[^{F251}432] Section 432B apportionment: non-participating funds

- (1) This section specifies the extent to which the net amount is referable to life assurance business or to gross roll-up business.
- (2) In this section “the net amount” means the aggregate of the amounts brought into account—
 - (a) as investment income,
 - (b) as an increase in the value of assets, or
 - (c) as other income,
 less the aggregate of the amounts brought into account as a decrease in the value of assets.
- (3) To the extent that the net amount is attributable to—
 - (a) assets linked to life assurance business, or
 - (b) foreign [^{F252}business] assets,
 it is referable to life assurance business.
- (4) There is also referable to life assurance business the appropriate fraction of so much of the net amount as is not attributable to linked assets or foreign [^{F252}business] assets.
- (5) For the purposes of subsection (4) above “the appropriate fraction” is—

$$\frac{A}{A + B}$$

where—

A is the mean of the opening and closing liabilities of the relevant business so far as referable to life assurance business (but taking that mean to be nil if it would otherwise be below nil), reduced (but not below nil) by the aggregate of the mean of the opening

 - (d) the line 51 reduction condition is met (see subsection (3)).
- (2) An amount is a relevant brought into account amount for a period of account if—

 - (b) it is deemed to be brought into account for that period by subsection (2B) of that section in consequence of the transfer of non-linked assets, or

- (1) This section applies where, under an insurance business transfer scheme, there is a transfer of long-term business—
- (a) from a non-profit fund of an insurance company (“the transferor”) which is not a non-profit company in relation to the relevant period of account,

(“the transfer”) and conditions A and B are met.

- (2) Condition A is that the fair value of the assets transferred by the transfer exceeds by an amount (“the chargeable excess”) the amount of the relevant liabilities transferred by the transfer.

For this purpose “relevant” liabilities are liabilities of a type shown (or treated as shown) in any of lines 14, 17, 21 to 23 and 31 to 38 of Form 14 of a periodical return of an insurance company.

- (3) Condition B is that the main purpose, or one of the main purposes, of the transferor or the transferee (or both) in entering into any part of the transfer scheme arrangements is to secure a reduction in tax as a result of section 432C having effect in the case of the transferee, rather than the transferor, in relation to the business transferred by the transfer.

- (4) The chargeable excess is to be brought into account by the transferor as mentioned in section 83(2)(b) of the Finance Act 1989 for the relevant period of account.

- (5) Where there is no amount shown in relation to the transferee's non-profit fund in column 1 of line 51 of Form 14 of the periodical return of the transferee for the first period of account of the transferee ending on or after the transfer date (“the first post-transfer period of account”), the chargeable excess is to be brought into account by the transferee as mentioned in section 83(2) of the Finance Act 1989 as a decrease in the value of non-linked assets for the first post-transfer period of account.

- (6) Where—

- (a) there is an amount shown in relation to the transferee's non-profit fund in column 1 of line 51 of Form 14 of the periodical return of the transferee for the first post-transfer period of account, and
- (b) the amount so shown in column 1 of line 51 of Form 14 of the periodical return of the transferee for that period of account, or for any other period of account of the transferee ending after the transfer date, (an “affected period of account”) is less than the total chargeable excess amount,

the relevant amount is to be brought into account by the transferee as mentioned in section 83(2) of the Finance Act 1989 as a decrease in the value of non-linked assets for the affected period of account.

- (7) For this purpose “the relevant amount” is the amount by which—

- (a) the amount shown in relation to the transferee's non-profit fund in column 1 of line 51 of Form 14 of the periodical return of the transferee for the affected period of account, is less than
- (b) the total chargeable excess amount less any amount brought into account by the transferee as mentioned in section 83(2) of the Finance Act 1989 as a decrease in the value of non-linked assets for any earlier period of account by virtue of the operation of this section in relation to the transferee's non-profit fund.

- (8) In subsections (6) and (7) “the total chargeable excess amount” means the aggregate of—

- (a) the chargeable excess, and
- (b) any amount which is the chargeable excess in relation to any other transfer of business to the transferee's non-profit fund.

