SCHEDULE 3

ADMINISTRATION

PART I

ORDERS

Scope

- 1 An order may provide—
 - (a) for the imposition, collection and recovery by a water authority of contributions assessed on several fisheries regulated by the order or on the owners and occupiers of such fisheries ;
 - (b) for enabling the water authority with the approval of the Minister, but subject to paragraphs 2 and 3 below, to erect and work by themselves or their lessees any fixed engine for catching salmon or migratory trout within the area within which the order is to apply ;
 - (c) for modifying in relation to the fisheries within the area any of the provisions of this Act which relate to the regulation of fisheries, or of any local Act relating to any fishery within the area.
- 2 An order shall not authorise a fixed engine to be worked for a period exceeding five years unless authorisation is from time to time extended by licence of the Minister for such term as may be specified in the licence and not exceeding at any one time five years.
- 3 The Minister shall not grant a licence until he has inquired into the effect of the working of the engine on the salmon or trout fisheries within the area.
- 4 An order may contain any incidental, consequential or supplemental provisions, including provisions for payment of compensation to persons injuriously affected by the order, which may appear to be necessary or proper for the purposes of the order.
