Introductory

1 The Director General of Electricity Supply.

- (1) The Secretary of State shall appoint an officer to be known as the Director General of Electricity Supply (in this Act referred to as "the Director") for the purpose of carrying out the functions assigned or transferred to him by this Act.
- (2) An appointment of a person to hold office as the Director shall be for a term not exceeding five years; but previous appointment to that office shall not affect eligibility for re-appointment.
- (3) The Secretary of State may remove any person from office as the Director on the ground of incapacity or misbehaviour.
- (4) Subject to subsections (2) and (3) above, the Director shall hold and vacate office as such in accordance with the terms of his appointment.
- (5) The provisions of Schedule 1 to this Act shall have effect with respect to the Director.

Status: Point in time view as at 11/01/1999. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: Electricity Act 1989 is up to date with all changes known to be in force on or before 21 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

2 Consumers' committees.

- (1) The Director shall establish committees, to be known as consumers' committees, for the purposes of this Part.
- (2) Each consumers' committee shall be appointed for an area consisting of—
 - (a) the authorised area of a public electricity supplier; or
 - (b) if the Secretary of State so determines, the authorised areas of two or more such suppliers;
 and any reference in this Part to the allocation of a public electricity supplier to a consumers' committee shall be construed accordingly.
- (3) Each consumers' committee shall consist of—
 - (a) a chairman appointed by the Director after consultation with the Secretary of State; and
 - (b) such other members, not being less than ten or more than twenty, as the Director after consultation with the chairman may from time to time appoint.
- (4) An appointment of a person to hold office as the chairman of a consumers' committee shall be for a term not exceeding four years.
- (5) Subject to subsection (4) above, the chairman and other members of a consumers' committee shall hold and vacate office in accordance with the terms of the instruments appointing them and shall, on ceasing to hold office, be eligible for re-appointment.
- (6) The provisions of Schedule 2 to this Act shall have effect with respect to each of the consumers' committees.
- (7) In this Part “public electricity supplier” and “authorised area”, in relation to such a supplier, have the meanings given by section 6(9) below.

Modifications etc. (not altering text)

- C4 S. 2(2)(b)(3)(a): transfer of certain functions (S.) (1.7.1999) by S.I. 1999/1750, arts. 1, 2, Sch. 1 (with art. 7)

3 General duties of Secretary of State and Director.

- (1) The Secretary of State and the Director shall each have a duty to exercise the functions assigned or transferred to him by this Part in the manner which he considers is best calculated—
 - (a) to secure that all reasonable demands for electricity are satisfied;
 - (b) to secure that licence holders are able to finance the carrying on of the activities which they are authorised by their licences to carry on; and
 - (c) subject to ^{F1}subsections (2) and (2A)] below, to promote competition in the generation and supply of electricity.
- (2) The Secretary of State and the Director shall each have a duty to exercise the functions assigned or transferred to him by this Part in the manner which he considers is best calculated to secure—
 - (a) that the prices charged to tariff customers by public electricity suppliers for electricity supplied in pursuance of section 16(1) below to premises in any area of Scotland specified in an order made by the Secretary of State

Status: Point in time view as at 11/01/1999. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: Electricity Act 1989 is up to date with all changes known to be in force on or before 21 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

are in accordance with tariffs which do not distinguish (whether directly or indirectly) between different parts of that area; and

- (b) that public electricity suppliers are not thereby disadvantaged in competing with persons authorised by a licence or exemption to supply electricity to such premises.

[^{F2}(2A) If an order under section 32(1) below requires a public electricity supplier to make, or produce evidence showing that he has made, arrangements or additional arrangements which will secure the result mentioned in subsection (2B) below, the order, so far as relating to any such requirement, may be made for the purpose of, or for purposes which include, promoting the supply to any premises of—

- (a) heat produced in association with electricity, or
- (b) steam produced from, or air or water heated by, such heat.

(2B) The result referred to in subsection (2A) above is that, for a period specified in the order, there will be available to the public electricity supplier—

- (a) from combined heat and power stations; or
- (b) from combined heat and power stations of any particular description,

an aggregate amount of generating capacity which is not less than that specified in relation to him in the order.

(2C) In subsection (2B) above, “combined heat and power station” has the meaning given by section 32(8) below.]

(3) Subject to subsections (1) [^{F3}, (2) and (2A)] above, the Secretary of State and the Director shall each have a duty to exercise the functions assigned or transferred to him by this Part in the manner which he considers is best calculated—

- (a) to protect the interests of consumers of electricity supplied by persons authorised by licences to supply electricity in respect of—
 - (i) the prices charged and the other terms of supply;
 - (ii) the continuity of supply; and
 - (iii) the quality of the electricity supply services provided;
- (b) to promote efficiency and economy on the part of persons authorised by licences to supply or transmit electricity and the efficient use of electricity supplied to consumers;
- (c) to promote research into, and the development and use of, new techniques by or on behalf of persons authorised by a licence to generate, transmit or supply electricity;
- (d) to protect the public from dangers arising from the generation, transmission or supply of electricity; and
- (e) to secure the establishment and maintenance of machinery for promoting the health and safety of persons employed in the generation, transmission or supply of electricity;

and a duty to take into account, in exercising those functions, the effect on the physical environment of activities connected with the generation, transmission or supply of electricity.

(4) In performing his duty under subsection (3)(a)(i) above, the Secretary of State or the Director shall take into account, in particular, the protection of the interests of consumers of electricity in rural areas.

Status: Point in time view as at 11/01/1999. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: Electricity Act 1989 is up to date with all changes known to be in force on or before 21 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (5) In performing his duty under subsection (3)(a)(iii) above, the Secretary of State or the Director shall take into account, in particular, the interests of those who are disabled or of pensionable age.
- (6) In this section references to the functions assigned to the Secretary of State by this Part do not include references to functions under section 36 or 37 below and references to the functions so assigned to the Director do not include references to functions relating to the determination of disputes.
- [^{F4}(6A) Subsections (1) to (5) above do not apply in relation to anything done by the Director in the exercise of functions assigned to him by section 43(3) below (“Competition Act functions”).
- (6B) The Director may nevertheless, when exercising any Competition Act function, have regard to any matter in respect of which a duty is imposed by any of subsections (1) to (5) above (“a general matter”), if it is a matter to which the Director General of Fair Trading could have regard when exercising that function; but that is not to be taken as implying that, in the exercise of any function mentioned in subsection (6) above, regard may not be had to any general matter.]
- (7) In this Part, unless the context otherwise requires—
“exemption” means an exemption under section 5 below;
“licence” means a licence under section 6 below and “licence holder” shall be construed accordingly.

[^{F5}3A The principal objective and general duties of the Secretary of State and the Authority.

- (1) The principal objective of the Secretary of State and the Gas and Electricity Markets Authority (in this Act referred to as “the Authority”) in carrying out their respective functions under this Part is to protect the interests of consumers in relation to electricity conveyed by distribution systems, wherever appropriate by promoting effective competition between persons engaged in, or in commercial activities connected with, the generation, transmission, distribution or supply of electricity.

Status: Point in time view as at 11/01/1999. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: Electricity Act 1989 is up to date with all changes known to be in force on or before 21 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (2) The Secretary of State and the Authority shall carry out those functions in the manner which he or it considers is best calculated to further the principal objective, having regard to—
- (a) the need to secure that all reasonable demands for electricity are met; and
 - (b) the need to secure that licence holders are able to finance the activities which are the subject of obligations imposed by or under this Part or the Utilities Act 2000.
- (3) In performing that duty, the Secretary of State or the Authority shall have regard to the interests of—
- (a) individuals who are disabled or chronically sick;
 - (b) individuals of pensionable age;
 - (c) individuals with low incomes; and
 - (d) individuals residing in rural areas;
- but that is not to be taken as implying that regard may not be had to the interests of other descriptions of consumer.
- (4) The Secretary of State and the Authority may, in carrying out any function under this Part, have regard to—
- (a) the interests of consumers in relation to gas conveyed through pipes (within the meaning of the ^{M1}Gas Act 1986); and
 - (b) any interests of consumers in relation to—
 - (i) telecommunication services and telecommunication apparatus (within the meaning of the ^{M2}Telecommunications Act 1984); or
 - (ii) water services or sewerage services (within the meaning of the ^{M3}Water Industry Act 1991),which are affected by the carrying out of that function.
- (5) Subject to subsection (2), the Secretary of State and the Authority shall carry out their respective functions under this Part in the manner which he or it considers is best calculated—
- (a) to promote efficiency and economy on the part of persons authorised by licences or exemptions to transmit, distribute or supply electricity and the efficient use of electricity conveyed by distribution systems;
 - (b) to protect the public from dangers arising from the generation, transmission, distribution or supply of electricity; and
 - (c) to secure a diverse and viable long-term energy supply,
- and shall, in carrying out those functions, have regard to the effect on the environment of activities connected with the generation, transmission, distribution or supply of electricity.
- (6) In this section “consumers” includes both existing and future consumers.
- (7) In this section and sections 3B and 3C, references to functions of the Secretary of State or the Authority under this Part include a reference to functions under the Utilities Act 2000 which relate to electricity conveyed by distribution systems.
- (8) In this Part, unless the context otherwise requires—
“exemption” means an exemption granted under section 5;

Status: Point in time view as at 11/01/1999. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: Electricity Act 1989 is up to date with all changes known to be in force on or before 21 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

“licence” means a licence under section 6 and “licence holder” shall be construed accordingly.

[^{F6}3B **Guidance on social and environmental matters.]**

- (1) The Secretary of State shall from time to time issue guidance about the making by the Authority of a contribution towards the attainment of any social or environmental policies set out or referred to in the guidance.
- (2) The Authority shall, in carrying out its functions under this Part, have regard to any guidance issued under this section.
- (3) Before issuing guidance under this section the Secretary of State shall consult—
 - (a) the Authority;
 - (b) the Gas and Electricity Consumer Council (in this Act referred to as “the Council”);
 - (c) licence holders; and
 - (d) such other persons as the Secretary of State considers it appropriate to consult in relation to the guidance.
- (4) A draft of any guidance proposed to be issued under this section shall be laid before each House of Parliament.
- (5) Guidance shall not be issued under this section until after the period of forty days beginning with—
 - (a) the day on which the draft is laid before each House of Parliament; or
 - (b) if the draft is laid before the House of Lords on one day and the House of Commons on another, the later of those two days.
- (6) If, before the end of that period, either House resolves that the guidance should not be issued, the Secretary of State must not issue it.
- (7) In reckoning any period of forty days for the purposes of subsection (5) or (6), no account shall be taken of any time during which—
 - (a) Parliament is dissolved or prorogued; or
 - (b) both Houses are adjourned for more than four days.

- (a) to generate electricity for the purpose of giving a supply to any premises or enabling a supply to be so given;
 - (b) to transmit electricity for that purpose in that person's authorised area; or
 - (c) to supply electricity to any premises in that person's authorised area.
- (2) The Secretary of State after consultation with the Director, or the Director with the consent of, or in accordance with a general authority given by, the Secretary of State, may—
- (a) grant a licence authorising any person to supply electricity to any premises specified or of a description specified in the licence; or
 - (b) extend such a licence by adding to the premises or descriptions of premises specified in the licence.
- (3) An application for a licence or extension shall be made in the prescribed manner and shall be accompanied by such fee (if any) as may be prescribed; and within 14 days after the making of such an application, the applicant shall publish a copy of the application in the prescribed manner.
- (4) Before granting a licence under subsection (1)(b) or (c) above, the Secretary of State or the Director shall give notice—
- (a) stating that he proposes to grant the licence;
 - (b) stating the reasons why he proposes to grant the licence; and
 - (c) specifying the time (not being less than 28 days from the date of publication of the notice) within which representations or objections with respect to the proposed licence may be made,
- and shall consider any representations or objections which are duly made and not withdrawn.
- (5) A notice under subsection (4) above shall be given by publishing the notice in such manner as the Secretary of State or the Director considers appropriate for bringing it to the attention of persons likely to be affected by the grant of the licence.
- (6) A licence shall be in writing and, unless previously revoked in accordance with any term contained in the licence, shall continue in force for such period as may be specified in or determined by or under the licence.
- (7) As soon as practicable after granting a licence, the Secretary of State shall send a copy of the licence to the Director and—
- (a) in the case of a licence under paragraph (b) of subsection (1) above, to any licence holder under that paragraph whose authorised area previously included the whole or any part of the area designated in the licence;
 - (b) in the case of a licence under paragraph (c) of that subsection, to any public electricity supplier whose authorised area previously included the whole or any part of the area designated in the licence;
 - (c) in the case of a licence or extension under subsection (2) above, to any public electricity supplier whose authorised area includes any premises specified or described in the licence or extension.
- (8) As soon as practicable after granting any licence or extension falling within paragraph (a), (b) or (c) of subsection (7) above, the Director shall send a copy of the licence or extension to any such person as is mentioned in that paragraph.
- (9) In this Part—

7 Conditions of licences: general.

- (1) A licence may include—
 - (a) such conditions (whether or not relating to the activities authorised by the licence) as appear to the grantor to be requisite or expedient having regard to the duties imposed by section 3 above; and
 - (b) conditions requiring the rendering to the grantor of a payment on the grant of the licence, or payments during the currency of the licence, or both, of such amount or amounts as may be determined by or under the licence.
- (2) Without prejudice to the generality of paragraph (a) of subsection (1) above, conditions included in a licence by virtue of that paragraph—
 - (a) may require the licence holder to enter into agreements with other persons for the use of any electric lines and electrical plant of his (wherever situated and whether or not used for the purpose of carrying on the activities authorised by the licence) for such purposes as may be specified in the conditions; and
 - (b) may include provision for determining the terms on which such agreements are to be entered into.
- (3) Conditions included in a licence by virtue of subsection (1)(a) above may require the licence holder—
 - (a) to comply with any direction given by the Director as to such matters as are specified in the licence or are of a description so specified;
 - (b) except in so far as the Director consents to his doing or not doing them, not to do or to do such things as are specified in the licence or are of a description so specified;
 - (c) to refer for determination by the Director such questions arising under the licence as are specified in the licence or are of a description so specified; and
 - (d) to refer for approval by the Director such things falling to be done under the licence, and such contracts or agreements made before the grant of the licence, as are specified in the licence or are of a description so specified.
- (4) Conditions included in a licence by virtue of subsection (1)(a) above may—
 - (a) instead of specifying or describing any contracts or agreements to which they apply, refer to contracts or agreements designated (whether before or after the imposition of the conditions) by the Secretary of State or the Director; and
 - (b) instead of containing any provisions which fall to be made, refer to provisions set out in documents so designated and direct that those provisions shall have such effect as may be specified in the conditions.
- (5) Conditions included in a licence may contain provision for the conditions to cease to have effect or be modified at such times, in such manner and in such circumstances as may be specified in or determined by or under the conditions.
- (6) Any provision included by virtue of subsection (5) above in a licence shall have effect in addition to the provision made by this Part with respect to the modification of the conditions of a licence.
- (7) Any sums received by the Secretary of State or the Director in consequence of the provisions of any condition of a licence shall be paid into the Consolidated Fund.

[^{F11}7A Transfer of licences.