- (9) In this section “the relevant period of account” means—
- (a) the period of account of the transferor ending immediately before the transfer date, or
 - (b) if no period of account of the transferor so ends, the period of account of the transferor covering the transfer date.
- (10) In this section “the transfer scheme arrangements” means the insurance business transfer scheme and any relevant associated operations; and for this purpose “relevant associated operations” means—
- (a) any other insurance business transfer scheme,
 - (b) any contract of reinsurance, or
 - (c) any reconstruction or amalgamation involving the transferor, a dependant of the transferor which is an insurance undertaking or the transferee,

- (a) the contract providing for the actual annuity provided instead for the annuities identified by subsections (1CB) and (1CC) below; and
- (b) the consideration for each of those annuities were to be determined by the making of a just and reasonable apportionment of the consideration for the actual annuity.

(1CB) The annuities mentioned in subsection (1CA)(a) above are—

(1CC) Where an annuity identified by paragraph (b) of subsection (1CB) above (“the later annuity”) would itself be a steep-reduction annuity, the annuities mentioned in subsection (1CA)(a) above—

- (a) shall not include the later annuity; but
 (b) shall include, instead, the annuities which would be identified by subsection (1CB) above (with as many further applications of this subsection as may be necessary for securing that none of the annuities mentioned in subsection (1CA)(a) above is a steep-reduction annuity) if references in that subsection to the actual annuity were references to the later annuity.

(1CD) Subsections (1CA) to (1CC) above shall be construed in accordance with section 437A.]

- (a) a payment in respect of an annuity is made by an insurance company under a group annuity contract made in an accounting period beginning before 1st January 1992,
 (b) the company’s liabilities first include an amount in respect of that annuity in an accounting period beginning on or after that date, and
 (c) the company’s liability in respect of that annuity is referable to its basic life assurance and general annuity business,

“reinsurance treaty” means a contract under which one insurance company is obliged to cede, and another (in this section referred to as a “reinsurer”) to accept, the whole or part of a risk of a class or description to which the contract relates.]

[^{F369}437A] **Meaning of “steep-reduction annuity” etc.**

- (1) For the purposes of section 437 an annuity is a steep-reduction annuity if—
- the amount of any payment in respect of the annuity (but not the term of the annuity) depends on any contingency other than the duration of a human life or lives;
 - the annuitant is entitled in respect of the annuity to payments of different amounts at different times; and
 - those payments include a payment (“a reduced payment”) of an amount which is substantially smaller than the amount of at least one of the earlier payments in respect of that annuity to which the annuitant is entitled.
- (2) Where there are different intervals between payments to which an annuitant is entitled in respect of any annuity, the question whether or not the conditions in subsection (1) (b) and (c) above are satisfied in the case of that annuity shall be determined by assuming—
- that the annuitant’s entitlement, after the first payment, to payments in respect of that annuity is an entitlement to payments at yearly intervals on the anniversary of the first payment; and
 - that the amount to which the annuitant is assumed to be entitled on each such anniversary is equal to the annuitant’s assumed entitlement for the year ending with that anniversary.
- (3) For the purposes of subsection (2) above an annuitant’s assumed entitlement for any year shall be determined as follows—
- the annuitant’s entitlement to each payment in respect of the annuity shall be taken to accrue at a constant rate during the interval between the previous payment and that payment; and
 - his assumed entitlement for any year shall be taken to be equal to the aggregate of the amounts which, in accordance with paragraph (a) above, are treated as accruing in that year.
- (4) In the case of an annuity to which subsection (2) above applies, the reference in section 437(1CB)(a) to the making of a reduced payment shall be construed as if it were a reference to the making of a payment in respect of that annuity which (applying subsection (3)(a) above) is taken to accrue at a rate that is substantially less than the rate at which at least one of the earlier payments in respect of that annuity is taken to accrue.

- (5) Where—
 - (a) any question arises for the purposes of this section whether the amount of any payment in respect of any annuity—
 - (i) is substantially smaller than the amount of, or
 - (ii) accrues at a rate substantially less than, an earlier payment in respect of that annuity, and
 - (b) the annuitant or, as the case may be, every annuitant is an individual who is beneficially entitled to all the rights conferred on him as such an annuitant, that question shall be determined without regard to so much of the difference between the amounts or rates as is referable to a reduction falling to be made as a result of the occurrence of a death.
- (6) Where the amount of any one or more of the payments to which an annuitant is entitled in respect of an annuity depends on any contingency, his entitlement to payments in respect of that annuity shall be determined for the purposes of section 437(1CA) to (1CC) and this section according to whatever (applying any relevant actuarial principles) is the most likely outcome in relation to that contingency.
- (7) Where any agreement or arrangement has effect for varying the rights of an annuitant in relation to a payment in respect of any annuity, that payment shall be taken, for the purposes of section 437(1CA) to (1CC) and this section, to be a payment of the amount to which the annuitant is entitled in accordance with that agreement or arrangement.

