
Changes to legislation: There are currently no known outstanding effects for the Channel Tunnel Act 1987, Paragraph 10. (See end of Document for details)

SCHEDULE 7

PROTECTIVE PROVISIONS

PART I

HIGHWAYS AND TRAFFIC

- 10 (1) The provisions of this paragraph have effect in relation to, and to the construction of, any new bridge, or any extension or alteration of an existing bridge, carrying any part of the works authorised by this Act over a highway or carrying a highway over any part of those works, and any such new bridge, or (as the case may be) any bridge so extended or altered, is in this paragraph referred to as “the bridge”.
- (2) Before commencing the construction of, or the carrying out of any work in connection with, the bridge which involves interference with a highway, the appropriate authority shall submit to the highway authority for their approval plans, sections, drawings and particulars (below in this paragraph referred to as “plans”) relating thereto, and the bridge shall not be constructed and the works shall not be carried out except in accordance with the plans submitted to, and approved by, the highway authority.
- (3) If within 28 days after the plans have been submitted the highway authority have not approved or disapproved them, they shall be deemed to have approved the plans as submitted.
- (4) Any part of the construction of the bridge or any part of any work as aforesaid which involves interference with a highway shall be carried out under the supervision (if given) and to the reasonable satisfaction of the highway authority.
- (5) In constructing the bridge, or in carrying out any work in connection therewith which involves interference with any highway, the appropriate authority shall, in such manner and at such time as the highway authority may reasonably require, make good all damage caused to the highway by reason or in consequence of the construction of the bridge or the carrying out of the work.
- (6) If the bridge carries any part of the works authorised by this Act over any highway—
- (a) it shall be constructed in such manner as to prevent so far as may be reasonably practicable the dripping of water from the bridge; and
 - (b) the highway authority may, at the cost of the appropriate authority, provide and place such lamps and apparatus as may from time to time be reasonably necessary for efficiently lighting any highway under or in the vicinity of the bridge.

Changes to legislation:

There are currently no known outstanding effects for the Channel Tunnel Act 1987, Paragraph 10.
