Section 54.

SUPPLEMENTARY PROVISIONS AS TO WITHDRAWAL OF TAX CREDITS

Recovery of tax credits incorrectly paid

- 1 (1) Where the provisions of section 54 of this Act apply so as to withdraw the entitlement of a company to claim to have a tax credit in respect of a qualifying distribution set against the income tax chargeable on its income and to have the excess of the credit over that income tax paid to it and the company (in this paragraph referred to as " the recipient company ") has either had that excess paid to it, or has received

Status: This is the original version (as it was originally enacted).

an additional amount in accordance with arrangements made under Regulation 2(1) of the Double Taxation Relief (Taxes on Income) (General) (Dividend) Regulations 1973, it shall be liable to a fine for the violation of the provisions of section 54 of this Act equal to twice the amount of the excess or additional amount as the case may be and such fine (in this section referred to as "the recoverable amount") shall be payable to the Board and be treated as having become payable at the date when the excess or additional amount was paid to the recipient company and may be recovered in accordance with sub-paragraphs (2) to (5) below.

- (2) The recoverable amount may be assessed and recovered as if it were unpaid tax and section 30 of the Taxes Management Act 1970 (recovery of overpayment of tax, etc.) shall apply accordingly.
- (3) Any amount which may be assessed and recovered as if it were unpaid tax by virtue of this paragraph shall carry interest at the rate of 9 per cent, per annum from the date when it was payable in accordance with this paragraph until the date it is paid and it is hereby declared that this paragraph applies to a recoverable amount which is paid without the making of an assessment (but is paid after it is due) and that, where the recoverable amount is charged by any assessment (whether or not any part of it has been paid when the assessment is made), this paragraph applies in relation to interest running before, as well as after, the making of the assessment.
- (4) Where the recoverable amount is not paid by the recipient company within six months from the date on which it became payable—
 - (a) the recoverable amount may at any time within six years from the date on which it became payable be assessed and recovered as if it were unpaid tax due from any person who is or was at any time prior to the expiration of the said six year period connected with the recipient company, or would have been connected on the assumption that all the facts and circumstances relating to the recipient company at the time the excess or additional amount as the case may be was paid continued to apply for six years thereafter, and section 30 of the Taxes Management Act 1970 shall apply accordingly, and
 - (b) as respects its accounting periods beginning with that in which the excess or additional amount referred to in subparagraph (1) above was paid and ending with that following that in which the recoverable amount is paid in accordance with the provisions of this paragraph, the company which made the qualifying distribution in respect of which the recipient company received the excess or additional amount shall not be entitled to set any advance corporation tax paid by it against its liability to corporation tax for such periods in accordance with section 85 of the Finance Act 1972 (payments of advance corporation tax to be set against company's liability to corporation tax on its income) nor to surrender the benefit of the whole or any part of any amount of advance corporation tax to a subsidiary in accordance with section 92 of that Act (setting of company's surplus advance corporation tax against subsidiary's liability) in such periods.
- (5) Where a recoverable amount is assessed and recovered from a person connected with the recipient company in accordance with sub-paragraph (4)(a) above, that person shall be liable for the interest payable in accordance with sub-paragraph (3) above and, until the interest is so paid, sub-paragraph (4)(b) above shall apply as if the words "the interest due in accordance with sub-paragraph (3) above is paid" were substituted for the words "the recoverable amount is paid in accordance with the provisions of this paragraph".

- (6) Interest payable under this paragraph shall be paid without any deduction of income tax and shall not be allowed as a deduction in computing any income, profits or losses for any tax purposes.
- (7) Where under the law in force in a territory outside the United Kingdom interest is payable subject to a deduction in respect of taxation and such deduction applies to an amount of interest paid in accordance with sub-paragraph (3) above, the reference to the rate of 9 per cent, per annum in that sub-paragraph shall be deemed to be a reference to such rate of interest as after such deduction shall be equal to the rate of 9 per cent, per annum.

Claims to payment of tax credits following remedial legislation in unitary states

- 2 (1) This paragraph has effect where a company to which section 54 applies has a qualifying presence in a province, state or other part of a territory outside the United Kingdom which has been prescribed as a unitary state for the purposes of that section and, at the time when a qualifying distribution is made to that company by a company which is resident in the United Kingdom, that state has enacted legislation the effect of which is that, as from a future date which shall not be later than 31st December 1986, it will cease to be a unitary state within the meaning of the definition in paragraph 5(1) below, notwithstanding that it remains prescribed as such for the purposes of that section.
- (2) In the circumstances described in sub-paragraph (1) above the company in receipt of the qualifying distribution shall be entitled on or after the effective date to claim to have the tax credit to which it is entitled in respect of the distribution set against its liability to income tax and to have the excess (if any) of the credit over that liability paid to it; but, if payment of the excess or of the additional amount referred to in Regulation 2(1) of the Double Taxation Relief (Taxes on Income) (General) (Dividend) Regulations 1973 is made before the effective date, the provisions of paragraph 1 above shall apply in relation to that payment regardless of the enactment of the legislation referred to in sub-paragraph (1) above.
- (3) For the purposes of this paragraph the effective date shall be deemed to be the date (not to be later than 31st December 1986) on which the legislation referred to in sub-paragraph (1) above actually becomes effective in the province, state or other part of the territory outside the United Kingdom which has been prescribed as a unitary state for the purposes of section 54, irrespective of the date, if any, specified in that legislation.

Avoidance of provision withdrawing tax credits

- 3 (1) In any case where arrangements are made, whether before or after section 54 comes into force, as a result of which interest is paid or a discount is allowed by or through a person who is resident in the United Kingdom, or carries on business in the United Kingdom through a branch or agency, and it is reasonable to suppose that, if such payment or allowance had not been made, a qualifying distribution would have been made by the person by or through whom the payment or allowance is made, or by another company resident in the United Kingdom, to a company which has, or is an associated company of a company which has, a qualifying presence in a unitary state at the time when the payment or allowance is made, then—

Status: This is the original version (as it was originally enacted).

- (a) no person who receives that payment or allowance shall be entitled to relief from income tax or corporation tax thereon by virtue of arrangements having effect under section 497(1) of the Taxes Act, and
 - (b) the payment or allowance shall not be allowed as a deduction in computing any income, profits or losses for any tax purposes.
- (2) Without prejudice to the generality of sub-paragraph (1) above, where a payment or allowance is not of itself a payment or allowance to which sub-paragraph (1) above applies, but is made in conjunction with other payments of whatever nature and taken together with those payments has substantially similar effect to a distribution, then, for the purposes of sub-paragraph (1) above, it shall be treated as a payment or allowance within that sub-paragraph.
- (3) Any company which has received such a payment of interest as is referred to in sub-paragraph (1) above, from which income tax has not been deducted by the person making the payment, and has a qualifying presence in a unitary state at the time of the payment, shall be treated for the purposes of paragraph 1 above as a company from which the entitlement to claim payment of the excess of a tax credit over the income tax chargeable on its income has been withdrawn by section 54(1) and which has had paid to it such an excess in an amount equal to the income tax which should have been deducted from the payment of interest.

Power to inspect documents of non-resident companies

- 4 (1) Where it appears to the Board that the provisions of section 54 and this Schedule may apply to a company resident outside the United Kingdom (in this paragraph referred to as a "foreign parent"), the Board may, by notice in writing given to the foreign parent or any associated company of that foreign parent, require that company within such time (not being less than thirty days) as may be specified in the notice to make available for inspection any books, accounts, or other documents or records whatsoever of that company where in the opinion of the Board it is proper that they should inspect such documents for the purposes of ascertaining whether the said provisions apply to the foreign parent or such associated company notwithstanding that in the opinion of the person to whom the notice is given those provisions do not apply to that company or any associated company of that company.
- (2) In the Table to section 98 of the Taxes Management Act 1970 (penalties) at the end of the first column there shall be added—

“Paragraph 4 of Schedule 13 to the Finance Act 1985”.

Meaning of "unitary state", etc.

- 5 (1) In this Schedule and section 54 of this Act—
- "group" and "member of a group" shall be construed in accordance with section 272 (1) of the Taxes Act (definition of groups of companies) with the omission of the restriction in paragraph (a) of that subsection and the substitution of the words "51 per cent." for the words "75 per cent." wherever they occur,
- "qualifying distribution" has the same meaning as in Part V of the Finance Act 1972 (taxation of companies and company distributions),

Status: This is the original version (as it was originally enacted).

" unitary state" means a province, state or other part of a territory outside the United Kingdom with the government of which the arrangements referred to in subsection (1) of section 54 have been made which, in taxing the income or profits of companies from sources within that province, state or other part, takes into account, or is entitled to take into account, income, receipts, deductions, outgoings or assets of such companies, or of associated companies of such companies, arising, expended or situated as the case may be outside that territory and which has been prescribed under subsection (7) of that section as a unitary state for the purposes of that section ; but no such province, state or other part shall be so prescribed which only takes into account such income, receipts, deductions, outgoings or assets—

- (a) if the associated company was incorporated under the law of the territory, or
- (b) for the purpose of granting relief in taxing dividends received by companies.

(2) For the purposes of this Schedule and section 54 of this Act—

- (a) section 533 of the Taxes Act (connected persons) applies; and
- (b) section 302 of the Taxes Act (meaning of " associated company " and " control") applies with the substitution of the words " six years " for " one year " in subsection (1) of that section.

