

# Animal Health Act 1981

## 1981 CHAPTER 22

### PART I

#### GENERAL

##### *General powers of Ministers to make orders and to authorise regulations*

#### **1 General powers of Ministers to make orders.**

The Ministers may make such orders as they think fit—

- (a) generally for the better execution of this Act, or for the purpose of in any manner preventing the spreading of disease; and
- (b) in particular for the several purposes set out in this Act, and for prescribing and regulating the payment and recovery of expenses in respect of animals.

#### **2 Local authority regulations.**

The Ministers may make such orders as they think fit for authorising a local authority to make regulations for any of the purposes—

- (a) of this Act, or
- (b) of an order of the Minister,

subject to such conditions, if any, as the Ministers for the purpose of securing uniformity and the due execution of this Act, think fit to prescribe.

##### *Eradication and prevention of disease*

#### **3 Expenditure for eradication.**

- (1) The Ministers may, with the Treasury's approval, expend such sums as they think fit with the object of eradicating as far as practicable diseases of animals (including horses) in Great Britain.

*Status: Point in time view as at 02/01/2018.*

*Changes to legislation: There are currently no known outstanding effects for the Animal Health Act 1981, Part I. (See end of Document for details)*

In this subsection “disease” is not restricted by its definition in this Act.

- (2) To obtain information required for the purposes of subsection (1) above the Ministers may authorise in writing any veterinary inspector or other officer of the Ministry to inspect animals (including horses).
- (3) A person so authorised may, for the purpose of any inspection to be carried out by him—
  - (a) at all reasonable times, and
  - (b) upon production of his authority on demand,
 enter on any land or premises and apply such tests and take such samples as he considers necessary.
- (4) No payment may be made under subsection (1) which was capable of being made under section 3 of the <sup>M1</sup>Diseases of Animals Act 1950 (payments for the eradication of bovine tuberculosis) before the expiry of that section.

#### 4 Offences as to s. 3.

- (1) A person who knowingly or recklessly makes any false statement for the purpose of obtaining for himself or any other person any sum payable under section 3 above shall (unless in the case of an indictable offence he is indicted for the offence) be liable on summary conviction—
  - (a) to a fine not exceeding [<sup>F1</sup>level 3 on the standard scale]; or
  - (b) to imprisonment for a term not exceeding 3 months; or
  - (c) to both such imprisonment and fine.
- (2) A person who obstructs or impedes any person duly authorised under subsection (2) of section 3 to make any inspection shall be liable on summary conviction—
  - (a) in the case of a first offence, to a fine not exceeding £50; and
  - (b) in the case of a second or subsequent offence punishable under this subsection—
    - (i) to a fine not exceeding £50; or
    - (ii) to imprisonment for a term not exceeding one month; or
    - (iii) to both such imprisonment and fine.

In considering for the purposes of this subsection or subsection (2) of section 30 of the <sup>M2</sup>Agriculture Act 1937 whether an offence is or is not a first offence, references to an offence punishable under this subsection or that subsection shall be taken as including references to offences punishable under that subsection or this subsection, as the case may be.

## **5 Veterinary services and therapeutic substances.**

- (1) Without prejudice to the generality of section 3 above, the Ministers have power, with the Treasury's approval, to afford veterinary services, including diagnostic services, whether free of charge or not, to persons—
- who carry on livestock businesses; and
  - who participate in arrangements approved by the Ministers as being satisfactory arrangements for keeping their stock so far as practicable free from disease and in good health.

In this subsection “disease” is not restricted by its definition in this Act.

- (2) Schedule 1 to this Act has effect in relation to the regulation of the manufacture of and other matters connected with veterinary therapeutic substances.

## **6 Eradication areas and attested areas.**

The Ministers may make orders—

- declaring any area as respects which they are satisfied that a substantial majority of the cattle in that area are free from any particular disease to be an eradication area for purposes connected with the control of that disease;
- declaring any area as respects which they are satisfied that any particular disease of cattle is for practical purposes non-existent in that area to be an attested area for purposes connected with the control of that disease; and
- prohibiting or regulating the movement of cattle into, out of or within any area which is for the time being an eradication area or an attested area or, if the area is an eradication area or an attested area for purposes connected with the control of brucellosis, imposing with respect to cattle in that area such other prohibitions or requirements as they may consider necessary or desirable for the purpose of eradicating that disease.

