**289 Declaration of clearance area.**

(1) A clearance area is an area which is to be cleared of all buildings in accordance with the following provisions of this Part.

[<sup>F46</sup>(2) If the local housing authority are satisfied, in relation to any area—

- (a) that each of the residential buildings in the area contains a category 1 hazard, and
- (b) that the other buildings (if any) in the area are dangerous or harmful to the health or safety of the inhabitants of the area,

declaring the area to be a clearance area is a course of action available to the authority in relation to the hazard or hazards for the purposes of section 5 of the Housing Act 2004 (category 1 hazards: general duty to take enforcement action).

(2ZA) The local housing authority may declare an area to be a clearance area if they are satisfied that—

- (a) the residential buildings in the area are dangerous or harmful to the health or safety of the inhabitants of the area as a result of their bad arrangement or the narrowness or bad arrangement of the streets; and
- (b) that the other buildings (if any) in the area are dangerous or harmful to the health or safety of the inhabitants of the area.

(2ZB) The local housing authority may declare an area to be a clearance area if they are satisfied that—

- (a) that each of the residential buildings in the area contains a category 2 hazard,
- (b) that the other buildings (if any) in the area are dangerous or harmful to the health or safety of the inhabitants of the area, and
- (c) the circumstances of the case are circumstances specified or described in an order made by the Secretary of State.

Subsection (8) of section 265 applies in relation to an order under this subsection as it applies in relation to an order under subsection (3) or (4) of that section.

(2ZC) In this section “residential buildings” means buildings which are dwellings or houses in multiple occupation or contain one or more flats.

This is subject to subsection (2ZD).

(2ZD) For the purposes of subsection (2) or (2ZB)—

- (a) subsection (2ZC) applies as if “two or more flats” were substituted for “one or more flats”; and
- (b) a residential building containing two or more flats is only to be treated as containing a category 1 or 2 hazard if two or more of the flats within it contain such a hazard.

(2ZE) Subsections (2) to (2ZB) are subject to subsections (2B) to (4) and (5B).]

(2B) Before declaring an area to be a clearance area, the authority shall—

- (a) serve notice of their intention to include a building in the clearance area on every person who has an interest in the building (whether as freeholder, lessee or mortgagee) and also, in the case of a residential building, on every person who has such an interest in any flat in the building; and
- (b) take reasonable steps to inform any occupiers of a residential building who do not have such an interest in the building or a flat in the building as is referred to in paragraph (a) of their intention to include the building in the clearance area; and
- (c) publish in two or more newspapers circulating in the locality (of which one at least shall, if practicable, be a local newspaper) notice of their intention to declare the area to be a clearance area.

(2C) A notice served under paragraph (a) of subsection (2B) shall invite representations from the person on whom the notice was served within such reasonable period, being not less than twenty-eight days after the date on which the notice is served, as may be specified in the notice.

(2D) The authority shall, by the steps taken in relation to occupiers of a residential building as mentioned in paragraph (b) of subsection (2B), invite representations from those occupiers within such reasonable period, expiring not less than twenty-eight days after the date on which the steps are taken, as may be specified by the authority.

(2E) A notice published in accordance with paragraph (c) of subsection (2B) shall invite representations from any interested persons within such reasonable period, being not less than twenty-eight days after the date on which the notice is published, as may be specified in the notice.

(2F) The authority shall consider all representations made under subsections (2C), (2D) and (2E) and, in the light of the representations, shall take whichever of the following decisions they think appropriate, that is to say—

- (a) they may decide to declare the area to be a clearance area; or
- (b) they may decide to declare the area to be a clearance area but exclude such residential buildings which [<sup>F47</sup>contain category 1 or category 2 hazards] as they think fit; or
- (c) they may decide not to declare the area to be a clearance area.
