (b) or (c) above or works for the provision of any such installation as is mentioned in paragraph (d) above.

[<sup>F64</sup>(5A) Where expenditure incurred in relation to an asset is incurred—

- (a) in part for one of the purposes specified in subsection (5) above (or for what would be one of those purposes if section 10(2) below were disregarded), and
- (b) in part for the purpose of enabling the asset to be used in a way giving rise to tariff receipts within the meaning of the Oil Taxation Act 1983,

then, to the extent that the expenditure is incurred for the purpose mentioned in paragraph (b) above, it shall be treated for the purposes of this Part of this Act as incurred for one of the purposes specified in subsection (5) above.]

[<sup>F65</sup>(5B) Expenditure incurred by a participator in an oil field shall be taken to be incurred for the purpose mentioned in paragraph (hh) of subsection (1) above if, and only if,—

- (a) it consists of fees, commission or incidental costs incurred wholly and exclusively for the purposes of obtaining an abandonment guarantee; and

*Changes to legislation: There are currently no known outstanding effects for the Oil Taxation Act 1975. (See end of Document for details)*

- (b) the abandonment guarantee is obtained in order to comply with a term of a relevant agreement relating to that field under which the participator is required to provide security (whether or not specifically in the form of an abandonment guarantee) in respect of his liabilities to contribute to field abandonment costs;

and expressions used in this subsection shall be construed in accordance with section 104 of the Finance Act 1991.]

- (6) [<sup>F66</sup>Without prejudice to any apportionment under [<sup>F67</sup>subsections (1C) and (1D)] above] for the purposes of subsections (1) and (5) above [<sup>F66</sup>other than paragraph (hh) of subsection (1)] expenditure incurred partly for one or more of the purposes there mentioned and partly not shall [<sup>F62</sup>subject to subsection (7) below] be apportioned in such manner as is just and reasonable [<sup>F68</sup>and where, in the case of oil won as mentioned in paragraph (f) of subsection (1) above, expenditure is incurred in transporting—

- (a) oil first landed in the United Kingdom to a place in the United Kingdom which is not the nearest place referred to in sub-paragraph (ii) of that paragraph, or  
(b) oil first landed in another country to a place in that or any other country (other than the United Kingdom) which is not the nearest place so referred to, so much of that expenditure as does not exceed what would have been the expenditure incurred in transporting it to that nearest place shall be regarded as falling within the said paragraph (f).]

[<sup>F64</sup>(7) In any case where—

- (a) expenditure which is incurred by any person as mentioned in subsection (6) above is so incurred in connection with a long-term asset, and  
(b) the long-term asset gives rise to receipts which, for the purposes of the Oil Taxation Act 1983, are tariff receipts of that person attributable to the field for which any of that expenditure is so allowable,

then, so far as relates to that field, in making in accordance with subsection (6) above any apportionment for the purposes of either or both of subsections (1) and (5) above, the whole of the relevant expenditure shall be apportioned to one or more of the purposes mentioned in that subsection or, as the case may be, those subsections.

(8) In subsection (7) above—

- (a) “long-term asset” means an asset whose useful life continues after the end of the claim period for which a claim is first made for an allowance in respect of expenditure incurred in connection with the asset; and  
(b) “relevant expenditure” means that portion of the expenditure in connection with the asset which is reasonably attributable to the use of the asset which gives rise to the receipts referred to in subsection (7)(b) above.]

**4 Allowance of expenditure on long-term assets.**

- (1) Subject to subsection (13) below [<sup>F69</sup>and section 1 of the Oil Taxation Act 1983], this section applies to expenditure (whether or not of a capital nature) which is incurred by a person at or before the time when he is a participator in an oil field, being expenditure incurred in acquiring, bringing into existence, or enhancing the value of an asset which is to be or is subsequently used in connection with the field and [<sup>F70</sup>which, at the end of the first relevant claim period, is or is expected to be a long-term asset as defined in section 3(8) of the Oil Taxation Act 1983]:

Provided that this section shall not apply to expenditure incurred as aforesaid in any case where the Board consider that its application to that expenditure would have only a negligible effect on the total expenditure allowable under this Part of this Act for the field and so notify the responsible person.

- (2) The following provisions of this section are subject to Schedules 4, 5 and 6 to this Act.

- (3) . . . . .<sup>F71</sup>

- (5) Subject to the following provisions of this section, a proportion of the expenditure shall be allowable under this section on a claim for the first relevant claim period, and that proportion is . . . <sup>F71</sup>the proportion which the time during which the asset has been used in [<sup>F70</sup>connection with the field] in the period between the incurring of the expenditure or the asset’s first use in [<sup>F70</sup>connection with the field] (whichever is later) and the end of the first relevant claim period bears to the time between the incurring of the expenditure and the date when the asset’s useful life is reasonably likely to end:

Provided that, where the asset was not used for any purpose in the period between the incurring of the expenditure and the asset’s first use in connection with the field, the expenditure shall for the purposes of this subsection be treated as having been incurred on the date when the asset was first used in connection with the field.

- (7) [F70] For each claim period subsequent to the first relevant claim period and] up to and including that in which use of the asset in connection with the field permanently ceases, the proportion of the expenditure allowable under this section for the relevant period shall be computed by applying the provisions of [F70] subsection (5)] above with the omission of the words “on a claim” (wherever occurring) and the substitution of references to the relevant period for references to the first relevant claim period.

For the purposes of this subsection “the relevant period”, in relation to a claim period, means the period consisting of that claim period and each earlier claim period back to and including that in which the expenditure was incurred.

