Editorial Information

X1 EDITORIAL NOTE

The originating text of this Act is derived from the 1990 edition of The Taxes Acts edited by the Inland Revenue and published by Her Majesty's Stationery Office. The style of editing followed in older versions of the revised text may therefore differ from that applicable to most other Acts published in the online edition of the revised statutes. Any references in older footnote annotations to Vol. 1, 2 etc. are to the Volumes of that 1990 edition.

References to Acts in sidenotes and footnote annotations may be abbreviated. The main abbreviations used are listed below. Where a reference to an Act consists of the year, or the year and a series number (such as "1975", or "1975 (No. 2)", etc.), without any following letter(s) in parentheses, the reference is in most cases to the Finance Act, or Finance (No. 2) Act, etc., of that year. Exceptions to this are 1952, 1970, and 1988 (as to which see the list below).

[F19176 Expenses of insurance companies

- (1) In computing for the purposes of corporation tax the profits for any accounting period of a company—
 - (a) which carries on life assurance business, and
 - (b) which is [F192 charged to tax in respect of that business under the I minus E basis],

[F193] sections 1219 to 1223 of CTA 2009 (expenses of management of a company's investment business) do not apply] in computing the profits of that business, but a deduction for expenses payable (the "expenses deduction") is to be allowed in accordance with the following provisions of this section.

F194																															
	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	•	

- (2) The expenses deduction is to be made from so much of the income and gains of the accounting period referable to basic life assurance and general annuity business as remains after any deduction falling to be made by virtue of [F195] section 388 of CTA 2009 (basic rule: deficit set off against income and gains of deficit period)].
- (3) For the purposes of this section "expenses payable" means expenses brought into account in line 12, 22 or 25 of Form 40 (the revenue account) in the periodical return of the company for a period of account, but does not include any of the amounts falling within subsection (4), (5) or (6) below.
- (4) The amounts falling within this subsection are the following—
 - (a) reinsurance premiums,
 - (b) refunds of premiums,
 - (c) profit commissions and profit participations (however described),
 - (d) expenses or other amounts payable, to the extent that the company's purpose in incurring the liability to make the payment is not a business or other commercial purpose of the company.

For the purposes of paragraph (d) above, it is not one of the business or commercial purposes of a company to incur a liability to pay an amount of commission or other expenses which exceeds the amount which it could reasonably be expected to pay if the company were charged to tax under [F196] section 35 of CTA 2009 (charge on trade profits)] in respect of its life assurance business.

- (5) The amounts falling within this subsection are any amounts payable in connection with a policy or contract to—
 - (a) a policy holder or annuitant under the policy or contract (except where the policy holder is an insurance company),
 - (b) any other person who is entitled to receive benefits under the policy or contract.
 - (c) any person acting on behalf of a person falling within paragraph (a) or (b) above.
 - (d) the personal representatives of a deceased person who fell within paragraphs (a) to (c) above.
- (6) The amounts falling within this subsection are expenses of a capital nature.

But this subsection does not apply in the case of an amount which, by virtue of any provision of the Tax Acts other than this section, falls to be treated for the purposes

of this section as expenses payable which fall to be brought into account at Step 1 in subsection (7) below (the reference to Step 1 being express in the provision).

(7) The amount of the expenses deduction for an accounting period is found by taking the following steps—

Step 1

Find so much of the expenses payable as are—

- (a) attributable to basic life assurance and general annuity business (see subsection (8) below), and
- (b) referable to the accounting period (see subsection (9) below).

Step 2

Reduce each of the amounts found at Step 1 by excluding so much of the amount as is—

- (a) deductible [F197 in computing, for corporation tax purposes, the profits of a UK property business],
- (b) deductible by virtue of section 85(2B) of the Finance Act 1989, F198...
- (c) deductible by virtue of [F199] section 272 of CTA 2009] in computing income from the letting of rights to work minerals in the United Kingdom, [F200] or
- (d) required to be deducted by subsection (9A) below.]

Step 3

Find the amounts (so far as not included at Step 1) which fall to be treated for the purposes of this section as expenses payable for the accounting period by virtue of any of the following provisions—

o basic life assurance and general annuity business);

section [F2041162] of CTA 2009 ([F20550% additional] relief for remediation expenditure on contaminated [F206 or derelict] land owned by company carrying on life assurance business).]

Step 4

Give effect to the provisions specified in Step 3 by adding together—

(a) so much of the amounts found at Step 1 as remains after making any reductions at Step 2, and

Status: Point in time view as at 01/04/2011. This version of this Act contains provisions that are not valid for this point in time.

(b) the amounts found at Step 3,

and then deduct the amount of any reversal (wherever brought into account) of an expense included at Step 1 in a previous period,

Step 5

If the whole or any part of a loss arising to the company in respect of its life assurance business in the accounting period is [F207 relieved under section 37 of CTA 2010 or under Chapter 4 of Part 5 of that Act]—

- (a) find the amount ("amount L") that is equal to so much of the loss as, in the aggregate, is so set off,
- (b) find the [F208] amount ("amount S")] by which any losses for that period under section [F209]436A] fall to be reduced under section 434A(2)(b),
- (c) from amount L deduct amount S, to give the adjusted loss deduction, then reduce Subtotal 1 by deducting from it the adjusted loss deduction, to give Subtotal 2.

Step 6

Give effect to subsection (6) of section 86 of the Finance Act 1989 (spreading of acquisition expenses) by—

- (a) finding the amount that is equal to six-sevenths of the adjusted amount of the acquisition expenses (within the meaning of that section) for the accounting period, and
- (b) deducting that amount from Subtotal 2,

to give Subtotal 3.

Step 7

Add together the following amounts—

- (a) Subtotal 3, and
- (b) any amounts carried forward to the accounting period under subsection (12) or (13) below (unrelieved excesses from earlier accounting periods),

to give Subtotal 4.

Step 8

Give effect to subsections (8) and (9) of section 86 of the Finance Act 1989 (fraction of adjusted amount of acquisition expenses for earlier accounting periods) by adding together—

- (a) Subtotal 4, and
- (b) any amounts which are to be relieved under this section by virtue of those subsections,

- (7) Where one of the purposes for which a person enters into any arrangements is the purpose of securing that that person or another obtains a tax advantage, that purpose shall be regarded as a business or other commercial purpose of the person only if it is neither the main purpose, nor one of the main purposes, for which the person enters into the arrangements.
- (8) Any reference in this section to a person obtaining a tax advantage includes a reference to a person obtaining a payment representing any of the value of a tax credit in circumstances where, had the person obtaining the payment been entitled to the tax credit and the qualifying distribution to which it relates, that person—

- (1) This section applies where—
 - (a) an insurance company is not a non-profit company in relation to a period of account ("the current period of account"),
 - (b) in the case of any business with which an account of the company for the current period of account is concerned ("the relevant business"), an amount is a relevant brought into account amount for that period of account (see subsection (2)),
 - (c) section 432C applies for determining the extent to which the relevant brought into account amount is referable to life assurance business or to gross roll-up business, and
 - (d) the line 51 reduction condition is met (see subsection (3)).
- (2) An amount is a relevant brought into account amount for a period of account if—
 - (a) it is brought into account as mentioned in subsection (2)(b) of section 83 of the Finance Act 1989 (increases in value of non-linked assets) for that period,
 - (b) it is deemed to be brought into account for that period by subsection (2B) of that section in consequence of the transfer of non-linked assets, or
 - (c) it is taken into account under subsection (2) of that section for that period by virtue of section 444AB as being the relevant amount in relation to non-linked assets.
- (3) The line 51 reduction condition is met if—
 - (a) the amount shown in column 1 of line 51 of Form 14 of the company's periodical return in respect of the relevant business for the current period of account, is less than
 - (b) the amount so shown for the period of account immediately before it; and the amount of the difference is "the relevant reduction".
- (4) Section 432C applies in relation to so much of the relevant brought into account amount as does not exceed the relevant reduction ("the affected amount") as if it were brought into account as an increase in the value of assets in the case of the relevant business for the applicable appropriate period of account of the company.

- (5) A period of account is an "appropriate period of account" if it ended before the current period of account and—
 - (a) the amount shown in column 1 of line 51 of Form 14 of the company's periodical return in respect of the relevant business for it, was more than
 - (b) the amount so shown for the period of account immediately before it; and the amount of the difference is "the relevant increase."
- (6) The "applicable" appropriate period of account is the one which ended most recently ("the most recent appropriate period of account").
- (7) But if the relevant increase in the case of the most recent appropriate period of account is less than the affected amount, the most recent appropriate period of account is the applicable appropriate period of account in relation to only so much of the affected amount as does not exceed that relevant increase.
- (8) In that case, the appropriate period of account which ended most recently before the most recent appropriate period of account is the applicable appropriate period of account in relation to so much of the remainder as does not exceed the relevant increase in the case of that appropriate period of account (and, where necessary, so on until the applicable appropriate period of account is established in relation to all of the affected amount or there are no more appropriate periods of account).
- (9) If the current period of account is not the first in relation to which this section has applied in the case of the business concerned, the amount of the relevant increase in the case of any appropriate period of account ("the period in question") is to be treated as reduced by the relevant aggregate.
- (10) The "relevant aggregate" is the aggregate of so much of the affected amount for any period or periods of account earlier than the current period of account as was an amount to which section 432C applied as if it were brought into account as mentioned in subsection (4) for the period in question.

[F1500432CTBansfers of business involving excess assets

- (1) This section applies where, under an insurance business transfer scheme, there is a transfer of long-term business—
 - (a) from a non-profit fund of an insurance company ("the transferor") which is not a non-profit company in relation to the relevant period of account,
 - (b) to another insurance company ("the transferee") to constitute or form part of a non-profit fund of the transferee ("the transferee's non-profit fund"),

("the transfer") and conditions A and B are met.