- 9 Machinery or plant which is leased to two or more persons jointly in such circumstances that section 68 of the Finance Act 1980 precludes the making of a first-year allowance in respect of the whole or part of the capital expenditure incurred on its provision.
- 10 Television sets in respect of which the amount of a first-year allowance falls to be determined in accordance with paragraph 8 of Schedule 12 to the Finance Act 1980.
- 11 Machinery or plant in respect of expenditure on which section 70 of the Finance Act 1982 (assets leased outside the United Kingdom) provides for only a 10 per cent, writing-down allowance.
- 12 Machinery or plant in respect of which first-year allowances continue to be available by virtue of paragraph 2(2) of Schedule 12 to the Finance Act 1984 (contracts entered into on or before 13th March 1984) or paragraph 4 of that Schedule (expenditure qualifying for regional development grants etc.)

SCHEDULE 16

Section 58.

WRITING-DOWN ALLOWANCES FOR SHIPS: PARAGRAPHS
FOR INSERTION INTO SCHEDULE 8 TO FINANCE ACT 1971

- “8A (1) This paragraph and paragraphs 8B and 8C below apply in any case where,—
- (a) after the relevant date, a person (in this paragraph referred to as " the shipowner") carrying on a trade incurs expenditure on the provision of a ship for the purposes of that trade (in this paragraph referred to as his " actual trade ");
 - (b) the expenditure is not such that section 64 of the Finance Act 1980 (which applies to leased assets used for certain purposes) precludes (or but for the provisions of paragraph 2 of Schedule 12 to the Finance Act 1984 would preclude) the making of a first-year allowance in respect of it and is not expenditure falling within subsection (1) of section 70 of the Finance Act 1982 (which provides for only a 10 per cent, writing-down allowance for assets leased outside the United Kingdom); and
 - (c) the actual trade is not a separate trade which the ship owner is treated as carrying on by virtue of section 46(1) of this Act (machinery or plant let otherwise than in the course of a trade).

(2) In sub-paragraph (1)(a) above " the relevant date " means, in the case of expenditure on the provision of a new ship, 13th March 1984 and, in the case of expenditure on the provision of a ship which is not new, 31st March 1985 ; and for this purpose a ship which is not new is nevertheless to be regarded as a new ship if, at any time after 13th March 1984, it fell to be treated as a new ship for the purposes of paragraph 8 above (by virtue of sub-paragraph (5) of that paragraph).

(3) Subject to paragraphs 8B and 8C below, it shall be assumed for the purposes of section 44 of this Act and the following provisions of this paragraph—

- (a) that the shipowner incurred the expenditure on the provision of the ship wholly and exclusively for the purposes of a trade (in this paragraph referred to as a " single ship trade ") carried on by him separately from his actual trade and from any other trade which he may in fact carry on or is assumed for any purpose to carry on; and
- (b) that, without prejudice to sub-paragraphs (i) to (iii) of paragraph (c) of subsection (5) of the said section 44, the single ship trade is permanently discontinued when the ship begins to be used wholly or partly for purposes other than those of the actual trade or, if it is earlier, at a time within the requisite period, within the meaning of section 64 of the Finance Act 1980, when the ship begins to be used otherwise than for a qualifying purpose within the meaning of that section;

and subject to the following provisions of this paragraph, any allowance or charge which, on those assumptions, would fall to be made for any chargeable period in the case of the single ship trade shall be made for that period in the case of the actual trade.

(4) The shipowner may, by notice in writing given to the inspector not later than two years after the end of a chargeable period for which he has qualifying expenditure in respect of his single ship trade, require the postponement of the whole of the writing-down allowance to be made to him for that period or of so much of it as is specified in the notice.

(5) Where notice has been given under sub-paragraph (4) above in respect of a chargeable period,—

- (a) the writing-down allowance which would otherwise have been made to the shipowner for that period in respect of his single ship trade shall not be made or, as the case may be, shall be made only to the extent that the notice does not require it to be postponed ; and
- (b) the amount of any writing-down allowance falling to be made to the shipowner for any subsequent chargeable period of his single ship trade shall be determined as if the writing-down allowance referred to in paragraph (a) above had been made (or, as the case may be, had been made in full) for the chargeable period concerned; and
- (c) on a claim made by the shipowner, the whole or part of the amount of that allowance or, as the case may be, of so much of it as was not made to him shall be treated as a writing-down allowance to be made to him for any subsequent chargeable period in which his actual trade is carried on (whether or not his single ship trade is treated as carried on in that period),

and, where a claim under paragraph (c) above relates to only part of the amount postponed, a further claim or claims may be made under that paragraph in relation to the balance or any part thereof until the aggregate of the amounts claimed equals the amount postponed.

- (6) A claim under sub-paragraph (5)(c) above shall not affect any right of the shipowner to (or the determination of the amount of) any writing-down allowance to which, apart from the claim, he is entitled for the chargeable period to which the claim relates.
- (7) For any chargeable period of the single ship trade for which the amount of a writing-down allowance is reduced by virtue of a requirement—
- (a) in a claim made by virtue of the proviso in subsection (2) of section 44 of this Act, or
 - (b) in a notice under subsection (2A) of that section,
- any reference in sub-paragraphs (4) to (6) above to the writing-down allowance is a reference to the reduced amount of the allowance, as specified in the claim or notice concerned.
- (8) For any chargeable period of the single ship trade for which the disposal value of the ship falls to be brought into account in accordance with section 44 of this Act, no balancing allowance or balancing charge shall be made to or on the shipowner in respect of that trade but, in such a case,—
- (a) if, apart from this sub-paragraph, a balancing allowance would have fallen to be made to the shipowner, an amount equal to that allowance shall for the purposes of section 44 of this Act be added to the shipowner's qualifying expenditure for that period in respect of his actual trade; and
 - (b) if, apart from this sub-paragraph, a balancing charge would have fallen to be made on the shipowner, an amount equal to that on which the charge would have been made shall be brought into account for that chargeable period as an item of disposal value referable to machinery or plant which, in respect of that chargeable period, falls within subsection (5) of section 44 of this Act
- (9) In any case where sub-paragraph (8) above applies by reason of the ship beginning to be used otherwise than for a qualifying purpose, within the meaning of section 64 of the Finance Act 1980 —
- (a) any reference in that sub-paragraph to section 44 of this Act shall be construed as a reference to that section as it has effect in accordance with section 65 of that Act; and
 - (b) any reference therein to the shipowner's actual trade shall be construed as a reference to the separate trade referred to in subsection (2) of that section.
- (10) All such assessments and adjustments of assessments shall be made as may be necessary to give effect to the provisions of this paragraph and paragraphs 8B and 8C below.
- (11) An allowance which is postponed by virtue of this paragraph shall not by reason of the postponement fall within the references to allowances or amounts carried forward from an earlier year or period in section 169(4)(d), 174(6) and 259(2) of the Taxes Act (loss relief and group relief).
- 8B (1) If the ship ceases to belong to the shipowner without having in fact been brought into use for the purposes of his actual trade, then,—
- (a) on that event, the single ship trade shall be treated as permanently discontinued, but paragraph 4 above shall not apply;

Status: This is the original version (as it was originally enacted).

- (b) any writing-down allowances which, by virtue of paragraph 8A above, have previously been made to the shipowner or have been postponed by him shall be withdrawn; and
 - (c) without prejudice to the operation of paragraph 8A(8) above, an amount equal to any writing-down allowances withdrawn by virtue of paragraph (b) above shall be added to the shipowner's qualifying expenditure in respect of his actual trade for the chargeable period related to that event.
- (2) In this paragraph " the shipowner ", " actual trade " and " single ship trade " have the same meaning as in paragraph 8A above.
- 8C (1) The shipowner may, by notice in writing given to the inspector not later than two years after the end of a chargeable period of a single ship trade, not being the chargeable period relating to the permanent discontinuance of that trade, require that, with effect from the beginning of that chargeable period, paragraph 8A above shall not or, as the case may be, shall no longer apply.
- (2) Where a notice under sub-paragraph (1) above is given before any writing-down allowance has been made to the shipowner in respect of the expenditure referred to in sub-paragraph (1) of paragraph 8A above, the provisions of that paragraph shall be deemed never to have applied with respect to that expenditure.
- (3) If a notice under sub-paragraph (1) above is given after any writing-down allowance has been so made, then, for the purposes of section 44 of this Act and paragraph 8A above,—
- (a) the single ship trade shall be treated as permanently discontinued in the chargeable period to which the notice relates or, as the case may be, in its basis period but no balancing allowance or charge shall be made to or on the shipowner by reason thereof ; and
 - (b) the amount which, apart from this paragraph, would be the shipowner's qualifying expenditure for that chargeable period in respect of the single ship trade shall be added to his qualifying expenditure for that period in respect of his actual trade.
- (4) The shipowner may, by notice in writing given to the inspector not later than two years after the end of a chargeable period of a single ship trade, require that an amount of expenditure specified in the notice, being less than the amount which, apart from this sub-paragraph, would be his qualifying expenditure for that period in respect of the single ship trade, shall be attributed to his actual trade.
- (5) If a notice is given under sub-paragraph (4) above, then, for the purposes of section 44 of this Act and paragraph 8A above,—
- (a) the shipowner's qualifying expenditure for that period in respect of the single ship trade shall be reduced by deducting therefrom the amount specified in the notice ; and
 - (b) the amount specified in the notice shall be added to his qualifying expenditure for that period in respect of his actual trade.
- (6) In this paragraph " the shipowner ", " actual trade " and "single ship trade" have the same meaning as in paragraph 8A above."