- (8) If, as computed under subsection (7) above for any claim period, the proportion of the expenditure allowable for the relevant period exceeds the amount thereof which (taking into account any previous adjustments made under the following subsection) has been allowed on claims made for earlier claim periods falling within the relevant period, the excess shall be allowable under this section on a claim for that claim period.
- (9) If, as computed under subsection (7) above for any claim period, the proportion of the expenditure allowable for the relevant period is exceeded by the amount thereof which (taking into account any previous adjustments made under this subsection) has been allowed on claims made for earlier claim periods falling within the relevant period, the total amount of expenditure allowable under this and the preceding section on a claim for the first-mentioned claim period shall be reduced by an amount equal to the excess.
- (10) Subsections (3) to (5) of section 3 of this Act shall apply for the purposes of this section as they apply for the purposes of that section; and where in accordance with subsection (9) above the total amount of the expenditure allowable under this and the preceding section on a claim for any claim period is reduced, the amount falling to be taken into account under section 2(9)(b)(ii) or (c)(ii) of this Act by reference to that expenditure shall be reduced by a proportion equal to the proportion by which the total amount of that expenditure is so reduced.
- (11) For the purposes of [F70] subsection (5) above (including that subsection as it applies] under subsection (7) above) an asset which is throughout any period of time simultaneously used partly in connection with the field and partly otherwise shall be treated as being used in connection with the field for a proportion of that period equal to the proportion which the extent of its use in the period in that connection bears to the extent of its use in the period in that connection and otherwise.
- (12) For the purposes of this section—
- (a) the asset is a brought-in asset if, between the time when it was acquired or brought into existence and its first use in connection with the field, the asset was used otherwise than in connection with the field; and
  - (b) “the first relevant claim period”—
    - (i) in the case of expenditure incurred in acquiring or bringing into existence a brought-in asset, means the claim period in which the asset was first used in connection with the field; and
    - (ii) in the case of any other expenditure, means the claim period in which the expenditure was incurred.
- (13) The preceding provisions of this section, and any other provisions in this Part of this Act as to which it is provided that this subsection applies, shall, with any necessary modifications, apply in relation to expenditure incurred by a person in acquiring an interest in an asset, or in bringing into existence an asset in which he is to have

an interest, or in enhancing the value of an asset in which he has an interest, as the provisions in question apply in relation to expenditure incurred by a person in acquiring, bringing into existence, or enhancing the value of an asset, as the case may be.

## 5 Allowance of abortive exploration expenditure.

(1) Subject to the following provisions of this section and Schedule 7 to this Act, the abortive exploration expenditure allowable in the case of a person who is a participator in an oil field is any expenditure (whether or not of a capital nature) incurred on or after 1st January 1960 [<sup>F72</sup>and before 16th March 1983] which—

- (a) was incurred by that person or, if that person is a company, by that company or a company associated with it in respect of the expenditure; and
- (b) was incurred wholly and exclusively for the purpose of searching for oil in the United Kingdom, the territorial sea thereof or a designated area; and
- (c) is not, and is unlikely to become, allowable under section 3 or 4 of this Act for any oil field,

but so that any expenditure to which subsection (2) below applies shall not be allowable under this section except to the extent that it falls by virtue of that subsection to be treated as incurred wholly and exclusively for the purpose mentioned in paragraph (b) above.

(2) Where any person has incurred expenditure in acquiring, bringing into existence, or enhancing the value of an asset which is subsequently used by him for the purpose mentioned in paragraph (b) of subsection (1) above, then—

- (a) subject to paragraph (b) below, if the useful life of the asset continues after the end of the twelve months beginning with the day on which he acquired the asset or brought it into existence, he shall be treated for the purposes of that subsection as having incurred wholly and exclusively for that purpose a fraction of that expenditure on each day after the expenditure was incurred on

which the asset is used by him wholly and exclusively for that purpose, and that fraction is the fraction of which the numerator is 1 and the denominator is the number of days in the period beginning with the day on which he incurred that expenditure and ending with the day on which the asset's useful life is reasonably likely to end;

- (b) if a subsequent disposal of the asset by that person otherwise than to a person connected with him gives rise to the receipt of a sum that falls to be taken into account under subsection (6) below, being a sum not less than the price which the asset might reasonably have been expected to fetch if sold in the open market at the time of the disposal, paragraph (a) above shall apply with the substitution, for the reference to the day on which the asset's useful life is reasonably likely to end, of a reference to the day on which the disposal was made.

Section 4(13) of this Act applies to the preceding provisions of this subsection.

[<sup>F73</sup>(2A) For the purpose only of determining under paragraph (c) of subsection (1) above whether expenditure is or is likely to become allowable for any oil field, it shall be assumed that any oil field which, apart from this subsection, would be a non-taxable field is or, as the case may be, will be a taxable field and, accordingly, that section 185(4)(e) of the Finance Act 1993 (no expenditure allowable for non-taxable fields) does not apply.]

- (3) Expenditure is not allowable under this section in connection with an oil field if, or to the extent that, it has been allowed under Schedule 7 to this Act in connection with any oil field.
- (4) Subsection (4) of section 3 of this Act shall apply for the purposes of this section with the following modifications, that is to say—
- (a) in paragraph (c) the words from “except” to the end of sub-paragraph (iii) shall be omitted;
- (b) paragraph (d) shall be omitted;
- (c) in paragraph (e), the reference to oil won or to be won from the field shall be read as a reference to oil won or to be won from any area whatsoever.
- (5) Paragraph 2 of Schedule 4 to this Act shall, . . . <sup>F74</sup>, apply in relation to this section as it applies in relation to sections 3 and 4 of this Act.
- (6) Where any expenditure which would otherwise be allowable under this section gives rise to the receipt of any sum (whether or not of a capital nature) by the person who incurred the expenditure or any person connected with him, that expenditure shall for the purposes of this section be reduced by an amount equal to that sum.
- (7) For the purposes of this section—
- (a) “company” means any body corporate;
- (b) [<sup>F75</sup>section 1122 of CTA 2010] (connected persons) shall apply; and
- (c) a company which is a participator in an oil field is associated with another company in respect of expenditure incurred by the other company if—
- (i) throughout that part of the relevant period in which both were in existence one was a 51 per cent. subsidiary of the other and the other was not a 51 per cent. subsidiary of any company; or
- (ii) each of them was, throughout that part of the relevant period in which it was in existence, a 51 per cent. subsidiary of a third company which was not itself a 51 per cent. subsidiary of any company.

- (8) For the purposes of subsection (7)(c) above—
- (a) “the relevant period” is the period beginning immediately before the expenditure was incurred and ending with the end of whichever of the following periods ends later, that is to say—
- (i) the earliest chargeable period in which the company which is a participator in the oil field in question was a participator in that field; and
- (ii) the chargeable period (for that field) in which the expenditure was incurred,
- (or, if they are the same period, with the end of that period); and
- (b) [<sup>F76</sup>Chapter 3 of Part 24 of CTA 2010] (subsidiaries) shall apply.