- (1) A licence—
 - (a) is capable of being transferred by the licence holder, with the consent of the Authority, in accordance with this section but subject to any term as to transfer contained in the licence;
 - (b) may include conditions which must be complied with before the licence can be transferred.
- (2) A transfer may relate to the whole or any part of the licence.
- (3) The reference in subsection (2) to part of a licence is a reference to a part of the activities authorised by the licence (whether described by reference to activities being carried on by the licence holder or to activities which he is authorised by the licence to carry on).
- (4) Such consent may be given subject to compliance with such modification or other conditions as the Authority considers appropriate.
- (5) In the case of a partial transfer, conditions imposed under subsection (4) may make as respects so much of the licence as is proposed to be retained by the transferor provision different from that made as respects so much of the licence as is proposed to be transferred.
- (6) In deciding whether to give its consent to a proposed transfer, the Authority shall apply the same criteria as it would apply if the Authority were deciding whether—
 - (a) in the case of a general transfer, to grant a corresponding licence to the transferee; or
 - (b) in the case of a partial transfer—
 - (i) to grant to the transferee a licence corresponding to so much of the licence as is proposed to be transferred; and
 - (ii) to grant to the transferor a licence corresponding to so much of the licence as is proposed to be retained.
- (7) The Authority shall give the Secretary of State not less than 28 days' notice of any proposal to impose a modification condition.
- (8) If, before the expiry of the time specified in a notice under subsection (7), the Secretary of State directs the Authority not to impose the condition, the Authority shall comply with the direction.
- (9) Before giving consent to the transfer of a licence, the Authority shall give notice—
 - (a) stating that it proposes to grant consent to the transfer;
 - (b) stating the reasons why it proposes to give consent; and
 - (c) specifying the time from the date of publication of the notice (not being less than two months) within which representations or objections with respect to the transfer may be made,
 and shall consider any representations or objections that are duly made and not withdrawn.

Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (10) A notice under subsection (9) shall be given by publishing the notice in such manner as the Authority considers appropriate for bringing it to the attention of persons likely to be affected by the transfer.
- (11) A purported transfer of a licence shall be void—
- (a) if the licence is not capable of transfer or the Authority has not given its consent;
 - (b) if the purported transfer is in breach of a condition of the licence; or
 - (c) if there has, before the purported transfer, been a contravention of a condition subject to compliance with which the Authority’s consent is given.
- (12) In this section—
- “transfer” includes any form of transfer or assignment or, in Scotland, assignation;
- “modification condition” means a condition requiring or otherwise providing for the making of modifications to the conditions of a licence.

- (2) Subject to the following provisions of this section, the Authority may, in granting a licence of any type, modify any of the standard conditions for licences of that type in its application to the licence to such extent as it considers requisite to meet the circumstances of the particular case.
- (3) Before making any modifications under subsection (2), the Authority shall give notice—
 - (a) stating that it proposes to make the modifications and setting out their effect;
 - (b) stating the reasons why it proposes to make the modifications; and
 - (c) specifying the time (not being less than 28 days from the date of publication of the notice) within which representations or objections with respect to the proposed modifications may be made,and shall consider any representations or objections which are duly made and not withdrawn.
- (4) A notice under subsection (3) shall be given—
 - (a) by publishing the notice in such manner as the Authority considers appropriate for the purpose of bringing the notice to the attention of persons likely to be affected by the making of the modifications; and
 - (b) by sending a copy of the notice to the Secretary of State and the Council.
- (5) If, within the time specified in the notice under subsection (3), the Secretary of State directs the Authority not to make any modification, the Authority shall comply with the direction.
- (6) The Authority shall not under subsection (2) make any modifications of a condition of a licence of any type unless it is of the opinion that the modifications are such that—
 - (a) the licence holder would not be unduly disadvantaged in competing with other holders of licences of that type; and
 - (b) no other holder of a licence of the same type would be unduly disadvantaged in competing with other holders of such licences (including the holder of the licence being modified).
- (7) The modification under subsection (2) of part of a condition of a licence shall not prevent any other part of the condition which is not so modified being regarded as a standard condition for the purposes of this Part.

F13 S. 8A inserted (1.10.2001) by 2000 c. 27, s. 33(3); S.I. 2001/3266, art. 2, Sch. (subject to transitional provisions in arts. 3-20)

9 General duties of licence holders.

- (1) It shall be the duty of a public electricity supplier to develop and maintain an efficient, co-ordinated and economical system of electricity supply.

Status: Point in time view as at 11/01/1999. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: Electricity Act 1989 is up to date with all changes known to be in force on or before 21 July 2024. There are changes that may be brought into force at a future date. - (2) It shall be the duty of the holder of a licence authorising him to transmit electricity—
 - (a) to develop and maintain an efficient, co-ordinated and economical system of electricity transmission; and
 - (b) subject to subsection (3) below, to facilitate competition in the supply and generation of electricity.
- (3) Subsection (2)(b) above shall apply in Scotland in relation to a person who is also the holder of a licence authorising him to supply or generate electricity as if the duty to facilitate competition in the supply or, as the case may be, the generation of electricity were a duty to make his transmission system available to his competitors on terms which neither prevent nor restrict such competition.
- (4) For the purposes of subsection (3) above a person's competitors are any other persons authorised (whether by a licence or exemption) to supply or, as the case may be, generate electricity.

10 Powers etc. of licence holders.

- (1) Subject to subsection (2) below, Schedule 3 to this Act (which provides for the compulsory acquisition of land) and Schedule 4 to this Act (which confers other powers and makes other provision) shall have effect—
 - (a) in relation to a public electricity supplier or a person authorised by a licence to transmit electricity; and
 - (b) to the extent that his licence so provides, in relation to any other licence holder; and references in those Schedules to a licence holder shall be construed accordingly.
- (2) Where any provision of either of the Schedules mentioned in subsection (1) above is applied to a licence holder by his licence, it shall have effect subject to such restrictions, exceptions and conditions as may be included in the licence for the purpose of qualifying that provision as so applied or any power or right conferred by or under it.
- (3) A licence under section 6(1)(a) above may provide that Schedule 4 to this Act shall have effect in relation to the licence holder as if—
 - (a) any reference to any purpose connected with the carrying on of the activities which he is authorised by his licence to carry on included a reference to any purpose connected with the supply to any premises of heat produced in association with electricity and steam produced from and air and water heated by such heat; and
 - (b) any reference to electric lines or electrical plant included a reference to pipes and associated works used or intended to be used for conveying heat so produced, and steam produced from and air and water heated by such heat; and in this subsection “associated works”, in relation to pipes, means any of the following connected with the pipes, namely, any valve, filter, stopcock, pump, meter, inspection chamber and manhole and such other works as may be prescribed.
- (4) A licence under paragraph (b) or (c) of section 6(1) above may provide that, where any part of the licence holder's authorised area is designated in a subsequent licence under that paragraph, Schedule 4 to this Act shall have effect in relation to the licence holder as if any reference to the activities which he is authorised by his licence to carry on included a reference to the activities which he was previously so authorised to carry on.

Status: Point in time view as at 11/01/1999. This version of this Act contains provisions that are not valid for this point in time.

- (5) The provisions of Schedule 5 to this Act (which provide for the acquisition of water rights for hydro-electric stations in Scotland) shall have effect.

Modification of licences

11 Modification by agreement.

- (1) Subject to the following provisions of this section, the Director may modify the conditions of a licence if the holder of the licence consents to the modifications.
- (2) Before making modifications under this section, the Director shall give notice—
- (a) stating that he proposes to make the modifications and setting out their effect;
 - (b) stating the reasons why he proposes to make the modifications; and
 - (c) specifying the period (not being less than 28 days from the date of publication of the notice) within which representations or objections with respect to the proposed modifications may be made,
- and shall consider any representations or objections which are duly made and not withdrawn.
- (3) A notice under subsection (2) above shall be given—
- (a) by publishing the notice in such manner as the Director considers appropriate for the purpose of bringing the notice to the attention of persons likely to be affected by the making of the modifications; and
 - (b) by serving a copy of the notice on the holder of the licence.
- (4) The Director shall also send a copy of a notice under subsection (2) above to the Secretary of State; and if, within the period specified in the notice, the Secretary of State directs the Director not to make any modifications, the Director shall comply with the direction.

VALID FROM 16/05/2001

[^{F14}11A Modification of standard conditions of licences.

- (1) Subject to the following provisions of this section, the Authority may modify the standard conditions of licences of any type mentioned in section 6(1).
- (2) Where at any time the Authority modifies the standard conditions of licences of any type under this section the Authority may make such incidental or consequential modifications as it considers necessary or expedient of any conditions of any licence of that type.
- (3) Before making any modifications under this section, the Authority shall give notice—
- (a) stating that it proposes to make the modifications and setting out their effect;
 - (b) stating the reasons why it proposes to make the modifications; and
 - (c) specifying the time (not being less than 28 days from the date of publication of the notice) within which representations or objections with respect to the proposed modifications may be made;

and shall consider any representations or objections which are duly made and not withdrawn.

- (4) A notice under subsection (3) shall be given—
- (a) by publishing the notice in such manner as the Authority considers appropriate for the purpose of bringing the notice to the attention of persons likely to be affected by the making of the modifications; and
 - (b) by sending a copy of the notice to each relevant licence holder, to the Secretary of State and to the Council.
- (5) If, within the time specified in the notice under subsection (3), the Secretary of State directs the Authority not to make any modification, the Authority shall comply with the direction.
- (6) The Authority may not under this section make any modifications of the standard conditions of licences of any type unless—
- (a) no notice of objection to those modifications is given to the Authority within the time specified in the notice under subsection (3) by any relevant licence holder;
 - (b) if one or more relevant licence holders give notice of objection to the Authority within that time—
 - (i) the proportion (expressed as a percentage) of the relevant licence holders who have given notice of objection is less than such percentage as may be prescribed; and
 - (ii) the percentage given by subsection (7) is less than such percentage as may be prescribed; or
 - (c) subsection (8) applies to the case.
- (7) The percentage given by this subsection is the proportion (expressed as a percentage) of the relevant licence holders who have given notice of objection, weighted according to their market share in such manner as may be prescribed.
- (8) This subsection applies where the Authority is satisfied that—
- (a) the effect of the standard conditions is such as to impose a burden affecting relevant licence holders in the carrying on of activities to which the modifications relate;
 - (b) the modifications would remove or reduce the burden without removing any necessary protection; and
 - (c) the modifications are such that no holder of a licence of the type in question would be unduly disadvantaged in competing with other holders of such licences.
- (9) Where the Authority modifies the standard conditions of licences of any type—
- (a) the Authority shall also make (as nearly as may be) the same modifications of those conditions for the purposes of their incorporation in licences of that type granted after that time; and
 - (b) the Authority shall publish the modifications in such manner as it considers appropriate.
- (10) In this section—
- “prescribed” means prescribed in an order made by the Secretary of State; and

“relevant licence holder”, in relation to proposed modifications of standard conditions of licences of any type, means the holder of a licence of that type—

- (a) which is to be modified under the proposals by the inclusion of any new standard condition; or
- (b) which includes any standard conditions to which the proposals relate, other than standard conditions which are not in effect (by virtue of anything done under section 33(2) of the Utilities Act 2000) at the time specified in the notice under subsection (3).

- (11) A statutory instrument containing an order under this section shall not be made unless a draft of the instrument has been laid before, and approved by a resolution of, each House of Parliament.]

12 Modification references to Monopolies Commission.

- (1) The Director may make to the Monopolies and Mergers Commission (in this Part referred to as “the Monopolies Commission”) a reference which is so framed as to require the Commission to investigate and report on the questions—
- (a) whether any matters which—
 - (i) relate to the generation, transmission or supply of electricity in pursuance of a licence; and
 - (ii) are specified in the reference, operate, or may be expected to operate, against the public interest; and
 - (b) if so, whether the effects adverse to the public interest which those matters have or may be expected to have could be remedied or prevented by modifications of the conditions of the licence.
- (2) The Director may, at any time, by notice given to the Monopolies Commission vary a reference under this section by adding to the matters specified in the reference or by excluding from the reference some or all of the matters so specified; and on receipt of any such notice the Commission shall give effect to the variation.
- (3) The Director may specify in a reference under this section, or a variation of such a reference, for the purpose of assisting the Monopolies Commission in carrying out the investigation on the reference—
- (a) any effects adverse to the public interest which, in his opinion, the matters specified in the reference or variation have or may be expected to have; and
 - (b) any modifications of the conditions of the licence by which, in his opinion, those effects could be remedied or prevented.
- (4) As soon as practicable after making a reference under this section or a variation of such a reference, the Director—
- (a) shall serve a copy of the reference or variation on the holder of the licence; and

- (b) shall publish particulars of the reference or variation in such manner as he considers appropriate for the purpose of bringing the reference or variation to the attention of persons likely to be affected by it.
- (5) The Director shall also send a copy of a reference under this section, or a variation of such a reference, to the Secretary of State; and if, before the end of the period of 28 days beginning with the day on which the Secretary of State receives the copy of the reference or variation, the Secretary of State directs the Monopolies Commission not to proceed with the reference or, as the case may require, not to give effect to the variation, the Commission shall comply with the direction.
- (6) It shall be the duty of the Director, for the purpose of assisting the Monopolies Commission in carrying out an investigation on a reference under this section, to give to the Commission—
- (a) any information in his possession which relates to matters falling within the scope of the investigation and—
 - (i) is requested by the Commission for that purpose; or
 - (ii) is information which, in his opinion, it would be appropriate for that purpose to give to the Commission without any such request; and
 - (b) any other assistance which the Commission may require, and which it is within his power to give, in relation to any such matters;
- and the Commission, for the purpose of carrying out any such investigation, shall take account of any information given to them for that purpose under this subsection.
- (7) In determining for the purposes of this section whether any particular matter operates, or may be expected to operate, against the public interest, the Monopolies Commission shall have regard to the matters as respects which duties are imposed on the Secretary of State and the Director by section 3 above.
- (8) Sections 70 (time limit for report on merger reference), 81 (procedure in carrying out investigations) and 85 (attendance of witnesses and production of documents) of the 1973 Act, Part II of Schedule 3 to that Act (performance of functions of the Monopolies Commission) and section 24 of the 1980 Act (modifications of provisions about performance of such functions) shall apply in relation to references under this section as if—
- (a) the functions of the Commission in relation to those references were functions under the 1973 Act;
 - (b) the expression “merger reference” included a reference under this section;
 - (c) in the said section 70, references to the Secretary of State were references to the Director and the reference to three months were a reference to six months;
 - (d) in paragraph 11 of the said Schedule 3, the reference to section 71 of the 1973 Act were a reference to subsection (2) above; and
 - (e) paragraph 16(2) of that Schedule were omitted;
- and in this Part “the 1973 Act” means the ^{M5}Fair Trading Act 1973 and “the 1980 Act” means the ^{M6}Competition Act 1980.
- (9) For the purposes of references under this section the Secretary of State shall appoint not less than eight additional members of the Monopolies Commission; and if any functions of the Commission in relation to any such reference are performed by a group—
- (a) the chairman of the Commission shall select one, two or three of those additional members to be members of the group; and