 - (d) an easement or servitude or any agreement to acquire an easement or servitude; and
 - (e) a licence to occupy land ;
- and, except in the context of leasing machinery or plant, any reference in the following provisions of this Schedule to a lease is a reference to such a leasehold estate or, in Scotland, lease as is mentioned in paragraph (c) above or to such an agreement as is mentioned in that paragraph (and, in relation to such an agreement, the expression " grant" shall be construed accordingly).
- (3) If an interest in land is conveyed or assigned by way of security and subject to a right of redemption, then, so long as such a right subsists, the interest held by the creditor shall be treated for the purposes of this Schedule as held by the person having that right.
- (4) Any reference in the following provisions of this Schedule to a person being entitled to an allowance in respect of any capital expenditure incurred on the provision of a fixture is a reference to a case where
- (a) that person is, for any chargeable period, entitled to a first-year allowance in respect of that expenditure, or
 - (b) that expenditure is taken into account in determining his qualifying expenditure for a chargeable period for the purposes of subsections (2) and (3) of section 44 of the Finance Act 1971 (whether or not an allowance is made to him for that period),
- and any reference to a chargeable period for which a person is so entitled is a reference—

Status: This is the original version (as it was originally enacted).

- (i) to the chargeable period referred to in paragraph (a) above; or
- (ii) to the chargeable period referred to in paragraph (b) above; or

Expenditure incurred by holder of interest in land

- 2 (1) Subject to sub-paragraph (2) below, in any case where—
- (a) a person incurs capital expenditure on the provision of machinery or plant either for the purposes of a trade carried on by him or for leasing otherwise than in the course of a trade, and
 - (b) the machinery or plant becomes a fixture, and
 - (c) at the time the machinery or plant becomes a fixture he has an interest in the relevant land,

then, subject to paragraphs 3 and 7 below, on and after that time the fixture shall be treated for material purposes as belonging to the person concerned in consequence of his incurring the expenditure.

- (2) If, in respect of the same fixture, there are two or more persons with different interests in the relevant land to whom, by virtue of sub-paragraph (1) above, the fixture would (apart from" this sub-paragraph), be treated as belonging for material purposes, the only interest which shall be taken into account under that sub-paragraph is,—
- (a) if one of the interests is an interest falling within paragraph 1(2)(d) above, that interest;
 - (b) if paragraph (a) above does not apply but one of the interests is an interest falling within paragraph 1(2)(e) above, that interest; and
 - (c) in any other case,—

 - (ii) in Scotland, that of whichever of those persons has, or last had, the right of use of the relevant land.

Expenditure incurred by equipment lessor

- 3 (1) In any case where—
- (a) a person (in this Schedule referred to as " the equipment lessor") incurs capital expenditure on the provision of machinery or plant for leasing, and
 - (b) an agreement is entered into for the lease, directly or indirectly from the equipment lessor, of the machinery or plant (otherwise than as part of the relevant land) to another person (in this Schedule referred to as " the equipment lessee") for the purposes of a trade carried on by the equipment lessee or for leasing otherwise than in the course of a trade, and
 - (c) the machinery or plant becomes a fixture, and
 - (d) if the expenditure referred to in paragraph (a) above had been incurred by the equipment lessee, the fixture would, by virtue of paragraph 2 above, have

Status: This is the original version (as it was originally enacted).

been treated for material purposes as belonging to him in consequence of his incurring the expenditure, and

- (e) the equipment lessor and the equipment lessee elect that this paragraph should apply,

then, subject to paragraph 7 below, on and after the time at which the expenditure is incurred the fixture shall be treated for material purposes as belonging to the equipment lessor in consequence of his incurring the expenditure.

- (2) An election under this paragraph shall be made by notice in writing to the inspector given before the expiry of the period of two years beginning at the end of the chargeable period related to the incurring of the expenditure referred to in sub-paragraph (1)(a) above ; but no election may be made under this paragraph if the equipment lessor and the equipment lessee are connected with each other within the terms of section 533 of the Taxes Act.
- (3) Where an election has been made under this paragraph with respect to a fixture, nothing in paragraph 2 above shall have the effect of treating the fixture for material purposes as belonging to the equipment lessee.
- (4) In the following provisions of this Schedule " equipment lease " means such an agreement as is mentioned in sub-paragraph (1)(b) above or a lease entered into pursuant to such an agreement.

Expenditure included in consideration for acquisition of existing interest in land

- 4 (1) In any case where,—
- (a) after any machinery or plant has become a fixture, a person (in this paragraph referred to as " the purchaser ") acquires an interest in the relevant land, being an interest which was in existence prior to his acquisition of it, and
- (b) the consideration which the purchaser gives for that interest is or includes a capital sum which, in whole or in part, falls to be treated for material purposes as expenditure on the provision of the fixture, and
- (c) at the time of the purchaser's acquisition of his interest in the relevant land, either no person has previously become entitled to an allowance in respect of any capital expenditure incurred on the provision of the fixture or, if any person has become so entitled, that person has been or is required to bring the disposal value of the fixture into account under section 44 of the Finance Act 1971,

then, subject to paragraph 7 below, on and after the purchaser's acquisition of his interest in the relevant land, the fixture shall be treated for material purposes as belonging to him in consequence of his incurring expenditure as mentioned in paragraph (b) above.

- (2) If, in a case where paragraph (a) of sub-paragraph (1) above applies,—
- (a) the machinery or plant was, prior to the purchaser's acquisition of the interest in the relevant land, let under an equipment lease, and
- (b) in connection with the acquisition of the interest in the relevant land, the purchaser pays a capital sum to discharge the obligations of the equipment lessee under the equipment lease,

sub-paragraph (1) above shall apply as if that capital sum were such a capital sum as is referred to in paragraph (b) of that sub-paragraph.

Status: This is the original version (as it was originally enacted).

Expenditure incurred by incoming lessee : election to transfer right to allowances

- 5 (1) In any case where—
- (a) after any machinery or plant has become a fixture, a person (in this paragraph referred to as " the lessor ") who has an interest in the relevant land grants a lease, and
 - (b) apart from paragraph 7 below, the lessor would be entitled, for the chargeable period related to the grant of the lease, to an allowance in respect of expenditure incurred on the provision of the fixture, and
 - (c) the consideration which the lessee gives for the lease is or includes a capital sum which, in whole or in part, falls to be treated for material purposes as expenditure on the provision of the fixture, and
 - (d) the lessor and the lessee make an election under this paragraph,
- then, subject to paragraph 7 below, on and after the grant of the lease, the fixture shall be treated for material purposes as belonging to the lessee in consequence of his incurring expenditure as mentioned in paragraph (c) above.
- (2) If in any case the lessor is not within the charge to tax. it shall be assumed that he is within that charge for the purpose of determining whether the condition in sub-paragraph (1)(b) above is fulfilled.
- (3) An election under this paragraph shall be made by notice in writing to the inspector given within two years after the date on which the lease takes effect.
- (4) No election may be made under this paragraph if—
- (a) the lessor and the lessee are connected with each other within the terms of section 533 of the Taxes Act; or
 - (b) it appears that the sole or main benefit which may be expected to accrue to the lessor from the grant of the lease and the making of an election is the obtaining of an allowance or deduction or a greater allowance or deduction or the avoidance or reduction of a charge under Chapter I of Part III of the Finance Act 1971.

Expenditure incurred by incoming lessee: lessor not entitled to allowances

- 6 In any case where—
- (a) after any machinery or plant has become a fixture, a person (in this paragraph referred to as " the lessor ") who has an interest in the relevant land grants a lease, but paragraph 5(1)(b) above does not apply in his case, and
 - (b) the consideration which the lessee gives for the lease is or includes a capital sum which, in whole or in part, falls to be treated for material purposes as expenditure on the provision of the fixture, and
 - (c) at the time of the grant of the lease, no person has previously become entitled to an allowance in respect of any capital expenditure incurred on the provision of the fixture, and
 - (d) the fixture has not before that time been used for the purposes of a trade by the lessor or any person connected with him within the terms of section 533 of the Taxes Act,
- then, subject to paragraph 7 below, on and after the grant of the lease, the fixture shall be treated for material purposes as belonging to the lessee in consequence of his incurring expenditure as mentioned in paragraph (b) above.

Cases where fixture is to be treated as ceasing to belong to particular person

- 7 (1) The provisions of this paragraph and paragraph 8 below are without prejudice to any other circumstances in which the disposal value of a fixture falls to be brought into account in accordance with section 44 of the Finance Act 1971.
- (2) Subject to sub-paragraph (4) below, if at any time the person to whom a fixture is treated for material purposes as belonging by virtue of any of paragraphs 2, 4, 5 and 6 above ceases (whether by reason of the transfer, surrender, or expiry of the interest or otherwise) to have the qualifying interest, the fixture shall be treated for those purposes as ceasing to belong to him at that time.
- (3) In this paragraph and paragraph 9 below, "the qualifying interest" means—
- (a) where paragraph 2 or paragraph 4 above applies, the interest in the relevant land referred to in that paragraph ; and
 - (b) where paragraph 5 or paragraph 6 above applies, the lease referred to in that paragraph ;
- but if the qualifying interest is an agreement to acquire an interest in land and that interest in land is subsequently transferred or granted to the person referred to in sub-paragraph (2) above, the interest so transferred or granted shall be treated as the same interest as the qualifying interest.
- (4) For the purposes of sub-paragraph (2) above,—
- (a) if the qualifying interest ceases to exist by reason of its merger in another interest acquired by the person referred to in that sub-paragraph, that other interest shall be treated as the same interest as the qualifying interest;
 - (b) if the qualifying interest is a lease and, on its termination, a new lease of the relevant land (with or without other land) is granted to the lessee, the new lease shall be treated as the same interest as the qualifying interest;
 - (c) if the qualifying interest is a licence and, on its termination, a new licence to occupy the relevant land (with or without other land) is granted to the licensee, the new licence shall be treated as the same interest as the qualifying interest;
 - (d) if the qualifying interest is a lease and, with the consent of the lessor, the lessee remains in possession of the relevant land after the termination of the lease but without a new lease being granted to him, the qualifying interest shall be treated as continuing to subsist so long as the lessee remains in possession of the relevant land.
- (5) At the time at which, by virtue of paragraph 5 above, the fixture concerned begins to be treated for material purposes as belonging to the lessee, it shall be treated for those purposes as ceasing to belong to the lessor (as defined in that paragraph).
- (6) Where, by virtue of sub-paragraph (2) above, on the termination of a lease or licence, a fixture is treated for material purposes as ceasing to belong to the outgoing lessee or licensee, it shall, on that termination, be treated for material purposes as beginning to belong to the person who, immediately before the termination, was the lessor under the lease or, as the case may be, the licensor under the licence.
- (7) If at any time a fixture is permanently severed from the relevant) land (so that it ceases to be a fixture) and, immediately before that time it was treated for material purposes as belonging to any person by virtue of any of the preceding provisions of this Schedule or sub-paragraph (2) or sub-paragraph (4) of paragraph 8 below, then,

Status: This is the original version (as it was originally enacted).

unless on its severance the fixture does in fact belong to that person, it shall be treated for those purposes as ceasing to belong to him at that time.