#### [<sup>F77</sup>5A Allowance of exploration and appraisal expenditure.

- (1) The exploration and appraisal expenditure which, subject to the provisions of this section and Schedule 7 to this Act, is allowable in the case of a person who is a participator in an oil field is any expenditure (whether or not of a capital nature) which—
- (a) is incurred after 15th March 1983 by that person or, if that person is a company, by that company or a company associated with it in respect of the expenditure; and
- [<sup>F78</sup>(aa) either is incurred before 16th March 1993 or is incurred within the period of two years beginning on that date and is expenditure to which that person or, if that person is a company, that company or a company associated with it in respect of the expenditure, is committed immediately before that date; and]
- (b) is so incurred wholly and exclusively for one or more of the purposes specified in subsection (2) below; and
- (c) at the time it is so incurred, does not relate to a field for which a development decision has previously been made.

[ For the purposes of subsection (1)(aa) above, in respect of expenditure incurred on or [<sup>F79</sup>(1A) after 16th March 1993, a person is to be regarded as committed to that expenditure immediately before that date if—

- (a) he has an obligation under an exploration and appraisal contract entered into before that date to incur the expenditure; or
  - (b) the expenditure is incurred wholly and exclusively for the same purpose as that for which the contract referred to in paragraph (a) above was entered into and is so incurred pursuant to an obligation under an exploration and appraisal contract entered into on or after 16th March 1993 and before 16th June 1993.
- (1B) In considering whether a person has at any time such a contractual obligation as is referred to in paragraph (a) or paragraph (b) of subsection (1A) above in respect of any expenditure,
- (a) if the contract contains a power (however exercisable) by virtue of which the person concerned, or a company associated with him in respect of the expenditure, is able to bring any contractual obligations to an end, he shall not be regarded as committed to any expenditure which, if the power were to be exercised, would not be incurred; and
  - (b) if the person concerned (or a company associated with him in respect of the expenditure) has an option (however described) which was not exercised before 16th March 1993 but the exercise of which would increase his expenditure under the contract, he shall not be regarded as committed to any expenditure which would be incurred only as a result of the exercise of the option.
- (1C) For the purposes of subsection (1A) above a contract is an exploration and appraisal contract if it is a contract for the provision of any services or other business facilities or assets for any of the purposes specified in subsection (2) below.]
- (2) The purposes referred to in [<sup>F80</sup>subsections (1) to (1C)] above are—
- (a) the purpose of searching for oil in [<sup>F81</sup>the territorial sea of the United Kingdom] or a designated area;
  - (b) the purpose of ascertaining the extent or characteristics of any oil-bearing area in [<sup>F81</sup>the territorial sea of the United Kingdom] or a designated area;
  - (c) the purpose of ascertaining what are the reserves of oil of any such oil-bearing area; and
  - (d) subject to subsection (3) below, the purpose of making to the [<sup>F82</sup>OGA] any payment under or for the purpose of obtaining a licence (not being a payment by way of royalty or other periodic payment).
- [ Any reference in subsection (2) above to a designated area does not include a <sup>F83</sup>(2A) sector which, by virtue of subsection (3)(b) of section 107 of the Finance Act 1980 (transmedian fields), is deemed to be a designated area.]
- (3) Expenditure incurred for the purpose mentioned in subsection (2)(d) above is not allowable under this section unless, at the time the allowance is claimed,—
- (a) the licence to which the expenditure related has expired or has been determined or revoked; or
  - (b) part of the licensed area has been surrendered;
- and where paragraph (b) above applies only that proportion of the expenditure which corresponds to the proportion of the licensed area which has been surrendered is expenditure falling within subsection (1) above.
- (4) Subject to subsection (5) below, subsections (2) and (4) to (8) of section 5 of this Act apply for the purposes of this section as they apply for the purposes of that section.

*Changes to legislation: There are currently no known outstanding effects for the Oil Taxation Act 1975. (See end of Document for details)*

(5) In the application for the purposes of this section of the provisions of section 5 of this Act referred to in subsection (4) above,—

- (a) any reference in subsection (2) of section 5 to the purpose mentioned in subsection (1)(b) of that section shall be construed as a reference to any of the purposes specified in subsection (2) of this section;
- (b) the reference in subsection (2)(a) of section 5 to subsection (1) of that section shall be construed as a reference to subsection (1) of this section; and
- (c) the reference in subsection (6) of section 5 to a sum received—
  - [ includes a reference to a sum received, or treated by virtue of <sup>F84</sup>(i) subsection (5A) below as received, from the disposal of oil won in the course of operations carried out for any of the purposes in paragraphs (a) to (c) of subsection (2) of this section; but
  - (ii) does not include a reference to a sum received for the assignment of any of the rights conferred by a licence or of any interest in a licensed area.]

[ Subsection (5B) below applies in any case where—

- <sup>F85</sup>(5A) (a) oil which is won as mentioned in paragraph (c)(i) of subsection (5) above is either disposed of otherwise than in sales at arm's length or appropriated to refining or to any use except for production purposes of an oil field, and
- (b) if that oil had been disposed of in a sale at arm's length, then, by virtue of section 5(6) of this Act as applied by subsection (5) above, certain expenditure would have been reduced by reference to the receipt of a sum from that disposal.

(5B) Where this subsection applies, the oil concerned shall be treated for the purposes of subsection (5)(c)(i) above and section 5(6) of this Act as having been disposed of for a sum equal to its market value [<sup>F86</sup>at the material time][<sup>F87</sup>determined in accordance with Schedule 3 to this Act for the disposal or appropriation mentioned] in subsection (5A)(a) above and, accordingly, for those purposes—

- (a) a sum equal to that market value shall be treated as having been received from that disposal; and
- (b) no account shall be taken of any sum actually received from the disposal of any of that oil.

(5C) In the application of Schedule 3 to this Act for the purpose of ascertaining the market value of oil as mentioned in subsection (5B) above,—

- (b) [<sup>F89</sup>sub-paragraph (4)] of paragraph 2 shall be omitted; and
  - (c) any reference in paragraphs 2 and 2A to oil being relevantly appropriated shall be construed as a reference to its being appropriated as mentioned in subsection (5A)(a) above<sup>F90</sup>; and
  - (d) any reference in paragraph 2 to the notional delivery day for the actual oil shall be construed as a reference to the day on which the oil is disposed of or appropriated as mentioned in subsection (5A)(a) above.]]

(6) Expenditure is not allowable under this section in connection with an oil field if, or to the extent that, it has been allowed under Schedule 5, Schedule 6 or Schedule 7 to this Act in connection with any oil field.