### **[<sup>F2</sup> 6A Biosecurity guidance**

- (1) The Secretary of State must prepare guidance on the appropriate biosecurity measures to be taken in relation to—
- foot-and-mouth disease;
  - such other disease as the Secretary of State by order specifies.
- (2) After preparing a draft of the guidance the Secretary of State—

*Status: Point in time view as at 02/01/2018.*

*Changes to legislation: There are currently no known outstanding effects for the Animal Health Act 1981, Part I. (See end of Document for details)*

- (a) must send a copy of the draft to such persons and organisations as he thinks are representative of those having an interest in biosecurity measures;
  - (b) must consider any representations made to him about the draft by such persons and organisations;
  - (c) may amend the draft accordingly.
- (3) After the Secretary of State has proceeded under subsection (2) he must publish the guidance in such manner as he thinks appropriate.
  - (4) The Secretary of State must from time to time review the guidance and if he thinks it appropriate revise the guidance.
  - (5) Subsections (1) to (3) apply to a revision of the guidance as they apply to its preparation.
  - (6) But if the Secretary of State thinks that it is necessary to revise the guidance urgently he may publish revised guidance without proceeding under subsection (2).
  - (7) Biosecurity measures are measures taken to prevent the spread of causative agents of disease.
  - (8) Causative agent includes any virus, bacterium and any other organism or infectious substance which may cause or transmit disease.
  - (9) The power to make an order must be exercised by statutory instrument subject to annulment in pursuance of a resolution of either House of Parliament.
  - (10) It is immaterial that anything done for the purposes of subsections (1) to (3) is done before the passing of the Animal Health Act 2002.]

#### **Textual Amendments**

### **[<sup>F2</sup>6B Biosecurity compliance**

- (1) A person having a function under this Act relating to foot-and-mouth disease or a disease specified by order under section 6A(1) must not exercise the function unless the guidance under section 6A has been published and has not been withdrawn.
- (2) Any act which is done in contravention of subsection (1) is done without lawful authority.
- (3) If a person to whom subsection (5) applies fails to comply with the guidance he is not by reason only of that failure liable in any civil or criminal proceedings.
- (4) But the guidance is admissible in evidence in such proceedings and a court may take account of any failure to act in accordance with it in deciding any question in the proceedings.

*Status: Point in time view as at 02/01/2018.*

*Changes to legislation: There are currently no known outstanding effects for the Animal Health Act 1981, Part I. (See end of Document for details)*

- (5) This subsection applies to—
- (a) any person having functions under this Act;
  - (b) any person who is the owner or occupier of premises on which animals are kept;
  - (c) any person who has charge of animals;
  - (d) any person who is under the direction of a person mentioned in paragraphs (a) to (c).]

#### Textual Amendments

**F2** S. 6A - S. 6B inserted (E.W.) (1.7.2003) by [Animal Health Act 2002 \(c. 42\)](#), **ss. 16, 19(1)**; [S.I. 2002/3044](#), **art. 2(b)**

### [<sup>F3</sup>6C **Biosecurity codes: Scotland**

- (1) The Scottish Ministers may make an order containing a code (referred to in this section and section 6D as a “biosecurity code”) which makes provision for the taking of, and in relation to, the measures specified in subsection (2).
- (2) Those are measures (“biosecurity measures”) for preventing—
- (a) diseases of animals;
  - (b) the spread of causative agents of diseases of animals—
    - (i) among animals, birds or amphibians;
    - (ii) between any of those categories of creature and another of those categories; or
    - (iii) from any of those categories of creature to humans.
- (3) In subsection (2)(b), “causative agent”, in relation to a disease, includes any virus, bacterium and any other organism or infectious substance which may cause or transmit the disease.
- (4) A biosecurity code may relate solely to one, or more than one—
- (a) kind of creature; or
  - (b) disease.
- (5) A biosecurity code may include guidance as to the best practicable means of taking biosecurity measures.
- (6) A biosecurity code may—
- (a) prescribe general requirements to which persons to whom the code applies are subject;
  - (b) prescribe particular requirements to which such persons are, in such circumstances as are specified in the code, subject; and
  - (c) specify circumstances in which any person is to be regarded for the purposes of this section as complying with, or (as the case may be) not complying with, any requirements prescribed under paragraphs (a) or (b).
- (7) A biosecurity code may make different provision for different cases or classes of case.
- (8) A biosecurity code applies, to the extent provided for in the code, to any person who owns, keeps or is in charge of any creature of a kind to which the code relates.

