PART I

RIGHT TO COMPENSATION

Tenants’ rights to compensation

- 1 (1) Subject to the following provisions of this Schedule, where on the termination of the tenancy of any land the tenant has milk quota registered as his in relation to a holding consisting of or including the land, the tenant shall be entitled, on quitting the land, to obtain from his landlord a payment—
- (a) if the tenant had milk quota allocated to him in relation to land comprised in the holding (“allocated quota”), in respect of so much of the relevant quota as consists of allocated quota; and
 - (b) if the tenant had milk quota allocated to him as aforesaid or was in occupation of the land as a tenant on 2nd April 1984 (whether or not under the tenancy which is terminating), in respect of so much of the relevant quota as consists of transferred quota transferred to him by virtue of a transaction the cost of which was borne wholly or partly by him.
- (2) In sub-paragraph (1) above—
- “the relevant quota” means—
 - (a) in a case where the holding mentioned in sub-paragraph (1) above consists only of the land subject to the tenancy, the milk quota registered in relation to the holding; and
 - (b) otherwise, such part of that milk quota as falls to be apportioned to that land on the termination of the tenancy;
 - “transferred quota” means milk quota transferred to the tenant by virtue of the transfer to him of the whole or part of a holding.
- (3) A tenant shall not be entitled to more than one payment under this paragraph in respect of the same land.

Status: Point in time view as at 28/02/2019.

Changes to legislation: There are currently no known outstanding effects for the Agriculture Act 1986. (See end of Document for details)

Modifications etc. (not altering text)

Succession on death or retirement of tenant

- 2 (1) This paragraph applies where on the termination of the tenancy of any land after 2nd April 1984 a new tenancy of the land or part of the land has been granted to a different tenant (“the new tenant”) and that tenancy—
- (a) was obtained by virtue of a direction under section 39 or 53 of the ^{M21}Agricultural Holdings Act 1986 (direction for grant of tenancy to successor on death or retirement of previous tenant);
 - (b) was granted (following a direction under section 39 of that Act) in circumstances within section 45(6) of that Act (new tenancy granted by agreement to persons entitled to tenancy under direction); or
 - (c) is such a tenancy as is mentioned in section 37(1)(b) or (2) of that Act (tenancy granted by agreement to close relative).
- (2) Where this paragraph applies—
- (a) any milk quota allocated or transferred to the former tenant (or treated as having been allocated or transferred to him) in respect of the land which is subject to the new tenancy shall be treated as if it had instead been allocated or transferred to the new tenant; and
 - (b) in a case where milk quota is treated under paragraph (a) above as having been transferred to the new tenant, he shall be treated for the purposes of any claim in respect of that quota—
 - (i) as if he had paid so much of the cost of the transaction by virtue of which the milk quota was transferred as the former tenant bore (or is treated as having borne); and
 - (ii) in a case where the former tenant was in occupation of the land on 2nd April 1984 (or is treated as having been in occupation of the land on that date), as if he had been in occupation of it on that date.
- (3) Sub-paragraph (1) above applies in relation to the grant of a new tenancy before the date on which the ^{M22}Agricultural Holdings Act 1986 comes into force as if the references in that sub-paragraph to sections 39, 53 and 45(6) of that Act were references to section 20 of the ^{M23}Agriculture (Miscellaneous Provisions) Act 1976, paragraph 5 of Schedule 2 to the ^{M24}Agricultural Holdings Act 1984 and section 23(6) of the said Act of 1976 respectively.

- 3 Where the tenancy of any land has been assigned after 2nd April 1984 (whether by deed or by operation of law)—
- (a) any milk quota allocated or transferred to the assignor (or treated as having been allocated or transferred to him) in respect of the land shall be treated as if it had instead been allocated or transferred to the assignee; and
 - (b) in a case where milk quota is treated under paragraph (a) above as having been transferred to the assignee, he shall be treated for the purposes of any claim in respect of that quota—
 - (i) as if he had paid so much of the cost of the transaction by virtue of which the milk quota was transferred as the assignor bore (or is treated as having borne); and

 - (i) as if he had paid so much of the cost of the transaction by virtue of which the milk quota was transferred as the sub-tenant bore (or is treated as having borne); and
 - (ii) in a case where the sub-tenant was in occupation of the land on 2nd April 1984 (or is treated as having been in occupation of the land on that date), as if he had been in occupation of it on that date;
 - (c) if the sub-landlord does not occupy the land after the sub-tenancy has ended and the sub-tenant has quitted the land, the sub-landlord shall be taken to have quitted the land when the sub-tenant quitted it.

PART II

AMOUNT OF COMPENSATION PAYABLE

Calculation of payment

- 5 (1) The amount of the payment to which the tenant of any land is entitled under paragraph 1 above on the termination of his tenancy shall be determined in accordance with the following provisions of this paragraph.
- (2) The amount of the payment to which the tenant is entitled under paragraph 1 above in respect of allocated quota shall be an amount equal—

Status: Point in time view as at 28/02/2019.