(7) For the purposes of subsection (1)(c) above, a development decision is made when—

*Changes to legislation: There are currently no known outstanding effects for the Oil Taxation Act 1975. (See end of Document for details)*

- (a) consent for development is granted to a licensee by the [F82 OGA] in respect of the whole or part of an oil field; or
- (b) a programme of development is served on a licensee or approved by the [F82 OGA] for the whole or part of an oil field;

and subsections (4) and (5) of section 36 of the Finance Act 1983 (meaning of development etc.) apply in relation to this subsection as they apply in relation to subsections (2) and (3) of that section.

- (8) If, at the time when it is incurred, expenditure relates to an area—
- (a) which is not then an oil field, but
  - (b) in respect of which notice of a proposed determination has previously been given under paragraph 2(a) of Schedule 1 to this Act,
- that area shall be treated for the purposes of this section as having become an oil field at the time the notice was given unless, when the actual determination is made, the area is not included in an oil field.]

**[<sup>F91</sup>5B Allowance of research expenditure.**

- (1) Subject to the following provisions of this section and Schedule 7 to this Act, the research expenditure which is allowable in the case of a person who is a participator in an oil field is any expenditure (whether or not of a capital nature) which—
  - (a) is incurred by him on or after 17th March 1987; and
  - (b) at the expiry of the period of three years from the time at which it was incurred, has not become allowable under section 3 or section 4 of this Act or section 3 of the Oil Taxation Act 1983; and
  - (c) was not incurred for purposes relating to a particular oil field; and
  - (d) was not incurred wholly and exclusively for one or more of the purposes which, subject to subsection (2) below, are specified in section 5A(2) of this Act; and
  - (e) was incurred for the purpose of research of such a description that, if it had been incurred by the participator in relation to a particular field, it would have been allowable for that field under section 3 or section 4 of this Act or section 3 of the Oil Taxation Act 1983; and
  - (f) was incurred wholly or partly for United Kingdom purposes.
- (2) For the purposes only of subsection (1)(d) above, any reference in section 5A(2) of this Act to the territorial sea of the United Kingdom shall be taken to include a reference to the United Kingdom itself.
- (3) Where expenditure falling within paragraphs (a) to (e) of subsection (1) above is incurred partly for United Kingdom purposes and partly for other purposes, only such part of the expenditure as it is just and reasonable to apportion to United Kingdom purposes shall be allowable by virtue of this section.
- (4) In subsections (1)(f) and (3) above, “United Kingdom purposes” means purposes relating to the United Kingdom, the territorial sea thereof or designated areas, excluding any sector which, by virtue of subsection (3)(b) of section 107 of the Finance Act 1980 (transmedian fields), is deemed to be a designated area.
- (5) Expenditure is not allowable under this section if, or to the extent that, it has been allowed under Schedule 5, Schedule 6 or Schedule 7 to this Act for or in connection with an oil field.
- (6) To the extent that it is reasonable to assume that expenditure which, apart from this subsection, would be allowable under this section has been incurred for purposes relating to excluded oil, within the meaning of section 10(1) of this Act [<sup>F92</sup>or for purposes relating to non-taxable fields], that expenditure is not allowable under this section.

## 6 Allowance of unrelievable loss from abandoned field.

[<sup>F93</sup>(1) In the case of a participator in an oil field, an allowable unrelievable field loss is the unrelievable portion of an allowable loss falling within subsection (1B) below.

(1A) Subsection (1) above is subject to subsections (5) to (9) below and Schedule 8 to this Act [<sup>F94</sup>and [<sup>F95</sup>paragraph 6] of [<sup>F96</sup>Schedule 20B] to the Finance Act 1993].

(1B) An allowable loss falls within this subsection if—

- (a) the loss accrued in any chargeable period from another field (“the abandoned field”),
- (b) the person to whom the loss accrued is—
  - (i) the participator, or
  - (ii) if the participator is a company, a company associated with the participator in respect of the loss (see subsection (3) below),
- (c) the loss accrued to that person as a participator in the abandoned field, and
- (d) the winning of oil from the abandoned field has permanently ceased.

(1C) The “unrelievable portion” of an allowable loss falling within subsection (1B) above is so much of that loss as cannot under the provisions of section 7 of this Act be relieved against assessable profits accruing from the abandoned field to the person to whom the loss accrued.

(1D) Subsection (1C) above is subject to Schedule 32 to the Finance Act 2001 (determination of unrelievable portion where Parts 2 and 3 of Schedule 17 to the Finance Act 1980 did not apply to transfer of interest in abandoned field).]

(2) In determining for the purposes of this section whether an allowable loss has accrued as mentioned in [<sup>F97</sup>subsection (1B) above] from an oil field from which the winning of oil permanently ceased before the total amount of oil ever won and saved from it reached the amount by reference to which the critical half year is defined in section 1(4) of this Act, the first chargeable period for that field shall be taken to have been the period ending at the end of the half year in which the winning of oil from the field so ceased (including an unlimited time prior to the beginning of that half year).

In this subsection “half year” has the same meaning as in section 1 of this Act.

(3) For the purposes of this section—

- (a) “company” means any body corporate; and
- (b) a company which is a participator in an oil field is associated with another company in respect of an allowable loss which accrued to that other company in a chargeable period from another oil field if—

*Status: Point in time view as at 01/10/2018.*

*Changes to legislation: There are currently no known outstanding effects for the Oil Taxation Act 1975. (See end of Document for details)*

- (i) throughout that part of the relevant period in which both were in existence one was a 51 per cent. subsidiary of the other and the other was not a 51 per cent. subsidiary of any company; or
- (ii) each of them was, throughout that part of the relevant period in which it was in existence, a 51 per cent. subsidiary of a third company which was not itself a 51 per cent. subsidiary of any company;

and in this section and Schedule 8 to this Act any reference to the winning of oil from an oil field permanently ceasing includes a reference to the permanent cessation of operations for the winning of oil from the field.

(4) For the purposes of subsection (3)(b) above—

- (a) the relevant period is the period beginning with the chargeable period in which the allowable loss accrued to the other company referred to in that paragraph and ending with the end of whichever of the following period ends later, that is to say—
  - (i) the earliest chargeable period in which the company which is a participator in the oil field in question was a participator in that field; and
  - (ii) the chargeable period in which the allowable loss accrued, (or, if they are the same period, with the end of that period); and
- (b) [<sup>F98</sup>Chapter 3 of Part 24 of CTA 2010] (subsidiaries) shall apply.

[<sup>F99</sup>(4A) For the purposes of this section and Schedule 8 to this Act, the winning of oil from an oil field shall not be regarded as having permanently ceased until all the oil wells in the field have been permanently abandoned.]