*Status: Point in time view as at 02/01/2018.*

*Changes to legislation: There are currently no known outstanding effects for the Animal Health Act 1981, Part 1. (See end of Document for details)*

- (9) A person must, to the extent to which a biosecurity code applies to the person, comply with the code.
- (10) A person who is subject to a requirement prescribed under subsection (6)(a) or (b) commits an offence if, without lawful authority or excuse (proof of which lies on the person), that person fails to comply with the requirement.
- (11) Before making an order under subsection (1), the Scottish Ministers must consult such persons as they consider appropriate about the proposed biosecurity code.
- (12) A statutory instrument containing an order under subsection (1) is not made unless a draft of the instrument has been laid before, and approved by a resolution of, the Scottish Parliament.
- (13) In sub-paragraph (i) of paragraph (b) of subsection (2), the reference to animals means any kind of mammal (except man).
- (14) In this section and section 6D(1)(b), “disease” is not restricted by its definition in this Act.]

#### Textual Amendments

- F3** S. 6C - S. 6D inserted (S.) (6.10.2006) by [Animal Health and Welfare \(Scotland\) Act 2006 \(asp 11\)](#), ss. 4, 55(1) (with s. 54); S.S.I. 2006/482, art. 2

#### [<sup>F3</sup>6D] Emergency biosecurity orders: Scotland

- (1) Where the Scottish Ministers are of the opinion that there exists—
  - (a) an outbreak of a disease specified in Schedule 2B to this Act; or
  - (b) some other emergency relating to a disease of animals,
 subsections (11) and (12) of section 6C do not apply in relation to the making of an order under subsection (1) of that section containing a biosecurity code relating to the outbreak or, as the case may be, the other emergency.
- (2) Where subsection (1) applies, an order made accordingly (an “emergency order”)—
  - (a) is to be laid before the Scottish Parliament; and
  - (b) ceases to have effect at the expiry of a period of 28 days beginning with the date on which it was made unless, before the expiry of that period, the order has been approved by a resolution of the Parliament.
- (3) However, paragraph (b) of subsection (2) does not apply in relation to an order which—
  - (a) revokes (wholly or partly) an emergency order; and
  - (b) does nothing else, or nothing else except make provision incidental or supplementary to the revocation.
- (4) In reckoning for the purposes of subsection (2)(b) any period of 28 days, no account is to be taken of any period during which the Scottish Parliament is—
  - (a) dissolved; or
  - (b) in recess for more than 4 days.
- (5) Subsection (2)(b) is without prejudice to anything previously done by reference to an emergency order or to the making of a new emergency order.

*Status: Point in time view as at 02/01/2018.*

*Changes to legislation: There are currently no known outstanding effects for the Animal Health Act 1981, Part I. (See end of Document for details)*

- (6) An emergency order must include a description of the emergency in relation to which the order is made.]

#### [<sup>F4</sup>6E] Tests and samples: Scotland

- (1) An inspector may at any time enter any premises in Scotland for the purpose of ascertaining (any or all)—
- (a) whether—
    - (i) biological indicators of any disease of animals;
    - (ii) biological indicators of any causative agent of a disease of animals, exist in animals, birds or amphibians on the premises;
  - (b) whether any animals, birds or amphibians on the premises or which were kept there at any time are, or were at the time they were so kept, infected with a disease of animals;
  - (c) whether any causative agent of a disease of animals is present on the premises.
- (2) The inspector may take such samples (including samples from any animals, birds or amphibians on the premises) and carry out such tests as the inspector thinks are necessary for a purpose mentioned in subsection (1).
- (3) In subsections (1) and (2), the references to animals in which biological indicators exist, infected with a disease or from which samples may be taken means any kind of mammal (except man).
- (4) In this section—
- “biological indicator”—
- (a) in relation to a disease, includes evidence of any form of reaction to the disease;
  - (b) in relation to a causative agent, includes—
    - (i) anti-bodies in reaction to the causative agent;
    - (ii) evidence of any other form of reaction to the causative agent;
- “causative agent”, in relation to a disease, includes any virus, bacterium and any other organism or infectious substance which may cause or transmit the disease;
- “disease” is not restricted by its definition in this Act;
- “inspector” means—
- (a) a person appointed as an inspector for the purposes of this Act by the Scottish Ministers; or
  - (b) a person authorised by the Scottish Ministers for those purposes;
- “premises” includes—
- (a) any land or building; or
  - (b) any other place, in particular—
    - (i) a vehicle or vessel; or
    - (ii) a tent or moveable structure.]

