- (a) any oil extraction activities; or
- (b) any of the following activities, namely, the acquisition, enjoyment or exploitation of oil rights; or
- (c) activities of both those descriptions,

those activities shall be treated [^{F1}for the purposes of the charge of corporation tax on income] as a separate trade, distinct from all other activities carried on by him as part of the trade.

(2) Relief in respect of a loss incurred by a person shall not be given under section 380 or 381 against income arising from oil extraction activities or from oil rights (“ring fence income”) except to the extent that the loss arises from such activities or rights.

(3) Relief in respect of a loss incurred by a person shall not be given under section [^{F2}393A(1)] against his ring fence profits except to the extent that the loss arises from oil extraction activities or from oil rights.

- (4) In any case where—
- (a) in any chargeable period a person incurs a loss in activities (“separate activities”) which, for that or any subsequent chargeable period, are treated by virtue of [^{F3}section 16(1) of ITTOIA 2005 or] subsection (1) above as a separate trade for [^{F4}income tax purposes or (as the case may be) for the purposes of the charge of corporation tax on income]; and
 - (b) in any subsequent chargeable period any of his trading income is derived from activities (“related activities”) which are not part of the separate activities but which, apart from [^{F5}section 16(1) of ITTOIA 2005 or] subsection (1) above, would together with those activities constitute a single trade,
- then, notwithstanding anything in that [^{F6}section or] subsection, the amount of the loss may be set off, in accordance with section 385 or 393(1), against so much of his trading income in any subsequent chargeable period as is derived from the related activities.
- (5) Subject to subsection (7) below, a capital allowance which is to be given to any person by discharge or repayment of tax shall not to any extent be given effect under [^{F7}section 258 of the Capital Allowances Act] by deduction from or set off against his ring fence income.
- (6) Subject to subsection (7) below, a capital allowance which is to be given to any person by discharge or repayment of tax shall not to any extent be given effect under [^{F8}section 259 or 260 of the Capital Allowances Act] by deduction from or set off against his ring fence profits.
- (7) Subsection (5) or (6) above shall not apply to a capital allowance which falls to be made to a company for any accounting period in respect of an asset used in the relevant accounting period by a company associated with it and so used in carrying on oil extraction activities. For the purposes of this subsection, the relevant accounting period is that in which the allowance in question first falls to be made to the company (whether or not it can to any extent be given effect in that period under [^{F9}section 259 of the Capital Allowances Act]).
- (8) On a claim for group relief made by a claimant company in relation to a surrendering company, group relief shall not be allowed against the claimant company’s ring fence profits except to the extent that the claim relates to losses incurred by the surrendering company that arose from oil extraction activities or from oil rights.

(A2) The conditions are that—

- (a) the oil is oil won from an oil field in the United Kingdom,
- (b) the disposal is a disposal of the oil by the person crude in a sale at arm's length, as defined in paragraph 1 of Schedule 3 to the 1975 Act,
- (c) the circumstances are such that the price received or receivable—
 - (i) falls to be taken into account under section 2(5)(a) of that Act in computing for the purposes of petroleum revenue tax the assessable profit or allowable loss accruing to the person in any chargeable period from the oil field, or
 - (ii) would fall to be so taken into account, had the oil field been a taxable field, as defined in section 185 of the Finance Act 1993,
- (d) the terms of the contract are such as are described in the opening words of section 2(5A) of the 1975 Act,
- (e) apart from subsection (A1) above, the person is not entitled to a transportation allowance in respect of the oil (see subsection (A3)) in computing his ring fence profits,
- (f) the person does not claim a transportation allowance in respect of the oil in computing for the purposes of corporation tax any profits of his that are not ring fence profits.

