- (1) Regulations may provide, in the case of all or any of the following bodies, that is to say, Health Boards, the Agency, and the Dental Estimates Board, for restricting the making of payments by or on behalf of the body otherwise than on such authorisation and subject to such conditions as may be specified in the regulations; but such provision may be made subject to such exceptions as may be so specified.
- (2) Regulations made under this section may contain such other provisions as to the making and carrying out by all or any of those bodies of such arrangements with respect to financial matters as the Secretary of State thinks necessary for the purpose of securing that the affairs of such bodies are conducted, so far as reasonably practicable, in such manner as to prevent financial loss and to ensure and maintain efficiency.
- (3) Without prejudice to the operation of the provisions of any such regulations, the Secretary of State may give to any of the said bodies such directions (which may be specific in character) as to any matter with respect to which regulations may be made under this section as it appears to him is requisite for the purpose of securing that the affairs of the body are conducted, so far as reasonably practicable, in such manner as is mentioned in subsection (2); and a body to whom any such directions are given shall comply therewith.