Status: Point in time view as at 01/04/2011. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: Income and Corporation Taxes Act 1988 is up to date with all changes known to be in force on or before 27 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) Condition A is that the fair value of the assets transferred by the transfer exceeds by an amount ("the chargeable excess") the amount of the relevant liabilities transferred by the transfer.
 - For this purpose "relevant" liabilities are liabilities of a type shown (or treated as shown) in any of lines 14, 17, 21 to 23 and 31 to 38 of Form 14 of a periodical return of an insurance company.
- (3) Condition B is that the main purpose, or one of the main purposes, of the transferor or the transferee (or both) in entering into any part of the transfer scheme arrangements is to secure a reduction in tax as a result of section 432C having effect in the case of the transferee, rather than the transferor, in relation to the business transferred by the transfer.
- (4) The chargeable excess is to be brought into account by the transferor as mentioned in section 83(2)(b) of the Finance Act 1989 for the relevant period of account.
- (5) Where there is no amount shown in relation to the transferee's non-profit fund in column 1 of line 51 of Form 14 of the periodical return of the transferee for the first period of account of the transferee ending on or after the transfer date ("the first post-transfer period of account"), the chargeable excess is to be brought into account by the transferee as mentioned in section 83(2) of the Finance Act 1989 as a decrease in the value of non-linked assets for the first post-transfer period of account.

(6) Where—

- (a) there is an amount shown in relation to the transferee's non-profit fund in column 1 of line 51 of Form 14 of the periodical return of the transferee for the first post-transfer period of account, and
- (b) the amount so shown in column 1 of line 51 of Form 14 of the periodical return of the transferee for that period of account, or for any other period of account of the transferee ending after the transfer date, (an "affected period of account") is less than the total chargeable excess amount,

the relevant amount is to be brought into account by the transferee as mentioned in section 83(2) of the Finance Act 1989 as a decrease in the value of non-linked assets for the affected period of account.

- (7) For this purpose "the relevant amount" is the amount by which—
 - (a) the amount shown in relation to the transferee's non-profit fund in column 1 of line 51 of Form 14 of the periodical return of the transferee for the affected period of account, is less than
 - (b) the total chargeable excess amount less any amount brought into account by the transferee as mentioned in section 83(2) of the Finance Act 1989 as a decrease in the value of non-linked assets for any earlier period of account by virtue of the operation of this section in relation to the transferee's non-profit fund.
- (8) In subsections (6) and (7) "the total chargeable excess amount" means the aggregate of—
 - (a) the chargeable excess, and
 - (b) any amount which is the chargeable excess in relation to any other transfer of business to the transferee's non-profit fund.
- (9) In this section "the relevant period of account" means—

[F2206508 Contemplative religious communities: profits exempt from corporation tax

- (1) Subsection (2) applies in a case where members of a qualifying contemplative religious community transfer all their income and assets, or covenant all their income, to the community ("the independent community") (and for this purpose it is irrelevant whether or not the community is part of an order or religious institution).
- (2) As respects each chargeable period of the independent community, and each person who is a qualifying member of the independent community at any time in that period, the independent community shall be treated for the purposes of corporation tax as if an amount of its profits for the chargeable period equal to the relevant amount (see subsections (5) to (7)) were income of the qualifying member.

- (3) Subsection (4) applies in a case where—
 - (a) one or more qualifying contemplative religious communities ("constituent communities") are part of an order or religious institution ("the parent body"), and
 - (b) members of the constituent communities transfer all their income and assets, or covenant all their income, to the parent body.
- (4) As respects each chargeable period of the parent body, and each person who is a qualifying member of a constituent community at any time in that period, the parent body shall be treated for the purposes of corporation tax as if an amount of its profits for the chargeable period equal to the relevant amount (see subsections (5) to (7)) were income of the qualifying member.
- (5) For the purposes of subsections (2) and (4), the relevant amount, in relation to a chargeable period, is the amount of the annual personal allowance for persons under 65 (see section 35 of ITA 2007) for—
 - (a) the tax year which begins in the chargeable period, or
 - (b) if no tax year begins in the chargeable period, the tax year which is current when the chargeable period begins.
- (6) But, if the chargeable period is less than 12 months, the relevant amount is—

$$\frac{P}{365} \times A$$

where—

P is the number of days in the chargeable period;

A is the amount determined under subsection (5) in relation to the chargeable period.

(7) If, during the chargeable period, an individual ceases to be a qualifying member of the independent community or a constituent community (otherwise than on death), the relevant amount, in relation to the chargeable period and that qualifying member, is—

$$\frac{Q}{P} \times B$$

where—

Q is the number of days in the chargeable period for which the individual is a qualifying member of the independent community or constituent community;

P is the number of days in the chargeable period;

B is the amount determined under subsection (5), or subsections (5) and (6), in relation to the chargeable period.

- (8) So far as the exemption from corporation tax conferred by this section calls for repayment of tax, no repayment shall be made except on a claim made by the independent community or parent body.
- (9) In a case where a member of an independent community or constituent community—

- (a) has transferred or covenanted income to the community (in the case of an independent community) or the parent body (in the case of a constituent community), and
- (b) has income for a tax year which does not exceed 20% of the annual personal allowance for persons under 65 (see section 35 of ITA 2007) for that tax year, the member is, for the purposes of this section, to be taken to have transferred or covenanted all his or her income for that tax year to the community or parent body.
- (10) For the purposes of this section a contemplative religious community is a "qualifying" contemplative religious community if—
 - (a) the community is established in the United Kingdom,
 - (b) the members of the community live and practise their religion in a communal establishment, and
 - (c) the community is not a charity, but the religion that is professed by the members of the community does not prevent the community from being a charity.
- (11) In this section—

"member", in relation to a religious community, means an individual who—

- (a) is living in the community, and
- (b) has taken vows or made equivalent commitments (whether probationary or not);

"qualifying member", in relation to a religious community, means a member of the community who—

- (a) has been a member of the community for a period of at least six months, and
- (b) has transferred all his or her income and assets, or covenanted all his or her income, to the community (in the case of an independent community) or the parent body (in the case of a constituent community).]

Textual Amendments

F2206Ss. 508A, 508B inserted (1.4.2010 with effect in accordance with art. 6(2) of the amending S.I.) by The Enactment of Extra-Statutory Concessions Order 2010 (S.I. 2010/157), arts. 1, 6(1)

[F2206508 Contemplative religious communities: gains exempt from corporation tax

- (1) Subsection (2) applies if, as respects a chargeable period—
 - (a) section 508A(2) applies in relation to an independent community,
 - (b) the profits of the independent community in the chargeable period are less than the total of the amounts that fall to be treated as income of the qualifying members of the community in accordance with section 508A(2), and
 - (c) the independent community has chargeable gains in the chargeable period.
- (2) As respects the chargeable period and each qualifying member of the independent community, the community shall be treated for the purposes of corporation tax as if the relevant amount of its chargeable gains for that period were income of the qualifying member.
- (3) Subsection (4) applies if, as respects a chargeable period—

- (a) section 508A(4) applies in relation to a parent body,
- (b) the profits of the parent body in the chargeable period are less than the total of the amounts that fall to be treated as income of the qualifying members of the constituent communities in accordance with section 508A(4), and
- (c) the parent body has chargeable gains in the chargeable period.
- (4) As respects the chargeable period and each qualifying member of a constituent community, the parent body shall be treated for the purposes of corporation tax as if the relevant amount of its chargeable gains for that period were income of the qualifying member.
- (5) For the purposes of subsections (2) and (4), the relevant amount, in relation to a qualifying member of the independent community or a constituent community, is the smaller of—
 - (a) the shortfall in profits, and
 - (b) the average gain.
- (6) The shortfall in profits is the difference between—
 - (a) the relevant amount determined under section 508A(5) to (7) in relation to the qualifying member, and
 - (b) the amount that has actually been treated as the income of the qualifying member.
- (7) The average gain is—

$$\frac{G}{N}$$

where-

G is the amount of the chargeable gains which the independent community or parent body has in the chargeable period;

N is the number calculated by adding together the relevant value for each qualifying member of the independent community or constituent communities who, under section 508A(2) or (4), falls to be treated as having income.

- (8) For the purposes of calculating "N" in subsection (7)—
 - (a) the relevant value for a qualifying member is 1;
 - (b) but, if section 508A(7) applies in relation to the qualifying member, the relevant value for that member is—

$$1 \times \frac{\varrho}{P}$$

where Q and P have the same meanings as in section 508A(7).

(9) So far as the exemption from corporation tax conferred by this section calls for repayment of tax, no repayment shall be made except on a claim made by the independent community or parent body.]

C160 Pt. 17 Ch. 4 modified (10.6.1999) by The Non-resident Companies (General Insurance Business) Regulations 1999 (S.I. 1999/1408), regs. 3-6

C161 Pt. 17 Ch. 4 modified (20.7.2005) by Finance (No. 2) Act 2005 (c. 22), s. 45(5)(6)

747 Imputation of chargeable profits and creditable tax of controlled foreign companies

M130(1) If F2773... in any accounting period a company—

- (a) is resident outside the United Kingdom, and
- (b) is controlled by persons resident in the United Kingdom, and
- (c) is subject to a lower level of taxation in the territory in which it is resident,

F2774... the provisions of this Chapter shall apply in relation to that accounting period.