- (ii) if the direction was given under subsection (1)(b), such of those adverse effects as are not remedied or prevented by the modifications made by the Authority under section 14(7)(b).
- (5) In exercising its function under subsection (4)(b) the Commission shall have regard to the matters to which the Authority is required to have regard when determining the conditions of a licence.
- (6) Before making modifications under subsection (4)(b) the Commission shall give notice—
 - (a) stating that it proposes to make the modifications and setting them out;
 - (b) stating the reason why it proposes to make them;
 - (c) specifying the period (not being less than 28 days from the date of publication of the notice) within which representations or objections with respect to the proposed modifications may be made,and shall consider any representations or objections which are duly made and not withdrawn.
- (7) A notice under subsection (4)(a) or (6) shall be given—
 - (a) by publishing the notice in such manner as the Commission considers appropriate for the purpose of bringing it to the attention of persons likely to be affected by the making of the modifications; and
 - (b) by serving a copy on the Authority and the holder of the licence in question or, as the case may be, the relevant licence holders.
- (8) After making modifications under this section the Commission shall publish a notice stating that the modifications have been made and setting them out, with the reasons for making them.
- (9) Where, in consequence of a reference under section 12(1A), the Commission modifies under subsection (4)(b) the standard conditions of licences of any type, the Authority may make such incidental and consequential modifications as it considers necessary or expedient of any conditions of licences of that type granted before that time.
- (10) Where the Commission modifies the standard conditions of licences of any type as mentioned in subsection (9), the Authority—
 - (a) shall make (as nearly as may be) the same modifications of those conditions for the purposes of their incorporation in licences of that type granted after that time; and
 - (b) shall publish the modifications made for those purposes in such manner as it considers appropriate.
- (11) The modification under this section of part of a standard condition of a particular licence in consequence of a reference under section 12(1) shall not prevent any other part of the condition from continuing to be regarded as a standard condition for the purposes of this Part.
- (12) The provisions mentioned in subsection (13) are to apply in relation to the exercise by the Commission of its functions under this section as if—
 - (a) in section 82(1) and (2) of the ^{M8}Fair Trading Act 1973 references to a report of the Commission under that Act were references to a notice under subsection (4)(a), (6) or (8) of this section;

Supply by public electricity suppliers

16 Duty to supply on request.

- (1) Subject to the following provisions of this Part and any regulations made under those provisions, a public electricity supplier shall, upon being required to do so by the owner or occupier of any premises—
 - (a) give a supply of electricity to those premises; and
 - (b) so far as may be necessary for that purpose, provide electric lines or electrical plant or both.
- (2) Where any person requires a supply of electricity in pursuance of subsection (1) above, he shall give to the public electricity supplier a notice specifying—
 - (a) the premises in respect of which the supply is required;
 - (b) the day on which the supply is required to commence;
 - (c) the maximum power which may be required at any time; and
 - (d) the minimum period for which the supply is required to be given.
- (3) Where a public electricity supplier receives from any person a notice under subsection (2) above requiring him to give a supply of electricity to any premises and—
 - (a) he has not previously given a supply of electricity to those premises; or
 - (b) the giving of the supply requires the provision of electric lines or electrical plant or both; or
 - (c) other circumstances exist which make it necessary or expedient for him to do so,

the supplier shall, as soon as practicable after receiving that notice, give to that person a notice under subsection (4) below.
- (4) A notice under this subsection shall—
 - (a) state the extent to which the proposals specified in the other person's notice under subsection (2) above are acceptable to the supplier and specify any counter proposals made by the supplier;
 - (b) state whether the prices to be charged by the supplier will be determined by a tariff under section 18(1) below, or a special agreement under section 22(1) below, and specify the tariff or the proposed terms of the agreement;
 - (c) specify any payment which that person will be required to make under subsection (1) of section 19 below, or under regulations made under subsection (2) of that section;
 - (d) specify any security which that person will be required to give under section 20 below;
 - (e) specify any other terms which that person will be required to accept under section 21 below; and
 - (f) state the effect of section 23 below.
- (5) In this section and sections 17 to 23 below—
 - (a) any reference to giving a supply of electricity includes a reference to continuing to give such a supply;
 - (b) any reference to requiring a supply of electricity includes a reference to requiring such a supply to continue to be given; and

[^{F19}16A Procedure for requiring a connection.

- (1) Where a person requires a connection to be made by an electricity distributor in pursuance of section 16(1), he shall give the distributor a notice requiring him to offer terms for making the connection.
- (2) That notice must specify—
- (a) the premises or distribution system to which a connection to the distributor's system is required;
 - (b) the date on or by which the connection is to be made; and
 - (c) the maximum power at which electricity may be required to be conveyed through the connection.
- (3) The person requiring a connection shall also give the distributor such other information in relation to the required connection as the distributor may reasonably request.
- (4) A request under subsection (3) shall be made as soon as practicable after the notice under subsection (1) is given (if not made before that time).
- (5) As soon as practicable after receiving the notice under subsection (1) and any information requested under subsection (3) the distributor shall give to the person requiring the connection a notice—
- (a) stating the extent (if any) to which his proposals are acceptable to the distributor and specifying any counter proposals made by him;
 - (b) specifying any payment which that person will be required to make under section 19(1) or regulations under section 19(2);
 - (c) specifying any security which that person will be required to give under section 20; and
 - (d) stating any other terms which that person will be required to accept under section 21.
- (6) A notice under subsection (5) shall also contain a statement of the effect of section 23.]

F19 Ss. 16, 16A, 17 and cross-heading substituted for ss. 16, 17 (1.10.2001) by 2000 c. 27, s. 44; S.I. 2001/3266, art. 2, Sch. (subject to transitional provisions in arts. 3-20)

17 Exceptions from duty to supply.

- (1) Nothing in section 16(1) above shall be taken as requiring a public electricity supplier to give a supply of electricity to any premises if—

Status: Point in time view as at 11/01/1999. This version of this Act contains provisions that are not valid for this point in time.

Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (a) such a supply is being given to the premises by a private electricity supplier; and
- (b) that supply is given (wholly or partly) through the public electricity supplier's electric lines and electrical plant;

and in this Part "private electricity supplier" means a person, other than a public electricity supplier, who is authorised by a licence or exemption to supply electricity.

- (2) Nothing in section 16(1) above shall be taken as requiring a public electricity supplier to give a supply of electricity to any premises if and to the extent that—
 - (a) he is prevented from doing so by circumstances not within his control; or
 - (b) circumstances exist by reason of which his doing so would or might involve his being in breach of regulations under section 29 below, and he has taken all such steps as it was reasonable to take both to prevent the circumstances from occurring and to prevent them from having that effect; or
 - (c) it is not reasonable in all the circumstances for him to be required to do so.
- (3) Paragraph (c) of subsection (2) above shall not apply in relation to a supply of electricity which is being given to any premises unless the public electricity supplier gives to the occupier, or to the owner if the premises are not occupied, not less than seven working days' notice of his intention to discontinue the supply in pursuance of that paragraph.

18 Power to recover charges.

- (1) Subject to the following provisions of this section, the prices to be charged by a public electricity supplier for the supply of electricity by him in pursuance of section 16(1) above shall be in accordance with such tariffs (which, subject to any condition included in his licence, may relate to the supply of electricity in different areas, cases and circumstances) as may be fixed from time to time by him.
- (2) A tariff fixed by a public electricity supplier under subsection (1) above —
 - (a) shall be so framed as to show the methods by which and the principles on which the charges are to be made as well as the prices which are to be charged; and
 - (b) shall be published in such manner as in the opinion of the supplier will secure adequate publicity for it.
- (3) A tariff fixed by a public electricity supplier under subsection (1) above may include—
 - (a) a standing charge in addition to the charge for the actual electricity supplied;
 - (b) a charge in respect of the availability of a supply of electricity; and
 - (c) a rent or other charge in respect of any electricity meter or electrical plant provided by the supplier;

and such a charge as is mentioned in paragraph (b) above may vary according to the extent to which the supply is taken up.
- (4) In fixing tariffs under subsection (1) above, a public electricity supplier shall not show undue preference to any person or class of persons, and shall not exercise any undue discrimination against any person or class of persons.

19 Power to recover expenditure.

- (1) Where any electric line or electrical plant is provided by a public electricity supplier in pursuance of section 16(1) above, the supplier may require any expenses reasonably incurred in providing it to be defrayed by the person requiring the supply of electricity to such extent as is reasonable in all the circumstances.
- (2) The Secretary of State may, after consultation with the Director, make provision by regulations for entitling a public electricity supplier to require a person requiring a supply of electricity in pursuance of section 16(1) above to pay to the supplier, in respect of any expenses reasonably incurred in providing any electric line or electrical plant used for the purpose of giving that supply, such amount as may be reasonable in all the circumstances if—
 - (a) the supply is required within the prescribed period after the provision of the line or plant; and
 - (b) a person for the purpose of supplying whom the line or plant was provided (“the initial contributor”) has made a payment to the supplier in respect of those expenses.
- (3) Regulations under subsection (2) above may require a public electricity supplier who, in pursuance of this section or the regulations, has recovered any amount in respect of expenses reasonably incurred in providing any electric line or electrical plant—
 - (a) to exercise his rights under the regulations in respect of those expenses; and
 - (b) to apply any payments received by him in the exercise of those rights in making such payments as may be appropriate towards reimbursing the initial contributor and any persons previously required to make payments under the regulations.
- (4) Any reference in this section to any expenses reasonably incurred in providing an electric line or electrical plant includes a reference to the capitalised value of any expenses likely to be so incurred in maintaining it, in so far as they will not be recoverable by the supplier as part of the charges made by him for the supply.

20 Power to require security.

- (1) Subject to the following provisions of this section, a public electricity supplier may require any person who requires a supply of electricity in pursuance of subsection (1) of section 16 above to give him reasonable security for the payment to him of all money which may become due to him—
 - (a) in respect of the supply; or
 - (b) where any electric line or electrical plant falls to be provided in pursuance of that subsection, in respect of the provision of the line or plant;and if that person fails to give such security, the supplier may if he thinks fit refuse to give the supply, or to provide the line or plant, for so long as the failure continues.
- (2) Where any person has not given such security as is mentioned in subsection (1) above, or the security given by any person has become invalid or insufficient—
 - (a) the public electricity supplier may by notice require that person, within seven days after the service of the notice, to give him reasonable security for the payment of all money which may become due to him in respect of the supply; and
 - (b) if that person fails to give such security, the supplier may if he thinks fit discontinue the supply for so long as the failure continues;

Status: Point in time view as at 11/01/1999. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: Electricity Act 1989 is up to date with all changes known to be in force on or before 21 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

and any notice under paragraph (a) above shall state the effect of section 23 below.

- (3) Where any money is deposited with a public electricity supplier by way of security in pursuance of this section, the supplier shall pay interest, at such rate as may from time to time be fixed by the supplier with the approval of the Director, on every sum of 50p so deposited for every three months during which it remains in the hands of the supplier.
- (4) A public electricity supplier shall not be entitled to require security in pursuance of subsection (1)(a) above if—
 - (a) the person requiring the supply is prepared to take the supply through a pre-payment meter; and
 - (b) it is reasonably practicable in all the circumstances (including in particular the risk of loss or damage) for the supplier to provide such a meter.

21 Additional terms of supply.

A public electricity supplier may require any person who requires a supply of electricity in pursuance of section 16(1) above to accept in respect of the supply—

- (a) any restrictions which must be imposed for the purpose of enabling the supplier to comply with regulations under section 29 below; and
- (b) any terms restricting any liability of the supplier for economic loss resulting from negligence which it is reasonable in all the circumstances for that person to be required to accept.

22 Special agreements with respect to supply.

- (1) Notwithstanding anything in sections 16 to 21 above, a person who requires a supply of electricity in pursuance of section 16(1) above—
 - (a) may enter into a special agreement with the public electricity supplier for the supply on such terms as may be specified in the agreement; and
 - (b) shall enter into such an agreement in any case where—
 - (i) the maximum power to be made available at any time exceeds 10 megawatts; or
 - (ii) it is otherwise reasonable in all the circumstances for such an agreement to be entered into.
- (2) The Secretary of State may by order provide that subsection (1) above shall have effect as if for the wattage mentioned in paragraph (b) there were substituted such other wattage as may be specified in the order; but before making such an order, he shall consult with public electricity suppliers and with persons or bodies appearing to him to be representative of persons likely to be affected.
- (3) So long as any such agreement as is mentioned in subsection (1) above is effective, the rights and liabilities of the parties to the agreement shall be those arising under the agreement and not those provided for by sections 16 to 21 above; but nothing in this subsection shall prejudice the giving of a notice under section 16(2) above specifying as the day on which the supply is required to commence the day on which such an agreement ceases to be effective.
- (4) In this Part “tariff customer” means a person who requires a supply of electricity in pursuance of section 16(1) above and is supplied by the public electricity supplier

Status: Point in time view as at 11/01/1999. This version of this Act contains provisions that are not valid for this point in time.

otherwise than on the terms specified in such an agreement as is mentioned in subsection (1) above.

23 Determination of disputes.

- (1) Any dispute arising under sections 16 to 22 above between a public electricity supplier and a person requiring a supply of electricity—
 - (a) may be referred to the Director by either party; and
 - (b) on such a reference, shall be determined by order made either by the Director or, if he thinks fit, by an arbitrator, or in Scotland arbiter, appointed by him;and the practice and procedure to be followed in connection with any such determination shall be such as the Director may consider appropriate.
- [^{F20}(1A) Any person making an order under subsection (1) above shall include in the order his reasons for reaching his decision with respect to the dispute.]
- (2) Where any dispute arising under sections 16 to 22 above between a public electricity supplier and a person requiring a supply of electricity ^{F21} . . . to be given falls to be determined under this section, the Director may give directions as to the circumstances in which, and the terms on which, the supplier is ^{F21} . . . to give the supply pending the determination of the dispute.
- (3) Where any dispute arising under section 20(1) above falls to be determined under this section, the Director may give directions as to the security (if any) to be given pending the determination of the dispute.
- (4) Directions under subsection (2) or (3) above may apply either in cases of particular descriptions or in particular cases.
- (5) An order under this section—
 - (a) may include such incidental, supplemental and consequential provision (including provision requiring either party to pay a sum in respect of the costs or expenses incurred by the person making the order) as that person considers appropriate; and
 - (b) shall be final and—
 - (i) in England and Wales, shall be enforceable, in so far as it includes such provision as to costs or expenses, as if it were a judgment of the county court;
 - (ii) in Scotland, shall be enforceable as if it were an extract registered decree arbitral bearing a warrant for execution issued by the sheriff.
- (6) In including in an order under this section any such provision as to costs or expenses as is mentioned in subsection (5) above, the person making the order shall have regard to the conduct and means of the parties and any other relevant circumstances.

24 The public electricity supply code.

The provisions of Schedule 6 to this Act (which relate to the supply of electricity by public electricity suppliers) shall have effect.