Special provisions as to equipment lessors

- 8 (1) If, by virtue of an election under paragraph 3 above, a fixture is treated for material purposes as belonging to the equipment lessor and either,—
- (a) the equipment lessor at any time assigns his rights under an equipment lease, or
 - (b) the financial obligations of the equipment lessee under an equipment lease are at any time discharged, on the payment of a capital sum or otherwise,
- then, at that time (or, as the case may be, at the earliest of those times) the fixture shall be treated for material purposes as ceasing to belong to the equipment lessor by reason of a sale by him of the fixture.
- (2) If paragraph (a) of sub-paragraph (1) above applies, then, on and after the time of the assignment referred to in that paragraphs the fixture to which the agreement in question relates shall be treated for material purposes as belonging to the assignee and the consideration given by him for the assignment shall be treated for those purposes—
- (a) as the price received for the sale of the fixture by the assignor; and
 - (b) as expenditure incurred by the assignee on acquiring the fixture.
- (3) On and after an assignment falling within paragraph (a) of sub-paragraph (1) above, that sub-paragraph shall have effect as if the machinery or plant (as a fixture) were treated for material purposes as belonging to the assignee by virtue of an election under paragraph 3 above and, accordingly, as if the assignee were the equipment lessor, as defined in that paragraph.
- (4) Where a capital sum is paid as mentioned in paragraph (b) of sub-paragraph (1) above, that capital sum shall be treated for material purposes—
- (a) as the price received for the sale of the fixture by the equipment lessor; and
 - (b) if that capital sum is paid by the equipment lessee, as expenditure incurred by him on the provision of the fixture ;
- and, where paragraph (b) above applies, on and after the time of that payment, the fixture shall be treated for material purposes as belonging to the equipment lessee.
- (5) Where the financial obligations of the equipment lessee under an equipment lease have become vested in any other person (by assignment, operation of law or otherwise) any reference in sub-paragraph (1)(b) or sub-paragraph (4) above to the equipment lessee shall be construed as a reference to the person in whom those obligations are for the time being vested when the capital sum is paid.

Disposal value of fixtures in certain cases

- 9 (1) In any case where—
- (a) by virtue of paragraph 7 above, a fixture is at any time treated for material purposes as ceasing to belong to any person (in this paragraph referred to as "the former owner "), and
 - (b) the qualifying interest continues in existence after that time (whether in the hands of the former owner or any other person) or would so continue but for its becoming merged in another interest, and

Status: This is the original version (as it was originally enacted).

- (c) the occasion of the fixture ceasing to belong to the former owner is not its permanent severance from the relevant land (whether on disposal, demolition, destruction or otherwise),
the fixture shall be treated for material purposes as sold at that time by the former owner for a price determined in accordance with sub-paragraphs (2) to (6) below.
- (2) Subject to sub-paragraph (6) below, if the occasion of the fixture ceasing to belong to the former owner is the sale of the qualifying interest, the price referred to in sub-paragraph (1) above is that portion of the sale price of the qualifying interest which falls (or, if the purchaser were entitled to an allowance, would fall) to be treated for material purposes as expenditure incurred by the purchaser on the provision of the fixture.
- (3) If the fixture ceases to belong to the former owner by virtue of sub-paragraph (5) of paragraph 7 above, the price referred to in sub-paragraph (1) above is so much of the capital sum referred to in sub-paragraph (1)(c) of paragraph 5 above as falls to be treated for material purposes as expenditure by the lessee on the provision of the fixture.
- (4) If neither sub-paragraph (2) nor sub-paragraph (3) above applies, the price referred to in sub-paragraph (1) above is that portion of the price which, on a sale of the qualifying interest in the open market, would fall to be treated for material purposes as expenditure by the purchaser on the provision of the fixture.
- (5) The sale referred to in sub-paragraph (4) above shall be assumed to take place immediately before the event which causes the fixture to be treated for material purposes as ceasing to belong to the former owner ; but that event shall be disregarded in determining the open market price on that sale.
- (6) If the sale referred to in sub-paragraph (2) above is at a price lower than that which the qualifying interest would have fetched if sold in the open market, that sub-paragraph shall not apply unless the purchaser's expenditure on the acquisition of the fixture can be taken into account as mentioned in section 44(6)(b)(i) of the Finance Act 1971.
- (7) If the occasion of the fixture ceasing to belong to the former owner is the expiry of the qualifying interest, then, except in so far as the former owner receives any capital sum, by way of compensation or otherwise, by reference to the fixture, the disposal value of the fixture which falls to be brought into account under section 44 of the Finance Act 1971 shall be nil.
- (8) In any case where—
- (a) the disposal value of a fixture falls to be brought into account in accordance with section 44 of the Finance Act 1971 on the permanent discontinuance of the trade in circumstances where that value falls to be determined under paragraph (e) of subsection (6) of that section, and
- (b) before the occurrence of the later event referred to in that paragraph, the fixture is not permanently severed from the relevant land,
- that paragraph shall apply as if the reference therein to paragraph (a) and paragraph (b) of that subsection were omitted; but if the event which follows the discontinuance of the trade is the sale of the qualifying interest, the disposal value of the fixture to be brought into account under that section shall be that portion of the sale price referred to in sub-paragraph (2) above.

Status: This is the original version (as it was originally enacted).

- (9) If the disposal value of the fixture falls to be brought into account in accordance with section 44 of the Finance Act 1971 on its beginning to be used wholly or partly for purposes which are other than those of the trade, paragraph (f) of subsection (6) of that section shall apply as if the reference to the price which the machinery or plant would have fetched if sold on the open market were a reference to that portion of the price referred to in subparagraph (2) above.
- (10) If, on the occasion of the fixture being treated, by virtue of paragraph 7 above, as ceasing to belong to the former owner, another person incurs expenditure on the provision of the fixture, there shall be disregarded for material purposes so much (if any) of that expenditure as exceeds the disposal value which the former owner is required to bring into account in accordance with section 44 of the Finance Act 1971.

- (a) except where paragraph (b) or paragraph (c) below applies, a writing-down allowance of an amount equal, subject to sub-paragraph (2) below, to—
 - (i) 25 per cent, of the excess, or
 - (ii) a proportionately reduced percentage of the excess if the period is part only of a year, or if, in a case where the period is a year of assessment and the allowance falls to be made in taxing a trade, the trade has been carried on for part only thereof;
 - (b) if an allowance falls to be made to that person in taxing his trade and the period is the chargeable period related to the permanent discontinuance of the trade, a balancing allowance equal to the whole of the excess ; and
 - (c) if paragraph (b) above does not apply but the period is the chargeable period in which the last of the relevant patent rights comes to an end without any of those rights being revived, a balancing allowance equal to the whole of the excess.
- (2) For the purposes of sub-paragraph (1)(c) above, the " relevant patent rights " at any time are those—
- (a) on the purchase of which the person concerned has incurred capital expenditure which has been taken into account in determining his qualifying expenditure for any chargeable period ; and

 - (b) if, for the chargeable period immediately preceding the chargeable period in question, there was an excess of qualifying expenditure over disposal value, the balance of that excess after deducting any writing-down allowance under paragraph 1(1)(a) above made by reference thereto.
- 3 (1) If, in any chargeable period or its basis period, a person sells the whole or any part of any patent rights on the purchase of which he has incurred capital expenditure, then, for the purposes of paragraphs 1 and 2 above, he is required to bring into account for that chargeable period disposal value equal, subject to sub-paragraphs (2) and (3) below, to the net proceeds to him of that sale.
- (2) The disposal value to be brought into account by any person in respect of any patent rights as a result of one or more sales falling within sub-paragraph (1) above shall not (or, as the case may be, shall not in the aggregate) exceed the capital expenditure incurred by him on the purchase of those rights.
- (3) Where the person mentioned in sub-paragraph (2) above has acquired the patent rights as a result of a transaction which was, or a series of transactions each of which was, between persons who are connected with each other within the terms of section 533 of the Taxes Act, that sub-paragraph shall have effect as if it referred to the capital expenditure on the purchase of the rights incurred by whichever party to that transaction, or to any of those transactions, incurred the greatest such expenditure.
- 4 Where a person incurs capital expenditure on the purchase of patent rights and either—
- (a) he and the seller are connected with each other within the terms of section 533 of the Taxes Act, or
 - (b) it appears with respect to the sale, or with respect to transactions of which the sale is one, that the sole or main benefit which, but for this paragraph, might have been expected to accrue to the parties was the obtaining of an allowance under section 378 of the Taxes Act,
- there shall be disregarded for the purposes of paragraphs 1 and 2 above so much (if any) of that expenditure as exceeds the disposal value to be brought into account by virtue of paragraph 3 above by reason of the sale.

