798 Interest on certain overseas loans.

^{M9}(1) This section applies in a case where—

- (a) in any chargeable period the profits of any person (“the lender”) which are brought into charge to income tax or corporation tax include an amount computed in accordance with section 795 in respect of interest (“foreign loan interest”) on a loan made to a person resident outside the United Kingdom; and
- (b) in determining the liability of the lender to income tax or corporation tax, expenditure related to the earning of the foreign loan interest is deductible in computing the profits referred to in paragraph (a) above; and
- (c) the lender is entitled in accordance with this Chapter to credit for foreign tax chargeable on or by reference to the foreign loan interest;

and for the purpose only of determining whether the condition in paragraph (b) above is fulfilled in a case where the lender has in fact incurred no expenditure related to the earning of the foreign loan interest, it shall be assumed that he has incurred such expenditure.

- (2) In subsection (1) above “interest”, in relation to a loan, includes any introductory or other fee or charge which is payable in accordance with the terms on which the loan is made or is otherwise payable in connection with the making of the loan; and any reference in this section to foreign loan interest shall be construed accordingly.
- (3) If in a case where this section applies the foreign tax referred to in subsection (1)(c) above is or includes an amount of spared tax, then for the purposes of income tax or corporation tax the amount which apart from this subsection would be the amount of the foreign loan interest shall be treated as increased by so much of the spared tax as does not exceed the permitted amount, as defined in subsection (4) below; but nothing in this subsection prejudices the operation of section 795 in relation to foreign tax which is not spared tax.
- (4) In this section “spared tax” means foreign tax which although not payable falls to be taken into account for the purposes of credit by virtue of section 788(5); and the permitted amount, in relation to spared tax which is referable to the whole or any part of the foreign loan interest, is an amount which does not exceed—

- (b) if it is less, the amount of that spared tax for which, in accordance with any arrangements applicable to the case in question, credit falls to be given as mentioned in subsection (1)(c) above.
- (5) If in a case where this section applies—
- (a) the foreign tax referred to in subsection (1)(c) above is or includes an amount of tax which is not spared tax; and
 - (b) the amount of tax exceeds—
 - (i) the amount of the credit which, by virtue of this Chapter (but disregarding subsection (6) below), is allowed for that foreign tax against income tax or corporation tax; or
 - (ii) if it is less, 15 per cent. of the foreign loan interest, computed without regard to any increase or reduction under this section,
 then, for the purposes of income tax or corporation tax, the amount which, apart from this subsection, would be the amount of the foreign loan interest shall be treated as reduced by a sum equal to the excess.
- (6) Where this section applies, the amount of the credit for foreign tax referred to in subsection (1)(c) above which, in accordance with this Chapter, is to be allowed against income tax or corporation tax—
- (a) shall be limited by treating the amount of the foreign loan interest (as increased or reduced under subsection (3) or (5) above) as reduced (or further reduced) for the purposes of this Chapter by an amount equal to so much of the lender's financial expenditure in relation to the loan concerned as is properly attributable to the period for which the interest is paid; and
 - (b) shall not exceed 15 per cent. of the foreign loan interest, computed without regard to paragraph (a) above or to any increase under subsection (3) above or any reduction under subsection (5) above.
- (7) For the purposes of this section the lender's financial expenditure in relation to a loan is the aggregate of—
- (a) the financial expenses (consisting of interest or similar sums) incurred by the lender in or in connection with the provision of the loan, so far as those expenses consist of payments which either are charges on income for the purposes of corporation tax or are deductible in computing profits of the lender which are brought into charge to income tax or corporation tax; and
 - (b) where the loan is financed by the issue of securities at a discount by the lender, so much of the amount of the discount as either constitutes such a charge as is mentioned in paragraph (a) above or is deductible as mentioned in that paragraph; and
 - (c) so much as it is just and reasonable to attribute to the loan of any interest or other return foregone by a person connected or associated with the lender in connection with the provision of funds to the lender, either interest free or in other circumstances more favourable to the lender than if the parties were at arm's length; and
 - (d) any other sum, whether paid by way of refund of tax or interest or by way of commission, which—

- ^{M13}(1) Where in the case of any dividend arrangements provide for underlying tax to be taken into account in considering whether any and if so what credit is to be allowed against the United Kingdom taxes in respect of the dividend, the tax to be taken into account by virtue of that provision shall be so much of the foreign tax borne on the relevant profits by the body corporate paying the dividend as is properly attributable to the proportion of the relevant profits represented by the dividend.
- (2) Where under the foreign tax law the dividend has been increased for tax purposes by an amount to be set off against the recipient's own tax under that law or, to the extent that it exceeds his own tax thereunder, paid to him, then, from the amount of the underlying tax to be taken into account under subsection (1) above there is to be subtracted the amount of that increase.