[^{F435}440C] Modifications for change of tax basis

- (1) Subsection (2) makes provision for a case where—
 - (a) subsection (4) of section 431G applies in relation to the profits of the life assurance business of an insurance company for any accounting period, but
 - (b) the profits of that business for a succeeding accounting period fall to be charged to tax [^{F436}under section 35 of CTA 2009 (charge on trade profits)] by virtue of subsection (3) of that section.
- (2) The loss referred to in section 431G(4)(b) (less any loss for the same accounting period set off under section 436A for any intervening accounting period and any amount deducted for any such period in respect of the loss by virtue of section 85A(3)(b) of the Finance Act 1989) may be set off under section 393 against profits of that succeeding accounting period (without being reduced in accordance with section 434A(2)(a)).
- (3) In determining whether any loss has been set off under section 436A for any intervening accounting period, or whether any amount has been deducted for any such period in respect of the loss by virtue of section 85A(3)(b) of the Finance Act 1989, losses of earlier accounting periods are to be assumed to be set off before those of later accounting periods.
- (4) Subsection (5) makes provision for a case where—
 - (a) a loss arises to an insurance company for an accounting period for which the profits of its life assurance business fall to be charged to tax [^{F437}under section 35 of CTA 2009] by virtue of section 431G(3)(b),
 - (b) the profits of that business for a subsequent accounting period are charged to tax under the I minus E basis, and
 - (c) had those profits (instead) been charged to tax [^{F438}under section 35 of CTA 2009], any of that loss would have been available to be set off against them under section 393.
- (5) The loss is to be treated for the purposes of the operation of section 436A in relation to the subsequent accounting period as if it were a loss arising from its gross roll-up business in the accounting period in which it arose.
- (6) Subsections (7) and (8) make provision for a case where—
 - (a) the profits of the life assurance business of an insurance company for an accounting period are charged to tax under the I minus E basis,
 - (b) the profits of that business for its next accounting period fall to be charged to tax [^{F439}under section 35 of CTA 2009] by virtue of section 431G(3), and
 - (c) that prevents the giving of relief in accordance with section 86(8) of the Finance Act 1989 (acquisition expenses relieved in fractions under section 76).
- (7) Any relief which would have been so given in—
 - (a) the next accounting period, or
 - (b) any subsequent accounting period for which the profits of the company's life assurance business continue to be charged to tax [^{F440}under section 35 of CTA 2009],

- (8) But if the profits of the company's life assurance business for a subsequent accounting period are charged to tax under the I minus E basis, any relief not previously given under subsection (7) is to be treated for the purposes of the operation of section 76 in relation to the first subsequent accounting period for which profits are so charged as if it were an amount which is to be relieved under that section by virtue of section 86(8) and (9) of the Finance Act 1989.]

461 Taxation in respect of other business.

(1) ^{M21}Subject to the following provisions of this section, a registered friendly society other than a society to which subsection (2) below applies shall, on making a claim, be entitled to exemption from ^{F700} . . . corporation tax (whether on income or chargeable gains) on its profits other than those arising from life or endowment business.

(2) ^{M22}This subsection applies to any society registered after 31st May 1973 unless—

- its business is limited to the provision, in accordance with the rules of the society, of benefits for or in respect of employees of a particular employer or such other group of persons as is for the time being approved for the purposes of this section by the [^{F701}Board]; or
- it was registered before 27th March 1974 and its rules limit the aggregate amount which may be paid by a member by way of contributions and deposits to not more than £1 per month or such greater amount as the [^{F701}Board] may authorise for the purposes of this section;

and also applies to any society registered before 1st June 1973 with respect to which a direction under subsection [^{F702}(7)] below is in force.