- [F2775(1A) A company which would not, apart from this subsection, fall to be regarded as controlled by persons resident in the United Kingdom shall be taken for the purposes of this Chapter to be so controlled if—
 - (a) there are two persons who, taken together, control the company;
 - (b) one of those persons is resident in the United Kingdom and is a person in whose case the 40 per cent test in section 755D(3) is satisfied; and
 - (c) the other is a person in whose case the 40 per cent test in section 755D(4) is satisfied.]
- [F2776(1B) In determining, for the purposes of any provision of this Chapter except subsection (1)

 (a) above, whether a company is a person resident in the United Kingdom,

 [F2777] section 18 of CTA 2009] (under which a company is treated as non-resident if it is so treated for double taxation relief purposes) shall be disregarded.]
 - (2) A company which falls within paragraphs (a) to (c) of subsection (1) above is in this Chapter referred to as a "controlled foreign company".
 - (3) [F2778Subject to section 748, where] the provisions of this Chapter apply in relation to an accounting period of a controlled foreign company, the chargeable profits of that company for that period and its creditable tax (if any) for that period shall each be apportioned in accordance with section 752 among the persons (whether resident in the United Kingdom or not) who had an interest in that company at any time during that accounting period.
- [F2779(3A) In the case of an apportionment to a company resident in the United Kingdom which has made an application under section 751A [F2780 or 751AA] which has been granted, subsection (3) above has effect subject to that section.]
 - (4) Where, on such an apportionment of a controlled foreign company's chargeable profits for an accounting period as is referred to in subsection (3) above, an amount of those profits is apportioned to a company resident in the United Kingdom then, subject to subsection (5) below—
 - (a) a sum equal to corporation tax at the appropriate rate on that apportioned amount of profits, less the portion of the controlled foreign company's creditable tax for that period (if any) which is apportioned to the resident company, shall be [F2781 chargeable on] the resident company as if it were an amount of corporation tax chargeable on that company; F2782...
 - (b) F2782

and for the purposes of paragraph (a) above "the appropriate rate" means the rate of corporation tax applicable to profits of that accounting period of the resident company in which ends the accounting period of the controlled foreign company [F2783] which is mentioned in subsection (1) above] or, if there is more than one such rate, the average rate over the whole of that accounting period of the resident company.

$[^{F2784}(4A)]$	F2785													•
(4B)	F2785													

- (5) Tax shall not, by virtue of subsection (4) above, be [F2786] chargeable on] a company resident in the United Kingdom unless, on the apportionment in question, the aggregate of—
 - (a) the amount of the controlled foreign company's chargeable profits for the accounting period in question which is apportioned to the resident company, and

(b) any amounts of those chargeable profits which are apportioned to persons who are connected or associated with the resident company,

is at least [F278725 per cent.] of the total of those chargeable profits.

- [F2788(5A)] Where the resident company has made an application under section 751A [F2780] or 751AA] which has been granted, it shall be assumed for the purposes of subsection (5) above that—
 - (a) each of the persons who are connected or associated with the resident company has made an application under that section to the same effect, and
 - (b) all the applications have been granted.]
 - (6) In relation to a company resident outside the United Kingdom—
 - (a) any reference in this Chapter to its chargeable profits for an accounting period is a reference to the amount which, on the assumptions in Schedule 24, would be the amount of the total profits of the company for that period on which, after allowing for any deductions available against those profits, corporation tax would be chargeable;
 - [F2789(aa) any reference in this Chapter to its chargeable profits for an accounting period includes (subject to subsections (7) to (9)) income which accrues during that accounting period to the trustees of a settlement in relation to which the company is a settlor or a beneficiary;] and
 - (b) any reference in this Chapter to profits does not include a reference to chargeable gains but otherwise (except as provided by paragraph (a) above) has the same meaning as it has for the purposes of corporation tax.
 - [F2790](7) Where there is more than one settlor or beneficiary in relation to the settlement mentioned in subsection (6)(aa), the income is to be apportioned between the company and the other settlors or beneficiaries on a just and reasonable basis.
 - (8) Where income within subsection (6)(aa) is included in the chargeable profits of a company, any dividend or other distribution received by the company which derives from that income is not included in the chargeable profits of the company to the extent that it is so derived.
 - (9) Any income within subsection (6)(aa) which would (apart from this subsection)—
 - (a) be included in the chargeable profits of a company which is a beneficiary in relation to a settlement and apportioned under subsection (3), and
 - (b) be included in the chargeable profits of a company which is a settlor in relation to the settlement and apportioned under that subsection,

is not to be included in the chargeable profits of the company which is a settlor.]

813 Recovery of tax credits incorrectly paid.

M145(1) Where—

- (a) section 812 applies so as to withdraw the entitlement of a company to claim to have a tax credit in respect of a qualifying distribution set against the income tax chargeable on its income and to have the excess of the credit over that income tax paid to it; and
- (b) the company ("the recipient company") has either had that excess paid to it, or has received an additional amount in accordance with arrangements made under Regulation 2(1) of the M146 Double Taxation Relief (Taxes on Income) (General) (Dividend) Regulations 1973;

the recipient company shall be liable to a fine for the violation of the provisions of section 812 equal to twice the amount of the excess or the additional amount, as the case may be.

- (2) Any fine payable under subsection (1) above—
 - (a) shall be payable to the Board;
 - (b) shall be treated as having become payable at the date when the excess or additional amount was paid to the recipient company; and
 - (c) may be recovered in accordance with subsections (3) to (7) below; and any such fine is referred to below as "the recoverable amount".
- (3) The recoverable amount may be assessed and recovered as if it were unpaid tax and section 30 of the Management Act (recovery of overpayment of tax etc.) shall apply accordingly.
- (4) Any amount which may be assessed and recovered as if it were unpaid tax by virtue of this section shall carry interest at the rate of 9 per cent. per annum from the date when it was payable in accordance with subsection (1) above until the date it is paid.
- (5) It is hereby declared that this section applies to a recoverable amount which is paid without the making of an assessment (but is paid after it is due) and that, where the

recoverable amount is charged by any assessment (whether or not any part of it has been paid when the assessment is made), this section applies in relation to interest running before, as well as after, the making of the assessment.

- (6) Where the recoverable amount is not paid by the recipient company within six months from the date on which it became payable—
 - (a) the recoverable amount may at any time within six years from the date on which it became payable be assessed and recovered as if it were unpaid tax due from any person who—
 - (i) is or was at any time prior to the expiration of that six year period connected with the recipient company, or
 - (ii) would have been connected on the assumption that all the facts and circumstances relating to the recipient company at the time the excess or additional amount, as the case may be, was paid continued to apply for six years thereafter,

and section 30 of the Management Act shall apply accordingly; and

(b)	
-----	--

- F3116(7) Where a recoverable amount is assessed and recovered from a person connected with the recipient company in accordance with subsection (6)(a) above, that person shall be liable for the interest payable in accordance with subsection (4) above, and until the interest is so paid, subsection (6)(b) above shall apply as if the words "the interest due in accordance with subsection (4) above is paid "were substituted for the words "the recoverable amount is paid in accordance with the provisions of this section".
 - (8) Interest payable under this section shall be paid without any deduction of income tax and shall not be allowed as a deduction in computing any income, profits or losses for any tax purposes.
 - (9) Where under the law in force in a territory outside the United Kingdom interest is payable subject to a deduction in respect of taxation and such deduction applies to an amount of interest paid in accordance with subsection (4) above, the reference to the rate of 9 per cent. per annum in that subsection shall be deemed to be a reference to such rate of interest as after such deduction shall be equal to the rate of 9 per cent. per annum.

814 Arrangements to avoid section 812.

M147(1) In any case where arrangements are made, whether before or after the coming into force of this section, as a result of which interest is paid or a discount is allowed by or

through a person who is resident in the United Kingdom, or carries on business in the United Kingdom through a branch or agency, and it is reasonable to suppose that, if such payment or allowance had not been made, a qualifying distribution would have been made by that person, or by another company resident in the United Kingdom to a company which has, or is an associated company of a company which has, a qualifying presence in a unitary state at the time when the payment or allowance is made, then—

- (a) no person who receives that payment or allowance shall be entitled to relief from income tax or corporation tax thereon by virtue of arrangements having effect under [F3117] section 2(1) of TIOPA 2010]; and
- (b) the payment or allowance shall not be allowed as a deduction in computing any income, profits or losses for any tax purposes.
- (2) Without prejudice to the generality of subsection (1) above, where a payment or allowance is not of itself a payment or allowance to which that subsection applies, but is made in conjunction with other payments of whatever nature and taken together with those payments has substantially similar effect to a distribution, then, for the purposes of subsection (1) above it shall be treated as a payment or allowance within that subsection.
- (3) Any company which has received such a payment of interest as is referred to in subsection (1) above, from which income tax has not been deducted by the person making the payment, and has a qualifying presence in a unitary state at the time of the payment, shall be treated for the purposes of section 813 as a company—
 - (a) from which the entitlement to claim payment of the excess of a tax credit over the income tax chargeable on its income has been withdrawn by section 812(1), and
 - (b) which has had paid to it such an excess in an amount equal to the income tax which should have been deducted from the payment of interest.

- 15 (1) M209 Except in the case of a profit sharing scheme, the scheme may provide that if any company ("the acquiring company")—
 - (a) obtains control of a company whose shares are scheme shares as a result of making a general offer—
 - (i) to acquire the whole of the issued ordinary share capital of the company which is made on a condition such that if it is satisfied the person making the offer will have control of the company; or
 - (ii) to acquire all the shares in the company which are of the same class as the scheme shares;
 - (b) obtains control of a company whose shares are scheme shares in pursuance of a compromise or arrangement sanctioned by the court under section 425 of the M210 Companies Act 1985 or Article 418 of the M211 Companies (Northern Ireland) Order 1986; or
 - (c) becomes bound or entitled to acquire shares in a company whose shares are scheme shares under sections 428 to 430 of that Act or Articles 421 to 423 of that Order,

any participant in the scheme may at any time within the appropriate period, by agreement with the acquiring company, release his rights under the scheme (in this paragraph referred to as "the old rights") in consideration of the grant to him of rights (in this paragraph referred to as "the new rights") which are equivalent to the old rights but relate to shares in a different company (whether the acquiring company itself or some other company falling within paragraph 10(b) or (c) above).

(2) In sub-paragraph (1) above "the appropriate period" means—

- (a) in a case falling within paragraph (a), the period of six months beginning with the time when the person making the offer has obtained control of the company and any condition subject to which the offer is made is satisfied;
- (b) in a case falling within paragraph (b), the period of six months beginning with the time when the court sanctions the compromise or arrangement; and
- (c) in a case falling within paragraph (c), the period during which the acquiring company remains bound or entitled as mentioned in that paragraph.
- (3) The new rights shall not be regarded for the purposes of this paragraph as equivalent to the old rights unless—
 - (a) the shares to which they relate satisfy the conditions specified, in relation to scheme shares, in paragraphs 10 to 14 above; and
 - (b) the new rights will be exercisable in the same manner as the old rights and subject to the provisions of the scheme as it had effect immediately before the release of the old rights; and
 - (c) the total market value, immediately before the release, of the shares which were subject to the participant's old rights is equal to the total market value, immediately after the grant, of the shares in respect of which the new rights are granted to the participant; and
 - (d) the total amount payable by the participant for the acquisition of shares in pursuance of the new rights is equal to the total amount that would have been payable for the acquisition of shares in pursuance of the old rights.
- (4) Where any new rights are granted pursuant to a provision included in a scheme by virtue of this paragraph they shall be regarded—
 - (a) for the purposes of section 185 and this Schedule; and
 - (b) for the purposes of the subsequent application (by virtue of a condition complying with sub-paragraph (3)(b) above) of the provisions of the scheme,

as having been granted at the time when the corresponding old rights were granted.