### [<sup>F4</sup>6F] **Samples: further testing**

- (1) Where a sample from any animal, bird or amphibian has been taken—
  - (a) under any enactment; and
  - (b) in relation to the monitoring, control or prevention of any disease of animals, the Scottish Ministers (or a person authorised by them) may carry out such tests using the sample as they think are necessary or expedient for the purposes of the monitoring, control or prevention of any other disease of animals.
- (2) Except in the circumstances described in subsection (3), the power conferred by subsection (1) is not exercisable unless the sample has previously been used for a test authorised under the relevant enactment.
- (3) Those circumstances are—
  - (a) where the Scottish Ministers are of the opinion that there exists an emergency in relation to a disease of animals; and
  - (b) the tests to be carried out under subsection (1) are in connection with the emergency.
- (4) A person who possesses a sample required for the carrying out of a test under subsection (1) must give the sample to the Scottish Ministers (or a person authorised by them) by such time as they may direct.
- (5) In subsection (1), the first reference to an animal means any kind of mammal (except man).
- (6) In this section—
 

“disease” is not restricted by its definition in this Act;

“enactment” includes an enactment comprised in, or in an instrument made under, an Act of the Scottish Parliament.]

### *Cleansing and movement*

## 7 **Cleansing and disinfection.**

- (1) The Ministers may make such orders as they think fit—
  - (a) for prescribing and regulating the cleansing and disinfection of places used for the holding of markets, fairs, exhibitions, or sales of animals, or for lairage of animals, and yards, sheds, stables, and other places used for animals;

*Status: Point in time view as at 02/01/2018.*

*Changes to legislation: There are currently no known outstanding effects for the Animal Health Act 1981, Part I. (See end of Document for details)*

- (b) for prescribing and regulating the cleansing and disinfection of vessels, aircraft, vehicles, and pens and other places, used for the carrying of animals for hire or connected purposes;
  - (c) for prescribing and regulating the disinfection of the clothes of persons coming in contact with or employed about diseased or suspected animals and the use of precautions against the spreading of disease by such persons;
  - (d) for prescribing modes of cleansing and disinfection.
- (2) The Ministers may by orders prescribe and regulate the cleansing and disinfection of receptacles or vehicles used for the conveyance or exposure for sale of poultry.

## 8 Movement generally.

- (1) The Ministers may make such orders as they think fit—
- (a) for prescribing and regulating the marking of animals;
  - (b) for prohibiting or regulating the movement of animals, and the removal of carcasses, fodder, litter, dung and other things, and for prescribing and regulating the isolation of animals newly purchased;
  - (c) for prescribing and regulating the issue and production of licences respecting movement and removal of animals and things;
  - (d) for prohibiting, absolutely or conditionally, the use, for the carrying of animals or for any connected purpose, of a vessel, aircraft, vehicle, or pen or other place in respect of which or the use of which a penalty has been recovered from any person for an offence against this Act;
  - (e) for prohibiting or regulating [<sup>F5</sup>the holding of markets, fairs, exhibitions and sales of animals][<sup>F5</sup> animal gatherings ].

[<sup>F6</sup>(1A) In subsection (1)(e), “ animal gatherings ” has the same meaning as it has in section 8A.  
]

- (2) A person is guilty of an offence against this Act if, where an order of the Minister absolutely or conditionally prohibits the use of a vessel, aircraft, vehicle or pen, or other place, for the carrying of animals or for any connected purpose, he, without lawful authority or excuse, proof of which shall lie on him, does anything so prohibited.

### Textual Amendments

*Changes to legislation: There are currently no known outstanding effects for the Animal Health Act 1981, Part I. (See end of Document for details)*

---

- (3) In this section, an “animal gathering” means an occasion at which animals or birds (or both) are brought together for any purpose.
- (4) But, for the purposes of subsection (3), an occasion is not an animal gathering if—
- (a) all the animals or birds involved are owned by the same person; or
  - (b) the occasion—
    - (i) takes place on land in respect of which more than one person has a right of use; and
    - (ii) involves animals or birds all of which are owned by persons who have a right of use of the land.
- (5) An order under subsection (1) may, in particular, include provision as to—
- (a) the procedure to be followed in relation to an application for a licence;
  - (b) any considerations to be taken into account in determining an application;
  - (c) the duration and renewal of a licence;
  - (d) conditions that must or may be imposed on granting or renewing a licence;
  - (e) circumstances in which a licence (or any of the conditions imposed in relation to the licence) must or may be revoked or suspended;
  - (f) requirements for notification of any granting, renewal, revocation, suspension or variation of a licence;
  - (g) appeals in connection with licences.
- (6) An order under subsection (1) may, in particular, also include provision as to the inspection, for the purpose of ensuring compliance with any condition of a licence, of premises where animal gatherings may take, or are taking or have taken, place.
- (7) Conditions under subsection (5)(d) may, in particular, relate to measures for the prevention of the spread of disease.
- (8) A person who holds a licence in accordance with an order made under subsection (1) commits an offence if, without excuse (proof of which lies on the person), that person contravenes any condition of the licence.
- (9) A statutory instrument containing an order under subsection (1) is subject to annulment in pursuance of a resolution of the Scottish Parliament.
- (10) An order under subsection (1) may make different provision for different cases or classes of case.
- (11) Before making an order under subsection (1), the Scottish Ministers must consult—
- (a) such persons appearing to them to represent relevant interests; and
  - (b) such other persons,
- as they consider appropriate.
- (12) In this section, “premises” includes—
- (a) any land or building; or
  - (b) any other place, in particular—
    - (i) a vehicle or vessel; or
    - (ii) a tent or moveable structure.]