PART II

 - (i) 25 per cent of the excess, or
 - (ii) a proportionately reduced percentage of the excess if the period is part only of a year, or if the period is a year of assessment but the trade has been carried on for part only thereof; and
 - (b) if the period is the chargeable period related to the permanent discontinuance of the trade, a balancing allowance equal to the whole of the excess.
- (2) For any chargeable period for which a person's qualifying expenditure is less than the disposal value which he is to bring into account, there shall be made on him a balancing charge and the amount on which the charge is made shall be an amount equal to the difference.
- 6 For the purposes of paragraph 5 above, a person's qualifying expenditure for a chargeable period is the aggregate of the following amounts—
- (a) any capital expenditure incurred by him on the acquisition of know-how, being expenditure incurred during the chargeable period or its basis period or at any previous time, other than expenditure which, or any part of which, has formed part of his qualifying expenditure for any previous chargeable period; and
 - (b) if, for the chargeable period immediately preceding the chargeable period in question, there was an excess of qualifying expenditure over disposal value, the balance of that excess after deducting any writing-down allowance under paragraph 5(1)(a) above made by reference thereto.
- 7 If, in any chargeable period or its basis period, a person sells any know-how, on the acquisition of which for use in a trade carried on by him he has incurred expenditure falling within subsection (1) of section 386 of the Taxes Act, then, for the purposes of paragraphs 5 and 6 above, he is required to bring into account for that chargeable period disposal value equal to the net proceeds to him of that sale.
- 8 Subsections (7) and (8) of section 386 of the Taxes Act (meaning of "know-how" and treatment of certain consideration) apply for the purposes of this Part of this Schedule as they apply for the purposes of that section.

PRE-APRIL 1982 SHARE POOLS

- 6 (1) Subject to sub-paragraphs (2) and (3) below, a holding of securities, as it exists immediately before the 1985 date, is for the purposes of this Part of this Schedule a 1982 holding if, by virtue of paragraph 8(2) of Schedule 13 to the Finance Act 1982, it is regarded for the purposes of the Capital Gains Tax Act 1979 as a single asset.
- (2) If the holding of securities referred to in sub-paragraph (1) above is " the reduced holding ", within the meaning of paragraph 9 of Schedule 13 to the Finance Act 1982, then, for the purposes of this Part of this Schedule, the 1982 holding is the aggregate of—
 - (a) the reduced holding, (as it exists immediately before the 1985 date); and
 - (b) such of the separate assets (derived from the same holding as the reduced holding) which, by virtue of sub-paragraph (3)(6) of the said paragraph 9, constitute separate assets as have not been disposed of before that date.
- (3) If a person so elects, quoted securities, as defined in paragraph 8 of Schedule 5 to the Capital Gains Tax Act 1979 (assets held on 6th April 1965) which are covered by the election—
 - (a) shall be treated as an accretion to an existing 1982 holding or, as the case may be, as constituting a new 1982 holding; and

- (4) Paragraphs 4 to 8 of the said Schedule 5 (except paragraph 4(1)) shall apply in relation to an election under sub-paragraph (3) above as they apply in relation to

- 7
- (1) For the purposes of the Capital Gains Tax Act 1979, on and after the 1985 date, a 1982 holding shall continue to be regarded or, if it comes into being by virtue of paragraph 6 above, shall begin to be regarded as a single asset (but one which cannot grow by the acquisition of additional securities of the same class).
 - (2) In a case where the 1982 holding is determined by paragraph 6(2) above, for all purposes of capital gains tax the relevant allowable expenditure attributable to the securities comprised in the 1982 holding shall be taken to be the aggregate of—
 - (a) the amount which, by virtue of sub-paragraph (2) of paragraph 10 of Schedule 13 to the Finance Act 1982, would for those purposes be regarded as the relevant allowable expenditure attributable to the reduced holding referred to in paragraph 6(2)(a) above on a disposal of the whole of it immediately before the 1985 date ; and
 - (b) the amount which, by virtue of that sub-paragraph, would for those purposes be regarded as the relevant allowable expenditure attributable to the separate assets referred to in paragraph 6(2)(b) above on a disposal of them immediately before that date.
 - (3) For the purposes of section 87(5) of the Finance Act 1982 (indexation of allowable expenditure) the relevant allowable expenditure which by virtue of sub-paragraph (2) above is attributable to the securities comprised in a 1982 holding shall be deemed to be expenditure falling within section 32(1)(fa) of the Capital Gains Tax Act 1979.

PART III

POOLING OF OTHER SECURITIES

- 8
- (1) In this Part of this Schedule—
 - (a) " the principal Act" means the Capital Gains Tax Act 1979 ;
 - (b) " the 1982 Act" means the Finance Act 1982 ; and
 - (c) " relevant allowable expenditure " has the meaning assigned to it by subsections (2)(b) and (3) of section 86 of the 1982 Act.
 - (2) This Part of this Schedule shall apply separately in relation to any securities held by a person to whom they were issued as an employee of the company or of any other person on terms which restrict his rights to dispose of them, so long as those terms are in force, and, while applying separately to any such securities, this Part of this Schedule shall have effect as if the owner held them in a capacity other than that in which he holds any other securities of the same class.
 - (3) Nothing in this Part of this Schedule shall be taken as affecting the manner in which the market value of any securities is to be ascertained.
- 9
- (1) Any number of securities of the same class which—
 - (a) were held by the same person in the same capacity immediately before the 1985 date, and
 - (b) were acquired on or after 6th April 1982 or, in the case of a company, 1st April 1982,

Status: This is the original version (as it was originally enacted).

shall for the purposes of the principal Act be regarded as indistinguishable parts of a single asset growing or diminishing on the occasions on which additional securities of the same class are acquired or some of the securities of that class are disposed of.

- (2) Any number of securities of the same class which—
- (a) are acquired by the same person in the same capacity on or after the 1985 date, and
 - (b) do not form part of a single asset by virtue of sub-paragraph (1) above,
- shall for the purposes of the principal Act be regarded as indistinguishable parts of a single asset growing or diminishing on the occasions on which additional securities of the same class are acquired or some of the securities of that class are disposed of.
- (3) A holding of securities which, by virtue of sub-paragraph (1) or sub-paragraph (2) above, is to be regarded as a single asset is in this Part of this Schedule referred to as a " new holding ".
- 10 Without prejudice to the generality of paragraph 9 above, a disposal of securities in a new holding, other than a disposal of the whole of it, is a disposal of part of an asset and the provisions of the principal Act relating to the computation of a gain accruing on a disposal of part of an asset shall apply accordingly.
- 11 (1) In relation to a disposal of a new holding, the following provisions of this Part of this Schedule have effect in place of the provisions of section 87 of the 1982 Act for the purpose of computing the indexation allowance.
- (2) On any disposal of a new holding, other than a disposal of the whole of it,—
- (a) the qualifying expenditure and the indexed pool of expenditure shall each be apportioned between the part disposed of and the remainder in the same proportions as, under the principal Act, the relevant allowable expenditure is apportioned; and
 - (b) the indexation allowance is the amount by which the portion of the indexed pool which is attributed to the part disposed of exceeds the portion of the qualifying expenditure which is attributed to that part.
- (3) On a disposal of the whole of a new holding, the indexation allowance is the amount by which the indexed pool of expenditure at the time of the disposal exceeds the qualifying expenditure at that time.
- 12 In relation to a new holding, the qualifying expenditure is at any time the amount which would be the aggregate of the relevant allowable expenditure in relation to a disposal of the whole of the holding occurring at that time.
- 13 (1) The provisions of this paragraph have effect, subject to paragraph 15 below, for determining, in relation to a new holding, the indexed pool of expenditure at any time.
- (2) In the case of a new holding falling within paragraph 9(1) above, the indexed pool of expenditure shall come into being immediately before the 1985 date and shall at that time consist of the aggregate of—
- (a) the qualifying expenditure at that time ; and
 - (b) any indexation allowance which, in accordance with section 87 of the 1982 Act, would have applied to a disposal at that time of all of the securities comprised in the holding, on the assumption that the amendments made by paragraphs 1 and 2 above had always had effect.

- (3) In the case of any other new holding, the indexed pool of expenditure shall come into being at the time that the holding comes into being or, if it is earlier, when any of the qualifying expenditure is incurred and shall at the time it comes into being be the same as the qualifying expenditure at that time.
- (4) Any reference in the following provisions of this Part of this Schedule to an operative event is a reference to any event (whether a disposal or otherwise) which has the effect of reducing or increasing the qualifying expenditure referable to the new holding.
- (5) Whenever an operative event occurs,—
- (a) there shall be added to the indexed pool of expenditure the indexed rise, as calculated under paragraph 14 below, in the value of the pool since the last operative event or, if there has been no previous operative event, since the pool came into being; and
 - (b) if the operative event results in an increase in the qualifying expenditure then, in addition to any increase under paragraph (a) above, the same increase shall be made to the indexed pool of expenditure; and
 - (c) if the operative event is a disposal resulting in a reduction in the qualifying expenditure, the indexed pool of expenditure shall be reduced in the same proportion as the qualifying expenditure is reduced ; and
 - (d) if the operative event results in a reduction in the qualifying expenditure but is not a disposal, the same reduction shall be made to the indexed pool of expenditure.
- (6) Where the operative event is a disposal—
- (a) any addition under paragraph (a) of sub-paragraph (5) above shall be made before the calculation of the indexation allowance under paragraph 11 above ; and
 - (b) the reduction under paragraph (c) of that sub-paragraph shall be made after that calculation.
- 14 (1) At the time of any operative event, the indexed rise in the indexed pool of expenditure is a sum produced by multiplying the value of the pool immediately before the event by a figure expressed as a decimal and determined, subject to sub-paragraph (2) below, by the formula—
- $$\frac{RE-RL}{RL}$$
- where—
- RE is the retail prices index for the month in which the operative event occurs; and
 - RL is the retail prices index for the month in which occurred the immediately preceding operative event or, if there has been no such event, in which the indexed pool of expenditure came into being.
- (2) If RE, as defined in sub-paragraph (1) above, is equal to or less than RL, as so defined, the indexed rise is nil.