Enforcement of preceding provisions

25 Orders for securing compliance.

- (1) Subject to subsections (2) and (5) and section 26 below, where the Director is satisfied that a licence holder is contravening, or is likely to contravene, any relevant condition or requirement, he shall by a final order make such provision as is requisite for the purpose of securing compliance with that condition or requirement.
- (2) Subject to subsection (5) below, where it appears to the Director—
 - (a) that a licence holder is contravening, or is likely to contravene, any relevant condition or requirement; and
 - (b) that it is requisite that a provisional order be made,
 he shall (instead of taking steps towards the making of a final order) by a provisional order make such provision as appears to him requisite for the purpose of securing compliance with that condition or requirement.
- (3) In determining for the purposes of subsection (2)(b) above whether it is requisite that a provisional order be made, the Director shall have regard, in particular—
 - (a) to the extent to which any person is likely to sustain loss or damage in consequence of anything which, in contravention of the relevant condition or requirement, is likely to be done, or omitted to be done, before a final order may be made; and
 - (b) to the fact that the effect of the provisions of this section and section 27 below is to exclude the availability of any remedy (apart from under those provisions or for negligence) in respect of any contravention of a relevant condition or requirement.
- (4) Subject to subsection (5) and section 26 below, the Director shall confirm a provisional order, with or without modifications, if—
 - (a) he is satisfied that the licence holder to whom the order relates is contravening, or is likely to contravene, any relevant condition or requirement; and
 - (b) the provision made by the order (with any modifications) is requisite for the purpose of securing compliance with that condition or requirement.
- (5) The Director shall not make a final order or make or confirm a provisional order in relation to a licence holder if he is satisfied—
 - (a) that the duties imposed on him by section 3 above preclude the making or, as the case may be, the confirmation of the order;
 - (b) that the licence holder has agreed to take and is taking all such steps as it appears to the Director for the time being to be appropriate for the licence

- holder to take for the purpose of securing or facilitating compliance with the condition or requirement in question; or
- (c) that the contraventions were, or the apprehended contraventions are, of a trivial nature.
- (6) Where the Director is satisfied as mentioned in subsection (5) above, he shall—
- (a) serve notice that he is so satisfied on the licence holder; and
- (b) publish the notice in such manner as he considers appropriate for the purpose of bringing the matters to which the notice relates to the attention of persons likely to be affected by them.
- (7) A final or provisional order—
- (a) shall require the licence holder to whom it relates (according to the circumstances of the case) to do, or not to do, such things as are specified in the order or are of a description so specified;
- (b) shall take effect at such time, being the earliest practicable time, as is determined by or under the order; and
- (c) may be revoked at any time by the Director.
- (8) In this Part—
- “final order” means an order under this section other than a provisional order;
- “provisional order” means an order under this section which, if not previously confirmed in accordance with subsection (4) above, will cease to have effect at the end of such period (not exceeding three months) as is determined by or under the order;
- “relevant condition”, in relation to a licence holder, means any condition of his licence;
- “relevant requirement”, in relation to a licence holder, means any duty or other requirement imposed on him by or under section 9 or sections 16 to 23 above [^{F22} or section 40(3), 41(3), 42A or 42B below].

and shall consider any representations or objections which are duly made and not withdrawn.
- (2) A notice under subsection (1) above shall be given—
- (a) by publishing the notice in such manner as the Director considers appropriate for the purpose of bringing the matters to which the notice relates to the attention of persons likely to be affected by them; and
- (b) by serving a copy of the notice, and a copy of the proposed order or of the order proposed to be confirmed, on the licence holder to whom the order relates.
- (3) The Director shall not make a final order with modifications, or confirm a provisional order with modifications, except—
- (a) with the consent to the modifications of the licence holder to whom the order relates; or
- (b) after complying with the requirements of subsection (4) below.
- (4) The requirements mentioned in subsection (3) above are that the Director shall—
- (a) serve on the licence holder to whom the order relates such notice as appears to him requisite of his proposal to make or confirm the order with modifications;
- (b) in that notice specify the period (not being less than 28 days from the date of the service of the notice) within which representations or objections with respect to the proposed modifications may be made; and
- (c) consider any representations or objections which are duly made and not withdrawn.
- (5) As soon as practicable after making a final order or making or confirming a provisional order, the Director shall—
- (a) serve a copy of the order on the licence holder to whom the order relates; and
- (b) publish the order in such manner as he considers appropriate for the purpose of bringing it to the attention of persons likely to be affected by it.
- (6) Before revoking a final order or a provisional order which has been confirmed, the Director shall give notice—
- (a) stating that he proposes to revoke the order and setting out its effect; and
- (b) specifying the period (not being less than 28 days from the date of publication of the notice) within which representations or objections with respect to the proposed revocation may be made,
and shall consider any representations or objections which are duly made and not withdrawn.
- (7) If, after giving a notice under subsection (6) above, the Director decides not to revoke the order to which the notice relates, he shall give notice of his decision.
- (8) A notice under subsection (6) or (7) above shall be given—
- (a) by publishing the notice in such manner as the Director considers appropriate for the purpose of bringing the matters to which the notice relates to the attention of persons likely to be affected by them; and
- (b) by serving a copy of the notice on the licence holder to whom the order relates.

27 Validity and effect of orders.

- (1) If the licence holder to whom a final or provisional order relates is aggrieved by the order and desires to question its validity on the ground—
 - (a) that its making or confirmation was not within the powers of section 25 above; or
 - (b) that any of the requirements of section 26 above have not been complied with in relation to it,he may, within 42 days from the date of service on him of a copy of the order, make an application to the court under this section.
- (2) On any such application the court may, if satisfied that the making or confirmation of the order was not within those powers or that the interests of the licence holder have been substantially prejudiced by a failure to comply with those requirements, quash the order or any provision of the order.
- (3) Except as provided by this section, the validity of a final or provisional order shall not be questioned by any legal proceedings whatever.
- (4) The obligation to comply with a final or provisional order shall be a duty owed to any person who may be affected by a contravention of the order.
- (5) Where a duty is owed by virtue of subsection (4) above to any person, any breach of the duty which causes that person to sustain loss or damage shall be actionable at the suit or instance of that person.
- (6) In any proceedings brought against a licence holder in pursuance of subsection (5) above, it shall be a defence for him to prove that he took all reasonable steps and exercised all due diligence to avoid contravening the order.
- (7) Without prejudice to any right which any person may have by virtue of subsection (5) above to bring civil proceedings in respect of any contravention or apprehended contravention of a final or provisional order, compliance with any such order shall be enforceable by civil proceedings by the Director for an injunction or for interdict or for any other appropriate relief.
- (8) In this section and section 28 below “the court” means the High Court in relation to England and Wales and the Court of Session in relation to Scotland.

- (3) Before imposing a penalty on a licence holder under subsection (1) the Authority shall give notice—
- (a) stating that it proposes to impose a penalty and the amount of the penalty proposed to be imposed;
 - (b) setting out the relevant condition or requirement or the standard of performance in question;
 - (c) specifying the acts or omissions which, in the opinion of the Authority, constitute the contravention or failure in question and the other facts which, in the opinion of the Authority, justify the imposition of a penalty and the amount of the penalty proposed; and
 - (d) specifying the period (not being less than 21 days from the date of publication of the notice) within which representations or objections with respect to the proposed penalty may be made,
- and shall consider any representations or objections which are duly made and not withdrawn.
- (4) Before varying any proposal stated in a notice under subsection (3)(a) the Authority shall give notice—
- (a) setting out the proposed variation and the reasons for it; and
 - (b) specifying the period (not being less than 21 days from the date of publication of the notice) within which representations or objections with respect to the proposed variation may be made,
- and shall consider any representations or objections which are duly made and not withdrawn.
- (5) As soon as practicable after imposing a penalty, the Authority shall give notice—
- (a) stating that it has imposed a penalty on the licence holder and its amount;
 - (b) setting out the relevant condition or requirement or the standard of performance in question;
 - (c) specifying the acts or omissions which, in the opinion of the Authority, constitute the contravention or failure in question and the other facts which, in the opinion of the Authority, justify the imposition of the penalty and its amount; and
 - (d) specifying a date, no earlier than the end of the period of 42 days from the date of service of the notice on the licence holder, by which the penalty is required to be paid.
- (6) The licence holder may, within 21 days of the date of service on him of a notice under subsection (5), make an application to the Authority for it to specify different dates by which different portions of the penalty are to be paid.
- (7) Any notice required to be given under this section shall be given—
- (a) by publishing the notice in such manner as the Authority considers appropriate for the purpose of bringing the matters to which the notice relates to the attention of persons likely to be affected by them;
 - (b) by serving a copy of the notice on the licence holder; and
 - (c) by serving a copy of the notice on the Council.
- (8) No penalty imposed by the Authority under this section may exceed 10 per cent. of the turnover of the licence holder (determined in accordance with provisions specified in an order made by the Secretary of State).

 - (a) the imposition of the penalty;
 - (b) the amount of the penalty; or
 - (c) the date by which the penalty is required to be paid, or the different dates by which different portions of the penalty are required to be paid,the licence holder may make an application to the court under this section.
- (2) An application under subsection (1) must be made—
 - (a) within 42 days from the date of service on the licence holder of a notice under section 27A(5), or
 - (b) where the application relates to a decision of the Authority on an application by the licence holder under section 27A(6), within 42 days from the date the licence holder is notified of the decision.
- (3) On any such application, where the court considers it appropriate to do so in all the circumstances of the case and is satisfied of one or more of the grounds falling within subsection (4), the court—
 - (a) may quash the penalty;
 - (b) may substitute a penalty of such lesser amount as the court considers appropriate in all the circumstances of the case; or
 - (c) in the case of an application under subsection (1)(c), may substitute for the date or dates imposed by the Authority an alternative date or dates.
- (4) The grounds falling within this subsection are—
 - (a) that the imposition of the penalty was not within the power of the Authority under section 27A;
 - (b) that any of the requirements of subsections (3) to (5) or (7) of section 27A have not been complied with in relation to the imposition of the penalty and the interests of the licence holder have been substantially prejudiced by the non-compliance; or

- (a) prohibit the supply or transmission of electricity except by means of a system approved by the Secretary of State;
 - (b) make provision requiring notice in the prescribed form to be given to the Secretary of State, in such cases as may be specified in the regulations, of accidents and of failures of supplies or transmissions of electricity;
 - (c) make provision as to the keeping, by persons authorised by a licence or exemption to supply or transmit electricity, of maps, plans and sections and as to their production (on payment, if so required, of a reasonable fee) for inspection or copying;
 - (d) make provision for relieving persons authorised by a licence to supply electricity from any obligation to supply in such cases as may be prescribed;
 - (e) make provision requiring compliance with notices given by the Secretary of State specifying action to be taken in relation to any electric line or electrical plant, or any electrical appliance under the control of a consumer, for the purpose of—
 - (i) preventing or ending a breach of regulations under this section; or
 - (ii) eliminating or reducing a risk of personal injury or damage to property or interference with its use;
 - (f) provide for particular requirements of the regulations to be deemed to be complied with in the case of any electric line or electrical plant complying with specified standards or requirements;
 - (g) provide for the granting of exemptions from any requirement of the regulations for such periods as may be determined by or under the regulations.
- (3) Regulations under this section may provide that any person—
- (a) who contravenes any specified provision of the regulations; or
 - (b) who does so in specified circumstances,
- shall be liable on summary conviction to a fine not exceeding level 5 on the standard scale; but nothing in this subsection shall affect any liability of any such person to pay compensation in respect of any damage or injury which may have been caused by the contravention.
- (4) No proceedings shall be instituted in England and Wales in respect of an offence under this section except by or on behalf of the Secretary of State or the Director of Public Prosecutions.

30 Electrical inspectors.

- (1) The Secretary of State may appoint competent and impartial persons to be electrical inspectors under this Part.
- (2) The duties of an electrical inspector under this Part shall be as follows—
 - (a) to inspect and test, periodically and in special cases, electric lines and electrical plant belonging to persons authorised by a licence or exemption to generate, transmit or supply electricity;
 - (b) to examine, periodically and in special cases, the generation, transmission or supply of electricity by such persons;
 - (c) to inspect and test, if and when required by any consumer, any such lines and plant on the consumer's premises, for the purpose of determining whether any requirement imposed by or under this Part in respect of the lines or plant or the supply of electricity through or by them has been complied with; and

- (d) such other duties as may be imposed by regulations under this section or as the Secretary of State may determine.
- (3) The Secretary of State may by regulations—
- (a) prescribe the manner in which and the times at which any duties are to be performed by electrical inspectors;
 - (b) require persons authorised by a licence or exemption to generate, transmit or supply electricity—
 - (i) to furnish electrical inspectors with records or other information; and
 - (ii) to allow such inspectors access to premises and the use of electrical plant and other facilities;
 - (c) make provision for relieving persons authorised by a licence to supply electricity from any obligation to supply in such cases as may be prescribed; and
 - (d) prescribe the amount of the fees which are to be payable to such inspectors.
- (4) Any fees received by electrical inspectors shall be paid to the Secretary of State; and any sums received by him under this subsection shall be paid into the Consolidated Fund.

31 Use etc. of meters.

The provisions of Schedule 7 to this Act (which relate to the use, certification, testing and maintenance of electricity meters) shall have effect.

Protection of public interest

32 Electricity from non-fossil fuel sources.

- (1) The Secretary of State may, after consultation with the Director and with the suppliers concerned, by order require each public electricity supplier in England and Wales or each such supplier in Scotland, before a day specified in the order, to make (in so far as he has not already done so) and produce evidence to the Director showing that he has made—
- (a) such arrangements; or
 - (b) where a previous order under this subsection has had effect in relation to him, such additional arrangements,
- as will secure the result mentioned in subsection (2) below.
- (2) The result referred to in subsection (1) above is that, for a period specified in the order, there will be available to the public electricity supplier—
- (a) from non-fossil fuel generating stations; or
 - (b) if the order so provides, from non-fossil fuel generating stations of any particular description,
- an aggregate amount of generating capacity which is not less than that specified in relation to him in the order; and an order under subsection (1) above may make different provision for different suppliers.

[^{F30}(2A) For the purposes of this section—

- (a) combined heat and power stations generally; and
- (b) combined heat and power stations of any particular description,

are to be taken as being particular descriptions of non-fossil fuel generating stations.

(2B) A particular description of combined heat and power stations may be described by reference to, or by reference to matters which include—

- (a) the heat or, as the case may be, the steam or heated air or water to be supplied from the station to any premises;
- (b) any premises to which any such heat, steam or heated air or water is to be supplied (including, without prejudice to the generality of the foregoing, the use to which any such premises are put);
- (c) the means or method by which any such heat, steam or heated air or water is to be supplied to any premises (including, without prejudice to the generality of the foregoing, any system or network of supply or distribution); or
- (d) the arrangements (including financial or contractual arrangements) under which any such heat, steam or heated air or water is to be supplied to any premises.

(2C) Subsections (2A) and (2B) above are without prejudice to—

- (a) the generality of subsection (2)(b) above, or
- (b) section 111(2) below;

and subsection (2B) above is without prejudice to the generality of subsection (2A) (b) above.]

(3) A public electricity supplier who—

- (a) fails to comply with an order under subsection (1) above; or
- (b) having complied with such an order, by any act or omission of his prevents the arrangements made by him from securing the result mentioned in subsection (2) above,

shall be liable on conviction on indictment to a fine.

(4) No proceedings shall be instituted in England and Wales in respect of an offence under this section except by or on behalf of the Secretary of State.

(5) Subject to subsection (6) below, if throughout any period a public electricity supplier—

- (a) is entitled under a contract to purchase, at any wattage specified in the contract, electricity generated by a particular non-fossil fuel generating station; or
- (b) himself operates a non-fossil fuel generating station and, of the station's capacity, any wattage does not fall to be regarded, by virtue of paragraph (a) above, as available to any other person,

a generating capacity of that wattage shall be regarded for the purposes of this section as available to that supplier from that station for that period.

(6) The amount of a non-fossil fuel generating station's capacity which may be regarded as available for the purposes of this section shall not exceed that station's declared net capacity; and where different parts of such a station's capacity fall to be regarded as available to different persons, any excess over that station's declared net capacity shall be apportioned between those persons in such manner as the Director may determine.

(7) If the Secretary of State is satisfied that any such arrangements as are mentioned in subsection (1) above have been made before the day specified in the first order under that subsection, he may certify that those arrangements—

Status: Point in time view as at 11/01/1999. This version of this Act contains provisions that are not valid for this point in time.