Changes to legislation: There are currently no known outstanding effects for the Agriculture Act 1986. (See end of Document for details)

- (a) in a case where the allocated quota exceeds the standard quota for the land, to the value of the sum of—
 - (i) the tenant’s fraction of the standard quota, and
 - (ii) the amount of the excess;
 - (b) in a case where the allocated quota is equal to the standard quota, to the value of the tenant’s fraction of the allocated quota; and
 - (c) in a case where the allocated quota is less than the standard quota, to the value of such proportion of the tenant’s fraction of the allocated quota as the allocated quota bears to the standard quota.
- (3) The amount of the payment the tenant is entitled to under paragraph 1 above in respect of transferred quota shall be an amount equal—
- (a) in a case where the tenant bore the whole of the cost of the transaction by virtue of which the transferred quota was transferred to him, to the value of the transferred quota; and
 - (b) in a case where the tenant bore only part of that cost, to the value of the corresponding part of the transferred quota.

“Standard quota”

- 6 (1) Subject to the following provisions of this paragraph the standard quota for any land for the purposes of this Schedule shall be calculated by multiplying the relevant number of hectares by the prescribed quota per hectare; and for the purposes of this paragraph—
- (a) “the relevant number of hectares” means the average number of hectares of the land in question used during the relevant period for the feeding of dairy cows kept on the land or, if different, the average number of hectares of the land which could reasonably be expected to have been so used (having regard to the number of grazing animals other than dairy cows kept on the land during that period); and
 - (b) “the prescribed quota per hectare” means such number of litres as the Minister may from time to time by order prescribe for the purposes of this sub-paragraph.
- (2) Where by virtue of the quality of the land in question or climatic conditions in the area the amount of milk which could reasonably be expected to have been produced from one hectare of the land during the relevant period (“the reasonable amount”) is greater or less than the prescribed average yield per hectare, then sub-paragraph (1) above shall not apply and the standard quota shall be calculated by multiplying the relevant number of hectares by such proportion of the prescribed quota per hectare as the reasonable amount bears to the prescribed average yield per hectare; and the Minister shall by order prescribe the amount of milk to be taken as the average yield per hectare for the purposes of this sub-paragraph.
- (3) Where the relevant quota of the land includes milk quota allocated in pursuance of an award of quota made by the Dairy Produce Quota Tribunal for England and Wales [F²⁹, or by the Secretary of State or the National Assembly for Wales following the appeals procedure,] which has not been allocated in full, the standard quota for the land shall be reduced by the amount by which the milk quota allocated in pursuance of the award falls short of the amount awarded (or, in a case where only part of the milk quota allocated in pursuance of the award is included in the relevant quota, by the corresponding proportion of that shortfall).

Status: Point in time view as at 28/02/2019.

Changes to legislation: There are currently no known outstanding effects for the Agriculture Act 1986. (See end of Document for details)

- [^{F30}(3A) In sub-paragraph (3) above “the appeals procedure” means—

 - (b) in Wales, the appeals procedure established under the Common Agricultural Policy Non-IACS Support Schemes (Appeals) (Wales) Regulations 2004 ([S.I. 2004/685 \(W.73\)](#)).]
- (4) In sub-paragraph (3) above the references to milk quota allocated in pursuance of an award of quota include references to quota allocated by virtue of the amount awarded not originally having been allocated in full.
- (5) In this paragraph—
- (a) references to land used for the feeding of dairy cows kept on the land do not include land used for growing cereal crops for feeding to dairy cows in the form of loose grain; and
 - (b) references to dairy cows are to cows kept for milk production (other than uncalved heifers).
- (6) An order under this paragraph may make different provision for different cases.
- (7) The power to make an order under this paragraph shall be exercisable by statutory instrument and any instrument containing such an order shall be subject to annulment in pursuance of a resolution of either House of Parliament.

- (a) the numerator is the annual rental value at the end of the relevant period of the tenant’s dairy improvements and fixed equipment; and

- (4) For the purposes of sub-paragraph (2) above “tenant’s improvements” and “tenant’s fixed equipment” have the same meanings as in paragraph 2 of Schedule 2 to the 1986 Act, except that—

 - (b) any compensation received by the tenant after the end of the relevant period in respect of any improvement or fixed equipment shall be disregarded for the purposes of sub-paragraph (3) of that paragraph; and
 - (c) where paragraph 2 above applies in respect of any land, improvements or equipment which would be regarded as tenant’s improvements or equipment on the termination of the former tenant’s tenancy (if he were entitled to a payment under this Schedule in respect of that land) shall be regarded as the new tenant’s improvements or equipment.

Valuation of milk quota

- 9 The value of milk quota to be taken into account for the purposes of paragraph 5 above is the value of the milk quota at the time of the termination of the tenancy in question and in determining that value at that time there shall be taken into account such evidence as is available, including evidence as to the sums being paid for interests in land—