[<sup>F100</sup>(5) Subsections (6) to (9) below apply if—

- (a) a claim is made for the allowance of an unrelievable field loss; and
- (b) the person to whom the loss accrued made a claim or election for the allowance of any expenditure unrelated to that field; and
- (c) that claim or election was received by the Board on or after 29th November 1994; and
- (d) the whole or a part of the expenditure to which the claim or election relates is allowed and, accordingly, falls to be taken into account under section 2(8)(a) of this Act for a chargeable period (whether beginning before or after 29th November 1994).

(6) Subject to subsection (7) below, where this subsection applies, from the amount which, apart from this subsection, would be the amount of the unrelievable field loss referred to in paragraph (a) of subsection (5) above there shall be deducted an amount equal to so much of any expenditure unrelated to the field as is allowed on a claim or election as mentioned in paragraph (d) of that subsection.

(7) If—

- (a) claims are made for the allowance of more than one unrelievable field loss derived from the same abandoned field, and
- (b) the person to whom the loss accrued is the same in respect of each of the unrelievable field losses,

subsection (6) above shall have effect as if the deduction referred to in that subsection fell to be made from the aggregate amount of those losses.

*Status: Point in time view as at 01/10/2018.*

*Changes to legislation: There are currently no known outstanding effects for the Oil Taxation Act 1975. (See end of Document for details)*

- (8) Where subsection (7) above applies, the deduction shall be set against the unrelievable field losses in the order in which the claims for the allowance of each of those losses were received by the Board.
- (9) In subsections (5) and (6) above, “expenditure unrelated to the field” means—
- (a) expenditure allowable under any of sections 5, 5A and 5B of this Act;
  - (b) expenditure allowable under this section (derived from a different abandoned field); or
  - (c) expenditure falling within section 65 of the <sup>M2</sup>Finance Act 1987 which is accepted by the Board as allowable in accordance with Schedule 14 to that Act;
- and, in relation to expenditure falling within section 65 of the <sup>M3</sup>Finance Act 1987, “election” means an election under Part I of Schedule 14 to that Act.]

## 7 Relief for allowable losses.

- (1) Where the Board have determined under Schedule 2 to this Act that an allowable loss has accrued to a participator in a chargeable period from an oil field, then, subject to the following provisions of this section, the assessable profit accruing to him from the field in any succeeding chargeable period shall be treated as reduced by the amount of that allowable loss, or by so much of that amount as cannot, under this subsection or on a claim (if made) under subsection (2) below, be relieved against the assessable profit accruing to him from the field in any earlier chargeable period.
- (2) Where the Board have determined under Schedule 2 to this Act that an allowable loss has accrued to a participator in a chargeable period from an oil field, the participator may make a claim requiring that the loss be in the first instance set against any assessable profit which accrued to him from the field in any preceding chargeable period; and the assessable profit which so accrued to him in any such period shall then be treated as reduced by the amount of the loss, or by so much of that amount as cannot

- (b) the winning of oil from that field has permanently ceased,

then so much of that allowable loss as cannot under subsection (1) or (2) above be relieved against assessable profits accruing to the participator from the field shall be relieved under this subsection by treating the assessable profit accruing to him from the field in any chargeable period as reduced by the amount of the loss, or by so much of that amount as cannot be relieved under this section against the assessable profit so accruing to him in a later chargeable period.

## 8 Oil allowance.

- (1) Subject to the provisions of this section and paragraphs 10 and 11 of Schedule 3 to this Act, where a participator in an oil field would, apart from this section and section 9 of this Act, be chargeable to tax for any chargeable period on an amount (“the said amount”) consisting of the assessable profit accruing to him in the period from the field or that profit as reduced under section 7 of this Act by any allowable losses, then for the purpose of determining his liability, if any, to tax for that period, the said amount shall be treated as reduced or further reduced as follows, that is to say—
  - (a) if the said amount exceeds the cash equivalent of his share of the oil allowance for the field for that period, to an amount equal to the excess; or
  - (b) if the said amount does not exceed the cash equivalent of his share of that allowance, to nil.
- (2) The oil allowance for an oil field is, for each chargeable period, [<sup>F101</sup>250,000 metric tonnes], and shall be divided between the participators in shares proportionate to their shares of the oil won and saved from the field during the period.
- (3) For the purposes of this section the cash equivalent of a participator’s share of the oil allowance for an oil field for a chargeable period is (subject to subsection (4) below) the amount given by the formula:—

$$£ \left( A \times \frac{B}{C} \right)$$

where—

*Changes to legislation: There are currently no known outstanding effects for the Oil Taxation Act 1975. (See end of Document for details)*

A is the gross profit accruing to him in the period or, if a gross loss (or neither a gross profit nor a gross loss) accrues to him in the period, nil (in which case the cash equivalent itself will be nil);

B is his share of the allowance, in [<sup>F101</sup>metric tonnes]; and

C is his share, exclusive of excluded oil within the meaning of section 10 of this Act, of the oil won and saved from the field during the period, in [<sup>F101</sup>metric tonnes].

- (4) If a participator in an oil field so elects by notice in writing given to the Board at the time when he makes his return under paragraph 2 of Schedule 2 to this Act for a chargeable period, then the cash equivalent of his share of the oil allowance for the field for that period shall be determined under subsection (3) above—
- [<sup>F102</sup>(a) to the extent that his share of that oil allowance does not exceed his share of the oil (other than gas) won and saved from the field in the period, as if—
- (i) in computing the gross profit or gross loss accruing to him in the period all amounts relating to gas fell to be disregarded, and
  - (ii) in the definition of C, for “the oil won and saved” there were substituted “the oil (other than gas) won and saved”; and
- (b) to the extent, if any, that his share of that oil allowance exceeds his share of the oil (other than gas) so won and saved, as if—
- (i) in computing the gross profit or gross loss so accruing all amounts relating to oil other than gas fell to be disregarded, and
  - (ii) in the definition of C, for “the oil won and saved” there were substituted “the gas won and saved”.]

(5) For the purposes of this section the amount of the oil allowance for an oil field utilised by a participator in any chargeable period is—

    - (a) if in his case a reduction is made for that period under subsection (1)(a) above, an amount in [<sup>F101</sup>metric tonnes] equal to his share of the oil allowance for the field for that period;
    - (b) if in his case a reduction is made for that period under subsection (1)(b) above, the amount in [<sup>F101</sup>metric tonnes] arrived at by multiplying his share of the oil allowance for the field for that period (in [<sup>F101</sup>metric tonnes]) by the fraction of which the numerator is the amount of that reduction and the denominator is the cash equivalent of his share of the said oil allowance;
    - (c) in any other case, nil.