- (a) have been made by such one or more public electricity suppliers as are specified in the certificate; and
- (b) are such as will secure such a result as is so specified;

and a certificate under this subsection shall be conclusive evidence of the matters stated in it.

(8) In this section—

“coal products” means any substances produced directly or indirectly from coal;

[^{F31}“combined heat and power station” means a non-fossil fuel generating station which is (or may be) operated for purposes including the supply to any premises of—

- (a) heat produced in association with electricity, or
- (b) steam produced from, or air or water heated by, such heat;]

“declared net capacity”, in relation to a non-fossil fuel generating station, means the highest generation of electricity (at the main alternator terminals) which can be maintained indefinitely without causing damage to the plant less—

- (a) so much of that capacity as is consumed by the plant; and
- (b) in the case of a station which is capable of being fuelled by a fossil fuel, so much of that capacity as the Director may determine;

“fossil fuel” means coal, coal products, lignite, natural gas, crude liquid petroleum or petroleum products;

“natural gas” and “petroleum products” have the same meanings as in the ^{M14}Energy Act 1976;

“non-fossil fuel generating station” means a generating station which is (or may be) fuelled or driven otherwise than by a fossil fuel;

and for the purposes of this section a public electricity supplier shall be regarded as such a supplier in England and Wales or such a supplier in Scotland, according as his authorised area falls wholly or mainly in England and Wales or wholly or mainly in Scotland.

(9) The Secretary of State may by regulations provide—

- (a) that subsections (5) to (8) above shall have effect in relation to any non-fossil fuel generating station which is driven by water, wind or solar power with such modifications as may be prescribed; and
- (b) that electricity generated outside the United Kingdom shall be treated for the purposes of subsection (5)(a) above as generated by a non-fossil fuel generating station in such circumstances and to such extent as may be prescribed.

(10) In relation to any time before the commencement of section 4 above, any requirement imposed by subsection (1) above to consult with public electricity suppliers in England and Wales or public electricity suppliers in Scotland shall be construed as a requirement to consult with the Area Boards or, as the case may be, the Scottish Boards.

^{F32}32A Orders under section 32: supplementary.

- (1) An order under section 32 may make provision generally in relation to the renewables obligation imposed by the order, and may in particular specify—
- (a) different obligations for successive periods of time;
 - (b) that only electricity generated using specified descriptions of renewable source is to count towards discharging the obligation (or that such electricity is to count only up to a specified amount);
 - (c) that only electricity generated by specified descriptions of generating station is to count towards discharging the obligation (or that such electricity is to count only up to a specified amount);
 - (d) that a specified minimum amount of electricity generated as mentioned in paragraph (b) or (c) is to be counted towards the discharge of the renewables obligation;
 - (e) how the amount of electricity supplied by an electricity supplier (whether generally or to particular customers or descriptions of customer) is to be determined;
 - (f) how the proportion referred to in section 32(6) or in the definition of “renewable sources” in section 32(8) is to be determined;
 - (g) the consequences for the discharge of the renewables obligation if a generating station of the type mentioned in section 32(6) uses more than a specified proportion of fossil fuel during a specified period (which may include the consequence that none of the electricity generated by that generating station during that period is to count towards discharging the obligation);
 - (h) that specified information, or information of a specified nature, is to be given to the Authority (in addition to the evidence referred to in section 32(3)), and the form in which it is to be given.
- (2) An order may, in relation to any specified period (“the current period”)—
- (a) provide that evidence of electricity supplied in a later period may, when available, be counted towards discharging the renewables obligation for the current period;

 - (c) specify how much later the later period referred to in paragraph (a) or (b) may be;
 - (d) specify a maximum proportion of the renewables obligation for any period which may be discharged as mentioned in paragraph (a) or (b);
 - (e) specify a maximum proportion of electricity supplied in any period evidence of which may be counted towards discharging the renewables obligation for a different period.
- (3) An order may make—
- (a) different provision for different cases or circumstances; and
 - (b) different provision in relation to different suppliers,
- if the Secretary of State is of the opinion that the differences are such that no electricity supplier would be unduly disadvantaged in competing with other electricity suppliers.
- (4) An order may provide for the Authority to require an electricity supplier to provide it with information, or with information of a particular kind, which is in its opinion relevant to the question whether the supplier is discharging, or has discharged, the renewables obligation.
- (5) That information must be given to the Authority in whatever form it requires.
- (6) No person shall be required by virtue of this section to provide any information which he could not be compelled to give in evidence in civil proceedings in the High Court or, in Scotland, the Court of Session.

33 Fossil fuel levy.

- (1) Where the Secretary of State has made one or more orders under section 32 above in relation to public electricity suppliers in England and Wales, or public electricity suppliers in Scotland, he may by regulations provide—
 - (a) for the imposition on such suppliers, and on persons authorised by a licence under section 6(2) above to supply electricity within the authorised area of such a supplier, of a levy in respect of each qualifying month;
 - (b) for the collection of payments in respect of that levy by a prescribed person; and
 - (c) for the making by that person to such suppliers, out of the payments so collected, of payments in respect of each qualifying month.
- (2) The amount of any payment which is required by regulations under this section to be made by any person in respect of the levy shall be calculated, by such method as may be specified by the regulations, by reference to the aggregate amount charged by that person for leviable electricity supplied by him during the qualifying month.
- (3) The amount of any payment required to be made to a public electricity supplier by regulations under this section shall be the aggregate of the amounts given by subsections (4) and (5) below.
- (4) The amount given by this subsection is a one-twelfth part of any advance payments which, in pursuance of qualifying arrangements, fall to be made by the public electricity supplier during the relevant year; and in this subsection “the relevant year” means whichever one of the following periods the qualifying month falls within, namely—
 - (a) the period of twelve months beginning on the day appointed by the first order under section 32 above which has effect in relation to the supplier; and
 - (b) each successive period of twelve months.
- (5) The amount given by this subsection is the difference between—
 - (a) the total cost to the supplier of purchasing or generating any electricity supplied by him during the qualifying month which was generated in pursuance of qualifying arrangements; and
 - (b) what would have been the total cost to him of purchasing or generating that electricity if it had been generated by a fossil fuel generating station, calculated (in each case) by such method as may be specified by regulations under this section and including any advance or deferred payments other than, in the case of the cost mentioned in paragraph (a) above, payments taken into account under subsection (4) above.
- (6) Regulations under this section may—
 - (a) impose requirements (whether as to the furnishing of records or other information or the affording of facilities for the examination and testing of

- (b) make provision as to the times at which payments falling to be made in pursuance of the regulations (whether payments by way of levy or payments to public electricity suppliers) are to be so made; and
- (c) require the amount of any overpayment or underpayment which is made by or to any person (whether it arises because an estimate turns out to be wrong or otherwise) to be set off against or added to any subsequent liability or entitlement of that person.
- (7) The Secretary of State shall exercise the powers conferred by this section in the manner which he considers is best calculated to secure that the sums realised by the levy are sufficient (after payment of the administrative expenses of the prescribed person) to pay to each public electricity supplier in respect of each qualifying month the payment required to be made to him by the regulations.
- [^{F35}(7A) In this section, references to qualifying arrangements, in relation to a public electricity supplier, are to any arrangements in relation to which each of the following is the case—
- (a) the supplier has produced evidence of the making of them to the Director in pursuance of an order under section 32 above;
- (b) they were made jointly with one or more other public electricity suppliers or are arrangements for isolated supply; and
- (c) they satisfy such other requirements as may be prescribed.
- (7B) For the purposes of subsection (7A)(b) above, arrangements are for isolated supply if the electricity generated in pursuance of them is supplied only over a system of electric lines and electrical plant which—
- (a) is operated by a public electricity supplier,
- (b) is located on an island, and
- (c) is not connected directly or indirectly to any system operated by another public electricity supplier.]
- (8) In this section—
- “advance payment” means any payment made or expense incurred in relation to a particular generating station before electricity is first generated by that station, and any reference to the making of advance payments shall be construed accordingly;
- “deferred payment” means any payment made or expense incurred in relation to a particular generating station after electricity ceases to be generated by that station;
- “fossil fuel generating station” means a generating station fuelled by a fossil fuel;
- [“^{F36}leviable electricity” means electricity which—
- (a) is generated by a fossil fuel generating station;
- (b) is generated by a generating station fuelled by nuclear fuel; or

34 Fuel stocks etc. at generating stations.

- (1) This section applies to any generating station which—
 - (a) is of a capacity not less than 50 megawatts; and
 - (b) is fuelled otherwise than by waste or manufactured gases;and in this subsection “waste” has the same meaning as in the ^{M15}Control of Pollution Act 1974.
- (2) The Secretary of State may by order provide that subsection (1) above shall have effect as if for the capacity mentioned in paragraph (a) there were substituted such other capacity (not exceeding 100 megawatts) as may be specified in the order.
- (3) In respect of any generating station to which this section applies, the Secretary of State may give a direction requiring the person who operates it—
 - (a) to make such arrangements with respect to stocks of fuel and other materials held at or near that generating station for the purposes of its operation as will—
 - (i) enable those stocks to be brought within a specified time to, and thereafter maintained at, a specified level; and
 - (ii) ensure that they do not fall below that level, except as may be permitted by the terms of the direction or by a direction under subsection (4) below;
 - (b) to create such stocks and make such arrangements with respect to them;and the amount of any stocks may be specified by reference to the period for which it would enable the generating station to be maintained in operation.

- (4) In respect of any generating station to which this section applies, the Secretary of State may give a direction—
- (a) authorising or requiring the person who operates it to make such use as may be specified of any stocks held at or near that generating station; and
 - (b) requiring that person to operate, or not to operate, that generating station for specified periods, at specified levels of capacity or using specified fuels.
- (5) In subsections (3) and (4) above “specified” means specified by or under the Secretary of State’s direction; and a direction may—
- (a) specify the cases and circumstances in which any stocks are to be treated as held at or near any generating station;
 - (b) specify the extent to which the direction may be treated as complied with where, under arrangements made or approved by the Secretary of State, access can be had to stocks held for the use of a number of consumers;
 - (c) specify the manner in which any period mentioned in subsection (3) or (4) above is to be determined;
 - (d) require anything falling to be specified under the direction to be specified by such persons and by reference to such matters as may be specified.
- (6) A direction under subsection (3) or (4) above which confers on any person the function of specifying anything falling to be specified under the direction may require that person to exercise that function in such manner as may be specified by the direction.

[^{F63}43A Adjustment of charges to help disadvantaged groups of customers.

- (1) If the Secretary of State considers that members of any group (a “disadvantaged group”) of customers of authorised suppliers are treated less favourably than other customers of theirs as respects charges for electricity, he may make an order containing a scheme for the adjustment of charges for electricity with a view to eliminating or reducing the less favourable treatment.
- (2) The scheme may include—
 - (a) provision for the adjustment of charges by authorised distributors or authorised transmitters (as well as by suppliers);
 - (b) in relation to charges payable to suppliers, provision for the adjustment of charges payable by customers who are not members of the disadvantaged group (as well as by persons who are).
- (3) The scheme shall—
 - (a) describe the disadvantaged group;
 - (b) specify the persons whose charges are covered by the scheme; and
 - (c) set out the basis of the adjustment of the charges.

- (4) If the scheme does not relate to the whole of Great Britain, it shall specify the area or areas to which it relates.
- (5) The scheme may—
 - (a) require authorised suppliers, authorised distributors or authorised transmitters to supply information of any specified description, in any specified form, to any other such persons; and
 - (b) provide for the modification of the conditions of licences, for the purpose of facilitating the implementation of the scheme.
- (6) An order shall not be made under this section unless a draft of the statutory instrument containing it has been laid before, and approved by a resolution of, each House of Parliament.]

[^{F64}43B Orders: supplementary.

- (1) Before making an order under section 43A, the Secretary of State shall give notice—
 - (a) stating that he proposes to make an order and setting out its effect;
 - (b) stating the reasons why he proposes to make the order; and
 - (c) specifying the time (not being less than 28 days from the date of publication of the notice) within which representations or objections with respect to the proposed order may be made,
 and shall consider any representations or objections which are duly made and not withdrawn.
- (2) The notice shall be given—
 - (a) by serving a copy of it on the persons whose charges are covered by the proposed order; and
 - (b) by publishing it in such manner as the Secretary of State considers appropriate for bringing the proposed order to the attention of other persons likely to be affected by it.
- (3) An order under section 43A shall continue in force for such period not exceeding three years as is specified in the order; but that does not prevent the making of another order to come into force at the end of that period.
- (4) The Secretary of State may by order require authorised suppliers, authorised distributors or authorised transmitters to supply information of any specified description, in any specified form, to any other such persons for the purpose of enabling the making of an order under section 43A.

44 Fixing of maximum charges for reselling electricity.

- (1) This section applies to electricity supplied to a consumer’s premises by an authorised electricity supplier, that is to say, a person who is authorised by a licence or exemption to supply electricity.
- (2) The Director may from time to time fix maximum prices at which electricity to which this section applies may be resold, and shall publish any prices so fixed in such manner as in his opinion will secure adequate publicity for them.
- (3) Different prices may be fixed under this section in different classes of cases, which may be defined by reference to areas, tariffs applicable to electricity supplied by the authorised electricity suppliers or any other relevant circumstances.
- (4) If any person resells electricity to which this section applies at a price exceeding the maximum price fixed under this section and applicable thereto, the amount of the excess shall be recoverable by the person to whom the electricity was resold.

Investigation of complaints

45 Investigation of enforcement matters.

- (1) Subject to subsection (2) below, it shall be the duty of the Director to investigate any matter which appears to him to be an enforcement matter and which—
 - (a) is the subject of a representation (other than one appearing to the Director to be frivolous) made to the Director by or on behalf of a person appearing to the Director to have an interest in that matter; or
 - (b) is referred to him by a consumers’ committee under subsection (3) below.
- (2) The Director may, if he thinks fit, require a consumers’ committee to investigate and report to him on any matter falling within subsection (1) above which relates to a person authorised by a licence to supply electricity in the committee’s area.

- (a) appears to the committee to be an enforcement matter; and
 - (b) is the subject of a representation (other than one appearing to the committee to be frivolous) made to the committee by or on behalf of a person appearing to the committee to have an interest in that matter.
- (4) In this section and section 46 below “enforcement matter” means any matter in respect of which any functions of the Director under section 25 above are or may be exercisable.

46 Investigation of certain other matters.

- (1) It shall be the duty of each consumers’ committee to investigate any matter which appears to the committee to be a relevant matter and which—
- (a) is the subject of a representation (other than one appearing to the committee to be frivolous) made to the committee by or on behalf of a person appearing to the committee to have an interest in that matter; or
 - (b) is referred to the committee by the Director under subsection (2) below.
- (2) Subject to subsection (3) below, it shall be the duty of the Director to refer to a consumers’ committee any matter which—
- (a) appears to the Director to be a relevant matter; and
 - (b) is the subject of a representation (other than one appearing to the Director to be frivolous) made to the Director by or on behalf of a person appearing to the Director to have an interest in that matter.
- (3) Nothing in subsection (2) above shall require the Director to refer to a consumers’ committee any matter in respect of which he is already considering exercising functions under this Part.
- (4) Where on an investigation under subsection (1) above any matter appears to a consumers’ committee to be a matter in respect of which it would be appropriate for the Director to exercise any functions under this Part, the committee shall refer that matter to the Director with a view to his exercising those functions with respect to that matter.
- (5) In this section “relevant matter”, in relation to a consumers’ committee, means any matter (other than an enforcement matter)—
- (a) in respect of which any functions of the Director under this Part are or may be exercisable; and
 - (b) which relates to a public electricity supplier allocated to the committee or to any other person authorised by a licence to supply electricity in that committee’s area.

