

Companies Act 1985

1985 CHAPTER 6

PART XI

COMPANY ADMINISTRATION AND PROCEDURE

[^{F1}CHAPTER III

ANNUAL RETURN]

364D Contents of annual return: information about shareholders: supplementary

(1) In sections 364, 364B and 364C—

“non-traded company” means a company none of whose shares are shares admitted to trading on a regulated market (so that “traded company” means a company any of whose shares are shares admitted to trading on a regulated market);

“regulated market” means a market which appears on the list drawn up by an EEA State pursuant to Article 47 of Directive [2004/39/EC](#) of the European Parliament and of the Council of 21 April 2004 on markets in financial instruments ^{F1}; and

“return period”, in relation to an annual return, means the period beginning immediately after the date to which the last return was made up (or, in the case of the first return, with the incorporation of the company) and ending with the date to which the return is made up.

(2) Where a company has converted any of its shares into stock, the return must give information in relation to that stock corresponding to that required by section 364B or 364C (as the case may be) in relation to shares of the company, stating the amount of stock instead of the number of shares.