- (5) M212Where a scheme which was approved before 1st August 1987 is altered before 1st August 1989 so as to include such a provision as is mentioned above ("an exchange provision"), the scheme as altered may by virtue of this and the following subparagraphs apply that provision to rights obtained under the scheme before the date on which the alteration takes effect.
- (6) If an exchange provision is applied as mentioned in sub-paragraph (5) above in a case where, on or after 17th March 1987 but before the date on which the alteration takes effect, an event has occurred by reason of which a person holding rights under the scheme would be able to take advantage of the exchange provision—
 - (a) the scheme may permit a person who held rights under the scheme immediately before that event to take advantage of the exchange provision; and
 - (b) in a case where rights then held would otherwise, by reason of the event, have ceased to be exercisable, the scheme may provide that the exchange provision shall apply as if the rights were still exercisable.
- (7) The application of an exchange provision as mentioned in sub-paragraph (5) or (6) above shall not itself be regarded for the purposes of this Schedule as the acquisition of a right.
- (8) Sub-paragraphs (5) and (6) above have effect subject to paragraph 4 above.

REQUIREMENTS APPLICABLE TO SAVINGS-RELATED SHARE OPTION SCHEMES

Textual Amendments

F3576Sch. 9 Pts. 3, 4 repealed (6.4.2003 with effect in accordance with s. 723(1) of the repealing Act) by Income Tax (Earnings and Pensions) Act 2003 (c. 1), Sch. 6 para. 112(2), Sch 8 Pt. 1 (with Sch. 7)

- 16 (1) The scheme must provide for the scheme shares to be paid for with moneys not exceeding the amount of repayments made and any interest paid to them under a certified contractual savings scheme which has been approved by the Board for the purposes of this Schedule.
 - (2) Where the Board are satisfied that—
 - (a) a person has entered into a certified contractual savings scheme before 15th November 1980, and
 - (b) he has obtained rights under a scheme established before that date to acquire shares in a company of which he is an employee or director (or a company of which such a company has control) using repayments made under the certified contractual savings scheme;

then, repayments and interest paid under the certified contractual savings scheme shall be treated as repayments and interest paid, under a scheme approved by the Board for the purposes of this Schedule under sub-paragraph (1) above, and, accordingly, may be used for the purchase of shares under a savings-related share option scheme approved under this Schedule.

(3) The repayments and interest to which sub-paragraph (2) above applies shall not exceed the repayments and interest to which the participant would have been entitled if the terms of the scheme had corresponded to those of a certified contractual savings scheme approved by the Board under sub-paragraph (1) above.

- Subject to paragraphs 18 to 21 below, the rights obtained under the scheme must not be capable of being exercised before the bonus date, that is to say, the date on which repayments under the certified contractual savings scheme are due; and for the purposes of this paragraph and paragraph 16 above—
 - (a) repayments under a certified contractual savings scheme may be taken as including or as not including a bonus;

Status: Point in time view as at 01/04/2011. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: Income and Corporation Taxes Act 1988 is up to date with all changes known to be in force on or before 27 June 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) the time when repayments are due shall be, where repayments are taken as including the maximum bonus, the earliest date on which the maximum bonus is payable and, in any other case, the earliest date on which a bonus is payable under the scheme; and
- (c) the question what is to be taken as so included must be required to be determined at the time when rights under the scheme are obtained.

The scheme must provide that if a person who has obtained rights under the scheme dies before the bonus date the rights must be exercised, if at all, within 12 months after the date of his death and if he dies within six months after the bonus date the rights may be exercised within 12 months after the bonus date.

- The scheme must provide that if a person who has obtained rights under it ceases to hold the office or employment by virtue of which he is eligible to participate in the scheme by reason of—
 - (a) injury or disability or redundancy within the meaning of the Employment Rights Act 1996; or
 - (b) retirement on reaching the specified age or any other age at which he is bound to retire in accordance with the terms of his contract of employment,

then the rights must be exercised, if at all, within six months of his so ceasing and, if he so ceases for any other reason within three years of obtaining the rights, they may not be exercised at all except pursuant to such a provision of the scheme as is mentioned in paragraph 21(1)(e) below; and in relation to the case where he so ceases for any other reason more than three years after obtaining the rights the scheme must either provide that the rights may not be exercised or that they must be exercised, if at all, within six months of his so ceasing.

The scheme must provide that where a person who has obtained rights under it continues to hold the office or employment by virtue of which he is eligible to participate in the scheme after the date on which he reaches the specified age, he may exercise the rights within six months of that date.

- 21 (1) The scheme may provide that—
 - (a) if any person obtains control of a company whose shares are scheme shares as a result of making a general offer falling within paragraph 15(a)(i) or (ii) above, rights obtained under the scheme to acquire shares in the company may be exercised within six months of the time when the person making the offer has obtained control of the company and any condition subject to which the offer is made has been satisfied;
 - (b) if under section 425 of the Companies Act 1985 or Article 418 of the Companies (Northern Ireland) Order 1986 (power to compromise with creditors and members) the court sanctions a compromise or arrangement proposed for the purposes of or in connection with a scheme for the reconstruction of a company whose shares are scheme shares or its

- amalgamation with any other company or companies, rights obtained under the share option scheme to acquire shares in the company may be exercised within six months of the court sanctioning the compromise or arrangement;
- (c) if any person becomes bound or entitled, under sections 428 to 430 of that Act of 1985 or Articles 421 to 423 of that Order of 1986 (power to acquire shares of shareholders dissenting from schemes or contract approved by majority), to acquire shares in a company shares in which are scheme shares, rights obtained under the scheme to acquire shares in the company may be exercised at any time when that person remains so bound or entitled;
- (d) if a company whose shares are scheme shares passes a resolution for voluntary winding up, rights obtained under a scheme to acquire shares in the company may be exercised within six months of the passing of the resolution; . . .
- (e) if a person ceases to hold an office or employment by virtue of which he is eligible to participate in the scheme by reason only that—
 - (i) that office or employment is in a company of which the grantor ceases to have control; or
 - (ii) that office or employment relates to a business or part of a business which is transferred to a person who is neither an associated company of the grantor nor a company of which the grantor has control;

rights under the scheme held by that person may be exercised within six months of his so ceasing; and

- (f) if, at the bonus date, a person who has obtained rights under the scheme holds an office or employment in a company which is not a participating company but which is—
 - (i) an associated company of the grantor, or
 - (ii) a company of which the grantor has control,

those rights may be exercised within six months of that date.

- (2) For the purposes of this paragraph a person shall be deemed to have obtained control of a company if he and others acting in concert with him have together obtained control of it.
- (3) Where a scheme which has been approved before 1st August 1986 has been or is altered before 1st August 1988 so as to include such a provision as is specified in subparagraph (1)(e) above, the scheme as altered may by virtue of this sub-paragraph apply that provision to rights obtained under the scheme before the date on which the alteration takes effect, and where that provision is so applied in relation to such rights—
 - (a) the scheme may permit a person having such rights to take advantage of the provision notwithstanding that under the scheme he would otherwise be unable to exercise those rights after he has ceased to hold the office or employment in question; and
 - (b) if, before the date on which the alteration takes effect, a person who held such rights on 18th March 1986 ceases, in either of the circumstances set out in sub-paragraph (1)(e) above, to hold an office or employment by virtue of which he was eligible to participate in the scheme, then, so far as concerns the rights so held, the scheme may permit him to take advantage of the provision in question as if the alteration had been made immediately before he ceased to hold that office or employment; and

> the application of the provision shall not itself be regarded as the acquisition of a right for the purposes of this Schedule.

This sub-paragraph has effect subject to paragraph 4 above.

(4) Where a scheme approved before the date of the passing of the Finance Act 1996 is altered before 5th May 1998 so as to include such a provision as is specified in subparagraph (1)(f) above, the scheme may apply the provision to rights obtained under the scheme before the alteration takes effect, whether the bonus date in relation to the rights occurred before or after the passing of that Act; and where the provision is applied to such rights by virtue of this sub-paragraph, its application to such rights shall not itself be regarded as the acquisition of a right for the purposes of this

Schedule. This sub-paragraph has effect subject to paragraph 4 above.

22	Except as provided in paragraph 18 above, rights obtained by a person under the scheme must not be capable— (a) of being transferred by him, or
	(b) of being exercised later than six months after the bonus date.
23	No person shall be treated for the purposes of paragraph 19 or 21(1)(e) above as ceasing to hold an office or employment by virtue of which he is eligible to participate in the scheme until he ceases to hold an office or employment in the grantor or in any associated company or company of which the grantor has control.
24	(1) The scheme must provide for a person's contributions under the certified contractual savings scheme to be of such amount as to secure as nearly as may be repayment of an amount equal to that for which shares may be acquired in pursuance of rights obtained under the scheme; and for this purpose the amount of repayment under the certified contractual savings scheme shall be determined as mentioned in paragraph 17 above.

- (2) The scheme must not
 - permit the aggregate amount of a person's contributions under certified contractual savings schemes linked to savings-related share option schemes approved under this Schedule to exceed £250 monthly, nor
 - impose a minimum on the amount of a person's contributions which exceeds (b) £10 monthly.
- (3) The Treasury may by order amend sub-paragraph (2) above by substituting for any amount for the time being specified in that sub-paragraph such amount as may be specified in the order.