- (2) Where the Council has investigated a matter under this section it may make a report on that matter to the Authority, the Secretary of State, the Director General of Fair Trading or any other public authority whose functions appear to the Council to be exercisable in relation to that matter.
- (3) Subject to subsection (4), the Council may—
 - (a) send a report on any matter investigated under this section to any person who appears to the Council to have an interest in that matter; and
 - (b) publish any such report in such manner as the Council thinks appropriate.
- (4) Information which relates to the affairs of any particular individual or body of persons (corporate or unincorporate)—
 - (a) shall not be included in a report which is to be sent to any person under subsection (3)(a), unless one or more of paragraphs (a) to (c) of subsection (5) applies; and
 - (b) shall be excluded from any such report which is to be published under subsection (3)(b), unless one or more of paragraphs (a) to (c) of subsection (6) applies.
- (5) Information relating to a particular individual or body may be included in a report to be sent under subsection (3)(a) if—
 - (a) that individual or body has consented to the disclosure;
 - (b) it is information that is available to the public from some other source; or
 - (c) it is not information the disclosure of which would or might, in the opinion of the Council, seriously and prejudicially affect the interests of that individual or body.
- (6) Information relating to a particular individual or body may be included in a report to be published under subsection (3)(b) if—
 - (a) that individual or body has consented to the publication;
 - (b) it is information that is available to the public from some other source; or
 - (c) it is not information the publication of which would or might, in the opinion of the Council, seriously and prejudicially affect the interests of that individual or body.
- (7) Before deciding to include in such a report any information relating to a particular individual or body in pursuance of subsection (5)(c) or (6)(c), the Council shall—
 - (a) consult that individual or body; and
 - (b) have regard to any opinion expressed by the Authority as to the application of subsection (5)(c) or (6)(c) to the information or as to the desirability or otherwise of its inclusion in the report;and paragraph (b) applies whether the opinion is given in relation to the information itself or to information of a description which applies to that information.]

Other functions of Director

47 General functions.

- (1) It shall be the duty of the Director, so far as it appears to him practicable from time to time to do so—
 - (a) to keep under review the carrying on both in Great Britain and elsewhere of activities to which this subsection applies; and
 - (b) to collect information with respect to those activities, and the persons by whom they are carried on, with a view to facilitating the exercise of his functions under this Part;

and this subsection applies to any activities connected with the generation, transmission and supply of electricity, including in particular activities connected with the supply to any premises of heat produced in association with electricity and steam produced from and air and water heated by such heat.
- (2) The Secretary of State may give general directions indicating—
 - (a) considerations to which the Director should have particular regard in determining the order of priority in which matters are to be brought under review in performing his duty under subsection (1)(a) or (b) above; and
 - (b) considerations to which, in cases where it appears to the Director that any of his functions under this Part are exercisable, he should have particular regard in determining whether to exercise those functions.
- (3) It shall be the duty of the Director, where either he considers it expedient or he is requested by the Secretary of State or the Director General of Fair Trading to do so, to give information, advice and assistance to the Secretary of State or that Director with respect to any matter in respect of which any function of the Director under this Part is exercisable.
- (4) It shall be the duty of the Director to make such arrangements as he considers appropriate—
 - (a) for the provision of information by him to consumers' committees; or
 - (b) for facilitating the provision of information by consumers' committees to other such committees.

48 Publication of information and advice.

- (1) The Director may arrange for the publication, in such form and in such manner as he considers appropriate, of such information and advice as it may appear to him expedient to give to customers or potential customers of persons authorised by a licence to supply electricity.
- (2) In arranging for the publication of any such information or advice the Director shall have regard to the need for excluding, so far as that is practicable, the matters specified in section 42(5)(a) and (b) above.
- (3) The Director General of Fair Trading shall consult the Director before publishing under section 124 of the 1973 Act any information or advice which may be published by the Director under this section.

49 Keeping of register.

- (1) The Director shall, at such premises and in such form as he may determine, maintain a register for the purposes of this Part.
- (2) Subject to subsection (3) and to any direction given under subsection (4) below, the Director shall cause to be entered in the register the provisions of—
 - (a) every licence and every exemption granted to a particular person;
 - (b) every modification or revocation of a licence;
 - (c) every direction or consent given or determination made under a licence; and
 - (d) every final or provisional order, every revocation of such an order and every notice under section 25(6) above.
- (3) In entering any provision in the register, the Director shall have regard to the need for excluding, so far as that is practicable, the matters specified in section 42(5)(a) and (b) above.
- (4) If it appears to the Secretary of State that the entry of any provision in the register would be against the public interest or the commercial interests of any person, he may direct the Director not to enter that provision in the register.
- (5) The contents of the register shall be available for inspection by the public during such hours and subject to the payment of such fee as may be specified in an order made by the Secretary of State.
- (6) Any person may, on the payment of such fee as may be specified in an order so made, require the Director to supply him with a copy of, or extract from, any part of the register, being a copy or extract which is certified by the Director to be a true copy or extract.
- (7) Any sums received by the Director under this section shall be paid into the Consolidated Fund.

VALID FROM 01/10/2001

[^{F66}49A Reasons for decisions.

- (1) This section applies to the following decisions of the Authority or the Secretary of State, namely—
 - (a) the revocation of a licence;
 - (b) the modification of the conditions of a licence;
 - (c) the giving of any directions or consent in pursuance of a condition included in a licence by virtue of section 7(3)(a) or (b);
 - (d) the determination of a question referred in pursuance of a condition included in a licence by virtue of section 7(3)(c);
 - (e) the determination of a dispute referred under section 23(1);
 - (f) the making of a final order, the making or confirmation of a provisional order or the revocation of a final order or of a provisional order which has been confirmed.
- (2) As soon as reasonably practicable after making such a decision the Authority or the Secretary of State shall publish a notice stating the reasons for the decision in such

50 Annual and other reports.

- (1) The Director shall, as soon as practicable after the end of the year 1989 and of each subsequent calendar year—
 - (a) make to the Secretary of State a report on—
 - (i) his activities during that year; and
 - (ii) the Monopolies Commission’s activities during that year so far as relating to references made by him; and
 - (b) send a copy of that report to the chairman and members of each of the consumers’ committees.
- (2) Every such report shall—
 - (a) include a general survey of developments, during the year to which it relates, in respect of matters falling within the scope of the Director’s functions;
 - (b) set out any final or provisional orders made by the Director during that year;
 - (c) set out any general directions given to the Director during that year under section 47(2) above;
 - (d) include a general survey of the activities during that year of the consumers’ committees and a summary of any reports made to him by those committees under section 52 below; and
 - (e) include a general survey of the activities during the year of the National Consumers’ Consultative Committee.
- (3) The Secretary of State shall lay a copy of every report made by the Director under subsection (1) above before each House of Parliament and shall arrange for copies of every such report to be published in such manner as he considers appropriate.
- (4) The Director shall also make to the Secretary of State—
 - (a) such reports with respect to the matters mentioned in subsection (2)(a) above as the Secretary of State may from time to time require; and

- (b) such other reports with respect to those matters as may appear to him to be expedient;
and the Director shall, if the Secretary of State so directs, arrange for copies of any report made under this subsection to be published in such manner as is specified in the direction.
- (5) In making or preparing any report under this section the Director shall have regard to the need for excluding, so far as that is practicable, the matters specified in section 42(5)(a) and (b) above.
- (6) Section 125(1) of the 1973 Act (annual and other reports) shall not apply to activities of the Monopolies Commission on which the Director is required to report by this section.

Provisions with respect to committees

51 General duty of consumers' committees to advise Director etc.

It shall be the duty of each consumers' committee—

- (a) to make representations to and consult with each public electricity supplier allocated to the committee about all such matters as appear to the committee to affect the interests of customers or potential customers of that supplier;
- (b) to keep under review matters affecting the interests of consumers of electricity supplied to premises in the committee's area; and
- (c) to advise the Director on any matter relating to the supply of electricity in that area on which they consider they should offer advice or which is referred to them by the Director.

52 Periodical and other reports of consumers' committees.

- (1) Each consumers' committee—
 - (a) shall make a report to the Director on any such matter as he may require; and
 - (b) may make a report to the Director concerning any matter which appears to the committee to affect the interests of customers or potential customers of a public electricity supplier allocated to the committee.
- (2) Each consumers' committee shall at least once in every year, and whenever directed to do so by the Director, make a report to him on their activities; and every such report shall include a statement of the matters on which, during the period to which it relates, the committee have advised the Director under section 51 above.
- (3) The Director may arrange for a report made to him under this section to be published in such manner as he considers appropriate.
- (4) In publishing any report under this section the Director shall have regard to the need for excluding, so far as that is practicable, the matters specified in section 42(5)(a) and (b) above.

53 The National Consumers' Consultative Committee.

- (1) There shall be a committee, to be known as the National Consumers' Consultative Committee, of which the Director shall be chairman and the ordinary members shall be the persons who for the time being hold office as chairmen of consumers' committees.
- (2) The Committee shall meet at least four times a year and shall be under a duty—
 - (a) to keep under review matters affecting the interests of consumers of electricity generally; and
 - (b) to facilitate the exchange of information relating to such matters between the Director, the ordinary members and their respective consumers' committees.

Provisions with respect to Consumers' etc. Councils

54 Abolition of Consumers' etc. Councils.

The following Councils, namely—

- (a) the Electricity Consumers' Council;
- (b) the Consultative Councils established under section 7 of the ^{M18}Electricity Act 1947 for the areas of Area Boards; and
- (c) the Consultative Councils established under section 7A of that Act for the districts of Scottish Boards,

shall cease to exist.

- (a) that specified activities are to become licensable activities; or
- (b) that specified activities are to cease to be licensable activities.
- (2) For the purposes of this Part activities are licensable activities if undertaking them without the authority of a licence or exemption constitutes an offence under section 4(1).
- (3) An order under this section may make consequential, transitional, incidental or supplementary provision including—
- (a) amendments (or repeals) in any provision of this Act or any other enactment; and

Status: Point in time view as at 11/01/1999. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: Electricity Act 1989 is up to date with all changes known to be in force on or before 21 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (b) provision modifying any standard conditions of licences or (in the case of an order under subsection (1)(a)) provision determining the conditions which are to be standard conditions for the purposes of licences authorising the undertaking of activities which are to become licensable activities.
- (4) An order under this section may only provide for activities to become licensable activities if they are activities connected with the generation, transmission, distribution or supply of electricity.
- (5) An order under this section providing for activities to become licensable activities may only be made on the application of the Authority made in accordance with section 56B.
- (6) An order under this section providing for activities to cease to be licensable activities may be made either—
 - (a) on the application of the Authority made in accordance with section 56E; or
 - (b) following consultation by the Secretary of State in accordance with section 56F.
- (7) An order under this section may provide that it is to remain in force only for a period specified in the order.
- (8) An order shall not be made under this section unless a draft of the statutory instrument containing it has been laid before, and approved by a resolution of, each House of Parliament.

F70 Ss. 56A-56F and cross-heading inserted (1.10.2001) by 2000 c. 27, s. 43; S.I. 2001/3266, art. 2, Sch. (subject to transitional provisions in arts. 3-20)

^{F71}**56B Application by Authority for order including new activities.**

- (1) If the Authority proposes to make an application for an order providing for activities to become licensable activities, it shall give notice—
 - (a) stating that it proposes to make an application for an order providing for the activities to become licensable activities;
 - (b) setting out the conditions which it would expect such an order to determine to be standard conditions for the purposes of licences authorising the undertaking of the activities and any other conditions which it would expect to be included in such licences; and
 - (c) specifying a reasonable period (not being less than 28 days from the date of publication of the notice) within which representations or objections may be made with respect to the proposal,
 and shall consider any representations or objections which are duly made and not withdrawn.
- (2) The notice shall be given by serving a copy on the Council and by publishing it in such manner as the Authority considers appropriate for bringing it to the attention of—
 - (a) persons appearing to it to be carrying on, or be intending to carry on, the activities; and

Status: Point in time view as at 11/01/1999. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: Electricity Act 1989 is up to date with all changes known to be in force on or before 21 July 2024. There are changes that may be brought into force at a future date. - (b) any other persons appearing to it to be likely to be affected by an order providing for the activities to become licensable activities.
- (3) If an objection has been duly made (and not withdrawn) by a person who is carrying on or intends to carry on the activities, the Authority shall make a reference to the Competition Commission under section 56C before making the application.
- (4) In any other case where the Authority considers it appropriate to make a reference to the Commission under section 56C before making the application, the Authority may make such a reference.
- (5) If a reference is made to the Commission, the application shall not be made unless the Commission has reported on the reference that the fact that the activities to which the application relates are not licensable activities operates, or may be expected to operate, against the public interest.
- (6) The application shall set out—
 - (a) the activities which the Authority considers should become licensable activities; and
 - (b) the conditions which the Authority would expect to be determined to be standard conditions for the purposes of licences authorising the undertaking of the activities in question and any other conditions which it would expect to be included in such licences.

^{F72}**56C References to Competition Commission.**

- (1) A reference to the Competition Commission under this section shall require the Commission to investigate and report on whether the fact that the activities specified in the reference are not licensable activities operates, or may be expected to operate, against the public interest.
- (2) The Authority may, at any time, by notice given to the Commission vary the reference by adding to the activities specified in the reference or by excluding from the reference some of the activities so specified; and on receipt of such notice the Commission shall give effect to the variation.
- (3) The Authority shall specify in the reference, or a variation of the reference, for the purpose of assisting the Commission in carrying out the investigation on the reference—
 - (a) the conditions which the Authority would expect to be determined to be standard conditions for the purposes of licences authorising the undertaking of the activities specified in the reference and any other conditions which it would expect to be included in such licences; and
 - (b) any effects adverse to the public interest which, in its opinion, the fact that the activities so specified are not licensable activities has or may be expected to have.

Status: Point in time view as at 11/01/1999. This version of this Act contains provisions that are not valid for this point in time.

