SCHEDULE 5

SOLID FUEL

PART I

GENERAL

Byelaws

- 9 A local weights and measures authority may make byelaws, subject to the confirmation of the Secretary of State.—
- (a) for securing that on any premises within their area on or from which solid fuel available for purchase in a quantity of 224 pounds or less is sold or kept or exposed for sale there is displayed a notice specifying the price of the fuel,
 - (b) prohibiting the sale on or from any such premises of any such fuel at a higher price than that so displayed in relation to that fuel, and
 - (c) prescribing penalties not exceeding level 2 on the standard scale for any offence under such byelaws.