(6) The total oil allowance for an oil field shall not exceed [<sup>F101</sup>5 million metric tonnes], and accordingly—

    - (a) for each chargeable period there shall be determined the aggregate of the amounts of the oil allowance for the field utilised by the participators in that period; and
    - (b) as regards the earliest chargeable period such that the sum of the aggregate determined under paragraph (a) above for that period and the aggregates so determined for each earlier chargeable period would, apart from this subsection, exceed [<sup>F101</sup>5 million metric tonnes], the necessary restriction shall be apportioned between the participators in such manner as may be notified to the Board by the responsible person or, in default of such notification, as may be determined by the Board.

In this subsection “the necessary restriction” means the restriction necessary to secure that the aggregate determined under paragraph (a) above for the chargeable period to

which paragraph (b) above applies will, when added to the sum of the aggregates so determined for each earlier chargeable period, produce a total of [<sup>F101</sup>5 million metric tonnes].

- (7) For the purposes of this section [<sup>F101</sup>1,100 cubic metres] of oil consisting of gas at the temperature and pressure mentioned in section 1(4) of this Act shall be counted as equivalent to one [<sup>F101</sup>metric tonne] of oil other than gas.
- (8) Any reduction to be made under subsection (1) above shall be made before applying the provisions of section 9 of this Act.

### 10 Modification of Part I in connection with certain gas sold to British Gas Corporation.

- (1) In computing under section 2 of this Act the gross profit or loss (if any) accruing to a participator in any chargeable period from an oil field—
- any oil consisting of gas sold to the British Gas Corporation under a contract made before the end of June 1975 shall be disregarded; and
  - if at the end of that chargeable period the participator's share, exclusive of oil falling within paragraph (a) above or used for production purposes, of the total amount of oil ever won and saved from the field does not exceed 5 per cent. of his share of the total amount of oil so falling which was ever so won and saved, his share of the oil won and saved from the field but not so falling shall also be disregarded;

and in the following provisions of this section any oil which falls to be disregarded under this subsection is referred to as “excluded oil”.

- (2) Excluded oil shall be deemed not to be oil for the purposes of the following provisions of this Act, namely section 2(7) and (9), section 3 (except paragraphs (a) to (c) [F111(hh), (i) and (j) of subsection (1) and [F112]subsections (1C) and (1D)]) and section 4 (including, in the case of any expression used in any of those provisions which is defined elsewhere, its definition so far as it has effect for the purpose of that provision); and in computing under section 2 of this Act the licence debit or credit (if any) of a participator in an oil field for any chargeable period, any royalty repaid to him in the period in respect of excluded oil shall be disregarded.

- [F113](3) Subsections (3A) to (3H) below apply where, in the case of any taxable field, the oil—
- won and saved from the field, or
  - expected to be won and saved from the field,
- includes oil falling within subsection (1)(a) above.

- (3A) Any expenditure allowable under section 3 of this Act for the field by virtue of any of paragraphs (a) to (c) of section 3(1) of this Act shall be a proportion of what it would otherwise have been.
- (3B) The proportion mentioned in subsection (3A) above is that which, according to estimates submitted to the [F114]OGA after the end of June 1975 and approved by [F115]it as reasonable, the field's original reserves of oil exclusive of oil falling within subsection (1)(a) above bear to the field's original reserves of oil inclusive of oil so falling.
- (3C) Until estimates have been submitted and approved for the purpose of subsection (3B) above, the expenditure allowable for the field under section 3 of this Act by virtue of section 3(1)(a), (b) or (c) of this Act shall be deemed to be nil.

- (2) In the following provisions of this paragraph, so much of the repayment of tax referred to in sub-paragraph (1)(c) above as is attributable to giving effect to the relief for losses carried back is referred to as “the appropriate repayment” [<sup>F261</sup> and, in relation to the appropriate repayment, the chargeable period for which the relevant assessment or amendment is made is referred to as “the repayment period”].
- (3) For the purpose of determining the amount of the appropriate repayment in a case where the relevant assessment or amendment not only gives effect to the relief for losses carried back but also takes account of any other matter (whether a relief or not) which goes to reduce the assessable profit of the period in question or otherwise

to reduce the tax payable for that period, the amount of the repayment which is attributable to the relief for losses carried back is the difference between—

- (a) the total amount of tax repayable by virtue of the relevant assessment or amendment; and
- (b) the amount of tax (if any) which would have been so repayable if no account had been taken of the relief for losses carried back.

(4) [<sup>F262</sup>Subject to sub-paragraph (6) below] Where this paragraph applies, the amount of interest which, by virtue of paragraph 16 above [<sup>F263</sup>which is treated as reducing the assessable profit of the repayment period], is carried by the appropriate repayment shall not exceed the difference between—

- (a) [<sup>F264</sup>the relevant percentage of the amount] of the allowable loss or losses referred to in sub-paragraph (1)(a) above; and
- (b) the amount of the appropriate repayment.

[ For the purposes of sub-paragraph (4)(a) above—

- <sup>F265</sup>(5) (a) where the repayment period ends on or before 30th June 1993, the relevant percentage, in relation to the amount of the loss or losses which is treated as reducing the assessable profit accruing to the participator for that period is 85 per cent.; and

(6) If, in order to give effect to the relief for losses carried back, a repayment of APRT falls, or will on the making of a claim fall, to be made with respect to a chargeable period which is the repayment period in relation to the appropriate repayment, the reference in sub-paragraph (4)(b) above to the appropriate repayment shall be construed as a reference to the aggregate of that repayment and the repayment of APRT.

(7) In sub-paragraph (6) above “APRT” means advance petroleum revenue tax paid under Chapter II of Part VI of the <sup>M13</sup>Finance Act 1982.]]

- 1A (1) This paragraph has effect for determining, for the purposes of this Schedule, the day which is the “notional delivery day” in the case of any particular quantity of oil of any particular kind whose market value falls to be determined in accordance with the provisions of this Schedule in the case of any chargeable period.
- (2) The notional delivery day need not be a day in the chargeable period.