## **10 Importation.**

- (1) The Ministers may by orders make such provision as they think fit for the purpose of preventing the introduction or spreading of disease into or within Great Britain through the importation of—
  - (a) animals and carcasses;
  - (b) carcasses of poultry and eggs; and
  - (c) other things, whether animate or inanimate, by or by means of which it appears to them that any disease might be carried or transmitted.
- (2) Without prejudice to the generality of the powers conferred by this section and by section 1 above, for the purpose specified in subsection (1) above an order under this section—
  - (a) may prohibit or regulate the importation of any of the things specified in paragraphs (a) to (c) of subsection (1);
  - (b) may make provision not only with respect to imports (including vessels, boats, aircraft and vehicles of other descriptions) but also with respect to persons, animals, and other things which have been or may have been in contact with imports;
  - (c) may make different provision in relation to different cases; and
  - (d) may make provision with respect to any of the matters specified in Schedule 2 to this Act.
- (3) An order under this section may provide that, in such circumstances as may be specified in the order, animals which—
  - (a) are brought into Great Britain in such circumstances that they are not imported, within the meaning of this Act, and
  - (b) whilst outside Great Britain have been or may have been in contact with any of the things specified in paragraphs (a) to (c) of subsection (1),shall be deemed for the purposes of this section and Schedule 2 to be imported at the time when they are brought into Great Britain.

*Changes to legislation: There are currently no known outstanding effects for the Animal Health Act 1981, Part 1. (See end of Document for details)*

- (4) In this section and in Schedule 2 “animals” includes—
- (a) any kind of mammal, except man,
  - (b) any kind of four-footed beast which is not a mammal, and
  - (c) fish, reptiles, crustaceans and other cold-blooded creatures not falling within paragraph (a) or paragraph (b) above,
- and “disease” is not restricted by its definition in this Act.
- (5) An order under this section which is expressed to be made for the purpose of preventing the introduction of rabies into Great Britain may include provision for the destruction, by such persons as may be prescribed by the order, of animals in respect of which the order or any licence granted under it is contravened.
- (6) Every order made under this section shall be laid before both Houses of Parliament after being made.
- (7) Paragraphs (a) and (b) of section 5(2) of the <sup>M3</sup>Customs and Excise Management Act 1979 (time of importation of goods brought by sea and air) [<sup>F9</sup>and [<sup>F10</sup>article 5(1) and (2)] of the Channel Tunnel (Customs and Excise) Order 1990] have effect for the purposes of this section and Schedule 2 as they have effect for the purposes of the customs and excise Acts.
- (8) The landing of imported animals in Great Britain shall be effected in such manner, at such times and subject to such supervision as the Commissioners of Customs and Excise may direct.

### 11 Export to member States.

The Minister may by order make provision in the interests of animal health or of human health, for regulating the exportation from Great Britain to a member State of animals or animal or poultry carcasses, and in particular—

- (a) for prohibiting exportation without such certificate or licence as may be prescribed by the order, and
- (b) as to the circumstances in which and conditions on which a certificate or licence may be obtained.

### 12 Export quarantine stations.

- (1) For the purpose of preventing the conveyance of disease by animals exported from Great Britain, the appropriate Minister, with the Treasury's consent, may—
- (a) provide facilities for the examination of animals intended for export; and
  - (b) provide or approve one or more quarantine stations for the reception, isolation and examination of such animals.

A quarantine station so provided or approved is in this Act referred to as an “export quarantine station”.

- (2) Notwithstanding anything in this Act, compensation shall not be payable under this Act in respect of any animal intended for export, which by reason of—
- (a) its having been diseased or suspected, or
  - (b) its having been exposed to the infection of any disease, is slaughtered in an export quarantine station.