The price at which scheme shares may be acquired by the exercise of a right obtained 25 under the scheme—

- (a) must be stated at the time the right is obtained, and
- (b) must not be manifestly less than 80%. of the market value of shares of the same class at that time or, if the Board and the grantor agree in writing, at such earlier time or times as may be provided in the agreement,

but the scheme may provide for such variation of the price as may be necessary to take account of any variation in the share capital of which the scheme shares form part.

- 26 (1) Subject to paragraph 8 above, every person who—
 - (a) is an employee or a full-time director of the grantor or, in the case of a group scheme, a participating company, and
 - (b) has been such an employee or director at all times during a qualifying period not exceeding five years, and

must be eligible to participate in the scheme, that is to say, to obtain and exercise rights under it, on similar terms, and those who do participate in the scheme must actually do so on similar terms.

- (2) For the purposes of sub-paragraph (1) above, the fact that the rights to be obtained by the persons participating in a scheme vary according to the levels of their remuneration, the length of their service or similar factors shall not be regarded as meaning that they are not eligible to participate in the scheme on similar terms or do not actually do so.
- (3) Except as provided by paragraph 19 above or pursuant to such a provision as is referred to in paragraph 21(1)(e) or (f) above, a person must not be eligible to participate in the scheme at any time unless he is at that time a director or employee of the grantor or, in the case of a group scheme, of a participating company.

 - (a) the individual ("the beneficiary") was one of the objects of a discretionary trust; and
 - (b) the property subject to the trust at any time consisted of or included any shares or obligations of the company.
 - (2) If neither the beneficiary nor any relevant associate of his had received any benefit under the discretionary trust before 14th November 1986, then, as respects any time before that date, the trustees of the settlement concerned shall not be regarded, by reason only of the matters referred to in sub-paragraph (1) above, as having been associates (as defined in section 417(3) and (4)) of the beneficiary.
 - (3) If, on or after 14th November 1986—
 - (a) the beneficiary ceases to be eligible to benefit under the discretionary trust by reason of—

 - (3) In any case where—
 - (a) the shares attributed to an individual consist of or include shares which he or any other person has a right to acquire; and
 - (b) the circumstances are such that, if that right were to be exercised, the shares acquired would be shares which were previously unissued and which the company is contractually bound to issue in the event of the exercise of the right;

then, in determining at any time prior to the exercise of that right whether the number of shares attributed to the individual exceeds a particular percentage of the ordinary share capital of the company, that ordinary share capital shall be taken to be increased by the number of unissued shares referred to in paragraph (b) above.

(4) This paragraph has effect as respects any time after 5th April 1987.

Shares held by trustees of approved profit sharing schemes

- In applying section 187(3), as respects any time before or after the passing of this Act, there shall be disregarded—

Company reconstructions

- 5 (1) M250This paragraph applies where there occurs in relation to any of a participant's shares ("the original holding") a transaction which results in a new holding being equated with the original holding for the purposes of capital gains tax; and any such transaction is referred to below as a "company reconstruction".
 - (2) Where an issue of shares of any of the following descriptions (in respect of which a charge to income tax arises) is made as part of a company reconstruction, those shares shall be treated for the purposes of this paragraph as not forming part of the new holding, that is to say—
 - (a) redeemable shares or securities issued as mentioned in [F3611] condition C or D in section 1000(1) of CTA 2010];
 - (b) share capital issued in circumstances such that [F3612] section 1022 of CTA 2010] applies; and
 - (c) share capital to which [F3613 section 1049 of CTA 2010] applies.
 - (3) In this paragraph—

"corresponding shares", in relation to any new shares, means those shares in respect of which the new shares are issued or which the new shares otherwise represent;

"new shares" means shares comprised in the new holding which were issued in respect of, or otherwise represent, shares comprised in the original holding; and

"original holding" has the meaning given by sub-paragraph (1) above.

- (4) Subject to the following provisions of this paragraph, in relation to a profit sharing scheme, references in the relevant provisions to a participant's shares shall be construed, after the time of the company reconstruction, as being or, as the case may be, as including references to any new shares, and for the purposes of the relevant provisions—
 - (a) a company reconstruction shall be treated as not involving a disposal of shares comprised in the original holding;
 - (b) the date on which any new shares are to be treated as having been appropriated to the participant shall be that on which the corresponding shares were appropriated; and
 - (c) the conditions in paragraphs 10 to 12 and 14 of Schedule 9 shall be treated as fulfilled with respect to any new shares if they were (or were treated as) fulfilled with respect to the corresponding shares.
- (5) In relation to shares comprised in the new holding, section 186(5) shall apply as if the references in that subsection to the initial market value of the shares were references to their locked-in value immediately after the company reconstruction, which shall be determined as follows—
 - (a) ascertain the aggregate amount of locked-in value immediately before the reconstruction of those shares comprised in the original holding which had at that time the same locked-in value; and

- (b) distribute that amount pro rata among—
 - (i) such of those shares as remain in the new holding, and
 - (ii) any new shares in relation to which those shares are the corresponding shares, according to their market value immediately after the date of their reconstruction;

and section 186(5)(a) shall apply only to capital receipts after the date of the reconstruction.

- (6) For the purposes of the relevant provisions if, as part of a company reconstruction, trustees become entitled to a capital receipt, their entitlement to the capital receipt shall be taken to arise before the new holding comes into being and, for the purposes of sub-paragraph (5) above, before the date on which the locked-in value of any shares comprised in the original holding falls to be ascertained.
- (7) In the context of a new holding, any reference in this paragraph to shares includes securities and rights of any description which form part of the new holding for the purposes of Chapter II of Part IV of the [F36141992] Act.

- 7 (1) M252 Subject to sub-paragraphs (4) and (5) below, where the trustees of an approved profit sharing scheme receive a sum of money which constitutes (or forms part of)—
 - (a) the proceeds of a disposal of shares falling within section 186(4), or
 - (b) a capital receipt,

in respect of which [F3617] an amount counts as employment income of the participant] in accordance with section 186, the trustees shall pay out of that sum of money to the company specified in sub-paragraph (3) below an amount equal to that on which income tax is so payable; and the company shall then pay over that amount to the participant but in so doing shall make a P.A.Y.E. deduction.

- (2) Where a participant disposes of his beneficial interest in any of his shares to the trustees of the scheme and the trustees are deemed by virtue of section 186(9) to have disposed of the shares in question, this paragraph shall apply as if the consideration payable by the trustees to the participant on the disposal had been received by the trustees as the proceeds of disposal of shares falling within section 186(4).
- (3) The company to which the payment mentioned in sub-paragraph (1) above is to be made is the company—
 - (a) of which the participant is an employee or director at the time the trustees receive the sum of money referred to in that sub-paragraph, and
 - (b) whose employees are at that time eligible (subject to the terms of the scheme and Schedule 9) to be participants in the approved profit sharing scheme concerned,

then, in paying over to the participant the proceeds of the disposal or the capital receipt, the trustees shall make a P.A.Y.E. deduction in respect of an amount equal to that on which income tax is payable as mentioned in sub-paragraph (1) above as if the participant were a former employee of the trustees.

- (5) Where the trustees of an approved profit sharing scheme receive a sum of money to which sub-paragraph (1) above applies and the Board direct that this sub-paragraph shall apply—
 - (a) the trustees shall make the payment mentioned in that sub-paragraph to the company specified in the Board's direction; and
 - (b) that company shall pay over that amount to the participant but in so doing shall make a P.A.Y.E. deduction, and for that purpose if the participant is not an employee of that company he shall be treated as a former employee;

but no such direction shall be given except with the consent of the trustees, the company or companies (if any) specified in sub-paragraph (3) above and the company specified in the direction.

- (6) Where, in accordance with this paragraph any person is required to make a P.A.Y.E. deduction in respect of any amount, that amount shall be treated for the purposes of [F3618] section 684 of ITEPA 2003 (PAYE regulations) and PAYE regulations as PAYE income payable to the recipient], and, accordingly, such deduction shall be made as is required by those regulations.
- (7) Where, in connection with a transfer of a participant's shares to which sub-paragraph (c) of paragraph 2(2) of Schedule 9 applies, the trustees receive such a sum as is referred to in that sub-paragraph, that sum shall be treated for the purposes of the Income Tax Acts—
 - (a) as a sum deducted by the trustees pursuant to a requirement to make a P.A.Y.E. deduction under sub-paragraph (4) above; and
 - (b) as referable to the income tax ^{F3619}... which, as a result of the transfer, [F3620] is charged on the participant] by virtue of section 186(4).
- (8) Unless the Board otherwise direct, in the application of this paragraph to a sum of money which constitutes or forms part of the proceeds of a disposal of, or a capital receipt referable to, excess or unauthorised shares (within the meaning of paragraph 6 above), the trustees shall determine the amount of the payment mentioned in subparagraph (1) above or, as the case may be, the amount of the P.A.  - (2) A variation effected before the end of the year 1968 shall be disregarded for the purposes of sub-paragraph (1) above if its only effect was to bring into conformity with paragraph 2 of Schedule 9 to the Finance Act 1968 (qualifying conditions for endowment policies, and now re-enacted as paragraph 2 of Schedule 15 to this Act) a policy previously conforming therewith except as respects the amount guaranteed on death, and no increase was made in the premiums payable under the policy.

 - (5) If a policy of life insurance which was issued as mentioned in sub-paragraph (4) above confers on the person to whom it was issued an option to have another policy substituted for it or to have any of its terms changed, then, for the purposes of that sub-paragraph and section 266(3)(c), any change in the terms of the policy which is made in pursuance of the option shall be deemed to be a variation of the policy.

or both;

- (g) the conditions in either sub-paragraph (3) or sub-paragraph (4) of paragraph 24 below being fulfilled for the first time in respect of a new non-resident policy where—

- (5) In sub-paragraph (3)(f)(ii) "relevant period" means any period of 12 months beginning at or after the time of the variation.
- (6) A premium limit event or a variation is to be ignored for the purposes of sub-paragraph (3)(a) or (f) if its effect is nullified before 6 July 2013.
- (7) In the case of a premium limit event which occurs on or after 6 April 2013, in subparagraph (6) the reference to 6 July 2013 is to be read as a reference to the end of the period of 3 months after the day on which the premium limit event occurs.
- (8) In the case of an event mentioned in sub-paragraph (3)(a) or (f), sub-paragraph (4) (a) applies only if the policy is a pure protection policy both before and after the premium limit event or variation.
- (9) A "premium limit event" occurs in relation to a protected policy if—
 - (a) the policy is varied or a relevant option is exercised so as to change the terms of the policy, and

 - (i) the period over which premiums are payable under the policy is or could be lengthened, or
 - (ii) the total amount of the premiums payable under the policy in any relevant period is or could be increased,

or both.