    - (b) has been disposed of but not delivered in the period,
 the notional delivery day is the last business day of the chargeable period.
  - (4) In the case of—
    - (a) a quantity of oil won and disposed of which is delivered on a day in the chargeable period, or

---

- (b) a quantity of oil—
  - (i) relevantly appropriated on a day in the chargeable period, but
  - (ii) not disposed of in the chargeable period,the notional delivery day is to be determined in accordance with sub-paragraphs (5) to (7) below.
- (5) If that oil is—
  - (a) oil transported by ship from the place of extraction to a place in the United Kingdom or elsewhere, or
  - (b) oil transported by pipeline to a place in the United Kingdom and loaded on to a ship there,and there is a loading slot for it (see sub-paragraph (8)), the notional delivery day is the middle day of the loading slot.
- (6) If sub-paragraph (5) above does not apply to that oil, then—
  - (a) if it is oil delivered on a day in the chargeable period, the notional delivery day is the date of the delivery, or
  - (b) if it is oil relevantly appropriated on a day in the chargeable period, the notional delivery day is the date of the appropriation.
- (7) The Treasury may by regulations make provision for or in connection with substituting as the notional delivery day in such circumstances as may be prescribed—
  - (a) in the case of oil transported by ship from the place of extraction to a place in the United Kingdom or elsewhere, the date of completion of load, or
  - (b) in the case of oil transported by pipeline to a place in the United Kingdom and loaded on to a ship there, the date of the bill of lading.
- (8) The “loading slot” for any oil is the period of three days within which the loading of the oil on to the ship is or was to take place—
  - (a) as duly published by the operator of the facility at which that loading is or was to take place (unless paragraph (b) below applies), or
  - (b) as subsequently finally duly varied to give effect to any modifications duly notified to that operator by the participator concerned.

  - (b) notification of modifications to that schedule,and, in any case, before the end of the calendar month immediately preceding that in which loading is to take place.
- (10) If the Treasury consider that, for the purpose of defining “loading slot”, any period of days for the time being specified by or under this Act as the period of days within which loading of oil on to a ship is to take place is, or is to be, no longer appropriate, they may by regulations make provision for, or in connection with,—
  - (a) varying the number of days in the period,
  - (b) determining the day that is to be the notional delivery day if the number, as varied, is an even number.

*Changes to legislation: There are currently no known outstanding effects for the Oil Taxation Act 1975. (See end of Document for details)*

The power conferred by this sub-paragraph includes power to make amendments to, or modifications of, this Schedule.]

*Definition of market value of oil*

2 <sup>F269</sup>(1) <sup>F270</sup>[Except in the case of light gases] the market value of <sup>F271</sup>any particular quantity of oil of any kind on any day] shall be determined for the purposes of this Part of this Act in accordance with this paragraph [and, accordingly, references in the following provisions of this paragraph to oil do not apply to light gases].]

<sup>F272</sup>(1A) This paragraph makes different provision according to whether the oil is—

- (a) Category 1 oil of any kind, or
- (b) Category 2 oil of any kind.

(1B) For the purposes of this Act—

- (a) Category 1 oil is oil of any of one or more kinds specified as such in regulations made for the purpose by the Board;
- (b) Category 2 oil is oil of any other kind.

(1C) The Board may specify oil of any particular kind as Category 1 oil only if they are satisfied that reports of prices for sales of oil of that kind are published and widely available (whether or not on payment of a fee).]

<sup>F273</sup>(2) The market value of any particular quantity of Category 1 oil of any kind is the price for which that quantity of oil of that kind might reasonably have been expected to be sold under a contract of sale that meets the following conditions—

- (a) the contract is for the sale of the oil at arm's length to a willing buyer;
- (b) the contract is for delivery of a single standard cargo of the oil;
- (c) the contract specifies a period of three days within which loading of the oil is to take place and that period includes the notional delivery day for the actual oil;
- (d) the contract requires the oil to have been subjected to appropriate initial treatment before delivery;
- (e) the contract requires the oil to be delivered—
  - (i) in the case of oil extracted in the United Kingdom, at the place of extraction; or
  - (ii) in the case of oil extracted from strata in the sea bed and subsoil of the territorial sea of the United Kingdom or of a designated area, at the place in the United Kingdom or another country at which the seller could reasonably be expected to deliver it or, if there is more than one such place, the one nearest to the place of extraction.

The terms as to payment which are to be implied in the contract are those which are customarily contained in contracts for the sale at arm's length of oil of the kind in question.

(2AA) The market value of any particular quantity of Category 2 oil of any kind is the price for which that quantity of oil of that kind might reasonably have been expected to be sold under a contract of sale that meets the following conditions—

- (a) the contract is for the sale of the oil at arm's length to a willing buyer;
- (b) the contract provides for delivery of the oil on the notional delivery day for the actual oil or within such period that includes that day as is normal under

- a contract at arm's length for the sale of oil of that kind (or, if there is more than one such period, the shortest of them);
- (c) the contract is made on a date such that the period between that date and the notional delivery day for the actual oil is the normal period between contract and delivery in the case of a contract at arm's length for the sale of oil of that kind (or, if there is more than one such period, the shortest of them);
  - (d) the contract requires the oil to have been subjected to appropriate initial treatment before delivery;
  - (e) the contract requires the oil to be delivered—
    - (i) in the case of oil extracted in the United Kingdom, at the place of extraction; or
    - (ii) in the case of oil extracted from strata in the sea bed and subsoil of the territorial sea of the United Kingdom or of a designated area, at the place in the United Kingdom or another country at which the seller could reasonably be expected to deliver it or, if there is more than one such place, the one nearest to the place of extraction.

The terms as to payment which are to be implied in the contract are those which are customarily contained in contracts for the sale at arm's length of oil of the kind in question.]

[<sup>F274</sup>(2E) For the purposes of sub-paragraph (2) or (2AA) above, the price of any quantity of Category 1 or Category 2 oil of any kind shall be determined in such manner, on the basis of such information, and by reference to such factors, as may be prescribed for oil of that Category and kind in regulations made by the Board.

(2F) The provision that may be made by regulations under subsection (2E) above includes provision for or in connection with any or all of the following—

- (a) determining the price by reference to prices, or an average of prices, for sales of oil (whether or not oil of the Category or kind in question, and whether the prices are prices under actual contracts, prices that are published and widely available (whether on payment of a fee or otherwise) or prices ascertained or determined in some other way);
- (b) the prices to be taken into account;
- (c) the descriptions of contracts to be taken into account;
- (d) the method to be used for determining an average of prices;
- (e) the day or days, or period or periods, by reference to which prices, or any average of prices, is to be determined;
- (f) the application of a prescribed price differential, in cases where the price of oil of one kind falls to be determined in whole or in part by reference to prices for oil of some other kind.

