SCHEDULES

SCHEDULE 1

MINOR AND CONSEQUENTIAL AMENDMENTS

The Mineral Workings (Offshore Installations) Act 1971

3 At the end of section 6 (safety regulations), there shall be added the following subsection—

“(5) If an inquiry is held in pursuance of regulations under this Act into an accident which causes the death of any person, no inquiry with regard to that death shall, unless the Lord Advocate otherwise directs, be held in pursuance of the Fatal Accidents and Sudden Deaths Inquiry (Scotland) Act 1976.”