803 Underlying tax reflecting interest on loans.

- ^{M17}(1) This section applies in a case where—
- (a) a bank or a company connected with a bank makes a claim for an allowance by way of credit in accordance with this Chapter; and
 - (b) the claim relates to underlying tax on a dividend paid by the overseas company, within the meaning of section 801; and
 - (c) that underlying tax is or includes tax payable under the law of a territory outside the United Kingdom on or by reference to interest on a loan made in the course of its business by that overseas company or by such third, fourth or successive company as is referred to in subsection (2) or (3) of that section; and
 - (d) if the company which made the loan had been resident in the United Kingdom, then, in determining its liability to corporation tax, expenditure related to the earning of the interest on the loan would be deductible in computing the profits of the company brought into charge to tax.
- (2) In a case where this section applies, the amount of the credit for that part of the foreign tax which consists of the tax referred to in subsection (1)(c) above shall not exceed an amount determined under subsection (3) below.
- (3) The amount referred to in subsection (2) above is a sum equal to corporation tax, at the rate in force at the time the foreign tax referred to in paragraph (c) of subsection (1) above was chargeable, on so much of the interest on the loan as exceeds the amount of the lender's relevant expenditure which is properly attributable to the period for which that interest is paid.
- (4) In subsection (3) above—
- (a) “interest”, subject to subsection (5) below, has the meaning assigned to it by section 798(2); and
 - (b) “the lender's relevant expenditure” means the amount which, if the company referred to in subsection (1)(d) above were resident in the United Kingdom (and liable to tax accordingly) would be its financial expenditure in relation to the loan, as determined in accordance with section 798(6) to (10).
- (5) If, in accordance with subsection (6) or subsection (8) below, the amount of the dividend would be treated for the purposes of corporation tax as increased or reduced by any amount, then the amount which, apart from this subsection, would be the amount of the interest referred to in subsection (3) above shall be taken to be increased or reduced by the same amount as the dividend is so treated as increased or reduced.
- (6) If, in a case where this section applies, the underlying tax is or includes an amount of spared tax, then, for the purposes of corporation tax, the amount which apart from this subsection would be the amount of the dividend shall be treated as increased by an amount equal to so much of that spared tax as does not exceed the permitted amount; but nothing in this subsection prejudices the operation of section 795 in relation to foreign tax which is not spared tax.
- (7) In this section—
- (a) “spared tax” has the same meaning as in section 798; and
 - (b) the permitted amount, in relation to spared tax which is referable to the whole or any part of the interest referred to in subsection (1)(c) above, is an amount which does not exceed—
 - (i) 15 per cent. of the interest to which that spared tax is referable; or

- (ii) if it is less, the amount of that spared tax which under any arrangements is to be taken into account for the purpose of allowing credit against corporation tax in respect of the dividend concerned.
- (8) If, in a case where this section applies—
- (a) the underlying tax is or includes an amount of tax which is not spared tax, and
 - (b) that amount of tax exceeds 15 per cent. of the interest to which it is referable,
- then, for the purposes of corporation tax, the amount which would apart from this subsection be the amount of the dividend shall be treated as reduced by a sum equal to the excess.
- (9) Where this section applies, the amount of the credit referred to in paragraph (a) of subsection (1) above which is referable to the underlying tax payable as mentioned in paragraph (c) of that subsection shall not exceed 15 per cent. of so much of the interest referred to in that paragraph as is included in the relevant profits of the company paying the dividend; and for the purposes of this subsection—
- (a) “relevant profits” has the same meaning as, by virtue of section 799, it has for the purposes of the computation of underlying tax; and
 - (b) the amount of the interest shall be determined without making any deduction in respect of any foreign tax.
- (10) In subsection (1) above “bank” means a company carrying on, in the United Kingdom or elsewhere—
- (a) a banking business; or
 - (b) another business which includes the making of loans where the circumstances of the business are such that, in determining the liability of the company to corporation tax, expenditure related to the earning of the interest on those loans is deductible in computing the profits brought into charge to tax;
- and section 839 applies for the purposes of subsection (1) above.
- (11) Where the loan referred to in subsection (1)(c) was made pursuant to an agreement entered into before 1st April 1987, subsections (2) to (5) above shall not apply in relation to tax payable as mentioned in subsection (1)(c) above by reference to interest payable before 1st April 1989, but subject to that, this section applies whenever the loan referred to in subsection (1)(c) was made.

806A Eligible unrelieved foreign tax on dividends: introductory.