(2G) Sub-paragraph (2I) below has effect if, or in so far as, the Board are satisfied that it is impracticable or inappropriate to determine for the purposes of sub-paragraph (2) or (2AA) above the price of any oil in accordance with the provisions of regulations for the time being in force under sub-paragraph (2E) above.

(2H) For that purpose it is immaterial whether the impracticability or inappropriateness is by virtue of—

- (a) an insufficiency of contracts or published prices that satisfy the conditions,
- (b) an insufficiency of information relating to such contracts or published prices, or
- (c) the nature of the market for oil of the kind in question,

or for any other reason.

(2I) Where this sub-paragraph has effect, the price is to be determined—

- (a) so far as it is practicable and appropriate to do so by reference to other contracts or published prices (whether or not relating to oil of the same kind) and in accordance with the principles set out in the regulations for determining an average of prices; and
- (b) so far as it is not practicable or appropriate to determine it as mentioned in paragraph (a) above, in such other manner as appears to the Board to be appropriate in the circumstances.]

<sup>F275</sup>(3) .....

[<sup>F276</sup>(3A) Where all or any of the oil whose market value falls to be ascertained in accordance with [<sup>F277</sup>sub-paragraph (1) and sub-paragraph (2) or (2AA) above] has been subjected to initial treatment before being disposed of or relevantly appropriated, the appropriate initial treatment referred to in [<sup>F278</sup>sub-paragraph (2)(d) or (2AA)(d) above] shall, as respects that oil, include the whole of that treatment.]

(4) The provisions of [<sup>F279</sup>sub-paragraphs (2) and (2AA)] above shall apply for the ascertainment of the market value of oil in any case mentioned in paragraph 2(2) of Schedule 2 to this Act as they apply in relation to the corresponding case mentioned in those provisions.

[<sup>F280</sup>(5) In this paragraph “prescribed” means specified in, or determined in accordance with, regulations.]

#### *Disposal of long-term asset formerly used in connection with an oil field*

- 4 (1) Where an asset is used in connection with an oil field in circumstances such that section 4 of this Act applies to any expenditure incurred in acquiring, bringing into existence, or enhancing the value of that asset, then if—
- (a) the asset is disposed of for valuable consideration while in use in that connection or not more than two years after its use in that connection permanently ceases;
  - (b) the person making the disposal is either a participator in the field or a person connected with a participator;
  - (c) the person to whom the disposal is made is not a person connected with a participator; and
  - (d) the amount or value of the consideration received or receivable for the disposal is not less than the price which the asset might reasonably have been expected to fetch if sold in the open market at the time of the disposal,
- sub-paragraphs (2) to (4) below shall have effect.
- (2) If the disposal occurs without the asset permanently ceasing to be used in connection with the field, its use in that connection shall for the purposes of section 4 of this Act and the following provisions of this paragraph be deemed to have permanently ceased at the time of the disposal.
- (3) If the disposal takes place not later than the end of the claim period in which the use of the asset in connection with the field permanently ceases, the proportion of the expenditure allowable under section 4 of this Act for the relevant period (that is to say the period which, in relation to that claim period, is the relevant period for the purposes of subsection (7) of that section) or, if the claim period in question is the first relevant claim period (as defined in that section), the proportion of the expenditure so allowable for that claim period shall be computed under that section subject to the provisions of sub-paragraph (5) below.
- (4) If the disposal takes place after the end of the claim period in which the use of the asset in connection with the field permanently ceases, then, as regards the claim period in which the disposal takes place—
- (a) subsection (7) of section 4 of this Act shall have effect in relation to the asset as if its use in that connection had permanently ceased in that claim period (but so that for the purposes of subsections (5) and (6) of that section as applied by the said subsection (7) the asset shall not be treated as having been used in that connection at any time when it was not so used); and

- (b) the proportion of the expenditure allowable under that section for the relevant period (that is to say the period which, in relation to that claim period is the relevant period for the purposes of the said subsection (7)) shall be computed under that section subject to the provisions of sub-paragraph (5) below.
- (5) For the purposes of the computation mentioned in sub-paragraph (3) or (4) above, as the case may be—
- (a) the amount of the expenditure incurred in acquiring, bringing into existence, or enhancing the value of the asset which would otherwise fall to be taken into account shall be treated as reduced by the amount or value of the consideration received or receivable for the disposal (or, if equal to or smaller than the amount or value of that consideration, as reduced to nil); and
  - (b) the asset's useful life shall be treated as having ended at the time of the disposal or, if the asset permanently ceased to be used in connection with the field before that time and was neither used nor available for use by anyone in the interval between its permanently ceasing to be so used and the time of the disposal, at the time when it permanently ceased to be so used.
- (6) In any case where, for different parts of the expenditure incurred in the case of an asset as mentioned in sub-paragraph (1) above, different proportions thereof would be allowable under section 4 of this Act apart from sub-paragraph (5)(a) above (including a case where, for some but not all of that expenditure, the proportion thereof so allowable would be 100 per cent.), the amount or value of the consideration received or receivable for the disposition shall for the purposes of this paragraph be treated as referable to those different parts in such proportions as may be just and reasonable.
- (7) Section 4(13) of this Act applies to the preceding provisions of this paragraph; and those provisions shall, with any necessary modifications, apply in relation to a disposal of an interest in an asset as they apply in relation to a disposal of an asset.
- (8) [<sup>F321</sup>Section 1122 of CTA 2010] (connected persons) shall apply for the purposes of this paragraph.

  - (a) the first claim period is whichever of the following periods the responsible person elects, namely the period ending at the end of June following the determination of the field or the period ending at the end of December following that determination (including, in either case, an unlimited time prior to that determination);
  - (b) each subsequent claim period is whichever of the following periods the responsible person elects, namely the period of six months or the period of twelve months from the end of the preceding claim period:

Provided that unless and until the responsible person elects the period of six months from the end of any particular claim period, the claim period next after that claim period shall be taken to be the period of twelve months from the end of it.

- (2) An election under this paragraph must be made by notice in writing to the Board.

(5) Where a claim for the allowance of any expenditure under section 4 of this Act for an oil field was made in relation to any asset for the claim period which, in the case of that asset, is the first relevant claim period (as defined in that section), then any claim with respect to that field made under this Schedule for any subsequent claim period must give all such information as is relevant for the purpose of enabling the Board to carry into effect the provisions of that section in relation to that asset.
