- (3) M10 Subject to the provisions of this section and paragraph 4 of Schedule 10, if, in respect of or by reference to any of a participant's shares, the trustees become or the participant becomes entitled, before the release date, to receive any money or money's worth ("a capital receipt"), F503... the appropriate percentage (determined as at the time the trustees become or the participant becomes so entitled) of so much of the amount or value of the receipt as exceeds the appropriate allowance for that year, as determined under subsection (12) below[F504] counts as employment income of the participant for the year of assessment in which the entitlement arises].

- (5) M12 Subject to paragraphs 5 and 6(6) of Schedule 10, the locked-in value of a participant's shares at any time is—
  - (a) if prior to that time he has become [F507] entitled to a capital receipt (within the meaning of subsection (3) above) which is referable to those shares and—
    - (i) an amount calculated by reference to that capital receipt counts as his employment income by virtue of subsection (3) above, or

and any reference in subsection (7) or paragraph (a) above to the rights arising under a rights issue is a reference to rights conferred in respect of a participant's shares, being rights to be allotted, on payment, other shares or securities or rights of any description in the same company.

- (9) M14If at any time the participant's beneficial interest in any of his shares is disposed of, the shares in question shall be treated for the purposes of the relevant provisions as having been disposed of at that time by the trustees for (subject to subsection (10) below) the like consideration as was obtained for the disposal of the beneficial interest; and for the purposes of this subsection there is no disposal of the participant's beneficial interest if and at the time when—

M92(1) For the purposes of this Chapter so much of any salary which—

- (a) is payable to the holder of a qualifying office who is also a Member of the House of Commons, and
- (b) is payable for a period in respect of which the holder is not a participant in relation to that office in arrangements contained in the Parliamentary pension scheme but is a participant in relation to his membership of the House of Commons in any such arrangements, or for any part of such a period,

as is equal to the difference between a Member's pensionable salary and the salary which (in accordance with any such resolution as is mentioned in subsection (3)(a) below) is payable to him as a Member holding that qualifying office shall be treated as remuneration from the office of Member and not from the qualifying office.

#### (2) In this section—

"Member's pensionable salary" means a Member's ordinary salary under any resolution of the House of Commons which, being framed otherwise than as an expression of opinion, is for the time being in force relating to the remuneration of Members or, if the resolution provides for a Member's ordinary salary thereunder to be treated for pension purposes as being at a higher rate, a notional yearly salary at that higher rate;

"qualifying office" means an office mentioned in section 2(2)(b), (c) or (d) of the Parliamentary and other M93Pensions Act 1987;

"the Parliamentary pension scheme" has the same meaning as in that Act; and without prejudice to the power conferred by virtue of paragraph 13 of Schedule 1 to that Act, regulations under section 2 of that Act may make provision specifying the circumstances in which a person is to be regarded for the purposes of this section as being or not being a participant in relation to his Membership of the House of Commons, or in relation to any office, in arrangements contained in the Parliamentary pension scheme.

- (3) In subsection (2) above "a Member's ordinary salary", in relation to any resolution of the House of Commons, means—
  - (a) if the resolution provides for salary to be paid to Members at different rates according to whether or not they are holders of particular offices, or are in receipt of salaries or pensions as the holders or former holders of particular offices, a Member's yearly salary at the higher or highest rate; and
  - (b) in any other case, a Member's yearly salary at the rate specified in or determined under the resolution.
