

Deer Act 1980

1980 CHAPTER 49

8 Interpretation

In this Act, unless the context otherwise requires—

" deer " means deer of any species and includes the carcase of any deer or any part thereof;

" vehicle " includes an aircraft, hovercraft or boat;

" venison " means the carcase, or any edible part of the carcase, of a deer and includes imported venison, but not canned or cooked venison.
