  - (b) which is comprised in an area specified in a notice under this section,the [F<sup>8</sup>Corporation] shall have the like right to work that coal or, for any coal-mining purpose, to use that mine as if they had acquired all retained interests subsisting in that coal or mine immediately before the commencement of this Act.

  - (a) in the London Gazette, and
  - (b) on two successive weeks in such newspapers circulating in the area concerned as appear to the [F<sup>8</sup>Corporation] to be desirable for giving adequate publicity to their intention.
- (3) Every notice under subsection (2) above—
  - (a) shall indicate the area of land to which it relates either by reference to a map or in such other manner as appears to the [F<sup>8</sup>Corporation] to be appropriate in the circumstances of the case;

- (5) Schedule 2 to this Act shall have effect for supplementing the provisions of this section.
- (6) Where compensation is payable to any person under subsection (4) above there shall be paid to him, in addition to the compensation, any reasonable valuation expenses incurred by him for the purpose of ascertaining the value, at the date referred to in subsection (4) above, of the retained interest to which the compensation relates, but this subsection is without prejudice to the powers of the Lands Tribunal in respect of the costs of proceedings before the Tribunal by virtue of subsection (4) above.

- (a) in so far as any notice which is published under subsection (2) above at a time when the [F<sup>8</sup>Corporation] are so entitled specifies an area which includes the land in or under which that coal or mine of coal is comprised or lies, so much of that land as consists of that coal or mine of coal shall be deemed to be excluded from that area; and
- (b) in so far as notice of a retained interest which is given as mentioned in subsection (3)(b) above at a time when the [F<sup>8</sup>Corporation] are so entitled relates to a retained interest in any land in or under which that coal or mine of coal is comprised or lies, for the purposes of determining the amount of any compensation payable under subsection (4) above, that interest shall be treated as not subsisting in that coal or mine of coal.