(3) ^{M23}If a society to which subsection (2) above applies, after 26th March 1974 or such later date as may be specified in a direction under this section, makes a payment to a member in respect of his interest in the society and the payment is made otherwise than in the course of life or endowment business and exceeds the aggregate of any sums paid by him to the society by way of contributions or deposits, after deducting from that aggregate the amount of—

- any previous payment so made to him by the society after that date, and
- any earlier repayment of such sums paid by him,

the excess shall be treated for the purposes of corporation tax and income tax as a qualifying distribution.

[^{F703}(3A) ^{F704}]

(4) ^{M24}Where a registered friendly society—

- at any time ceases ^{F705} . . . by virtue of [^{F706}section 91 of the Friendly Societies Act 1992] (conversion into company) to be registered under [^{F707}that Act]; and
- immediately before that time was exempt from ^{F708} . . . corporation tax on profits arising from any business carried on by it other than life or endowment business,

the company into which the society is converted shall be so exempt on its profits arising from any part of that business which relates to contracts made before that time so long as there is no increase in the scale of benefits which it undertakes to provide in the course of carrying on that part of its business.

[^{F709}(4A) Where—

- (a) at any time an insurance company acquires by way of transfer of engagements from a registered friendly society any business other than life or endowment business, and
- (b) immediately before that time the society was exempt from corporation tax on profits arising from that business,

the insurance company shall be exempt from corporation tax on its profits arising from any part of that business which relates to contracts made before that time.

(4B) But if during an accounting period of the insurance company there is an increase in the scale of benefits which it undertakes to provide in the course of carrying on any such part of that business, the company shall not be exempt from corporation tax by virtue of subsection (4A) above for that or any subsequent accounting period.]

(5) For the purposes of the Corporation Tax Acts any part of a company's business in respect of the profits from which the company is exempt by virtue of subsection (4) [^{F710}or (4A)] above shall be treated as a separate business from any other business carried on by the company.

(6) ^{M25}If—

- (a) a friendly society registered before 1st June 1973 begins after 26th March 1974 to carry on business other than life or endowment business or, in the opinion of [^{F711}the Board], begins to carry on business other than life or endowment business on an enlarged scale or of a new character; and
- (b) it appears to [^{F711}the Board], having regard to the restrictions imposed by this section on friendly societies registered later, that for the protection of the revenue it is expedient to do so;

[^{F712}the Board may give a direction to the society under subsection (7) below.]

[^{F713}(7) A direction under this subsection is that (and has the effect that) the society to which it is given is to be treated for the purposes of this Act as a society registered after 31st May 1973 with respect to business carried on after the date of the direction.

(8) A society to which a direction is given may, within 30 days of the date on which it is given, appeal against the direction ^{F714}. . . on the ground that—

- (a) it has not begun to carry on business as mentioned in subsection (6)(a) above; or
- (b) the direction is not necessary for the protection of the revenue.

(9) If a registered friendly society in respect of which a direction is in force under subsection (7) above becomes an incorporated friendly society, the direction shall continue to have effect, so that the incorporated friendly society shall be treated for the purposes of this Act as a society registered after 31st May 1973.]

(10) For the purposes of this section a registered friendly society formed on the amalgamation of two or more friendly societies shall be treated as registered before 1st June 1973 if at the time of the amalgamation subsection (2) above did not apply to any of the societies amalgamated, but otherwise shall be treated as registered at that time.

this subsection may be made at any time not later than six years after the end of the [F1058calendar year] in which the first-mentioned tax was repaid.

- [F1059](5) If, in a case where paragraph 17 of Schedule 2 to the 1975 Act applies, an amount of petroleum revenue tax in respect of which a deduction has been made under subsection (1) above is repaid by virtue of an assessment under that Schedule or an amendment of such an assessment, then, so far as concerns so much of that repayment as constitutes the appropriate repayment,—
- (a) subsection (4) above shall not apply; and
 - (b) the following provisions of this section shall apply in relation to the company which is entitled to the repayment.
- (6) In subsection (5) above and the following provisions of this section—

 - (b) in relation to the appropriate repayment, a “carried back loss” means an allowable loss which falls within sub-paragraph (1)(a) of that paragraph and which (alone or together with one or more other carried back losses) gives rise to the appropriate repayment;

502B Lessor under long funding finance lease: rental earnings

- (1) This section applies for determining for the purposes of corporation tax the profits of a company for any period of account in which it is the lessor of any plant or machinery under a long funding finance lease.
- (2) The amount to be brought into account as the lessor's taxable income from the lease for the period of account is the amount of the rental earnings in respect of the lease for the period of account.
- (3) The "rental earnings" for any period is the amount which, in accordance with generally accepted accounting practice, falls (or would fall) to be treated as the gross return on investment for that period in respect of the lease where it meets the finance lease test.