- (1) This section applies where, in any accounting period of a company resident in the United Kingdom, an amount of eligible unrelieved foreign tax arises in respect of a dividend falling within subsection (2) below paid to the company.
- (2) The dividends that fall within this subsection are any dividends chargeable under Case V of Schedule D, other than—
 - (a) any dividend which is trading income for the purposes of section 393;
 - (b) any dividend which, in the circumstances described in paragraphs (a) and (b) of subsection (8) of section 393, would by virtue of that subsection fall to be treated as trading income for the purposes of subsection (1) of that section;
 - (c) in a case where section 801A applies, the dividend mentioned in subsection (1)(b) of that section;
 - (d) in a case where section 803 applies, the dividend mentioned in subsection (1) (b) of that section;

- (e) any dividend the amount of which is, under section 811, treated as reduced.
- (3) For the purposes of this section—
 - (a) the cases where an amount of eligible unrelieved foreign tax arises in respect of a dividend falling within subsection (2) above are the cases set out in subsections (4) and (5) below; and
 - (b) the amounts of eligible unrelieved foreign tax which arise in any such case are those determined in accordance with section 806B.
- (4) Case A is where—
 - (a) the amount of the credit for foreign tax which under any arrangements would, apart from section 797, be allowable against corporation tax in respect of the dividend,
 - exceeds
 - (b) the amount of the credit for foreign tax which under the arrangements is allowed against corporation tax in respect of the dividend.
- (5) Case B is where the amount of tax which, by virtue of any provision of any arrangements, falls to be taken into account as mentioned in section 799(1) in the case of the dividend (whether or not by virtue of section 801(2) or (3)) is less than it would be apart from the mixer cap.
- (6) In determining whether the circumstances are as set out in subsection (4) or (5) above, sections 806C and 806D shall be disregarded.

806B The amounts that are eligible unrelieved foreign tax.

- (1) This section has effect for determining the amounts of eligible unrelieved foreign tax which arise in the cases set out in section 806A(4) and (5).
- (2) In Case A, the difference between—
 - (a) the amount of the credit allowed as mentioned in section 806A(4)(b), and
 - (b) the greater amount of the credit that would have been so allowed if, for the purposes of subsection (2) of section 797, the rate of corporation tax payable as mentioned in that subsection were the upper percentage,
 shall be an amount of eligible unrelieved foreign tax.
- (3) In Case B, where the mixer cap restricts the amount of tax to be taken into account as mentioned in section 799(1) in the case of the Case V dividend, the difference, in the case of that dividend, between—
 - (a) the amount of tax to be taken into account as there mentioned, and
 - (b) the greater amount of tax that would have been taken into account as there mentioned, had M in the formula in section 799(1A) in its application in the case of that dividend (but not any lower level dividend) been the upper percentage,
 shall be an amount of eligible unrelieved foreign tax.
- (4) In Case B, where the mixer cap—
 - (a) restricts the amount of underlying tax that is treated as mentioned in subsection (2) or (3) of section 801 in the case of any dividend received as mentioned in that subsection, but
 - (b) does not restrict the relevant tax in the case of any higher level dividend,

subsection (5) below shall apply.

(5) Where this subsection applies, an amount equal to the appropriate portion of the difference, in the case of the dividend mentioned in subsection (4)(a) above, between—

- (a) the amount of underlying tax treated as mentioned in section 801(2) or (3), as the case may be, and
- (b) the greater amount of underlying tax that would have been so treated, had M in the formula in section 799(1A) in its application in the case of that dividend (but not any higher or lower level dividend) been the upper percentage,

shall be an amount of eligible unrelieved foreign tax.

(6) For the purposes of subsection (5) above, the “appropriate portion” of the difference there mentioned in the case of any dividend is found by multiplying the amount of that difference by the product of the reducing fractions for each of the higher level dividends.

(7) For the purposes of subsection (6) above, the “reducing fraction” for any dividend is the fraction—

- (a) whose numerator is the amount of the dividend; and
- (b) whose denominator is the amount of the relevant profits (within the meaning of section 799(1)) out of which the dividend is paid.

(8) Any reference in this section to any tax being restricted by the mixer cap in the case of any dividend is a reference to that tax being so restricted otherwise than by virtue only of the application of the mixer cap in the case of one or more lower level dividends.

(9) For the purpose of determining the amount described in subsection (2)(b), (3)(b) or (5)(b) above, sections 806C and 806D shall be disregarded.

(10) In this section—

“the Case V dividend” means the dividend mentioned in section 806A(1);

“higher level dividend”, in relation to another dividend, means any dividend—

- (a) by which that other dividend is to any extent represented; and

- (b) in the case of any other dividend, the amount of underlying tax to be treated as mentioned in section 801(2) or (3) in the case of the dividend.

806C Onshore pooling.

(1) In this section “qualifying foreign dividend” means any dividend which falls within section 806A(2), other than—