Changes to legislation: Electricity Act 1989 is up to date with all changes known to be in force on or before 21 July 2024. There are changes that may be brought into force at a future date. Changes that have been made appear in the content and are referenced with annotations. (See end of Document for details)

- (4) As soon as practicable after making the reference, or a variation of the reference, the Authority shall serve a copy of it on the Council and publish particulars of it in such manner as the Authority considers appropriate for bringing it to the attention of—
- (a) persons appearing to the Authority to be carrying on, or be intending to carry on, the activities specified in it; and
 - (b) any other persons appearing to the Authority to be likely to be affected by it.
- (5) The Authority shall, for the purpose of assisting the Commission in carrying out the investigation on the reference, give to the Commission—
- (a) any information which is in its possession and which relates to matters falling within the scope of the investigation, and which is either requested by the Commission for that purpose or is information which in its opinion it would be appropriate for that purpose to give to the Commission without any such request; and
 - (b) any other assistance which the Commission may require, and which it is within its power to give, in relation to any such matters,
- and the Commission shall take account of the information for the purpose of carrying out the investigation.
- (6) In determining for the purposes of this section whether the fact that particular activities are not licensable activities operates, or may be expected to operate, against the public interest, the Commission shall have regard to—
- (a) the matters referred to in section 3A;
 - (b) any social or environmental policies set out or referred to in guidance issued under section 3B; and
 - (c) any advice given by the Health and Safety Commission or the Secretary of State under section 3C (advice about health and safety in relation to electricity).
- (7) The provisions mentioned in subsection (8) are to apply in relation to references under this section as if—
- (a) the functions of the Commission in relation to those references were functions under the ^{M19}Fair Trading Act 1973;
 - (b) the expression “merger reference” included a reference under this section;
 - (c) in section 70 of the ^{M20}Fair Trading Act 1973—
 - (i) references to the Secretary of State were references to the Authority; and
 - (ii) the reference to three months were a reference to six months.
- (8) The provisions are—
- (a) sections 70 (time limit for report on merger), 85 (attendance of witnesses and production of documents) and 93B (false or misleading information) of the ^{M21}Fair Trading Act 1973;
 - (b) Part II of Schedule 7 to the ^{M22}Competition Act 1998 (performance of the Commission’s general functions); and
 - (c) section 24 of the ^{M23}Competition Act 1980 (modification of provisions about performance of such functions).

Status: Point in time view as at 11/01/1999. This version of this Act contains provisions that are not valid for this point in time.

^{F74}**56D Reports on references.**

- (1) In making a report on a reference under section 56C, the Competition Commission shall include in the report definite conclusions on whether the fact that the activities specified in the reference (or the reference as varied) are not licensable activities operates, or may be expected to operate, against the public interest.
- (2) The Commission shall also include in the report such an account of its reasons for those conclusions as in its opinion is expedient for facilitating proper understanding of the questions raised by the reference and of its conclusions.
- (3) Where the Commission concludes that the fact that particular activities are not licensable activities operates, or may be expected to operate, against the public interest, it shall specify in the report—
 - (a) the effects adverse to the public interest which that fact has or may be expected to have; and
 - (b) any modifications to the conditions specified in the reference in accordance with section 56C(3)(a) which they consider appropriate.
- (4) Section 82 of the ^{M24}Fair Trading Act 1973 (general provisions as to reports) shall apply in relation to reports of the Commission on references under section 56C as it applies to reports of the Commission under that Act.
- (5) A report of the Commission on a reference under section 56C shall be made to the Authority.
- (6) On receiving the report, the Authority shall send a copy of it to the Secretary of State.
- (7) Subject to subsection (8), the Authority shall, not less than 14 days after the copy is received by the Secretary of State, send another copy to the Council and publish that other copy in such manner as the Authority considers appropriate for bringing the report to the attention of persons likely to be affected by it.
- (8) If it appears to the Secretary of State that the publication of any matter in the report would be against the public interest or the commercial interests of any person, he may, before the end of the period of 14 days mentioned in subsection (7), direct the Authority to exclude that matter from the copy of the report to be sent to the Council and published under that subsection.

58 Directions restricting the use of certain information.

- (1) The Secretary of State may give to any person who is authorised by a licence to transmit electricity (“the authorised person”) such directions as appear to the Secretary of State to be requisite or expedient for the purpose of securing that, in any case where subsection (2) below applies, neither the person by whom the information mentioned in that subsection is acquired nor any other person obtains any unfair commercial advantage from his possession of the information.
- (2) This subsection applies where, in the course of any dealings with an outside person who is, or is an associate of, a person authorised by a licence or exemption to generate, transmit or supply electricity, the authorised person or any associate of his is furnished with or otherwise acquires any information which relates to the affairs of that outside person or any associate of his.
- (3) As soon as practicable after giving any directions under subsection (1) above, the Secretary of State shall publish a copy of the directions in such manner as he considers appropriate for the purpose of bringing the directions to the attention of persons likely to be affected by a contravention of them.
- (4) The obligation to comply with any directions under subsection (1) above is a duty owed to any person who may be affected by a contravention of them.
- (5) Where a duty is owed by virtue of subsection (4) above to any person any breach of the duty which causes that person to sustain loss or damage shall be actionable at the suit or instance of that person.
- (6) In any proceedings brought against any person in pursuance of subsection (5) above, it shall be a defence for him to prove that he took all reasonable steps and exercised all due diligence to avoid contravening the directions.
- (7) Without prejudice to any right which any person may have by virtue of subsection (5) above to bring civil proceedings in respect of any contravention or apprehended contravention of any directions under this section, compliance with any such directions shall be enforceable by civil proceedings by the Secretary of State for an injunction or interdict or for any other appropriate relief.
- (8) In this section—
 - “dealings” includes dealings entered into otherwise than for purposes connected with the transmission of electricity;
 - “outside person”, in relation to any person, means any person who is not an associate of his;

and for the purposes of this section a person is an associate of another if he and that other are connected with each other within the meaning of section 839 of the ^{M38}Income and Corporation Taxes Act 1988.]

- (b) provide that any rights or liabilities specified or described in the scheme shall be enforceable either by or against either or any, or by or against both or all, of two or more companies nominated for the purposes of the relevant subsection;
 - (c) impose on any company nominated for the purposes of the relevant subsection an obligation to enter into such written agreements with, or execute such other instruments in favour of, any other company so nominated as may be specified in the scheme; and
 - (d) make such supplemental, incidental and consequential provision as the transferor considers appropriate (including provision specifying the order in which any transfers or transactions are to be regarded as taking effect).
- (3) An obligation imposed by a provision included in a transfer scheme by virtue of subsection (2)(c) above shall be enforceable by civil proceedings by the other company for an injunction or for interdict or for any other appropriate relief.
- (4) A transaction of any description which is effected in pursuance of such a provision as is mentioned in subsection (3) above—
- (a) shall have effect subject to the provisions of any enactment which provides for transactions of that description to be registered in any statutory register; but
 - (b) subject to that, shall be binding on all other persons, notwithstanding that it would, apart from this subsection, have required the consent or concurrence of any other person.
- (5) Where a lease of any land is granted in pursuance of such a provision as is mentioned in subsection (3) above, any right of pre-emption or other like right affecting that land—
- (a) shall not become exercisable by reason of the grant of the lease; but
 - (b) shall have effect as if the lessee were the same person in law as the lessor.

69 Functions of Secretary of State in relation to transfer schemes.

- (1) A transfer scheme shall not take effect unless it is approved by the Secretary of State; and the Secretary of State may modify such a scheme before approving it.
- (2) If, in relation to a transfer scheme—
- (a) the transferor fails, before the date specified in the Secretary of State's direction under the relevant subsection, to submit the scheme for the approval of the Secretary of State; or
 - (b) the Secretary of State decides not to approve the scheme that has been submitted to him by the transferor (either with or without modifications),
- the Secretary of State may himself make the scheme.
- (3) It shall be the duty of the transferor to provide the Secretary of State with all such information and other assistance as he may require for the purposes of or in connection with the exercise, in relation to a transfer scheme, of any power conferred on him by subsection (1) or (2) above.
- (4) The Secretary of State shall not exercise any power conferred on him by subsection (1) or (2) above except after consultation with the transferor and—
- (a) in the case of a scheme under section 66(1) above, the Area Boards; and
 - (b) in the case of a scheme under section 67(1) above, the other Scottish Board.

70 Supplementary provisions as to transfers under sections 66 and 67.

The provisions of Schedule 10 to this Act shall apply, to the extent there mentioned, to any transfer which is effected by subsection (5) of section 66 or subsection (4) of section 67 above; and those subsections shall have effect subject to the provisions of that Schedule.

Ownership of successor companies

71 Initial Government holding in the companies.

- (1) As a consequence of the vesting in a company nominated for the purposes of section 65(1), 66(1) or (2) or 67(1) above (in this Part referred to as a “successor company”) of any property, rights and liabilities, the company shall issue such securities of the company as the Secretary of State may from time to time direct—
 - (a) to the Treasury or the Secretary of State; or
 - (b) to any person entitled to require the issue of the securities following their initial allotment to the Treasury or the Secretary of State.
- (2) The Secretary of State shall not give a direction under subsection (1) above in relation to a successor company at a time when the company has ceased to be wholly owned by the Crown.
- (3) Securities required to be issued in pursuance of this section shall be issued or allotted at such time or times and on such terms as the Secretary of State may direct.
- (4) Shares in a company which are issued in pursuance of this section—
 - (a) shall be of such nominal value as the Secretary of State may direct; and
 - (b) shall be issued as fully paid and treated for the purposes of the ^{M49}Companies Act 1985 as if they had been paid up by virtue of the payment to the company of their nominal value in cash.
- (5) The Secretary of State shall not exercise any power conferred on him by this section, or dispose of any securities issued or of any rights to securities initially allotted to him in pursuance of this section, without the consent of the Treasury.
- (6) Any dividends or other sums received by the Treasury or the Secretary of State in right of or on the disposal of any securities or rights acquired by virtue of this section shall be paid into the Consolidated Fund.

- (2) The Secretary of State shall not dispose of any securities or rights acquired under this section without the consent of the Treasury.
- (3) Any expenses incurred by the Treasury or the Secretary of State in consequence of the provisions of this section shall be paid out of money provided by Parliament.
- (4) Any dividends or other sums received by the Treasury or the Secretary of State in right of, or on the disposal of, any securities or rights acquired under this section shall be paid into the Consolidated Fund.

73 Exercise of functions through nominees.

- (1) The Treasury or, with the consent of the Treasury, the Secretary of State may, for the purposes of section 71 or 72 above or section 80 below, appoint any person to act as the nominee, or one of the nominees, of the Treasury or the Secretary of State; and—
 - (a) securities of a successor company may be issued under section 71 above or section 80 below to any nominee of the Treasury or the Secretary of State appointed for the purposes of that section or to any person entitled to require the issue of the securities following their initial allotment to any such nominee; and
 - (b) any such nominee appointed for the purposes of section 72 above may acquire securities or rights under that section,
in accordance with directions given from time to time by the Treasury or, with the consent of the Treasury, by the Secretary of State.
- (2) Any person holding any securities or rights as a nominee of the Treasury or the Secretary of State by virtue of subsection (1) above shall hold and deal with them (or any of them) on such terms and in such manner as the Treasury or, with the consent of the Treasury, the Secretary of State may direct.

74 Target investment limit for Government shareholding.

- (1) As soon as he considers expedient and, in any case, not later than six months after any operating company ceases to be wholly owned by the Crown, the Secretary of State shall by order fix a target investment limit in relation to the shares for the time being held in that company by virtue of any provision of this Part by the Treasury and their nominees and by the Secretary of State and his nominees (in this section referred to as “the Government shareholding”).
- (2) The target investment limit for the Government shareholding in an operating company shall be expressed as a proportion of the voting rights which are exercisable in all circumstances at general meetings of the company (in this section referred to as “the ordinary voting rights”).
- (3) The first target investment limit fixed under this section for the Government shareholding in a particular company shall not exceed, by more than 0.5 per cent. of the ordinary voting rights, the proportion of those rights which is in fact carried by the Government shareholding in that company at the time when the order fixing the limit is made.
- (4) The Secretary of State may from time to time by order fix a new target investment limit for the Government shareholding in an operating company in place of the one previously in force under this section; but—

- (a) any new limit must be lower than the one it replaces; and
 - (b) an order under this section may only be revoked by an order fixing a new limit.
- (5) It shall be the duty of the Treasury and of the Secretary of State so to exercise—
- (a) their powers under section 72 above and any power to dispose of any shares held by virtue of any provision of this Part; and
 - (b) their power to give directions to their respective nominees,
- as to secure in relation to each operating company that the Government shareholding in that company does not carry a proportion of the ordinary voting rights exceeding any target investment limit for the time being in force under this section in relation to that company.
- (6) Notwithstanding subsection (5) above but subject to subsection (7) below, the Treasury or the Secretary of State may take up, or direct any nominee of the Treasury or of the Secretary of State to take up, any rights which are for the time being available to them or him, or to the nominee, either—
- (a) as an existing holder of shares or other securities of an operating company; or
 - (b) by reason of the rescission of any contracts for the sale of such shares or securities.
- (7) If, as a result of anything done under subsection (6) above, the proportion of the ordinary voting rights carried by the Government shareholding in an operating company at any time exceeds the target investment limit for the time being in force under this section in relation to that company, it shall be the duty of the Treasury or, as the case may be, the Secretary of State to comply with subsection (5) above as soon after that time as is reasonably practicable.
- (8) For the purposes of this section the temporary suspension of any of the ordinary voting rights shall be disregarded.
- (9) The Secretary of State shall not exercise any power conferred on him by this section except with the consent of the Treasury.
- (10) In this Part “operating company” means a supply company, the transmission company, a generating company, a Scottish electricity company or the Scottish nuclear company.

Finances of successor companies

75 Statutory reserves.

- (1) If the Secretary of State with the approval of the Treasury so directs at any time before a successor company ceases to be wholly owned by the Crown, such sum as may be specified in the direction but not exceeding—
- (a) in the case of a supply company, the accumulated realised profits of the transferor;
 - (b) in the case of a Scottish electricity company, the aggregate of such proportion of the accumulated realised profits of the transferor as is determined by or under the transfer scheme and any accumulated realised profits arising (after compliance with any direction to the company under subsection (2) of section 80 below) by virtue of the extinguishment of liabilities of the company by an order under subsection (1) of that section;

76 Statutory accounts.

- (1) The following provisions of this section shall have effect for the purposes of any statutory accounts of a successor company, that is to say, any accounts prepared by such a company for the purpose of any provision of the Companies Act 1985 (including group accounts).
- (2) The vesting in the company effected by virtue of this Part shall be taken to have been effected immediately after the end of the last complete accounting year of the transferor to end before the transfer date and—
- (a) in the case of a supply company, to have been a vesting of all the property, rights and liabilities to which the transferor was entitled or subject immediately before the end of the year;
- (b) in any other case, to have been a vesting of such of the property, rights and liabilities to which the transferor was so entitled or subject as are determined by or under the transfer scheme.
- (3) The value of any asset and the amount of any liability which is taken by virtue of subsection (2) above to have been vested in the company shall be taken to have been—
- (a) in the case of a supply company, the value or amount assigned to the asset or liability for the purposes of the corresponding statement of accounts prepared by the transferor in respect of the last complete accounting year of the transferor to end before the transfer date;
- (b) in any other case, the value or amount so assigned or, if the asset or liability is part only of an asset or liability to which a value or amount is so assigned, so much of that value or amount as may be determined by or under the transfer scheme.
- (4) The amount to be included in respect of any item shall be determined as if—
- (a) in the case of a supply company, anything done by the transferor (whether by way of acquiring, revaluing or disposing of any asset or incurring, revaluing

- (b) in any other case, so much of anything so done as may be determined by or under the transfer scheme,
- had been done by the company.
- (5) Without prejudice to the generality of the preceding provisions, the amount to be included from time to time in any reserves of the company as representing the company's accumulated realised profits shall be determined as if—
- (a) in the case of a supply company, any profits realised and retained by the transferor;
- (b) in any other case, such proportion of any such profits as is determined by or under the transfer scheme,
- had been realised and retained by the company.
- (6) In this section “complete accounting year,” in relation to the transferor, means an accounting year of the transferor ending on 31st March.

