- (2) For the purposes of this Schedule the grant of an option which if exercised would result in a secure tenant of a local authority becoming the tenant of a private sector landlord shall be treated as a disposal of the interest which is the subject of the option.
- (3) Where a disposal of land by a local authority is in part a disposal to which this Schedule applies, the provisions of this Schedule apply to that part as to a separate disposal.
- (4) In this paragraph “private sector landlord” means a person other than an authority or body within section 80 (the landlord condition for secure tenancies).

- (2) Where the certificate is in the latter form, the Secretary of State shall not determine the application until the authority certify as regards the tenants not originally consulted—
 - (a) that they have vacated the dwelling-house in question, or
 - (b) that the requirements of paragraph 3 as to consultation have been complied with;and a certificate under sub-paragraph (b) shall be accompanied by a copy of the notices given by the authority in accordance with paragraph 3.

Requirements as to consultation

- 3 (1) The requirements as to consultation referred to above are as follows.
- (2) The authority shall serve notice in writing on the tenant informing him of—

 - (c) the effect of the provisions of this Schedule and of sections 171A to 171H (preservation of right to buy on disposal to private sector landlord),
- and informing him that he may, within such reasonable period as may be specified in the notice, make representations to the authority.
- (3) The authority shall consider any representations made to them within that period and shall serve a further written notice on the tenant informing him—

Power to require further consultation

- 4 The Secretary of State may require the authority to carry out such further consultation with their tenants, and to give him such information as to the results of that consultation, as he may direct.

Consent to be withheld if majority of tenants are opposed

- 5 (1) The Secretary of State shall not give his consent if it appears to him that a majority of the tenants of the dwelling-houses to which the application relates do not wish the disposal to proceed; but this does not affect his general discretion to refuse consent on grounds relating to whether a disposal has the support of the tenants or on any other ground.
- (2) In making his decision the Secretary of State may have regard to any information available to him; and the local authority shall give him such information as to the representations made to them by tenants and others, and other relevant matters, as he may require.

 - (b) lists, to the best of the disponor’s knowledge and belief, the dwelling-houses to which the disposal relates which are occupied by secure tenants.

Registration of title on qualifying disposal

 - (b) whether or not, where the disposal takes the form of the grant or assignment of a lease, the lease is granted for a term of more than 21 years or, as the case may be, is a lease for a term of which more than 21 years are unexpired.
 - (2) In such a case the disponor shall give the disponent a certificate stating that the disponor is entitled to effect the disposal subject only to such incumbrances, rights and interests as are stated in the instrument effecting the disposal or summarised in the certificate.