- (10) A "premium limit event" also occurs in relation to a protected policy if on or after 6 April 2013—
 - (a) the policy is varied or a relevant option is exercised so as to change the terms of the policy, and
 - (b) as a result of the variation or exercise of the relevant option—

 - (ii) the total amount of the premiums payable under the policy in any relevant period is or could be decreased,

or both.

- (11) In sub-paragraphs (9)(b)(ii) and (10)(b)(ii) "relevant period" means any period of 12 months beginning at or after the time of the variation or exercise of the relevant option.
- (12) The variation of, or exercise of a relevant option under, a protected policy is not a premium limit event in relation to the policy if—
 - (a) the policy secures a capital sum payable either—
 - (i) on survival for a specified term, or
 - (ii) on earlier death or on earlier death or disability,
 - (b) the policy is issued and maintained for the sole purpose of ensuring that the borrower under an interest-only mortgage will have sufficient funds to repay the principal lent under the mortgage, and
 - (c) the policy is varied, or the relevant option is exercised, for that sole purpose.
- (13) In sub-paragraph (3)(g) references to paragraph 24 below are to that paragraph as it has effect before the appointed date for the purposes of section 55 of the Finance Act 1995.
- (14) A qualifying policy which is a new policy in relation to an earlier policy is a restricted relief qualifying policy if the earlier policy is a restricted relief qualifying policy.
- (15) A policy which is a restricted relief qualifying policy remains a restricted relief qualifying policy so long as it is a qualifying policy.
- (16) Paragraph A1 above is to be ignored in determining for the purposes of subparagraph (14) or (15) if a policy is a qualifying policy. This is subject to paragraph A1(8).
- (17) For further provision about restricted relief qualifying policies, see sections 463A to 463D of ITTOIA 2005.

The premium limit for qualifying policies

- A3 (1) For the purposes of paragraphs A1(1)(c) and A2(1)(c) above an individual is in breach of the premium limit for qualifying policies if the total amount of the premiums payable under relevant policies in any relevant period—
 - (a) exceeds £3,600, or
 - (b) could exceed £3,600 as a result of—
 - (i) the exercise of any one or more relevant options conferred by one or more relevant policies, or
 - (ii) so far as not covered by sub-paragraph (i), the application of one or more terms of one or more relevant policies relating to increases in premiums.
 - (2) For the purposes of sub-paragraph (1)—
 - (a) so much of a premium payable under a relevant policy as is charged on the grounds that an exceptional risk of death or disability is involved is to be left out of account in determining the premiums payable under the policy,
 - (b) so much of the first premium payable under a relevant policy the liability for the payment of which—

- (i) is discharged in accordance with paragraph 15(2) below, or
- (ii) in the case of a policy in relation to which paragraph 3 below applies, is discharged under a provision of the policy falling within paragraph 3(4)(c),

is to be left out of account in determining the premiums payable under the policy (subject to sub-paragraph (3) below),

- (c) in determining the premiums payable under a relevant policy any provision for the waiver of premiums by reason of a person's disability is to be ignored, and
- (d) "relevant period" means any period of 12 months beginning at or after the time when the event falling within paragraph A1(3) or A2(3) above ("the relevant event") occurs.
- (3) The maximum amount that may be left out of account under sub-paragraph (2)(b) in the case of a relevant policy is—

$£3,600 \times N$

where N is the number of complete years for which ran-

- a the other policy involved, or
- b if there is more than one other policy involved, the policy which ran for the most number of complete years.
- (4) For the purposes of this paragraph the following are "relevant policies"—
 - (a) the policy to which the relevant event relates, and
 - (b) any other policy—
 - (i) which is a qualifying policy, and
 - (ii) under which the individual is a beneficiary.
- (5) But neither a protected policy nor a pure protection policy is to be a relevant policy by virtue of sub-paragraph (4)(b).
- (6) Sub-paragraph (7) applies if this paragraph is to be applied in the case of an individual in consequence of two or more events occurring at the same time (including where one or more of the events falls within paragraph A1(3) above and one or more of the events falls within paragraph A2(3) above).
- (7) For the purpose of applying this paragraph in the case of the individual in consequence of any of the events, sub-paragraph (4)(a) has effect as if the reference to the policy to which the relevant event relates were a reference to all the policies to which the events, taken together, relate.
- (8) But sub-paragraph (7) does not apply, and sub-paragraph (9) applies instead, if—
 - (a) all the policies in question are policies issued by the same issuer, and
 - (b) each of them has an unique identifier in a series of unique identifiers which the issuer gives to policies issued by it.
- (9) For the purpose of applying this paragraph in the case of the individual in consequence of any of the events, an event relating to a policy ("policy A") is treated as occurring before an event relating to another policy ("policy B") if, in the issuer's

series of unique identifiers, policy A's unique identifier comes before policy B's unique identifier.

Protected policies

- A4 (1) This paragraph applies for the purposes of this Part of this Schedule.
 - (2) A policy is "protected" if—
 - (a) it is issued in respect of an insurance made before 21 March 2012, or
 - (b) it is issued in respect of an insurance made on or after 21 March 2012 where—
 - (i) it is a new policy in relation to an earlier policy,
 - (ii) it is issued in substitution for the earlier policy (and not on its maturity), and
 - (iii) the earlier policy is a protected policy (whether by virtue of paragraph (a) or this paragraph).
 - (3) A policy which is protected ceases to be protected if it becomes a restricted relief qualifying policy.
 - (4) A policy issued as mentioned in sub-paragraph (2)(b) is not protected if—
 - (a) its issue is an event falling within paragraph A2(3) above, and
 - (b) after that event it is a restricted relief qualifying policy.

How to determine if an individual is a beneficiary under a policy

- A5 (1) This paragraph applies for the purposes of this Part of this Schedule in determining if an individual is a beneficiary under a policy.
 - (2) An individual is a beneficiary under a policy if the individual beneficially owns—
 - (a) any rights under the policy, or
 - (b) any share in any rights under the policy.
 - (3) An individual is a beneficiary under a policy if—
 - (a) any rights under the policy are, or any share in any rights under the policy is, held on non-charitable trusts created by the individual, and
 - (b) those rights are, or that share is, not beneficially owned by any individual.
 - (4) The following provisions of ITTOIA 2005 apply for the purposes of sub-paragraph (3)(a)—
 - (a) section 465(6), and
 - (b) the definition of "non-charitable trust" in section 545(1).
 - (5) An individual is a beneficiary under a policy if—
 - (a) any rights under the policy are, or any share in any rights under the policy is, held as security for a debt of the individual, and

GENERAL RULES APPLICABLE TO WHOLE LIFE AND TERM ASSURANCES

- 1 (1) M269 Subject to the following provisions of this Part of this Schedule, if a policy secures a capital sum which is payable only on death, or one payable either on death or on earlier disability, it is a qualifying policy if—
 - (a) it satisfies the conditions appropriate to it under sub-paragraphs (2) to (5) below, and
 - (b) except to the extent permitted by sub-paragraph (7) below, it does not secure any other benefits.
 - (2) If the capital sum referred to in sub-paragraph (1) above is payable whenever the event in question happens, or if it happens at any time during the life of a specified person—
 - (a) the premiums under the policy must be payable at yearly or shorter intervals, and either—
 - (i) until the happening of the event or, as the case may require, until the happening of the event or the earlier death of the specified person, or
 - (ii) until the time referred to in sub-paragraph (i) above or the earlier expiry of a specified period ending not earlier than ten years after the making of the insurance; and
 - (b) the total premiums payable in any period of 12 months must not exceed—
 - (i) twice the amount of the total premiums payable in any other such period, or
 - (ii) one-eighth of the total premiums which would be payable if the policy were to continue in force for a period of ten years from the making of the insurance, or, in a case falling within sub-paragraph (ii) of paragraph (a) above, until the end of the period referred to in that sub-paragraph.
 - (3) If the capital sum referred to in sub-paragraph (1) above is payable only if the event in question happens before the expiry of a specified term ending more than ten years after the making of the insurance, or only if it happens both before the expiry of such a term and during the life of a specified person—
 - (a) the premiums under the policy must be payable at yearly or shorter intervals, and either—
 - (i) until the happening of the event or the earlier expiry of that term or, as the case may require, until the happening of the event or, if earlier, the expiry of the term or the death of the specified person, or
 - (ii) as in sub-paragraph (i) above, but with the substitution for references to the term of references to a specified shorter period being one ending not earlier than ten years after the making of the insurance or, if sooner, the expiry of three-quarters of that term; and
 - (b) the total premiums payable in any period of 12 months must not exceed—
 - (i) twice the amount of the total premiums payable in any other such period, or
 - (ii) one-eighth of the total premiums which would be payable if the policy were to continue in force for the term referred to in subparagraph (i) of paragraph (a) above, or, as the case may require, for the shorter period referred to in sub-paragraph (ii) of that paragraph.
 - (4) If the capital sum referred to in sub-paragraph (1) above is payable only if the event in question happens before the expiry of a specified term ending not more than ten years after the making of the insurance, or only if it happens both before the expiry

of such a term and during the life of a specified person, the policy must provide that any payment made by reason of its surrender during the period is not to exceed the total premiums previously paid under the policy.