77 Temporary restrictions on borrowings etc.

- (1) If articles of association of a successor company confer on the Secretary of State powers exercisable with the consent of the Treasury for, or in connection with, restricting the sums of money which may be borrowed or raised by the group during any period, those powers shall be exercisable in the national interest notwithstanding any rule of law and the provisions of any enactment.
- (2) For the purposes of this section an alteration of the articles of association of a successor company shall be disregarded if the alteration—
- (a) has the effect of conferring or extending any such power as is mentioned in subsection (1) above; and
- (b) is made at a time when that company has ceased to be wholly owned by the Crown.
- (3) In this section—
- “group”, in relation to a company, means that company and all of its subsidiaries taken together;
- “subsidiary” [^{F90}] has the meaning given by section 736 of the ^{M51}Companies Act 1985.

- (2) Subject to section 80 below, any loans which the Secretary of State makes under this section shall be repaid to him at such times and by such methods, and interest thereon shall be paid to him at such rates and at such times, as he may, with the approval of the Treasury, from time to time direct.
- (3) The Treasury may issue out of the National Loans Fund to the Secretary of State such sums as are required by him for making loans under this section.
- (4) Any sums received under subsection (2) above by the Secretary of State shall be paid into the National Loans Fund.
- (5) It shall be the duty of the Secretary of State as respects each financial year—
 - (a) to prepare, in such form as the Treasury may direct, an account of sums issued to him in pursuance of subsection (3) above and of sums received by him under subsection (2) above and of the disposal by him of the sums so issued or received; and
 - (b) to send the account to the Comptroller and Auditor General not later than the end of the month of August in the following financial year;and the Comptroller and Auditor General shall examine, certify and report on the account and shall lay copies of it and of his report before each House of Parliament.

79 Treasury guarantees for loans made to the companies.

- (1) Subject to section 81 below, the Treasury may guarantee, in such manner and on such terms as they may think fit, the repayment of the principal of, the payment of interest on, and the discharge of any other financial obligation in connection with, any sums which are borrowed from a person other than the Secretary of State by any successor company which is for the time being wholly owned by the Crown.
- (2) Immediately after a guarantee is given under this section, the Treasury shall lay a statement of the guarantee before each House of Parliament; and immediately after any sum is issued for fulfilling a guarantee so given, the Treasury shall so lay a statement relating to that sum.
- (3) Any sums required by the Treasury for fulfilling a guarantee under this section shall be charged on and issued out of the Consolidated Fund.
- (4) If any sums are issued in fulfilment of a guarantee given under this section the company whose obligations are so fulfilled shall make to the Treasury, at such times and in such manner as the Treasury may from time to time direct—
 - (a) payments of such amounts as the Treasury may so direct in or towards repayment of the sums so issued; and
 - (b) payments of interest on what is outstanding for the time being in respect of sums so issued at such rate as the Treasury may so direct.
- (5) Any sums received under subsection (4) above by the Treasury shall be paid into the Consolidated Fund.

be specified in the order; and the assets of the National Loans Fund shall accordingly be reduced by amounts corresponding to any liabilities so extinguished.

- (2) Where the Secretary of State has made an order under subsection (1) above and he considers it appropriate to do so, he may from time to time give a direction under this subsection to the company whose liabilities are extinguished by the order, or to a company or companies wholly owning the company whose liabilities are so extinguished; and a company to which such a direction is given shall, as a consequence of the making of the order, issue such securities of the company as may be specified or described in the direction—
- (a) to the Treasury or the Secretary of State;
 - (b) to any person entitled to require the issue of the securities following their initial allotment to the Treasury or the Secretary of State; or
 - (c) if it is the company whose liabilities are extinguished by the order, to a company or companies wholly owning that company.
- (3) For the purposes of any statutory accounts of a company to whom securities are issued by virtue of subsection (2)(c) above, the value at the time of its issue of any such security shall be taken—
- (a) in the case of a share, to have been equal to its nominal value; and
 - (b) in the case of debenture, to have equal to the principal sum payable under the debenture,
- and such nominal value or principal sum shall be taken in those accounts to be accumulated realised profits.
- (4) In subsection (3) above “statutory accounts of a company” means any accounts prepared by the company for the purpose of any provision of the ^{M52}Companies Act 1985 (including group accounts).
- (5) The Secretary of State shall not—
- (a) make an order under subsection (1) above extinguishing the liability of any company; or
 - (b) give a direction under subsection (2) above for the issue of securities,
- except at a time when the company whose liability is extinguished by the order or, as the case may be, the company which is directed to issue securities is wholly owned by the Crown; and he shall not give a direction under paragraph (c) of the said subsection (2) except at a time when the company or companies to whom the securities are to be issued is, or are, so owned.
- (6) Except as may be agreed between the Secretary of State and a company which is directed to issue debentures in pursuance of this section—
- (a) the aggregate of the principal sums payable under the debentures to which the direction relates shall be equal to the aggregate of the sums the liability to repay which is extinguished by the order; and
 - (b) the terms as to the payment of the principal sums payable on the debentures to which the direction relates, and as to the payment of interest thereon, shall be the same as the corresponding terms of the loans specified in the order.
- (7) For the purposes of subsection (6) above any express or implied terms of a loan shall be disregarded in so far as they relate to the early discharge of liabilities to make repayments of principal and payments of interest.

- (b) the power conferred on the Secretary of State by subsection (2) of section 24 of the ^{M56}Electricity (Scotland) Act 1979 to give directions as to the repayment of advances made by him under that section to a Scottish Board, shall include power to direct the Council or Board to discharge its liabilities in respect of any advance so made by a payment to him, on such date as is specified in the direction, of such amount as is so specified.
- (2) The Treasury may direct the Electricity Council or a Scottish Board to do anything specified in the direction which is requisite or expedient for the purpose of securing the discharge, or the transfer to the Treasury, of the Council's or Board's liabilities in respect of any foreign currency loan made to the Council or Board.
- (3) Where the liabilities of the Electricity Council or a Scottish Board in respect of any foreign currency loan made to the Council or Board are to be discharged (whether in pursuance of a direction under subsection (2) above or otherwise), the Treasury may direct that the amount to be paid to the Treasury by the Council or Board for the foreign currency required for the purpose of securing the discharge shall be such amount as is specified in the direction.
- (4) Where the liabilities of the Electricity Council or a Scottish Board in respect of any foreign currency loan made to the Council or Board are to be transferred to the Treasury (whether in pursuance of a direction under subsection (2) above or otherwise), the Treasury may direct the Council or Board to pay to the Treasury, on the date of the transfer, such amount as is specified in the direction.
- (5) The amount specified in a direction under subsection (1), (3) or (4) above shall be the aggregate of the present values (calculated in such manner and by reference to such rate of interest as the Secretary of State with the approval of the Treasury or, as the case may be, the Treasury may determine) of—
- (a) in the case of a direction under subsection (1), the payments which, if the Council's or Board's liabilities in respect of the advance were not discharged before the final date, would fall to be made to the Secretary of State in respect of the advance;
 - (b) in the case of a direction under subsection (3) or (4), the payments which, if the Council's or Board's liabilities in respect of the loan were not discharged or transferred before the final date, would fall to be made to the Treasury under the relevant exchange cover agreement.
- (6) The Secretary of State may direct the Electricity Council to exercise its powers under section 21 of the ^{M57}Electricity Act 1957 in relation to any amount which falls to be paid by the Council in pursuance of a direction under subsection (1), (3) or (4) above in such manner as is specified in the direction under this subsection; and such a direction may in particular require contributions to be made by all or any of the Electricity Boards in England and Wales in such amounts as are specified in the direction.
- (7) Any sums received by the Secretary of State in pursuance of a direction under subsection (1) above or by the Treasury in pursuance of a direction under subsection (4) above shall be paid into the National Loans Fund; and any sums received by the Treasury in pursuance of a direction under subsection (3) above shall be paid into the Exchange Equalisation Account.
- (8) In this section—
- “the final date”, in relation to an advance or loan, means the date on which the final payment in respect of the advance or loan falls to be made;

87 Expenditure and receipts of Electricity Council.

- (1) The Electricity Council may, from time to time during its transitional period, require any of the successor companies in England and Wales to contribute such sums as the Council, with the consent of the Secretary of State, may determine towards meeting—
 - (a) any liabilities of the Council with respect to corporation tax (including liabilities to pay any sums by way of interest or penalty); and
 - (b) any expenses incurred by the Council in connection with the determination of any such liabilities.
- (2) The following, namely—
 - (a) any sums received by the Electricity Council during its transitional period by way of refunds of corporation tax (including any sums so received by way of repayment supplement); and
 - (b) any sums received by the Council by way of contributions under subsection (1) above which are not required for meeting such liabilities and expenses as are mentioned in that subsection,may be divided, in such proportions as the Council considers appropriate, between such of the successor companies in England and Wales as the Council thinks fit.

88 Grants towards expenditure during transitional period.

- (1) The Secretary of State may, with the approval of the Treasury, make grants to any existing body of such amounts as he thinks fit towards such expenditure incurred by that body during its transitional period as is not met—
 - (a) under Schedule 17 to this Act by its appropriate successor company; or
 - (b) in the case of the Electricity Council, by contributions required to be made under section 87 above.
- (2) Grants under this section may be made subject to such conditions as the Secretary of State with the approval of the Treasury may determine.
- (3) Any sums required by the Secretary of State for making grants under this section shall be paid out of money provided by Parliament.
- (4) In this Part “the appropriate successor company” means—

- (a) in relation to an Area Board, its successor company;
 - (b) in relation to any other Electricity Board or the Electricity Council, such of its successor companies as may be designated by or under its transfer scheme;
- and a transfer scheme may provide for different designations for different provisions or for different purposes.

Miscellaneous

89 Payments for the use of tax losses.

- (1) For the purpose of securing that each Area Board is in broadly the same financial position on the transfer date as, on the assumptions mentioned in subsection (2) below, it would be in on that date, the Secretary of State may by order direct each Area Board to pay to the Generating Board such sums as, in relation to that Area Board, are specified in or determined by or under the order.
- (2) The said assumptions are—
 - (a) that section 511(2) of the ^{M59}Income and Corporation Taxes Act 1988 (trades carried on by Area Boards and Generating Board treated as parts of trade of Electricity Council) and the corresponding earlier enactments had not been enacted;
 - (b) that at all material times corporation tax had been charged at the rate of 35 per cent.; and
 - (c) that any corporation tax which, on the assumptions mentioned in paragraphs (a) and (b) above, would be payable by an Area Board would be so payable before the transfer date.

PART III

MISCELLANEOUS AND SUPPLEMENTAL

Miscellaneous

96 Directions for preserving security of electricity supplies etc.

- (1) The Secretary of State may, after consultation with a person to whom this section applies, give to that person such directions of a general character as appear to the Secretary of State to be requisite or expedient for the purpose of—
- (a) preserving the security of buildings or installations used for, or for purposes connected with, the generation, transmission or supply of electricity; or
 - (b) mitigating the effects of any civil emergency which may occur.
- (2) If it appears to the Secretary of State to be requisite or expedient to do so for any such purpose as is mentioned in subsection (1) above, he may, after consultation with a person to whom this section applies, give to that person a direction requiring him (according to the circumstances of the case) to do, or not to do, a particular thing specified in the direction.

Status: Point in time view as at 11/01/1999. This version of this Act contains provisions that are not valid for this point in time.

- (3) A person to whom this section applies shall give effect to any direction given to him by the Secretary of State under this section notwithstanding any other duty imposed on him by or under this Act.
- (4) The Secretary of State shall lay before each House of Parliament a copy of every direction given under this section unless he is of the opinion that disclosure of the direction is against the interests of national security or the commercial interests of any person.
- (5) A person shall not disclose, or be required by virtue of any enactment or otherwise to disclose, anything done by virtue of this section if the Secretary of State has notified him that the Secretary of State is of the opinion that disclosure of that thing is against the interests of national security or the commercial interests of some other person.
- (6) This section applies to any licence holder and any person authorised by an exemption to generate or supply electricity.
- (7) In this section “civil emergency” means any natural disaster or other emergency which, in the opinion of the Secretary of State, is or may be likely to disrupt electricity supplies; and expressions used in Part I have the same meanings as in that Part.

97 Financial assistance for discharge of nuclear liabilities.

The provisions of Schedule 12 to this Act (which provide for the giving of financial assistance in connection with the storage and reprocessing of nuclear fuel, the treatment, storage and disposal of radioactive waste and the decommissioning of nuclear installations) shall have effect.

98 Provision of statistical information.

- (1) The Secretary of State may, if he considers it expedient for the purpose of obtaining statistical information relating to the generation, transmission or supply of electricity, serve a notice under this section on any licence holder or any person who is authorised by an exemption to generate or supply electricity.
- (2) A notice under this section may require the person on whom it is served to furnish, at a time and place specified in the notice, to the Secretary of State such statistical information about that person’s business as may be so specified.
- (3) Subject to subsections (4) and (5) below, no information with respect to any particular business which—
 - (a) has been obtained under this section; and
 - (b) relates to the affairs of any individual or to any particular business,
 shall, during the lifetime of that individual or so long as that business continues to be carried on, be published or otherwise disclosed without the consent of that individual or the person for the time being carrying on that business.
- (4) Subsection (3) above does not apply in relation to any disclosure which is made after consultation with the individual concerned, or the person for the time being carrying on the business concerned, and is of information relating to—
 - (a) the quantities of electricity generated by particular methods or by the use of particular fuels;
 - (b) the quantities of particular fuels used for the generation of electricity;

- (c) the quantities of electricity transferred between Great Britain and countries or territories outside Great Britain, or between England and Wales on the one hand and Scotland on the other; or
 - (d) the quantities of electricity supplied in England, Scotland or Wales either generally or to persons of any particular class or description.
- (5) Subsection (3) above does not apply in relation to any disclosure which is made to the Minister in charge of any Government department or for the purposes of any proceedings under this section.
- (6) The Secretary of State may, after consultation with persons or bodies appearing to him to be representative of persons likely to be affected, by order amend subsection (4) above so as to add other descriptions of information which may be disclosed notwithstanding that it may relate to a particular person or business.
- (7) Any person who without reasonable excuse fails to furnish information in compliance with a requirement under this section shall be liable on summary conviction to a fine not exceeding level 1 on the standard scale.
- (8) Any person who publishes or discloses any information in contravention of subsection (3) above or, in purported compliance with a requirement under this section, knowingly or recklessly furnishes any information which is false in any material particular shall be liable—
- (a) on summary conviction, to imprisonment for a term not exceeding three months or a fine not exceeding the statutory maximum or both;
 - (b) on conviction on indictment, to imprisonment for a term not exceeding two years or a fine or both.
- (9) In this section “information” does not include estimates as to future matters but, subject to that, expressions which are used in Part I have the same meanings as in that Part.

99 Promotion of new techniques in national interest.

- (1) The Secretary of State shall exercise the power conferred on him by section 5 of the ^{M67}Science and Technology Act 1965 (expenditure on research and development in science or technology) for the purpose of promoting such research into, and such development of, new techniques relating to the generation, transmission or supply of electricity as appears to him to be necessary in the national interest.
- (2) The Secretary of State may, if he considers it expedient for purposes connected with the performance of his duty under this section, serve notice under this subsection on any licence holder or any person who is authorised by an exemption to generate or supply electricity.
- (3) A notice under subsection (2) above may require the person on whom it is served to furnish, at a time and place specified in the notice, to the Secretary of State such information about that person’s business as may be so specified.
- (4) Subsections (3), (5) and (7) to (9) of section 98 above shall apply for the purposes of this section as they apply for the purposes of that section.