Consideration for options

- 15 (1) If, in a case where sub-paragraph (5)(6) of paragraph 13 above applies, the increase in the qualifying expenditure is, in whole or in part, attributable to the cost of

Status: This is the original version (as it was originally enacted).

acquiring an option binding the grantor to sell (in this paragraph referred to as "the option consideration"), then, in addition to any increase under paragraph (a) or paragraph (b) of sub-paragraph (5) of paragraph 13 above, the indexed pool of expenditure shall be increased by an amount equal to the indexed rise in the option consideration, as determined under sub-paragraph (2) below.

- (2) The indexed rise in the option consideration is a sum produced by multiplying the consideration by a figure expressed as a decimal and determined, subject to sub-paragraph (3) below, by the formula—

$$\frac{RO-RA}{RA}$$

where—

RO is the retail prices index for the month in which falls the date on which the option is exercised ; and

RA is the retail prices index for the month in which falls the date in which the option was acquired or, if it is later, March 1982.

- (3) If RO, as defined in sub-paragraph (2) above, is equal to or less than RA, as so defined, the indexed rise is nil.

PART IV

IDENTIFICATION OF SECURITIES ETC

- 16 (1) This Part of this Schedule applies where a person dispose* of securities on or after the 1985 date, and in such a case the securities disposed of shall be identified in accordance with the provisions of this Part of this Schedule with securities of the same class acquired by him which could be comprised in that disposal.
- (2) The provisions of this Part of this Schedule apply notwithstanding that securities disposed of are otherwise identified by the disposal or by a transfer or delivery giving effect to it (but so that where a person disposes of securities in one capacity, they shall not be identified with securities which he holds or can dispose of only in some other capacity).
- (3) Notwithstanding anything in sub-paragraphs (1) and (2) above, the provisions of this Part of this Schedule do not apply to shares in respect of which relief under Part I of Schedule 5 to the Finance Act 1983 (relief for investment in corporate trades) has been given and not withdrawn.
- 17 (1) Part III of this Schedule shall have effect with respect to securities in place of section 65 of the Capital Gains Tax Act 1979 (pooling) but subject to—

- (2) In relation to disposals of securities on or after the 1985 date, section 66 of the Capital Gains Tax Act 1979 shall have effect-
- (a) as if the reference in subsection (2)(a) to provisions of Schedule 5 to that Act included a reference to paragraph 19(3) below; and
 - (b) as if the reference in subsection (2)(b) to section 65 of that Act were a reference to Part III of this Schedule.

Status: This is the original version (as it was originally enacted).

- 18 (1) Without prejudice to section 66 of the Capital Gains Tax Act 1979 if, within a period of ten days, a number of securities are acquired and subsequently a number of securities are disposed of and, apart from this paragraph,—
- (a) the securities acquired would increase the size of, or constitute a new holding, and
 - (b) the securities disposed of would decrease the size of, or extinguish, the same new holding,
- then, subject to sub-paragraphs (2) and (3) below, the securities disposed of shall be identified with the securities acquired and none of them shall be regarded as forming part of an existing new holding or constituting a new holding.
- (2) If, in a case falling within sub-paragraph (1) above, the number of securities acquired exceeds the number disposed of,—
- (a) the excess shall be regarded as forming part of an existing new holding or, as the case may be, as constituting a new holding; and
 - (b) if the securities acquired were acquired at different times (within the ten days referred to in sub-paragraph (1) above) the securities disposed of shall be identified with securities acquired at an earlier time rather than with securities acquired at a later time.
- (3) If, in a case falling within sub-paragraph (1) above, the number of securities disposed of exceeds the number acquired, the excess shall not be identified in accordance with that sub-paragraph.
- (4) Securities which, by virtue of this paragraph, do not form part of or constitute a new holding shall be treated for the purposes of section 87(3) of the Finance Act 1982 (cases where indexation allowance is nil) as relevant securities within the meaning of section 88 of that Act.
- 19 (1) The identification rules set out in sub-paragraphs (2) and (3) below have effect subject to section 66 of the Capital Gains Tax Act 1979 but, subject to that, have priority according to the order in which they are so set out.
- (2) Securities disposed of shall be identified with securities forming part of a new holding, within the meaning of Part III of this Schedule, rather than with other securities.
- (3) Securities disposed of shall be identified with securities forming part of a 1982 holding, within the meaning of Part II of this Schedule, rather than with other securities and, subject to that, shall be identified with securities acquired at a later time rather than with securities acquired at an earlier time.

PART II

THE OPERATION OF THE RELIEF

Disposals on which relief may be given

- 5 (1) Relief in accordance with this Schedule shall not be given in respect of any disposal unless the qualifying period relating to that disposal ends on or after 6th April 1985.
- (2) Except in the case of a disposal which is made by an individual who has attained the age of 60, relief in accordance with this Schedule shall be given only on the making of a claim not later than two years after the end of the year of assessment in which the disposal occurred.
- (3) In the case of a trustees' disposal, relief in accordance with this Schedule shall be given only on a claim made jointly by the trustees and the beneficiary concerned.
- (4) Where a claim for relief in accordance with this Schedule is dependent upon an individual having retired on ill-health grounds below the age of 60, the claim shall be made to the Board.

Gains qualifying for relief

- 6 Subject to paragraphs 9 and 10 below, in the case of any qualifying disposal other than one of shares or securities of a company, the gains accruing to the individual or, in the case of a trustees' disposal, the trustees on the disposal of chargeable business assets comprised in the qualifying disposal shall be aggregated, and only so much of that aggregate as exceeds the amount available for relief shall be chargeable gains (but not so as to affect liability in respect of gains accruing on the disposal of assets other than chargeable business assets).
- 7 (1) Subject to paragraphs 9 to 11 below, in the case of a qualifying disposal of shares or securities of a trading company which is not a holding company,—
- (a) the gains which on the disposal accrue to the individual or, as the case may be, the trustees shall be aggregated, and
 - (b) of the appropriate proportion of the aggregated gains, only so much as exceeds the amount available for relief shall constitute chargeable gains (but not so as to affect liability in respect of gains representing the balance of the aggregated gains).
- (2) For the purposes of sub-paragraph (1)(b) above, " the appropriate proportion " is that which that part of the value of the company's chargeable assets immediately before the end of the qualifying period which is attributable to the value of the company's chargeable business assets bears to the whole of that value, but, in the case of a company which has no chargeable assets, " the appropriate proportion " is the whole.
- (3) For the purposes of this paragraph, every asset is a chargeable asset except one, on the disposal of which by the company immediately before the end of the qualifying period, no gain accruing to the company would be a chargeable gain.
- 8 (1) Subject to paragraphs 9 to 11 below, in the case of a qualifying disposal of shares or securities of a holding company,—
- (a) the gains which on the disposal accrue to the individual or, as the case may be, the trustees shall be aggregated, and

Status: This is the original version (as it was originally enacted).

- (b) of the appropriate proportion of the aggregated gains, only so much as exceeds the amount available for relief shall constitute chargeable gains (but not so as to affect liability in respect of gains representing the balance of the aggregated gains).
- (2) For the purposes of sub-paragraph (1)(b) above, " the appropriate proportion " is that which that part of the value of the trading group's chargeable assets immediately before the end of the qualifying period which is attributable to the value of the trading group's chargeable business assets bears to the whole of that value ; but, in the case of a trading group which has no chargeable assets, " the appropriate proportion " is the whole.
- (3) For the purposes of sub-paragraph (2) above,—
- (a) any reference to the trading group's chargeable assets or chargeable business assets is a reference to the chargeable assets or, as the case may be, chargeable business assets of every member of the trading group ; and
 - (b) subject to paragraph (c) below, every asset is a chargeable asset except one, on the disposal of which by the member of the group concerned immediately before the end of the qualifying period no gain accruing to that member would be a chargeable gain ; and
 - (c) a holding by one member of the trading group of the ordinary share capital of another member of the group is not a chargeable asset.
- (4) Where the whole of the ordinary share capital of a 51 per cent, subsidiary of the holding company is not owned directly or indirectly by that company, then, for the purposes of sub-paragraph (2) above, the value of the chargeable assets and chargeable business assets of that subsidiary shall be taken to be reduced by multiplying it by a fraction of which the denominator is the whole of the ordinary share capital of the subsidiary and the numerator is the amount of that share capital owned, directly or indirectly, by the holding company.
- (5) Expressions used in sub-paragraph (4) above have the same meaning as in section 532(1) of the Taxes Act (subsidiaries).
- 9 (1) If, in the case of a trustees' disposal, there is, in addition to the qualifying beneficiary, at least one other beneficiary who, at the end of the qualifying period, has an interest in possession in the whole of the settled property or, as the case may be, in a part of it which consists of or includes the shares, securities or asset which is the subject matter of the disposal, only the relevant proportion of the gain which accrues to the trustees on the disposal shall be brought into account under paragraph 6, paragraph 7 or paragraph 8 above (as the case may require) and the balance of the gain shall, accordingly, be a chargeable gain.
- (2) For the purposes of sub-paragraph (1) above, the relevant proportion is that which, at the end of the qualifying period, the qualifying beneficiary's interest in the income of the part of the settled property comprising the shares, securities or asset in question bears to the interests in that income of all the beneficiaries (including the qualifying beneficiary) who then have interests in possession in that part.
- (3) The reference in sub-paragraph (2) above to the qualifying beneficiary's interest is a reference to the interest by virtue of which he is the qualifying beneficiary and not to any other interest he may hold.
- 10 (1) If, in the case of an associated disposal,—

Status: This is the original version (as it was originally enacted).