(A3) In subsection (A2) above “transportation allowance”, in relation to any oil, means any of the following—

- (a) a deduction in respect of the expense of transporting the oil as mentioned in the opening words of section 2(5A) of the 1975 Act,
- (b) a deduction in respect of any costs of or incidental to the transportation of the oil as there mentioned,

any chargeable period from an oil field (or as would so fall but for section 10 of that Act), then—

- (a) for all purposes of income tax, and
- (b) for the purposes of the charge of corporation tax on income,

the disposal of the oil and its acquisition by the person to whom it was disposed of shall be treated as having been for a consideration equal to the market value of the oil as so taken into account under section 2 of that Act (or as would have been so taken into account under that section but for section 10 of that Act).

[^{F13}(1A) Where an excess of nominated proceeds in a chargeable period (within the meaning given by section 61 of the Finance Act 1987) is taken into account in computing a person's profits under section 2(5)(e) of the 1975 Act (or would be taken into account if the person were chargeable to tax under that Act in respect of a field)—

- (a) for the purposes of subsection (1) the amount of the excess shall be added to the consideration which the person is deemed to have received in respect of oil disposed of by him in the period, and
- (b) for the purposes of corporation tax, that amount shall be available to the person as a deduction in computing the profits of any trade to which section 492(1) does not apply.]

(2) Where a person makes a relevant appropriation of any oil without disposing of it and does so in circumstances such that the market value of that oil ^{F14}. . . falls to be taken into account under section 2 of the 1975 Act in computing for the purposes of petroleum revenue tax the assessable profit or allowable loss accruing to him in any chargeable period from an oil field (or would so fall but for section 10 of that Act), then for all the purposes of income tax and for the purposes of the charge of corporation tax on income, he shall be treated—

- (a) as having, at the time of the appropriation—
 - (i) sold the oil in the course of the separate trade consisting of activities [^{F15} falling within the definition of “oil-related activities” in section 16(2) of ITTOIA 2005 or within section 492(1)(a) or (b) above]; and

- (b) as having so sold and bought it at a price equal to its market value as so taken into account under section 2 of the 1975 Act (or as would have been so taken into account under that section but for section 10 of that Act).

In this subsection “relevant appropriation” has the meaning given by section 12(1) of the 1975 Act.

(3) Where—

- (a) a person disposes otherwise than in a sale at arm's length (as defined in paragraph 1 of Schedule 3 to the 1975 Act) of oil acquired by him in the course of oil extraction activities carried on by him or by virtue of oil rights held by him, and
- (b) subsection (1) above does not apply in relation to the disposal,

then, for all purposes of income tax and for the purposes of the charge of corporation tax on income, the disposal of the oil and its acquisition by the person to whom it was disposed of shall be treated as having been for a consideration equal to the market value of the oil ^{F16}. . . .

- (a) he shall be treated as having, at the time of the appropriation, sold and bought the oil as mentioned in subsection (2)(a)(i) and (ii) above; and
 - (b) that sale and purchase shall be deemed to have been at a price equal to the market value of the oil^{F17}
- [^{F18}(5) For the purposes of subsections (3) and (4) above, paragraph 2 of Schedule 3 to the 1975 Act shall apply as it applies for the purposes of Part 1 of that Act, but with the following modifications—

500 Deduction of PRT in computing income for corporation tax purposes.

- (1) Where a participator in an oil field has paid any petroleum revenue tax with which he was chargeable for a chargeable period, then, in computing for corporation tax the amount of his income arising in the relevant accounting period from oil extraction activities or oil rights, there shall be deducted an amount equal to that petroleum revenue tax.
- (2) There shall be made all such adjustments of assessments to corporation tax as are required in order to give effect to subsection (1) above.
- (3) For the purposes of subsection (1) above, the relevant accounting period, in relation to any petroleum revenue tax paid by a company, is—
 - (a) the accounting period of the company in or at the end of which the chargeable period for which that tax was charged ends; or
 - (b) if that chargeable period ends after the accounting period of the company in or at the end of which the trade giving rise to the income referred to above is permanently discontinued, that accounting period.
- (4) [^{F68}Subject to the following provisions of this section] if some or all of the petroleum revenue tax in respect of which a deduction has been made under subsection (1) above is subsequently repaid, that deduction shall be reduced or extinguished accordingly; and any additional assessment to corporation tax required in order to give effect to this subsection may be made at any time not later than six years after the end of the [^{F69}calendar year] in which the first-mentioned tax was repaid.

