15A Directions applying section 14A of the Land Compensation Act 1961

- (1) Subsection (2) applies if—
 - (a) an acquiring authority submits a compulsory purchase order for confirmation, and
 - (b) the authorising enactment is listed in Schedule 2A.
- (2) The acquiring authority may include in the order a direction that compensation is to be assessed in accordance with section 14A of the Land Compensation Act 1961 (cases where prospect of planning permission to be ignored); and if it does so the following provisions of this section apply.
- (3) The acquiring authority must submit to the confirming authority a statement of commitments together with the order.
- (4) A “statement of commitments” is a statement of the acquiring authority’s intentions as to what will be done with the project land should the acquisition proceed, so far as the authority relies on those intentions in contending that the direction is justified in the public interest.
- (5) If the authorising enactment is listed in any of paragraphs 2 to 7 of Schedule 2A, those intentions must include the provision of a certain number of units of affordable housing.
- (6) The statement under section 12(1)(a) must include a statement of the effect of the direction; and paragraphs (ba) and (bb) of the same subsection apply in respect of the statement of commitments as they apply in respect of the compulsory purchase order.
- (7) The confirming authority may permit the acquiring authority to amend the statement of commitments before the decision whether to confirm the order is made.
- (8) But the confirming authority may do so—
 - (a) only if satisfied that the amendment would not be unfair to any person who made or could have made a relevant objection for the purposes of section 13, and
 - (b) if the authorising enactment is listed in any of paragraphs 2 to 7 of Schedule 2A, only if the statement of commitments as amended will still comply with subsection (5).
- (9) If the confirming authority decides to confirm the order in accordance with the applicable provisions of this Part—
