SCHEDULE 10

ROAD HUMPS

PART II

PROVISION FOR SCOTLAND

Interpretation and construction

- 9 (1) In this Part—
- " motor vehicle " has the same meaning as in the Road Traffic Regulation Act 1967;
 - " road hump " means an artificial hump in or on the surface of the highway which is designed to control the speed of vehicles, and references to a road hump include references to any other works (including signs or lighting) required in connection with such a hump ;
 - " statutory " means having effect by virtue of an enactment.
- (2) This Part shall be construed as one with the Roads (Scotland) Act 1970.