- [^{F70}(5) If, in a case where paragraph 17 of Schedule 2 to the 1975 Act applies, an amount of petroleum revenue tax in respect of which a deduction has been made under subsection (1) above is repaid by virtue of an assessment under that Schedule or an amendment of such an assessment, then, so far as concerns so much of that repayment as constitutes the appropriate repayment,—
- (a) subsection (4) above shall not apply; and
 - (b) the following provisions of this section shall apply in relation to the company which is entitled to the repayment.
- (6) In subsection (5) above and the following provisions of this section—
- (a) “the appropriate repayment” has the meaning assigned by sub-paragraph (2) of paragraph 17 of Schedule 2 to the 1975 Act;
 - (b) in relation to the appropriate repayment, a “carried back loss” means an allowable loss which falls within sub-paragraph (1)(a) of that paragraph and which (alone or together with one or more other carried back losses) gives rise to the appropriate repayment;
 - (c) in relation to a carried back loss, “the operative chargeable period” means the chargeable period in which the loss accrued; and
 - (d) in relation to the company which is entitled to the appropriate repayment, “the relevant accounting period” means the accounting period in or at the end of which ends the operative chargeable period or, if the company’s ring fence trade is permanently discontinued before the end of the operative chargeable period, the last accounting period of that trade.
- (7) In computing for corporation tax the amount of the company’s income arising in the relevant accounting period from oil extraction activities or oil rights there shall be added an amount equal to the appropriate repayment; but this subsection has effect subject to subsection (8) below in any case where—
- (a) two or more carried back losses give rise to the appropriate repayment; and
 - (b) the operative chargeable period in relation to each of the carried back losses is not the same; and
 - (c) if subsection (6)(d) above were applied separately in relation to each of the carried back losses there would be more than one relevant accounting period.
- (8) Where paragraphs (a) to (c) of subsection (7) above apply, the appropriate repayment shall be treated as apportioned between each of the relevant accounting periods referred to in paragraph (c) of that subsection in such manner as to secure that the amount added by virtue of that subsection in relation to each of those relevant accounting periods is what it would have been if—
- (a) relief for each of the carried back losses for which there is a different operative chargeable period had been given by a separate assessment or amendment of an assessment under Schedule 2 to the 1975 Act; and
 - (b) relief for a carried back loss accruing in an earlier chargeable period had been so given before relief for a carried back loss accruing in a later chargeable period.
- (9) Any additional assessment to corporation tax required in order to give effect to the addition of an amount by virtue of subsection (7) above may be made at any time not later than six years after the end of the calendar year in which is made the repayment of petroleum revenue tax comprising the appropriate repayment.

- (2) A company’s adjusted ring fence profits for an accounting period are the amount which, on the assumption mentioned in subsection (3) below, would be determined for that period (in accordance with this Chapter) as the profits of the company’s ring fence trade chargeable to corporation tax.
- (3) The assumption is that financing costs are left out of account in computing—
 - (a) the amount of the profits or loss of any ring fence trade of the company’s for each accounting period beginning on or after 17th April 2002; and
 - (b) where for any such period the whole or part of any loss relief is surrendered to the company in accordance with section 492(8), the amount of that relief or, as the case may be, that part.

- (e) any other costs arising from what would be considered in accordance with generally accepted accounting practice to be a financing transaction.
- (6) Where an amount representing the whole or part of a payment falling to be made by a company—
- (a) falls (or would fall) to be treated as a finance charge under a finance lease for the purposes of accounts relating to that company and one or more other companies and prepared in accordance with generally accepted accounting practice, but
- (b) is not so treated in the accounts of the company,
- the amount shall be treated for the purposes of this section as financing costs falling within subsection (5)(d) above.

- (b) which, under generally accepted accounting practice,—