(5) Except where—

- (a) the capital sum referred to in sub-paragraph (1) above is payable only in the circumstances mentioned in sub-paragraph (3) or (4) above; and
- (b) the policy does not provide for any payment on the surrender in whole or in part of the rights conferred by it; and
- (c) the specified term mentioned in sub-paragraph (3) or, as the case may be, (4) above ends at or before the time when the person whose life is insured attains the age of 75 years;

the capital sum, so far as payable on death, must not be less than 75 per cent. of the total premiums that would be payable if the death occurred at the age of 75 years, the age being, if the sum is payable on the death of the first to die of two persons, that of the older of them, if on the death of the survivor of them, that of the younger of them, and in any other case, that of the person on whose death it is payable; and if the policy does not secure a capital sum in the event of death occurring before the age of 16 or some lower age, it must not provide for the payment in that event of an amount exceeding the total premiums previously paid under it.

- (6) M270 In determining for the purposes of sub-paragraph (5) above whether a capital sum is less than 75 per cent. of the total premiums, any amount included in the premiums by reason of their being payable otherwise than annually shall be disregarded, [F3785] and if the policy provides for payment otherwise than annually without providing for the amount of the premiums if they are paid annually,] 10 per cent. of the premiums payable under the policy shall be treated as so included.
- (7) M271 Notwithstanding sub-paragraph (1)(b) above, if a policy secures a capital sum payable only on death, it may also secure benefits (including benefits of a capital nature) to be provided in the event of a person's disability; and no policy is to be regarded for the purposes of that provision as securing other benefits by reason only of the fact that—
 - (a) it confers a right to participate in profits, or
 - (b) it provides for a payment on the surrender in whole or in part of the rights conferred by the policy, or
 - (c) it gives an option to receive payments by way of annuity, or
 - (d) it makes provision for the waiver of premiums by reason of a person's disability, or for the effecting of a further insurance or insurances without the production of evidence of insurability.
- (8) In applying sub-paragraph (2) or (3) above to any policy—
 - (a) no account shall be taken of any provision for the waiver of premiums by reason of a person's disability, and
 - (b) if the term of the policy runs from a date earlier, but not more than three months earlier, than the making of the insurance, the insurance shall be treated as having been made on that date, and any premium paid in respect of the period before the making of the insurance, or in respect of that period and a subsequent period, as having been payable on that date.
- (9) References in this paragraph to a capital sum payable on any event include references to any capital sum, or series of capital sums, payable by reason of that event but where

what is so payable is either an amount consisting of one sum or an amount made up of two or more sums, the 75 per cent. mentioned in sub-paragraph (5) above shall be compared with the smaller or smallest amount so payable; and a policy secures a capital sum payable either on death or on disability notwithstanding that the amount payable may vary with the event.

- (10) M272 In relation to any policy issued in respect of an insurance made before 1st April 1976 this paragraph shall have effect—
 - (a) with the omission of sub-paragraphs (5) and (6) and in sub-paragraph (9) the words "but where what is so payable is either an amount consisting of one sum or an amount made up of two or more sums, the 75 per cent. mentioned in sub-paragraph (5) above shall be compared with the smaller or smallest amount so payable"; and
 - (b) with the substitution, for sub-paragraph (7)(b), of—

"(b) it carries a guaranteed surrender value;".

 - (b) if the new policy would apart from this paragraph be a qualifying policy, and the old policy was also a qualifying policy, the new policy is a qualifying policy unless—
 - (i) it takes effect before the expiry of ten years from the making of the insurance in respect of which the old policy was issued, and
 - (ii) subject to sub-paragraph (4) below, the highest total of premiums payable thereunder for any period of 12 months expiring before that time is less than one half of the highest total paid for any period of 12 months under the old policy, or under any related policy issued less than ten years before the issue of the new policy ("related policy" meaning any policy in relation to which the old policy was a new policy within the meaning of this paragraph, any policy in relation to which that policy was such a policy, and so on);
 - (c) if the new policy would not apart from this paragraph be a qualifying policy, and would fail to be so by reason only of paragraph 1(2) or (3) or 2(1)(a), (b) or (c) above, it is nevertheless a qualifying policy if the old policy was a qualifying policy and—
 - (i) the old policy was issued in respect of an insurance made more than ten years before the taking effect of the new policy, and, subject to sub-paragraph (4) below, the premiums payable for any period of 12 months under the new policy do not exceed the smallest total paid for any such period under the old policy; or

(3) M289 The circumstances are—

- (a) where the new policy referred to in sub-paragraph (2)(c) above is issued after 22nd February 1984, that the policy holder under the new policy became resident in the United Kingdom during the 12 months ending with the date of its issue;
- (b) where paragraph (a) above does not apply, that the person in respect of whom the new insurance is made became resident in the United Kingdom during the 12 months ending with the date of its issue;

 - (b) at the end of that accounting period some of the issued shares of the company are held by persons resident outside the United Kingdom; and
 - (c) at no time during that accounting period does any person have an interest in the company other than an interest derived from non-voting or voting shares;

and in a case where this sub-paragraph applies the appropriate portion of the profits referred to in sub-paragraph (1)(d) above is the amount determined in accordance with sub-paragraph (6) below.

(6) The amount referred to in sub-paragraph (5) above is that given by the formula—

$$\frac{PyQ}{R} + \frac{(X-P)yY}{Z}$$

where-

P is the amount of any dividend falling within (a) and (b) of sub-paragraph (1) above which is paid in respect of the non-voting shares or, if there is more than one such dividend, of the aggregate of them;

Q is, subject to sub-paragraph (8) below, the number of the non-voting shares by virtue of which persons resident in the United Kingdom have interests in the company at the end of the accounting period in question;

R is the total number at that time of the issued non-voting shares;

X is the net chargeable profits for the accounting period in question;

Y is, subject to sub-paragraph (8) below, the number of voting shares by virtue of which persons resident in the United Kingdom have interests in the company at the end of that accounting period; and

Z is the total number at that time of the issued voting shares.

- (7) For the purposes of sub-paragraph (5)(a) above, non-voting fixed-rate preference shares are shares—
 - (a) which are fixed-rate preference shares as defined in paragraph 1 of Schedule 18; and
 - (b) which either carry no right to vote at a general meeting of the company or carry such a right which is contingent upon the non-payment of a dividend on the shares and which has not in fact become exercisable at any time prior to the payment of a dividend for the accounting period in question.
- (8) In any case where the immediate interests held by persons resident in the United Kingdom who have indirect interests in a controlled foreign company at the end of

a particular accounting period do not reflect the proportion of the shares or, as the case may be, shares of a particular class in the company by virtue of which they have those interests (as in the case where they hold, directly or indirectly, part of the shares in a company which itself holds, directly or indirectly, some or all of the shares in the controlled foreign company) the number of those shares shall be treated as reduced for the purposes of sub-paragraph (4) or (6) above, as the case may be, to such number as may be appropriate having regard to—

- (a) the immediate interests held by the persons resident in the United Kingdom; and
- (b) any intermediate shareholdings between those interests and the shares in the controlled foreign company.
- (9) The definition of "profits" in section 747(6)(b) does not apply to any reference in this paragraph to specified profits or to relevant profits for the purposes of section 799.

- 2A (1) Paragraph 2 above shall have effect in accordance with this paragraph to determine whether a controlled foreign company . . . pursues an acceptable distribution policy in respect of a particular accounting period ("the relevant accounting period").
 - (2) Subject to sub-paragraphs (4) and (4A) below, where the distribution condition is satisfied in relation to the relevant accounting period, then, in addition to any dividend which falls within paragraph 2(1)(a) above apart from this paragraph—
 - (a) any dividend which is paid for the accounting period ("the preceding period") immediately preceding the relevant accounting period and which is not an excluded dividend shall be treated as falling within that paragraph, and
 - (b) if the distribution condition is satisfied in relation to the preceding period, any dividend which is paid for the accounting period immediately preceding the preceding period and which is not an excluded dividend shall be treated as falling within that paragraph,

and so on; and in this sub-paragraph "dividend" means a dividend not paid out of specified profits.

- (3) For the purposes of this paragraph, the distribution condition is satisfied in relation to any accounting period if—
 - (a) a dividend or dividends are paid for the period to persons resident in the United Kingdom,
 - (b) the amount or, as the case may be, aggregate amount of any dividends falling within paragraph (a) above is not less than—
 - (i) the relevant profits for that period, or
 - (ii) where paragraph 2(4) or (5) above applies (with the modifications of paragraph 2 made by sub-paragraph (5) below), the appropriate portion of those profits, and
 - (c) any dividends falling within that paragraph are paid not later than the time by which any dividend paid for the relevant accounting period is required by paragraph 2(1)(b) above to be paid;

or if there are no relevant profits for the period.

(4) Where, by reason only of the fact that a company pursued an acceptable distribution policy in respect of any accounting period ("the earlier period") earlier than the relevant accounting period, no apportionment under section 747(3) fell to be made

in respect of the earlier period, sub-paragraph (2) above shall apply to any dividend required to be taken into account for the purpose of showing that the company pursued an acceptable distribution policy in respect of the earlier period only to the extent (if any) to which that dividend was not required to be taken into account for that purpose.

- (4A) Sub-paragraph (2) does not apply where the distribution condition is satisfied in relation to the relevant accounting period, but—
 - (a) the relevant profits for that period do not include income within subparagraph (4B), and
 - (b) if that income were included, the distribution condition would not be satisfied in relation to that period.
- (4B) The income within this sub-paragraph is—
 - (a) any income which accrues during the relevant accounting period to the trustees of a settlement in relation to which the company is a settler or a beneficiary, and
 - (b) any income which accrues during that period to a partnership of which the company is a partner, apportioned between the company and the other partners on a just and reasonable basis.
- (4C) Where there is more than one settlor or beneficiary in relation to the settlement mentioned in sub-paragraph (4B)(a), the income is to be apportioned between the company and the other settlors or beneficiaries on a just and reasonable basis.
- (4D) In sub-paragraph (4B)(b) "partnership" includes an entity established under the law of a country or territory outside the United Kingdom of a similar character to a partnership; and "partner" is to be read accordingly.
 - (5) The modifications of paragraph 2 above referred to in sub-paragraph (3)(b) above are that—
 - (a) the references in sub-paragraphs (4) and (5) to the accounting period in question are to be read as references to the accounting period for which the dividend or dividends are paid,
 - (b) the references in those sub-paragraphs to sub-paragraph (1)(d) are to be read as references to sub-paragraph (3)(b) above, and
 - (c) the reference in the definition of "X" in sub-paragraph (6) to net chargeable profits is to be read as a reference to relevant profits.

