38 Regulations concerning construction and maintenance of road humps.

- (1) The Secretary of State may by regulations make such provision in relation to the construction and maintenance of road humps as appears to him to be necessary or expedient in the interests of safety and the free movement of traffic, and may in particular—
- (a) provide that road humps shall be constructed only on roads of such descriptions and in such circumstances as may be prescribed by the regulations;
- (b) impose requirements as to—
- (i) the nature, dimensions, location and spacing of road humps;
 - (ii) the placing of signs of such type or character as may be so prescribed;
 - (iii) the carrying out and maintenance of other ancillary or consequential works.
- (2) Before making any regulations under this section the Secretary of State shall consult such representative organisations as he thinks fit.
- (3) Regulations under this section shall not apply where a road hump is authorised but conditions attached by the Secretary of State to the authorisation may, in particular, relate to any of the matters with respect to which regulations may be made under this section.

39 Status of road humps.

- (1) Where a road hump conforms to regulations under section 38 of this Act and the further condition mentioned in subsection (2) below as being applicable is satisfied, the road

hump shall not be treated as constituting an obstruction to the road but as part of the road, so that in particular—

- (a) the obligation of any person to maintain the road, and
- (b) the obligation of any person having power to break open the road to make good any damage or otherwise reinstate the road,

extend to maintaining or, as the case may be, to making good any damage to, or otherwise reinstating, the road hump.

(2) The further condition applicable is that either—

- (a) the road concerned is for the time being subject to a statutory speed limit for motor vehicles of 30 miles per hour or less; or
- (b) the road hump is authorised.

(3) In relation to an authorised road hump the reference in subsection (1) above to conformity with regulations shall be construed as a reference to conformity with the conditions attached to the authorisation.

(4) In so far as it does not apply apart from this subsection [^{F2}section 117 of the New Roads and Street Works Act 1991 (restricting road works following substantial works for roads purposes)] applies in relation to the construction, maintenance and removal of a road hump as if the works were executed for road purposes and were mentioned in [^{F2}subsection (3) of that section] and as if the person executing them were the promoting authority within the meaning of that [^{F2}section].