Status: Point in time view as at 01/10/2009. This version of this part contains provisions that are not valid for this point in time.

Changes to legislation: Income and Corporation Taxes Act 1988, PART XII is up to date with all changes known to be in force on or before 19 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) If the lease is one which, under generally accepted accounting practice, falls (or would fall) to be treated as a loan in the accounts in question, so much of the rentals under the lease as fall (or would fall) to be treated as interest are to be treated for the purposes of this section as rental earnings.

- (a) arises to the company in connection with the lease, and
 - (b) in accordance with generally accepted accounting practice falls to be recognised for accounting purposes in a period of account, but
 - (c) would not, apart from this section, be brought into account in computing the profits of the company for the purposes of corporation tax.
- (3) The profit or loss is to be treated—
- (a) in the case of a profit, as income of the company attributable to the lease,
 - (b) in the case of a loss, as a revenue expense incurred by the company in connection with the lease.
- (4) Any reference in this section to an amount falling to be recognised for accounting purposes in a period of account is a reference to an amount falling to be recognised for accounting purposes—
- (a) in the company's profit and loss account or income statement,

no deduction in respect of the sum paid to the lessee is allowed in computing the profits of the company.

Lessors under long funding operating leases

502E Lessor under long funding operating lease: periodic deduction

- (1) This section applies for determining for the purposes of corporation tax the profits of a company for any period of account—
- (a) for the whole of which, or
 - (b) for any part of which,
- the company is the lessor of any plant or machinery under a long funding operating lease.
- (2) A deduction is allowed in computing the profits of the company for the period of account.
- (3) The amount of the deduction for any period of account is to be determined as follows.
- (4) First, find the “relevant value” for the purposes of subsection (6)(a) below, which is—
- (a) if the only use of the plant or machinery by the lessor has been the leasing of it under the long funding operating lease as a qualifying activity, cost;
 - (b) if the last previous use of the plant or machinery by the lessor was the leasing of it under another long funding operating lease as a qualifying activity, market value;
 - (c) if the last previous use of the plant or machinery by the lessor was the leasing of it under a long funding finance lease as a qualifying activity, the recognised value;
 - (d) if the last previous use of the plant or machinery by the lessor was for the purposes of a qualifying activity other than leasing under a long funding lease, the lower of cost and market value;
 - (e) if the lessor owns the plant or machinery as a result of having incurred expenditure on its provision for purposes other than those of a qualifying activity, but—
 - (i) the plant or machinery is brought into use by the lessor for the purposes of a qualifying activity on or after 1st April 2006, and
 - (ii) that qualifying activity is the leasing of the plant or machinery under the long funding operating lease,the relevant value is the lower of first use market value and first use amortised value.
- (5) In subsection (4) above—
- “cost” means the amount of the expenditure incurred by the lessor on the provision of the plant or machinery;
- “first use amortised value” means the value that the plant or machinery would have at the time when it is first brought into use for the purposes of the qualifying activity, on the assumption that—

- (a) the cost of acquiring the plant or machinery had been written off on a straight line basis over the remaining useful economic life of the plant or machinery, and
 - (b) any further capital expenditure incurred had been written off on a straight line basis over so much of the remaining economic life of the plant or machinery as remains at the time when the expenditure is incurred;
- “first use market value” means the market value of the plant or machinery at the time when it is first brought into use for the purposes of the qualifying activity;
- “market value” means the market value of the plant or machinery at the commencement of the term of the long funding operating lease;
- “recognised value” means the value at which the plant or machinery is recognised in the books or other financial records of the lessor at the commencement of the long funding operating lease.
- (6) From—
- (a) the relevant value determined in accordance with subsection (4) above, subtract
 - (b) the amount which, at the commencement of the term of the lease, is (or, in a case falling within subsection (4)(e) above, would have been) expected to be the residual value of the plant or machinery,
- to find the expected gross reduction in value over the term of the lease.
- (7) Apportion the amount of that expected gross reduction in value to each period of account in which any part of the term of the lease falls.
- (8) The apportionment must be on a time basis according to the proportion of the term of the lease that falls in each period of account.
- (9) The amount of the deduction for any period of account is the amount so apportioned to that period.