(6)																
(7)																

- (8) For the purposes of this paragraph—
 - (aa) a dividend is an excluded dividend if it is paid, in whole or in part, out of the total profits from which (in accordance with section 747(6)(a)) the chargeable profits for an excluded period are derived,
 - (a) a period is an excluded period if it is an accounting period in respect of which an apportionment under section 747(3) falls to be made, and
 - (b) relevant profits for any accounting period are the profits which would be the relevant profits of that period for the purposes of section 799 if a dividend were actually paid for that period.

- 2B (1) This paragraph has effect for the purposes of paragraph 2(1A)(b) above.
 - (2) No payment of dividend by a controlled foreign company for an accounting period shall be regarded as involved in a UK tax avoidance scheme by reason only that there is no charge to tax under section 747(4)(a) if the controlled foreign company pursues an acceptable distribution policy for that accounting period.
 - (3) "UK tax avoidance scheme" means a scheme or arrangement the purpose, or one of the main purposes, of which is to achieve a reduction in United Kingdom tax.
 - (4) A scheme or arrangement achieves a reduction in United Kingdom tax if, apart from the scheme or arrangement, any company—
 - (a) would have been liable for any such tax or for a greater amount of any such tax; or
 - (b) would not have been entitled to a relief from or repayment of any such tax or would have been entitled to a smaller relief from or repayment of any such tax.
 - (5) In this paragraph—

"arrangement" means an arrangement of any kind, whether in writing or not;

"United Kingdom tax" means corporation tax or any tax chargeable as if it were corporation tax.

3	(1)
	(2)
	(3)
	(4)

- (4A) Subject to sub-paragraph (5) below, for the purposes of this Part of this Schedule, the net chargeable profits of a controlled foreign company for any accounting period are—
 - (a) its chargeable profits for that period, less
 - (b) the amount (if any) which, if an apportionment under section 747(3) fell to be made in respect of the period, would be the company's unrestricted creditable tax for that period;

and for the purposes of this sub-paragraph "unrestricted creditable tax" in relation to a company's accounting period means the amount which would be its creditable tax for that period if the reference in section 751(6)(a) to Part XVIII did not include section 797.

- (5) In any case where—
 - (a) a controlled foreign company pays a dividend for any period out of specified profits, and
 - (b) those profits represent dividends received by the company, directly or indirectly, from another controlled foreign company,

so much of those specified profits as is equal to the dividend referred to in paragraph (a) above shall be left out of account in determining, for the purposes of this Part of this Schedule,... the chargeable profits of the controlled foreign company referred to in that paragraph for any accounting period.

- 4 (1) For the purposes of this Part of this Schedule, where—
 - (a) a controlled foreign company pays a dividend ("the initial dividend") to another company which is also not resident in the United Kingdom, and
 - (b) that other company or another company which is related to it pays a dividend ("the subsequent dividend") to a United Kingdom resident, and
 - (c) the subsequent dividend is paid at a time when the company paying it is not resident in the United Kingdom; and
 - (d) the subsequent dividend is paid out of profits which are derived, directly or indirectly, from the whole or part of the initial dividend,

so much of the initial dividend as is represented by the subsequent dividend shall be regarded as paid to the United Kingdom resident and shall be taken to satisfy the conditions in paragraph 2(1A) above.

- (1A) A payment to a company shall not be a subsequent dividend within the meaning of sub-paragraph (1)(b) above unless it is taken into account in computing the company's income for corporation tax and—
 - (a) it is chargeable neither under Chapter 2 of Part 3 of CTA 2009 as profits of a trade carried on wholly or partly in the United Kingdom nor under section 436A (gross roll-up business: separate charge on profits); or
 - (b) if it is chargeable under Chapter 2 of Part 3 of CTA 2009 as profits of a trade carried on wholly or partly in the United Kingdom, or under section 436A, it is not involved in a UK tax avoidance scheme;

and paragraph 4A below has effect for the purposes of paragraph (b) above.

- (2) For the purposes of this paragraph, one company is related to another if neither is resident in the United Kingdom and the other—
 - (a) controls directly or indirectly, or
 - (b) is a subsidiary of a company which controls directly or indirectly,

at least 10 per cent. of the voting power in the first-mentioned company; and where one company is so related to another and that other is so related to a third company, the first company is for the purposes of this paragraph related to the third, and so on where there is a chain of companies, each of which is related to the next.

- 4A (1) This paragraph has effect for the purposes of paragraph 4(1A)(b) above.
 - (2) No payment to a company resident in the United Kingdom which represents the whole or part of a dividend paid by a controlled foreign company for an accounting period shall be regarded as involved in a UK tax avoidance scheme by reason only that—
 - (a) there is no charge to tax under section 747(4)(a) if the controlled foreign company pursues an acceptable distribution policy for that accounting period, and

- (b) so much of the dividend as is represented by that payment will (if paragraph 4(1) above has effect) fall to be brought into account in determining whether the controlled foreign company has done so.
- (3) "UK tax avoidance scheme" means a scheme or arrangement the purpose, or one of the main purposes, of which is to achieve a reduction in United Kingdom tax.
- (4) A scheme or arrangement achieves a reduction in United Kingdom tax if, apart from the scheme or arrangement, any company—
 - (a) would have been liable for any such tax or for a greater amount of any such tax; or
 - (b) would not have been entitled to a relief from or repayment of any such tax or would have been entitled to a smaller relief from or repayment of any such tax.
- (5) In this paragraph—

"arrangement" means an arrangement of any kind, whether in writing or not:

"United Kingdom tax" means corporation tax or any tax chargeable as if it were corporation tax.

- (b) the holding of intellectual property,
- (c) dealing in securities, other than in the capacity of a broker,

 - (2) C has a significant connection with the United Kingdom during the accounting period if Condition A or B is met.
 - (3) Condition A is that—
 - (a) the UK-connected gross income of C's business for that period exceeds 10% of the gross income of that business for that period, and
 - (b) sub-paragraph (4) does not apply.
 - (4) This sub-paragraph applies if—
 - (a) at all times in the accounting period there are sufficient individuals working for C in the territory in which it is resident, or in any other territory outside of the United Kingdom, who have the competence and authority to undertake all, or substantially all, of C's business,
 - (b) C's relevant profits for the accounting period do not exceed 10% of C's relevant operating expenses for that period, and

- (a) the UK-connected related-party business expenditure of C's business for that period exceeds 50% of the total related-party business expenditure of C's business for that period, and
- (b) during the accounting period C has been involved in a scheme where the main purpose, or one of the main purposes, of any party to the scheme in entering into the scheme is to achieve a reduction in corporation tax or any tax chargeable as if it were corporation tax.

- (4) "Relevant IP income" means royalties and receipts of a similar nature arising from intellectual property.
- (5) For the purposes of sub-paragraph (3)(b), the amount of a return is the amount which by virtue of the return would, in calculating C's chargeable profits, be treated under section 486B of CTA 2009 (disguised interest to be regarded as profit from loan relationship) as a profit arising to C from a loan relationship.
- (6) But, in calculating that profit for the purposes of sub-paragraph (5), sections 486B(7) and 486C to 486E of CTA 2009 are to be ignored.

 - (3) C's gross income for an accounting period includes—

 - (4) Where there is more than one settlor or beneficiary in relation to the settlement mentioned in sub-paragraph (3)(a), the income is to be apportioned between C and the other settlors or beneficiaries on a just and reasonable basis.
 - (5) In this paragraph—

"distribution" has the same meaning as in the Corporation Tax Acts (see Part 23 of CTA 2010);

"partnership" includes an entity established under the law of a country or territory outside the United Kingdom of a similar character to a partnership; and "partner" is to be read accordingly.

Introductory

The provisions of this Part of this Schedule have effect for the purposes of section 748(1)(f).

 - (b) would, on the assumptions set out in sub-paragraph (3), be a company to which an apportionment of X's chargeable profits for the relevant accounting period would fall to be made in circumstances where section 747(5) would not prevent tax being chargeable on the company under section 747(4).
 - (3) The assumptions are—
 - (a) X has chargeable profits for the relevant accounting period,
 - (b) an apportionment of those profits falls to be made under section 747(3) for that period, and

- (c) condition A, B, C or D is met, and
- (d) no disqualifying relevant transaction occurs (see paragraph 15E).

 - (a) was in existence, but
 - (b) was not a member of the same group of companies as any person who, at the relevant time, was a controlling UK person.
- (3) Condition B is that—
 - (a) at the relevant time X is controlled by a company which is resident in the United Kingdom, and
 - (b) immediately before that time, X was controlled by that same company but that company was not then resident in the United Kingdom.
- (4) Condition C is that—
 - (a) at the relevant time—
 - (i) X is controlled by a company which is resident in the United Kingdom ("the intermediate parent"), and
 - (ii) the intermediate parent is controlled by a company which is not resident in the United Kingdom ("the parent"), and
 - (b) immediately before that time X was controlled by the parent but not the intermediate parent.
- (5) Condition D is that X—
 - (a) is a controlled foreign company at the time it is formed, and
 - (b) is formed by one or more persons for the purpose of controlling one or more companies in circumstances where it is expected that an exempt period will begin in relation to one or more of those companies at the time when X begins to control the company or companies.
- (6) In this paragraph "controlling UK person" means a person resident in the United Kingdom who alone, or together with other such persons, controls X.
- 15D (1) The requirements of this paragraph are that—
 - (a) the relevant time falls after 23 March 2011,

- (6) In sub-paragraph (5) above —"a major change in the nature or conduct of a trade or business" has the same meaning as in section 245(1); and "the relevant company" means, if the machinery or plant to which the allowance relates was brought into use on or before 6th March 1978, the company claiming group relief and in any other case either that company or the company which if sub-paragraph (5) did not apply would be the surrendering company.
- (7) This paragraph shall be construed as if it were contained in Chapter IV of Part X.