- (a) the asset in question was in use for the purposes of a business as mentioned in section 70(7)(c) of this Act for only part of the period in which it was in the ownership of the individual making the disposal, or
 - (b) for any part of the period in which the asset in question was in use for the purposes of a business as mentioned in section 70(7)(c) of this Act, the individual making the disposal was not concerned in the carrying on of that business (whether personally, as a member of a partnership or as a full-time working director of any such company as is referred to in section 69(3)(b) of this Act), or
 - (c) for the whole or any part of the period in which the asset in question was in use for the purposes of a business as mentioned in section 70(7)(c) of this Act, its availability for that use was dependent upon the payment of rent, only such part of the gain which accrues on the disposal as appears to the Board to be just and reasonable shall be brought into account under paragraph 6, paragraph 7 or paragraph 8 above (as the case may require) and the balance of the gain shall, accordingly, be a chargeable gain.
- (2) In determining how much of a gain it is just and reasonable to bring into account as mentioned in sub-paragraph (1) above, the Board shall have regard to the length of the period the asset was in use as mentioned in that sub-paragraph and the extent to which any rent paid was less than the amount which would have been payable in the open market for the use of the asset.
- (3) In sub-paragraphs (1) and (2) above "rent" includes any form of consideration given for the use of the asset.
- 11 (1) This paragraph applies where—
- (a) there is a material disposal of business assets or a trustees' disposal which (in either case) consists of a disposal which the individual or trustees is or are treated as making by virtue of section 72 of the Capital Gains Tax Act 1979 in consideration of a capital distribution ; and
 - (b) the capital distribution consists wholly of chargeable business assets of the company or partly of such assets and partly of money or money's worth.
- (2) Where the capital distribution consists wholly of chargeable business assets, no relief shall be given under this Schedule in respect of the gains accruing on the disposal.
- (3) Where the capital distribution consists only partly of chargeable business assets, the gains accruing on the disposal (aggregated as mentioned in paragraph 7(1)(a) or paragraph 8(1)(a) above) shall be reduced for the purposes of this Schedule by multiplying them by the fraction of which—
- (a) the numerator is the part of the capital distribution which does not consist of chargeable business assets ; and
 - (b) the denominator is the entire capital distribution ;
- and it shall be to that reduced amount of aggregated gains that, in accordance with sub-paragraph (1)(b) of paragraph 7 or, as the case may be, paragraph 8 above, the appropriate proportion determined under sub-paragraph (2) of that paragraph shall be applied.
- (4) Any question whether or to what extent a capital distribution consists of chargeable business assets shall be determined by reference to the status of the assets immediately before the end of the qualifying period.

Status: This is the original version (as it was originally enacted).

- 12 (1) Subject to paragraphs 9 to 11 above, in arriving at the aggregate gains under any of paragraphs 6, 7(1) and 8(1) above,—
- (a) the respective amounts of the gains shall be computed in accordance with the provisions of the Capital Gains Tax Act 1979 fixing the amount of chargeable gains, and
 - (b) any allowable loss which accrues on the qualifying disposal concerned shall be deducted,
- and the provisions of this Schedule shall not affect the computation of the amount of any allowable loss.
- (2) Subject to the following provisions of this paragraph, in paragraphs 6 to 11 above, "chargeable business asset" means an asset (including goodwill but not including shares or securities or other assets held as investments) which is, or is an interest in, an asset used for the purposes of a trade, profession, vocation, office or employment carried on by—
- (a) the individual concerned ; or
 - (b) that individual's family company ; or
 - (c) a member of a trading group of which the holding company is that individual's family company ; or
 - (d) a partnership of which the individual concerned is a member.
- (3) An asset is not a chargeable business asset if, on the disposal of it, no gain which might accrue would be a chargeable gain.
- (4) In relation to a trustees' disposal, references in sub-paragraph (2) above to the individual shall be construed as references to the beneficiary concerned.
- (5) Sub-paragraph (6) below applies if—
- (a) a qualifying disposal falling within paragraph 7 or paragraph 8 above is a disposal which the individual or trustees concerned is or are treated as making by virtue of section 72 of the Capital Gains Tax Act 1979 in consideration of a capital distribution; and
 - (b) not later than two years after the end of the year of assessment in which the individual or the trustees received the capital distribution, the individual or trustees by notice in writing to the inspector elects or elect that that subparagraph should apply.
- (6) If, in a case where this sub-paragraph applies in relation to a qualifying disposal, any part of the assets of the company concerned consists, as at the end of the qualifying period, of the proceeds of the sale of an asset sold not more than six months before the end of that period, then, sub-paragraph (2) above and paragraph 7 or, as the case may be, paragraph 8 above shall have effect as if, at that time—
- (a) the asset remained the property of the company and was in use for the purposes for which it was used before its sale; and
 - (b) the proceeds of sale of the asset did not form part of the assets of the company.

The amount available for relief: the basic rule

- 13 (1) Subject to the following provisions of this Part of this Schedule, on a qualifying disposal by an individual the amount available for relief by virtue of sections 69 and 70 of this Act is a percentage of £100,000 determined according to the length of the qualifying period which is appropriate to the disposal on a scale rising arithmetically

Status: This is the original version (as it was originally enacted).

from 10 per cent, where that period is precisely one year to 100 per cent, where it is ten years.

- (2) The amount available for relief by virtue of section 70 of this Act on a trustees' disposal shall be determined, subject to sub-paragraph (3) below, in accordance with sub-paragraph (1) above on the assumption that the trustees' disposal is a qualifying disposal by the qualifying beneficiary.
- (3) If, on the same day, there is both a trustees' disposal and a material disposal of business assets by the qualifying beneficiary, the amount available for relief shall be applied to the beneficiary's disposal in priority to the trustees' disposal.

Aggregation, of earlier business periods

- 14 (1) If, apart from this paragraph, the qualifying period appropriate to a qualifying disposal (in this paragraph referred to as " the original qualifying period ") would be less than ten years but throughout some period (in this paragraph referred to as " the earlier business period ") which—
 - (a) ends not earlier than two years before the beginning of the original qualifying period, and
 - (b) falls, in whole or in part, within the period of ten years ending at the end of the original qualifying period,

the individual making the disposal or, as the case may be, the relevant beneficiary was concerned in the carrying on of another business (in this paragraph referred to as the " previous business ") then, for the purpose of determining the amount available for relief on the qualifying disposal, the length of the qualifying period appropriate to that disposal shall be redetermined on the assumptions and subject to the provisions set out below.
- (2) For the purposes of the redetermination referred to in subparagraph (1) above, it shall be assumed that the previous business is the same business as the business at retirement and, in the first instance, any time between the end of the earlier business period and the beginning of the qualifying period shall be disregarded (so that those two periods shall be assumed to be one continuous period).
- (3) The reference in sub-paragraph (1) above to a person being concerned in the carrying on of a business is a reference to his being so concerned personally or as a member of a partnership or, if the business was owned by a company, then as a full-time working director of that company or, as the case may be, of any member of the group or commercial association of which it is a member ; and the reference in sub-paragraph (2) above to the business at retirement is a reference to that business which, in relation to the qualifying disposal, is referred to—
 - (a) in subsection (3), subsection (4) or subsection (5) of section 69 of this Act where the qualifying disposal is a material disposal of business assets ;
 - (b) in subsection (5) of section 70 of this Act where that disposal is a trustees' disposal; and
 - (c) in subsection (7) of section 70 of this Act where that disposal is an associated disposal.
- (4) Any extended qualifying period resulting from the operation of sub-paragraph (2) above shall not begin earlier than the beginning of the period of ten years referred to in sub-paragraph (1)(b) above.

Status: This is the original version (as it was originally enacted).

- (5) If the earlier business period ended before the beginning of the original qualifying period, any extended qualifying period which would otherwise result from the operation of the preceding provisions of this paragraph shall be reduced by deducting therefrom a period equal to that between the ending of the earlier business period and the beginning of the original qualifying period.
- (6) Where there is more than one business which qualifies as the previous business and, accordingly, more than one period which qualifies as the earlier business period, this paragraph shall apply first in relation to that one of those businesses in which the individual in question was last concerned and shall then again apply (as if any extended qualifying period resulting from the first application were the original qualifying period) in relation to the next of those businesses and so on.

