virtue of section 162 in any case where the shares are appropriated to him at an undervalue within the meaning of that section.

- (3) M10 Subject to the provisions of this section and paragraph 4 of Schedule 10, if, in respect of or by reference to any of a participant's shares, the trustees become or the participant becomes entitled, before the release date, to receive any money or money's worth ("a capital receipt"), F503... the appropriate percentage (determined as at the time the trustees become or the participant becomes so entitled) of so much of the amount or value of the receipt as exceeds the appropriate allowance for that year, as determined under subsection (12) below[F504] counts as employment income of the participant for the year of assessment in which the entitlement arises].

- (5) M12 Subject to paragraphs 5 and 6(6) of Schedule 10, the locked-in value of a participant's shares at any time is—

and any reference in subsection (7) or paragraph (a) above to the rights arising under a rights issue is a reference to rights conferred in respect of a participant's shares, being rights to be allotted, on payment, other shares or securities or rights of any description in the same company.

- (9) M14If at any time the participant's beneficial interest in any of his shares is disposed of, the shares in question shall be treated for the purposes of the relevant provisions as having been disposed of at that time by the trustees for (subject to subsection (10) below) the like consideration as was obtained for the disposal of the beneficial interest; and for the purposes of this subsection there is no disposal of the participant's beneficial interest if and at the time when—
 - (a) in England and Wales or Northern Ireland, that interest becomes vested in any person on the insolvency of the participant or otherwise by operation of law, or
 - (b) in Scotland, that interest becomes vested in a judicial factor, in a trustee on the participant's sequestrated estate or in a trustee for the benefit of the participant's creditors.

- (12) M16For the purposes of subsection (3) above, "the appropriate allowance", in relation to any year of assessment, means a sum which, subject to a maximum of [F510£60], is the product of multiplying £20 by 1 plus the number of years which fall within the period of [F511three years] immediately preceding the year in question and in which shares were appropriated to the participant under the scheme; and if in any year (and before the release date) the trustees become or the participant becomes entitled, in respect of or by reference to any of his shares, to more than one capital receipt, the receipts shall be set against the appropriate allowance for that year in the order in which they are received.
- (13) Schedule 10 shall have effect with respect to profit sharing schemes.