502F Long funding operating lease: lessor's additional expenditure

- (1) This section applies if in any period of account—
- (a) a company is the lessor of any plant or machinery under a long funding operating lease,
 - (b) the company incurs capital expenditure in relation to the plant or machinery, and
 - (c) that capital expenditure (the “additional expenditure”) is not reflected in the market value of the plant or machinery at the commencement of the term of the lease.
- (2) In a case falling within section 502E(4)(e) above, subsection (1)(c) above has effect as if the reference to the commencement of the term of the lease were a reference to the time when the plant or machinery is first brought into use by the lessor for the purposes of the qualifying activity.
- (3) Where this section applies, an additional deduction is allowed in computing the profits of the company for each post-expenditure period of account in which the company is the lessor of the plant or machinery under the lease.

- (4) The amount of the deduction for any such period of account is to be determined as follows.
- (5) Find ARV, CRV, PRV, and TRV where—
 - “ARV” is the amount which, at the time when the additional expenditure is incurred, is expected to be the residual value of the plant or machinery;
 - “CRV” is the amount which, at the commencement of the term of the lease, is expected to be the residual value of the plant or machinery;
 - “PRV” is the sum of any amounts that fell to be taken into account as RRV (see subsection (6)) in the application of this section in relation to any previous additional expenditure incurred by the company in relation to the leased plant or machinery;
 - “TRV” is the total of CRV and PRV.
- (6) Find RRV, where—
 - (a) if ARV exceeds TRV, RRV is the portion of the excess that is a result of the additional expenditure, but
 - (b) if ARV does not exceed TRV, RRV is nil.
- (7) From—
 - (a) the amount of the additional expenditure, subtract
 - (b) RRV,to find the expected partial reduction in value over the remainder of the term of the lease.
- (8) Apportion the amount of that expected partial reduction in value to each post-expenditure period of account in which any part of the term of the lease falls.
- (9) The apportionment must be on a time basis according to the proportion of the term of the lease that falls in each post-expenditure period of account.
- (10) The amount of the additional deduction for any period of account is the amount so apportioned to that period.
- (11) In this section “post-expenditure period of account” means any period of account ending after the incurring of the additional expenditure.

502G Lessor under long funding operating lease: termination of lease

- (1) This section applies for determining the liability to corporation tax of a company which is the lessor immediately before the termination of a long funding operating lease.
- (2) Step 1 is to find—

 - (b) the total of any sums paid to the lessee that are calculated by reference to the termination value (LP).
- (3) Step 2 is to find—
 - (a) the relevant value for the purposes of section 502E(6)(a) (RV);

- (b) the total of the deductions allowable under section 502E for periods of account for the whole or part of which the company was the lessor before the termination of the lease (TD1);
 - (c) the amount, if any, (ERV) by which RV exceeds TD1.
- (4) Step 3 is to find—
- (a) the total of any amounts of capital expenditure incurred by the company which constitute additional expenditure for the purposes of section 502F in the case of the lease (TAE);
 - (b) the total of any deductions allowable under section 502F for periods of account for the whole or part of which the company was the lessor before the termination of the lease (TD2);
 - (c) the amount, if any, (EAE) by which TAE exceeds TD2.
- (5) Step 4 is to find the total of ERV and EAE (T).
- (6) If (TA – LP) exceeds T, treat a profit of an amount equal to the excess as arising to the company in the period of account in which the lease terminates.
- (7) If T exceeds (TA – LP), treat a loss of an amount equal to the excess as arising to the company in that period of account.
- (8) A profit or loss treated as arising to the company under subsection (6) or (7) above is to be treated—
- (a) in the case of a profit, as income of the company attributable to the lease,
 - (b) in the case of a loss, as a revenue expense incurred by the company in connection with the lease.
- (9) In computing the profits of the company, no deduction is allowed in respect of any sums paid to the lessee that are calculated by reference to the termination value.