Relief given on earlier disposal

- 15 (1) In any case where—
- (a) an individual makes a qualifying disposal or is the qualifying beneficiary in relation to a trustees' disposal, and
 - (b) relief has been (or falls to be) given under this Schedule in respect of an earlier disposal which was either a qualifying disposal made by the individual or a trustees' disposal in respect of which he was the qualifying beneficiary,
- the amount which, apart from this paragraph, would be the amount available for relief on the disposal mentioned in paragraph (a) above shall not exceed the limit in sub-paragraph (3) below.
- (2) In sub-paragraph (3) below—
- (a) the disposal falling within sub-paragraph (1)(a) above is referred to as " the later disposal" ; and
 - (b) the disposal falling within sub-paragraph (1)(b) above or, if there is more than one such disposal, each of them is referred to as " the earlier disposal" .
- (3) The limit referred to in sub-paragraph (1) above is the difference between—
- (a) the amount which would be available for relief on the later disposal if the qualifying period appropriate to that disposal (as redetermined where appropriate under paragraph 14 above) were extended by the addition of a period equal to so much (if any) of the qualifying period appropriate to the earlier disposal (or, as the case may be, to each of the earlier disposals) as does not already fall within the qualifying period appropriate to the later disposal; and
 - (b) the amount of relief given under this Schedule on the earlier disposal or, as the case may be, the aggregate of the relief so given on all the earlier disposals.
- (4) References in this paragraph to relief given under this Schedule include references to relief given under section 34 of the Finance Act 1965 or section 124 of the Capital Gains Tax Act 1979 ; and—
- (a) in relation to relief given under either of those sections paragraph (b) of sub-paragraph (1) above shall have effect as if, for the words from " which was" onwards, there were substituted " made by the individual"; and
 - (b) in the application of sub-paragraph (3) above where the earlier disposal was a disposal in respect of which relief was given under either of those sections,

Status: This is the original version (as it was originally enacted).

the reference in paragraph (a) to the qualifying period appropriate to the disposal is a reference,—

- (i) if the disposal took place on or before 11th April 1978, to the period of ten years ending with the disposal; and
- (ii) in any other case, to the qualifying period within the meaning of the section in question.

Aggregation of spouse's interest in the business

- 16 (1) In any case where—
- (a) an individual makes a material disposal of business assets, and
 - (b) the subject matter of that disposal (whether business, assets or shares or securities) was acquired, in whole or in part, from that individual's spouse, and
 - (c) that acquisition was either under the will or intestacy of the spouse or by way of lifetime gift and in the year of assessment in which occurred the spouse's death or, as the case may be, the lifetime gift, the individual and his spouse were living together, and
 - (d) as a result of the acquisition the individual acquired the whole of the interest in the business, assets, shares or securities concerned which, immediately before the acquisition or, as the case may be, the spouse's death, was held by the spouse, and
 - (e) not later than two years after the end of the year of assessment in which the material disposal occurred, the individual elects that this paragraph should apply,
- the period which, apart from this paragraph, would be the qualifying period appropriate to that disposal shall be extended by assuming that, in the conditions which under section 69 of this Act are the relevant conditions applicable to the disposal, any reference to the individual were a reference either to the individual or his spouse.
- (2) An election under sub-paragraph (1)(e) above shall be made by notice in writing to the inspector.
- (3) Where the acquisition referred to in sub-paragraph (1)(c) above was by way of lifetime gift, the amount available for relief on the material disposal concerned, having regard to the extension of the qualifying period under sub-paragraph (1) above, shall not exceed whichever is the lower of the two limits specified in sub-paragraph (4) below.
- (4) The limits referred to in sub-paragraph (3) above are—
- (a) the amount by which £100,000 exceeds the amount of relief given under this Schedule on disposals made by the spouse up to and including the disposal by way of lifetime gift referred to in sub-paragraph (1)(c) above and on trustees' disposals in respect of which the spouse was the qualifying beneficiary; and
 - (b) the amount which would have been available for relief on the material disposal if—
 - (i) the lifetime gift had not occurred; and
 - (ii) the material disposal had been made by the spouse ; and
 - (iii) anything done by the individual in relation to the business concerned after the lifetime gift was in fact made had been done by the spouse.

- (5) In sub-paragraph (4)(a) above, the reference to relief given under this Schedule includes a reference to relief given under section 34 of the Finance Act 1965 or section 124 of the Capital Gains Tax Act 1979.

SCHEDULE 21

Section 71.

ASSETS DISPOSED OF IN A SERIES OF LINKED TRANSACTIONS

- 1 (1) This Schedule has effect for determining the original market value of assets and the aggregate market value of assets as mentioned in subsection (1)(b) of section 71 of this Act (in this Schedule referred to as " the principal section ").
- (2) Expressions used in this Schedule have the same meaning as in the principal section.
- 2 Where there is a series of linked transactions, the original market value of the assets disposed of by each transaction in the series shall be determined as follows—
- (a) if at the time in question the transaction is the most recent in the series, the original market value of the assets disposed of by that transaction is the market value which, apart from the principal section, would be deemed to be the consideration for that transaction for the purposes of the principal Act; and
- (b) in the case of any other transaction in the series, the original market value of the assets disposed of by that transaction is the value which, prior to the occurrence of the most recent transaction in the series, was or would have been deemed for the purposes of the principal Act to be the consideration for the transaction concerned (whether by virtue of that Act or the previous operation of the principal section).
- 3 (1) Subject to paragraph 4 below, in relation to any transaction in a series of linked transactions,—
- (a) any reference in the principal section or this Schedule to the aggregate market value of the assets disposed of by all the transactions in the series is a reference to what would have been the market value of all those assets for the purposes of the principal Act if, considering all the assets together, they had been disposed of by one disposal occurring at the time of the transaction concerned; and
- (b) any reference in the principal section to the appropriate portion of the aggregate market value of the assets disposed of by all the transactions in the series is a reference to that portion of the market value determined in accordance with paragraph (a) above which it is reasonable to apportion to those of the assets which were actually disposed of by the transaction concerned.
- (2) The reference in sub-paragraph (1)(a) above to considering all die assets together includes a reference not only to considering them as a group or holding or collection of assets retaining their separate identities but also (if it gives a higher market value) to considering them as brought together, physically or in law, so as to constitute either a single asset or a number of assets which are distinct from those which were comprised in each of the transactions concerned.

Status: This is the original version (as it was originally enacted).

- 4 (1) If any of the assets disposed of by all the transactions in a series of linked transactions were acquired after the time of the first of those transactions, then, in the application of paragraph 3 above in relation to each of the transactions in the series,—
- (a) no account shall be taken of any assets which were acquired after the time of that transaction unless they were acquired by way of an inter-group transfer ; and
 - (b) subject to sub-paragraph (2) below, the number of assets of which account is to be taken shall be limited to the maximum number which were held by the person making the disposal at any time in the period beginning immediately before the first of the transactions in the series and ending immediately before the last.
- (2) If, before the first of the transactions referred to in paragraph (b) of sub-paragraph (1) above, the person concerned (being a company) disposed of any assets by way of an inter-group transfer, the maximum number of assets referred to in that paragraph shall be determined as if the inter-group transfer had occurred after that first transaction.
- (3) In the application of sub-paragraph (1) above in a case where the assets disposed of are securities, the assets disposed of by any of the transactions in a series of linked transactions shall be identified with assets acquired on an earlier date rather than with assets acquired on a later date.
- (4) In sub-paragraph (3) above "securities" includes any assets which are of a nature to be dealt in without identifying the particular assets disposed of or acquired.

SCHEDULE 22

Section 76.

DEEMED INTEREST ON CERTAIN SECURITIES

Introduction

- 1 (1) In this Schedule " the first date " means 28th February 1985, " the second date " means 27th February 1986, and " the year " means the period beginning with the first date and ending with the second date.
- (2) In this Schedule—
- " chargeable securities" means the securities held by a person at any time in the year which fall within paragraph 3 below, and
 - " deemed interest" means the interest he would have received in the year in respect of the chargeable securities if he were entitled to receive interest accruing in the period in which he held them in the year and interest had accrued from day to day and been apportioned accordingly.

The charge

- 2 (1) This paragraph applies where the person has been served with a notice under paragraph 6 below.
- (2) If no interest was received by the person in the year in respect of the chargeable securities, he shall be treated as receiving on the second date annual profits or gains whose amount is equal to the deemed interest.

Status: This is the original version (as it was originally enacted).

- (3) If interest was received by the person in the year in respect of the chargeable securities, and the amount of the deemed interest exceeds an amount equal to 110 per cent, of the amount so received, he shall be treated as receiving on the second date annual profits or gains whose amount is equal to the excess.
- (4) Profits or gains treated as received under sub-paragraph (2) or (3) above shall be chargeable to tax under Case VI of Schedule D for the chargeable period in which they are treated as received.

Chargeable securities

- 3 (1) If the aggregate nominal value of securities held by the person on the second date is not more than the aggregate nominal value of securities held by him on the first date, the securities which fall within this paragraph are all the securities held by him at any time in the year other than those held by him throughout the year.
- (2) If the aggregate nominal value of securities held by the person on the second date (value A) exceeds the aggregate nominal value of securities held by him on the first date (value B) the securities which fall within this paragraph are those mentioned in sub-paragraph (5) below (for the purposes of which sub-paragraphs (3) and (4) below apply).
- (3) If the aggregate nominal value of securities of a particular kind held by the person on the second date exceeds the aggregate nominal value of securities of that kind held by him on the first date, securities which are of that kind, which are of a total nominal value equal to the excess and which were acquired by him in the year shall be taken into account for the purposes of sub-paragraph (4) below.

(2) If, in a case falling within paragraphs (a) and (b) of subparagraph (1) above, liability for only some of the tax which accrued on the DLT disposal stands deferred as mentioned in paragraph (b), any reference in that sub-paragraph to the amount of realised development value which is referable to the deferred tax is a reference to that proportion of the whole of the realised development value accruing on the DLT disposal which the tax the liability for which stands so deferred bears to the whole of the tax the liability for which arose on the DLT disposal.

(3) In this paragraph, "DLT disposal", "CGT disposal" and " trading disposal" have the meaning assigned by section 34(3) of the 1976 Act.

3 Where, by virtue of paragraph 21 or paragraph 22 of Schedule 2 to the 1976 Act (general rules for determining amount of consideration),—
